HONORARY SECRETARY - DR. K K IP

The past one-year was a fruitful year for the College. Apart from the routine activities, the College had made important moves towards the better health of the community. Our College also moved into new premises in the Hong Kong Academy of Medicine Building.

The College has taken an active role in defining the standard of primary health care. Primary Medical Care Certificate Assessment (PMCCA) has been put forward to the public and our profession. It is a quality assurance exercise. PMCCA is not a once and for all exercise. Certificate holders are expected to commit to continuous medical education and provision of quality care.

There are several events, which are worth mentioning in this report. The College had invited the Chief Editor of British Medical Journal, Dr. Richard Smith, to be the plenary speaker in the first medical conference hosted by the Hong Kong Academy of Medicine. After the conference he was invited to give training workshop to our Journal Editors. Valuable suggestions have been given to our Journal, the Hong Kong Practitioner.

A consultative meeting on primary care in Hong Kong was held in March 1999. Participants included visiting authorities in family medicine and important local representatives. The followings are several important conclusions made after this meeting. Primary care led medical service is the most cost-effective system of medical care. No country is possible to support the enormous financial burden of a hospital based medical care system. Government support in community-based training of family doctors is a usual practice in many countries. Direct observation of consultation and practice is an effective way of testing standard.

The Harvard Report which was meant to be an assessment of the health care system of Hong Kong was finally released in May this year. The need for Primary Care and Family Medicine to be developed was emphasized. Our College was consulted and the President and Executives attended meetings with the Central Policy Unit, LegCo and Health and Welfare Bureau of Hong Kong.

The College has assisted Royal College of General Practitioners to hold the written segment of its membership examination in Hong Kong. This was the first time which we had similar collaboration. Conversation had begun after this event. The College Presidents had met to seek the possibility of accrediting MRCP international in Hong Kong. This meant that our College Fellows might be awarded the title of MRCP international through this scheme.

Council members have been working very hard for our College. Individual Boards and Committees had made improvements so that our members were better served; the College office operated smoothly; our financial reserve grew steadily. Members can find their efforts being shown in the individual reports. Some members though they are not office-bearers, worked silently for the College, made our College events possible. Our Executive Manager, Miss Fanny Lau and her team, though salary paid, worked overtime and carried out complicate instructions unflinching. On behalf of the College, I would like to take this opportunity to send our heartiest thank to all of them.

The quest for continuing medical education is forever increasing among members of our College. This year, because of economic recession, there was some difficulty in obtaining sponsorships from pharmaceutical companies. However, the Board, with the hard working of her members, still managed to arrange a wide variety of medical educational activities. Luncheon meetings, our number-one favorite, were all fully booked very early. The attendance record was broken in no time with each new meeting. Although we were proud of the zest of our members, the Board was sorry for turning members down because of maximum limited capacity. To make up for this, the Board had negotiated to increase the audience capacity. Members could come to the seminars even when lunch catering was saturated. A moderator subcommittee was set up to monitor these functions.

Thanks to supports of various hospitals, clinical attachments for Paediatrics, ENT and Geriatrics were organized as in previous years to update members' clinical skills. Practical workshops such as Cardiopulmonary Resuscitation trainings were also very successful. However, Physical Examination and Patient Management workshops had not been organized this year because of dwindling demands.

This year, three hundred and eighty-seven doctors attended the 17th Annual ENT Update. We also organized our first Gynaecology Update and Ophthalmology Update and we planned to organize them annually. Our Annual Refresher Course was again a great success. Other activities included community educational programmes, video-cassette viewing and self-assessment programmes. Registration for small group discussion had increased to 31 groups.

Although much has been achieved in the past, there is still a lot of improvements and work waiting for us ahead. I must take this opportunity to thank all my Board members for their hard-work, support and dedication. I must also thank our sister Colleges, hospital colleagues, Department of Health, the two Universities and pharmaceutical sponsors for co-organizing and supporting our various activities.

Self-Assessment Correspondence Programme

In addition to the MCQ paper sent out monthly with the College journal, members may subscribe for the "CHECK" Programme.

Cardiopulmonary Resuscitation (CPR) Training

With the unflinching support of the Hong Kong College of Cardiology, we held two CPR training workshops in 1998. 50 members passed the CPR Examination and awarded the Certificate of Competency CPR in Basic Life Support.

Small Group Discussion

Members may form small discussion group. Some guidelines for organizing small group have been revised and details can be obtained at the College. Currently, there are 31 small groups registered with the College.

Annual Refresher Course

This traditional event consisted of 8 lectures and 2 workshops and was attended by over 150 members in 1998.

MCQ / PE	19 May, 1998 (Tuesday)	Duke of Windsor Social Service Building
MEQ Workshop	24 May, 1998 (Sunday)	Ngau Tau Kok Polyclinic

THE TWELFTH CONJOINT FHKCFP/RACGP EXAMINATION

The 12th Conjoint Examination was conducted in conjunction with the Royal Australian College of General Practitioners as in previous years. Most of the members of the Panel of Examiners met for examiner training in one Examiners' Training Camp held on 21 June, 1998 at Health Centre, The Hong Kong Polytechnic University. Marking was standardized and the examination material was thoroughly discussed and clinical cases were practiced by the examiners.

