

## Online Membership Directory – For Local Registered Doctors\*

The HKCFP promotes the role of the Family Physician in the community. We are providing a voluntary membership directory for the general public on our website to further achieve this aim. Thank you all who have given the consent to make the directory a success.

As members of the HKCFP, we wish to include you on this list, so as to allow the general public to find a Family Physician in their district or community.

The College will soon update the online membership directory. If you wish to update or add your practice information in the online membership directory, please kindly fill out the following details and return to the College secretariat