The actual examination took place on the following dates:

MCQ	29 Aug. 1998 (Saturday)	SPACE (HKU), Admiralty Centre
MEQ / CI	30 Aug. 1998 (Sunday)	SPACE (HKU), Admiralty Centre
ORAL	2-3 Sept, 1998 (Wed - Thu)	Ngau Tau Kok Polyclinic
PE	5 Sept, 1998 (Saturday)	Yan Chai Hospital
DI / MI	6 Sept, 1998 (Sunday)	Yan Chai Hospital

The visiting examiners from RACGP were Dr. Neil Spike and Dr. John Scott. They contributed many constructive ideas and observed the clinical segments of the examination. There were 50 candidates, including 12 trainees who sat only the written segments.

The successful candidates were:

Dr Chow Wai Man
Dr Chua Kam Ling
Dr Chu An Tung, Antonio
Dr Lee Kai Yuen
Dr Loo Anne
Dr Ng Ventura Lorna
Dr Tse Kwok Lun, Tony
Dr Wong Ka Wah
Dr Yeung Sau Ying

EXIT ASSESSMENT SUBCOMMITTEE

Chairman : Dr. Cindy L K Lam

Members : Dr. WONG Hung Wai (Chairman, Board of Examinations), Dr. Linda HUI (Co-ordinator, Clinical Audit Reports), Dr. Jonathan LAU (Co-ordinator, Practice Assessment), Dr. YIU Yuk Kwan (Co-ordinator, Consultation Skills Assessment), Dr. Steven Y K HO, Dr. Luke C Y Tsang and Dr. David V K CHAO, Dr. Donald K T Li (Ex-officio), Dr. IP Kit Kuen (ex-officio).

The Exit Assessment Subcommittee replaced the End Point Assessment Subcommittee as a result of a change of the name of the End Point Assessment (EPA) to Exit Assessment. The Exit Assessment and its subcommittee operate under the Board of Examinations instead of the BVTS since October 1, 1998.

The Exit Assessment Subcommittee conducted a supplementary End Point Assessment in September, 1998. Three candidates took the supplementary assessment and two candidates successfully completed and passed the whole EPA.

The 1999 Exit Assessment was held from January 19 to March 15, 1999. Nine candidates attempted the assessment and six passed all three segments. Professor Robin Fraser was the External Assessor of the 1999 Exit Assessment.

The subcommittee organized a workshop on the Exit Assessment and a seminar on clinical audits for all members of the College, a training workshop for assessors of clinical audit reports and a training workshop for assessors of consultation skills.

The subcommittee would like to thank all the assessors for their hard work in making the Exit Assessment running smoothly and fairly.

Dr. Wong Hung Wai (Ex-officio)
Dr. Ip Kit Kuen (Ex-officio)

Executive : Ms. Kris M W Lam

Changes in the BVTS

The Board of Vocational Training and Standards had had a very busy year with a significant increase in the number of vocational trainees, training practices and clinical supervisors. The Board welcomed Drs. Chu Wai Sing, Daniel, Ho Kin Sang, Lam Pui and Albert Lee as new members of the Board. We are sorry to receive the resignation from Dr. Tsui Kwok Biu as Board member and the Board wishes to accord a vote of thanks for his contributions in the past year.

Hospital Training Posts

This year, the number of trainees in Basic Training continued to have a significant increase because of our Board had accepted a number of doctors from HA Hospitals to join our Basic Vocational Training Programme. The number of trainees in Higher Vocational Training in Family Medicine also continues to rise. The list of our trainees in 1998/1999 is listed in Appendix A. The list of our current Honorary Clinical Supervisors for Higher Vocational Training in Family Medicine is listed in Appendix B.

Additional Training

Many additional trainees had started their training programme and the progress is satisfactory.

Revision of Training Handbook

New training handbook has been approved by the Hong Kong Academy of Medicine. The new policy will be effective from 1st July 1999.

Re-accreditation by RACGP

Our training programme has been re-accredited by RACGP for 5 years until 2003.

Output

Congratulations to our trainees, Drs. Chua Kam Ling, Lee Kai Yuen, Loo Anne and Yeung Sau Ying for passing the HKCFP/RACGP Conjoint Examination in 1998 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

The Board certified completion of 4 years of Basic Training in Family Medicine for Drs. Chan Sze Luen, David, Chua Kam Ling, Hung Wai Yin, Winson, Lau Tai Wai, Lee Kai Yuen, Loo Anne, Yeung Sau Ying and Yu Jacman in 1998.

The Board also certified completion of 2 years of Higher Training in Family Medicine for Drs. Fan Yuen Man, Cecilia, Lee Siu Yin, Ruby, Kwok Lai Key and 2 years of Additional Training in Family Medicine for Drs. Chan Wan Yee, Winnie, Kwok Kon Hung, Pau Wai Man, To Kit Yuk and Yau Kit Yee in 1998.

Appreciation

I would like to take this opportunity to express my sincere thanks to all our Board members, honorary clinical supervisors and mentors, especially our Immediate Past Chairman, Dr. Luke C.Y. Tsang for their hard work and commitment, for without which our Training Programme would not be such a success. The contribution and commitment of Ms Kris Lam to the work of BVTS has undoubtedly reinforced this success. BVTS looks forward to the challenges of another exciting year ahead, we hope to continue to improve our Training Programme towards recognized international standard and to be able to participate in the development of Family Medicine in our Region.

EDUCATION COMMITTEE

Chairman : Dr. Cindy L K LAM

Members:

Dr. LAM Tsan, Augustine (Chairman, BVTS), Dr. WONG Hung Wai (Chairman, Board of Examinations), Dr. CHAN Kwok Wai (Quality Assurance and Accreditation Committee), Dr. Raymond C H LO (Chairman, Board of Education) and Dr. Keith K K TSE (Chairman, Membership Committee), Dr. Donald K T LI (Ex-officio), Dr. IP Kit Kuen (Ex-officio)

The Education Committee is responsible for assuring that all the training, continuing medical education and assessment activities of our College are in line with the regulations and philosophy of the HKAM. The Chairman represents the College at the Education Committee of the HKAM. The major tasks completed by the Education Committee last year were:-

1. Registration of 50 members of our College with the Additional Training Programme in Family Medicine.
2. Revision and submission to the HKAM for endorsement of the Handbook on Vocational Training Programme in Family Medicine.
3. Revision of the specialist description of Family Medicine for submission to the Medical Council for the public's information.
4. Submission to the HKAM the 1998 Annual CME record of 112 FHKAM (Family Medicine).
5. Submission of the 1998 annual training statistics of our College to the HKAM.

The issue under discussion by the Education Committee of the HKAM is the promotion and reward of quality assurance activities among FHKAM. We will keep members informed of the progress of the matter.

EDITORIAL BOARD

Editor : Dr. Lam Tai Pong

Members :

Dr. David V.K. Chao has continued as Deputy Editor. Dr. Betty K.M. Kwan has continued as Business Manager. The Board welcomed Dr. Susan Ward as new member of the Board, joining Drs. Cynthia S.Y. Chan, Chan Wai Sun, Stephen Chen, Rudolph W.M. Chow, Julie Cohen, Mina Goyal, Kwok Kon Hung, Cindy L.K. Lam, Lam Tai Kwan, Lam Yuen, Bernard W. K. Lau, Frederick C.T. Lee, Peter C.Y. Lee, Lawrence K.C. Leung, Ronson C.T. Li, John Mackay, Charles C.Y. Ng, Ng Chun Bor, David Owens and Raymond W.M. Pau, Dr. Donald K T Li (Ex-officio), Dr. Wong Hung Wai (Ex-officio), Dr. Ip Kit Kuen (Ex-officio)

Editorial Advisers :

Professors Cindy S. T. Aun, Helen Chiu, Jim Dickinson, Tony Dixon, Wes Fabb, S.T. Fan, C. B. Hazlett, A. Hedley, Walter W.K. King, C.R. Kumana, C.P. Lau, P.C. Leung, C.W. Ogle, Wilfred C.G. Peh, Grace Tang, Mark Tso, C.A. Van Hasselt, Jean Woo, Wong Tze Wai, C.Y. Yeung, R.T.T. Young & Dr. Mak Ki Yan have continued as members of our panel of Editorial Advisers.

Statistical Consultants :

Drs. Joseph Lau and Ian Lauder have continued as Statistical Consultants.

Dr. Richard Smith, Editor of *British Medical Journal*, visited us in November 1998, and conducted two workshops for the Board. The first one was on "Medical Writing" and it was well attended by members and non-members of the College. The second workshop was on "Medical Editing" and it provided excellent opportunities for members of the Editorial Board to have in-depth discussion with Dr. Smith.

The Hong Kong Practitioner continued to be a very popular medical journal in Hong Kong, within and outside the family medicine arena. Apart from local submissions, we have also been able to attract authors from countries in the Asia-Pacific region.

The Board has been planning a revision of *HK Pract* and it is hoped that the new version will be introduced in the near future.

As Editor, I wish to thank every member of the Board, the Editorial Advisers, those who contributed to the Journal and the College Secretariat for their unfailing support and hard work. I would also like to thank the authors for sharing with us their knowledge and expertise. To all companies that contributed unreservedly to *HK Pract* by their advertisements, goes a warm thank you for their support and generosity.

This year, we held the Hepatitis B public education programme with exhibitions at Mong Kok Grand Century Place, Shatin New Town Plaza, Ma On Shan Sunshine City Plaza on March 27-28, April 10-11, and April 17-18, together with six public lectures. All these were due to the generous support from Glaxo Wellcome Hong Kong Ltd. I would like to thank our President, Dr. Donald Li, our Public Education Chairman, Dr. Chan Kin Ling and all doctors who had participated in this programme.

Our widely circulating Journal, under the leadership of our Chief Editor, Dr. Lam Tai Pong, is well supported by advertisements from many pharmaceutical firms. Likewise, our refresher course and various luncheon meetings and workshops are generously well supported. I would like to thank all our members for eagerly supporting our functions.

Finally on behalf of the College, I would like to express my sincere thanks to all the following organizations and pharmaceutical firms:

COMPUTER COMMITTEE

Chairman : Dr. Daniel W S CHU

Members : Dr. Lawrence K C Leung, Dr. Chow Shun Wai, Dr. Donald K T Li (Ex-officio),
Dr. Wong Hung Wai (Ex-officio), Dr. Ip Kit Kuen (Ex-officio)

As we approach the end of the millenium, development of technology in information handling has been evolving in quantum speed. The computer committee has been trying to maximize the benefit from the technological development on one hand but avoid being controlled by it blindly.

Hardware

In the last year our hardware has been quite stable with the technical support of a very capable person, plus a major upgrade of all our computers to Pentium-based machine. Our server is now running stable because of its architecture. I have to give credit to our two committee members who gave very good advice on this aspect.

With this upgrade our staff are able to work more efficiently. Our present hardwares are all Y2K compliant.

Software

This year we are seeing more and more limitation in our existing membership program but the service of the software company was far from helpful or efficiently. We intended to have a major upgrade to meet the increasing demand from different boards. However the money involved is not justified and after careful consideration and discussion with different software firms. The council decided to rewrite the program by another software company. In order to face the increasing demand of networking ability and the expectation from the Academy of Medicine to put information on the internet, we decided to take up the new approach of using Linux as the backbone of our system. We expect the new system will be ready for running by end of October. The first phase will work on the most critical part of accounting, then requirement of every board will be added on and finally a fax program will be added in to replace the existing trouble-plagued fax program (Y2K non-compliant). I would like to thank Dr. Chan Kwok Wai on taking up the supervisory job in the development process.

The coming year will be great challenge for the development of information technology of the College. The demand of putting adequate information on the Internet is increasing and we need an organized and dedicated team to look after this area. The QA&A committee would like to see more automation in the accreditation process and the ability for member to assess these functions through the Internet. With the development of the new membership using Linux-based technology we should enable to meet this need in an efficient way. Therefore while at the year end report as we look back and summarize we did in the last year, I would also like to call on those members who are interested to join in and contribute your expertise in this area.

FINANCE COMMITTEE

Chairman : Dr. IP Kit Kuen

Members : Dr. Donald K T Li (Ex-officio)
Dr. Wong Hung Wai (Ex-officio)
Dr. Betty K M Kwan
Dr. Daniel W S Chu

The finance committee had monitored the financial status of our College closely. The College had managed to increase her reserve from Hong Kong dollars 6.6 million to over 8 million in the last year. Substantial increase in income was recorded from our pharmaceutical sponsors and the conjoint fellowship examination. Expenses were carefully controlled. There was only 0.57% increase last year. Details could be found in our honorary treasurer's report.

I would like to take this opportunity to thank our business manager, Dr. Betty Kwan, who has been working hard with our sponsors. I must also thank Stephen Liu and Company, our honorary auditor and Ms. Pinky Leung, our administrative executive, for their unfailing support and services.

HOUSE MANAGEMENT COMMITTEE

Chairman - Dr. Ho Kin Sang

Junior Secretary:

- Miss Irene HOR Siu Lin 何笑蓮

Office Assistant :

- Mr. Peter P K WONG 黃炳棋

The House Management Committee has been re-structured due to change and promotion of staff.

A job description for the College secretariat has been clearly laid down.

Miss Kris Lam has been promoted to Administrative Officer. Miss Azter Wong has left the office and is replaced by Miss Irene Hor, who takes up the duty as Junior Secretary.

A new Computer system has been evaluated and will be installed by the end of this year.

The plan of renovation of the Wanchai old premises has just been finalized and we need some suggestions on this work.

INTERNAL AFFAIRS COMMITTEE

Chairman - Dr. CHU Wai-sing, Daniel

Members - Dr. Donald K T Li (Ex-officio); Dr. Wong Hung Wai (Ex-officio),
Dr. Ip Kit Kuen (Ex-officio)

Over last few years our College has gained an important status of being a significant Academy Body on Primary Health Care Delivery in Hong Kong and thus received more recognition both local and overseas. Therefore the College is establishing an international network with other bodies of health care deliver or academies. As a result of it the College needs to entertain guests both local and overseas to maintain these contacts for the benefit of members.

On top of the traditional duty of organizing the Annual Conferment Ceremony, this year the Internal Affairs Committee is required to help organize meeting with local or overseas guests when required.

Conferment Ceremony

The 12th Conjoint Fellowship Conferment Ceremony of HKCFP / RACGP and the 10th Dr. Sun Yat Sen Oration were successfully held on 25th April 1999 at the magnificent Grand Hall of the Academy of Medicine Building.

The ceremony was well received by about 100 guests and participants. There were 7 members conferred for Fellowship of the Hong Kong College of Family Physicians and 9 members for Fellowship of the Royal Australian College of General Practitioners. They are:

Fellows of the Hong Kong College of Family Physicians

1. Dr. Chua Kam Ling
2. Dr. Chuh An Tung, Antonio
3. Dr. Lee Kai Yuen
4. Dr. Loo Anne
5. Dr. Ng Ventura Lorna
6. Dr. Wong Ka Wah
7. Dr. Yeung Sau Ying

Fellows of the Royal Australian College of General Practitioners

1. Dr. Chow Wai Man
2. Dr. Chua Kam Ling
3. Dr. Chuh An Tung, Antonio
4. Dr. Lee Kai Yuen
5. Dr. Loo Anne
6. Dr. Ng Ventura Lorna
7. Dr. Tse Kwok Lun, Tony

8. Dr. Wong Ka Wah
9. Dr. Yeung Sau Ying

Another 8 fellows were awarded the Certificate of Completion of the Higher Training Programme. They are:

1. Dr. Chan Wan Yee, Winnie
2. Dr. Chui Siu Hang, Billy
3. Dr. Fan Yuen Man, Cecilia
4. Dr. Kwok Kon Hung
5. Dr. Lee Siu Yin, Ruby
6. Dr. Pau Wai Man, Raymond
7. Dr. Tang Shao Fen, Joyce
8. Dr. Ting Man Nin, Arthur

Dr. Margaret Chan, Director of Health delivered the 10th Dr. Sun Yat Sen Oration entitled "Primary Health Care in the Next Millennium". Prof. Jim Dickinson represented the RACGP to attend and confer the fellowships of RACGP. Locally, we were honoured to have many guests and representatives from various hospitals, societies and academic institutions. The ceremony was followed by a cocktail reception which was welcomed by everyone. We also organized a tour of the Academy Building at the end and the arrangement was well received by those who attended.

The Internal Affairs Committee wishes to thank all those who give their time and effort in making this annual event enjoyable and meaningful, and of course, we must not forget the timeless effort and hard work from the College Secretariat and the generous support from Roche Hong Kong Ltd.

MEMBERSHIP COMMITTEE

Chairman - Dr. Keith K. K. Tse

Members - Dr. Ruby S. Y. Li
Dr. Donald K T Li (Ex-officio)
Dr. Wong Hung Wai (Ex-officio)
Dr. Ip Kit Kuen (Ex-officio)

The current membership of HKCFP is as follows :

Fellows *	181
Full Members	307
Associate Members	558
Others **	79
Total :	1,125

* Fellows includes Fellows, Foundation Fellows, Hon. Fellows, Overseas Fellows.

** Others includes Overseas Members, Student Members and Affiliate Members.

Although the membership statistics remained static again in the past year, it is encouraging to see more and more of our members have now become Fellows of our College. With the general public being more aware of the importance of quality primary care in the health care system and our College striving harder than ever to enhance and maintain the standard of family medicine in Hong Kong, it is hoped that all our medical colleagues in primary care will eventually join rank with us.

In the mean time the committee will continue to explore plans for membership promotion.

NOMINATION COMMITTEE

Chairman : Dr. Cindy L K Lam

Members : Dr. Donald Li (Ex-officio), Dr. IP Kit Kuen (Ex-officio), Dr. LAM Tsan Augustine (Chairman, BVTS), Dr. WONG Hung Wai (Chairman, Board of Examinations), Dr. Keith K K Tse (Chairman, Membership Committee) and Dr. Stephen K S Foo

The Nomination Committee scrutinizes applications for nomination to FHKAM (Family Medicine) and applications for assessment of equivalent standard to a FHKAM (Family Medicine) according to the regulations laid down by the HKAM and our College Council. The Committee nominated 50 candidates for registration with the Additional Training Programme in Family Medicine to the HKAM and all of them were approved. The Committee recommended eight members for nomination to FHKAM (Family Medicine) in the year from October, 98 to September, 99.

PUBLIC EDUCATION COMMITTEE

Chairman : Dr Chan Kin Ling

Members : Dr Betty Kwan
Dr Ip Kit Kuen
Dr. Donald K T Li (Ex-officio)
Dr. Wong Hung Wai (Ex-officio)
Dr. Ip Kit Kuen (Ex-officio)

This year the Public Education Committee has more opportunities in providing education on common and current diseases and their prevention through the mass media; and at the same time promoting Family Medicine. These include public lectures and exhibitions, interviews on radio and television, and providing education material through newspapers and magazines.

The major campaign of the year is the Hepatitis B Public Education Programme, held from March to October and sponsored by Glaxo Wellcome. Articles on Hepatitis B were sent to the press. Education leaflets on Hepatitis B were also produced. Six public seminars were held at Shatin Town Hall (April 16), Hong Kong Arts Centre (April 29), Hong Kong Science Museum (May 5 & Oct 22), Yau Matei YMCA (July 23), and Tuen Mun City Hall (Aug 20) respectively. The speakers include Dr Chan Tat, Dr Daniel W S Chu, Dr Betty K M Kwan, Dr Ip Kit Kuen and Dr Lam Tsan. Three public exhibitions on Hepatitis B were held at Mongkok Grand Cen-

tury Plaza (March 27-28), Shatin New Town Plaza (April 10-11) and Ma On Shan Sunshine City Plaza (April 17-18). There was free screening for Hepatitis B offered to the public at the exhibitions, and over 1,500 people had their blood checked. Doctors providing onsite consultation include Dr Barry Bien, Dr Chan Kwok Wai, Dr Daniel Chu, Dr Fung Yuk Kwan, Dr Steven Ho, Dr Ip Kit Kuen, Dr Betty Kwan, Dr Lam Hon Man, Dr Lam Tsan, Dr Lo Chun Hung, Dr Gilbert Lui, Dr Raymond Pau, Dr Paul Siu, Dr Dorothy To, Dr Keith Tse, Dr Wong Hung Wai and Dr Yiu Yuk Kwan. The committee would like to thank the doctors for their contributions in making the campaign a success.

With the increasing public awareness on health issues and disease prevention, we anticipate a bigger demand in public education activities.

QUALITY ASSURANCE AND ACCREDITATION COMMITTEE

Chairman : Dr. Chan Kwok Wai

Members : Dr. Cynthia Chan
Dr. Chan Kin Ling
Dr. Cheng Chor Ho
Dr. Fung Yuk Kwan
Dr. Paul Siu
Dr. Keith Tse
Dr. Dorothy To
Dr. Tsui Hing Sing
Dr. Tong Siu Man (Representative from Board of Education)

Dr. Wong Hung Wai (Ex-officio)
Dr. Ip Kit Kuen (Ex-officio)

This is a busy year for the QA & A Committee. With the increasing demand for good medical care by the public, the need for a good quality assurance program is mandatory. The QA&A committee has defined its objectives and strategies and makes it more accountable to the public and to our College members.

OBJECTIVES

1. To promote GPs/FPs' participation in an effective and efficient quality assurance and continuing medical education program by:
 - 1.1 Encouraging and identifying high quality activities which are accessible to GPs/FPs, and
 - 1.2 Giving credits for participation in high quality educational activities
2. To demonstrate the accountability of GPs/FPs to the community by documenting the participation in those quality assurance and continuing medical education programs that respond to community needs.
3. To enhance the professional responsibility of individual GPs/FPs and Family Medicine as a whole by ensuring that the QA & A Program meets the acknowledged world standards of quality care.

STRATEGIES :-

1. EFFECTIVENESS AND ACCESSIBILITY

- 1.1 Maintain a credible adjudication process for approval of quality assurance and continuing medical educational activities within the Program.
- 1.2 Provide information about effective quality assurance and continuing medical education to activity providers and GPs/FPs to assist them to understand and meet the adjudication criteria.
- 1.3 Identify any barriers to effective quality assurance and continuing medical education for GPs/FPs and develop ways to overcome these barriers.
- 1.4 Design quality assurance activities, particularly in areas of unmet need.

2. ACCOUNTABILITY

Maintain a credible and equitable record of GPs/FPs participation in approved quality assurance and continuing medical education activities.

3. PROFESSIONAL RESPONSIBILITY

- 3.1 Ensure the QA & A Program supports GPs/FPs own aims to provide the highest quality care.
- 3.2 Participate in local and international quality assurance and continuing education organizations to identify and understand the world standards of quality medical care.
- 3.3 Demonstrate that the College's QA & A Program meets the acknowledged world standards of quality medical care.

In order to achieve the objectives, the Committee has set up a sub-committee to monitor the standard of all our College's educational activities and assign the appropriate credit hours. A post meeting Feedback / Appraisal form has been designed and will be used to audit the quality of individual educational activities provided in the coming year. At the international level, the Committee is negotiating with the Royal Australian College of General Practitioners for reciprocal recognition of the CME and QA programs.

175 members and 116 College fellows had completed the CME & QA program and were awarded the Certificate of Postgraduate Studies. Another 75 members had achieved the minimum requirement of 30 credit hours to maintain their names in the active list.

All HKAM fellows are required to have their own CME triennium cycle with a total minimum of 90 credit points over the 3 years period and an annual minimum of 15 credit points. 104 AM fellows have fulfilled this year's annual requirement. 7 AM fellows who failed to meet the annual minimum of 15 credit points had been contacted by fax, phone and registered mail. Some of them are oversea fellows and have problems of fitting into our CME system. With assistance from the Committee and the College Secretariat, 3 AM fellows have made up their short falls before the deadline submission to the Hong Kong Academy of Medicine.

The HKAM triennium was launched in 1997, 1999 will be the final year of the triennium for most of the HKAM fellows. The QA & A committee has prepared interim reports to all the HKAM fellows in July, reminding their short falls for the whole triennium.

APPENDIX A

THE HONG KONG COLLEGE OF FAMILY PHYSICIANS CIRCULAR NO. 1/99 REGULATIONS FOR AWARD OF CERTIFICATE OF POSTGRADUATE STUDIES (ACADEMIC YEAR: JANUARY - DECEMBER 1999)

All fellows and members of our College (except student & affiliate members) are automatically registered with the Continuing Medical Education and Quality Assurance Programme (CME & QA) at the beginning of each academic year. Accreditation will be recorded throughout the year in the form of "credit points". At the end of the academic year, summation of the total score will be recorded in the member's record. A Certificate of Postgraduate Studies will be awarded to those members and fellows who have satisfied the requirements listed below in Section 2 (upon payment of a fee of HK\$200). The number of "credit points" obtained will be endorsed on the Certificate as a recognition of performance in CME and QA.

- (1) The Award of the Certificate of Postgraduate Studies is open to all participants of the CME & QA Programme. Fellows of the HKCFP must fulfill the requirements of the Certificate of Postgraduate Studies in order to maintain their active status. Members of the HKCFP must attain a minimum of 30 credit points each year to maintain active membership status. For Fellows of the Hong Kong Academy of Medicine (Family Medicine), please refer to the attached HKAM CME guidelines. All the activities marked with "*" are also recognized as CME activities by HKAM.
- (2) The requirement for the award of the Certificate of Postgraduate Studies shall be 40 credit points within the academic year. Fellows and members must participate in a minimum of 3 separate types of activities to be eligible for the certificate, subject to the following provisions:-
 - 2.1 At least 20 credit points must be obtained from educational activities organized by the Hong Kong College of Family Physicians (subsections 3.1 to 3.10).
 - 2.2 A maximum of 15 credit points will be considered for each type of educational activity (subsections 3.1 to 3.10 and 5.1 to 5.11).
 - 2.3 The member must participate in at least one of the quality assurance activities listed in (subsections 4.1 to 4.9).

Please note that subsection 2.2 only applies when calculating the number of credit points required for the award of the Certificate. Once it is established that a participant is qualified to obtain the Certificate, the actual number of credit points scored will be recorded on the Certificate.

* (3) Continuing Medical Education Organized by our College

- *3.1 1.5 credit points will be awarded for each correct set of answers to MCQs attached with our monthly journal. The completed set of answers must be returned to the College within the specified time. Criteria for a correct set of answers: at least 50% correct.
- *3.2 One credit point will be awarded for attending each video session organized by our College.
- *3.3 Up to two credit points will be awarded for attending each afternoon or evening seminar organized by our College.
- *3.4 Up to four credit points will be awarded for attending each half-day workshop or symposium organized by our College.
- *3.5 In relation to the Annual Refresher Course organized by our College, 1.5 credit points will be awarded for attending each seminar and four credit points for each Sunday workshop/symposium.

*3.6 One credit point will be awarded for participating in small group discussion. Two credit points will be awarded for being the chairperson and/or speaker. (Please note that only those discussion groups approved by the Board of Education will be accredited).

*3.7 Up to 20 credit points will be awarded for satisfactory completion of the full-year HKCFP "Check on CHECK" programme.

*3.8 Up to 15 points will be awarded for each clinical attachment organized by our College.

*3.9 Up to 5 points will be awarded for the submission of self audit quality assurance report to the QA & A Committee according to College regulations. Please apply to QA & A Committee before commencing this option.

*3.10 Up to 8 points will be awarded to a College assigned practice visit with submission of a written peer audit report to the QA & A Committee according to College regulations.

(4) Quality Assurance

- 4.1 Adopting the medical record system designed by the HKCFP (or equivalent), and the submission of one copy of the record (with the patient's identification removed) for inspection at the end of the academic year. The Quality Assurance and Accreditation Committee may conduct random on site reviews of the record system when necessary. (This option may only be claimed once every three years).
- 4.2 Acting as clinical supervisor of vocational trainees in Family Medicine.
- 4.3 Teaching medical students in general practice clinical attachments.
- 4.4 Passing one or more segments (65% or above) of the Conjoint Fellowship Examination of the College and the Royal College of General Practitioners (RACGP) or the Exit Assessment of HKCFP Higher Vocational Training or passing professional exams relevant to General Practice/Family Medicine.
- 4.5 Acting as examiner for the Conjoint Fellowship Examination of the College and the RACGP, or as assessor of the Exit Assessment of Higher Vocational Training of HKCFP.
- 4.6 Maintaining a valid Certificate of Competency in cardiopulmonary resuscitation and basic life support. (This option may only be claimed once every three years).
- 4.7 Participation in a quality assurance activity or workshop organized by the College.
- 4.8 Submission of a self-audit QA report to the QA & A Committee according to College regulations.
- 4.9 Completion of one or more practice assessment options of the RACGP or other General Practice/Family Medicine Colleges.

(5) Other Educational Activities

Apart from educational functions organized by our College, medical education organized by other institutions and in other forms may be accredited under the following guidelines:-

*5.1 Medical meetings and conferences organized by other Colleges of the Hong Kong Academy of Medicine may be accredited. The number of credit points awarded will be decided by the QA & A Committee up to a maximum of 10 points per meeting. Only functions with attendance records will be accredited.

- *5.2 Seminars/workshops/symposia/conferences organized by other institutions may also be accredited upon application for prior approval by the organizing institution. The number of credit points awarded will be decided by the QA & A Committee up to a maximum of 10 points per meeting.
- *5.3 Accreditation will be awarded for attendance of overseas symposia/conferences, etc. recognized by member organizations of WONCA. The number of credit points awarded will be decided by individual assessment up to a maximum of 10 points per meeting.
- *5.4 Accreditation will be awarded for publishing journal articles, books or thesis. (Up to a maximum of 10 points for publishing each journal article in indexed or refereed journals or journals published by the Academy or its constituent Colleges. Up to a maximum of 10 points for publishing a medical book or thesis. Up to a maximum of 5 points for publishing each journal article in other journals or publications not mentioned above, but with prior approval from the QA & A Committee)
- *5.5 Accreditation will be awarded for contribution to College activities of educational value by giving lectures (One credit point for being a moderator and three credit points for being speaker for activities listed in subsections 3.3 to 3.5) or participating as College examiner or assessor. (Up to a maximum of 10 points each for being an examiner in the Conjoint HKCFP/RACGP Fellowship Examination or for being an assessor of the Exit Assessment of Higher Vocational Training of HKCFP)
- 5.6 Accreditation will be awarded for undergraduate and postgraduate teaching in General Practice (including activities listed in 4.2 and 4.3).
- *5.7 Accreditation will be awarded for attending postgraduate courses designed for general practitioners, e.g. Diploma courses and Master courses in Family Medicine. Award is normally given on completion of the course, unless the course lasts for more than 12 months and is taken and graded in sub-units. Photocopies of transcripts must be submitted with the application.
- 5.8 Accreditation will be awarded for participating in health education for the public e.g. talking to school children as a physician, writing newspaper articles or appearing on television giving health education.
- 5.9 Accreditation will be awarded for completion of Continuing Medical Education Programme of other Colleges of General Practice/Family Medicine, e.g. the RACGP.
- 5.10 Accreditation will be given to electronic MCQ on the Internet. (<http://www.medicine.org.hk/cme/index.htm>). (1 credit point for each topic)
- 5.11 Accreditation will be given to participation in approved research work related to the field of General Practice. Approval for credit points for participation in research should be sought from the Chairman of the QA & A Committee prior to the conduction of the research. (4 points per quarter)

For Subsections 5.3, 5.4, 5.6 - 5.9, 5.11 the participant will have to apply in writing to the Quality Assurance and Accreditation Committee at the end of the academic year (December) if he/she wishes to obtain accreditation of the performance. It is the responsibility of the applicant to fill the application form for special consideration and submit details (photocopies of events, transcripts or published articles, etc.) and written proof of attendance issued by the organizing institutions in support of the application. The Quality Assurance and Accreditation Committee has the final right in deciding the number of "credit points" awarded for each activity.

APPENDIX B

THE HONG KONG COLLEGE OF FAMILY PHYSICIANS CIRCULAR NO: 2/99

REGULATIONS FOR CONTINUING MEDICAL EDUCATION FOR FELLOWS OF THE HONG KONG ACADEMY OF MEDICINE IN FAMILY MEDICINE

1. The Hong Kong College of Family Physicians FHKAM (Family Medicine) Continuing Medical Education (CME) guidelines are primarily for Fellows of the Hong Kong Academy of Medicine in Family Medicine, abbreviated as FHKAM (FM). They do NOT apply to other members or fellows of the Hong Kong College of Family Physicians who are NOT fellows of the Hong Kong Academy of Medicine.
2. The CME of the FHKAM consists of three-yearly cycles. All FHKAM (FM), including overseas fellows are required to register with the CME programme at the beginning of each year (January). Accreditation will be recorded throughout the academic year in the form of credit points. However, Fellows may apply for activities not recorded by our College, e.g. attendance of non-AM conference/seminar/publishing article etc. through application with proof of participation. The annual & total accumulative score for the 3-year cycle will be sent to the fellows concerned at the end of each academic year. As our College's CME programme is accredited on a calendar year basis, for new HKAM fellows confirmed between January 1 to June 30 of the year, their CME cycle will begin from January of the same year. For fellows confirmed between July 1 to December 31, their 3 years cycle will begin from January of the next academic year.
3. All FHKAM (FM) are required to fulfill the following Continuing Medical Education criteria:
 - a. Each Fellow must attain a minimum of 15 credit points in each year of the three-year cycle.
 - b. Each Fellow must attain a minimum of 90 credit points over the three-year cycle.
 - c. No more than 50 credit points per 3 year cycle may be awarded for any one of the three main types of CME activities (approved self-study, passive learning and active learning).
4. Credit points will be awarded in the following manner:-
 - A. Approved Self Study
 1. 1.5 points for each set of correct answers (at least 50% correct) to Multiple Choice Questions MCQ) attached to the HKCFP monthly journal, The Hong Kong Practitioner (subsection 3.1 of HKCFP Regulations for Award of Certificate of Postgraduate Studies).
 2. Up to 20 points for the full-year Check on CHECK programme (subsection 3.7).
 3. Up to a maximum of 5 points per year to be awarded for the submission of a self-audit quality assurance report according to College regulations (subsection 3.9). See enclosed instruction sheet. Please apply to QA & A Committee before commencing this option.
 4. Up to a maximum of 50 points per year for College approved postgraduate courses designed for general practitioners/family physicians, e.g. Diploma and Master Courses in Family Medicine (subsection 5.7).
 5. Consideration of CME credits for any other self-study must have prior approval from the QA & A Committee.
 - B. Passive Learning - 1 point for each hour of audience participation in College Approved Postgraduate Meetings (CAPM).
 1. 1 point for attending each video session organized by our College (subsection 3.2).

2. 1.5 points for attending each afternoon or evening seminar (the duration of which should be no less than 90 minutes) organized by our College (subsection 3.3).
3. Up to 4 points for attending each half-day workshop/symposium organized by our College (subsection 3.4).
4. Annual Refresher Course of HKCFP: 1.5 points for attending each afternoon seminar and 4 points for attending each half-day workshop/symposium (subsection 3.5).
5. Up to a maximum of 10 points for attending each meeting or conference organized by other HKAM Colleges (subsection 5.1). Members must sign the attendance list provided or obtain a written proof of attendance issued by the respective Academy Colleges.
6. Up to a maximum of 10 points for attending each overseas meeting or conference recognized by member organizations of WONCA (The World Organization of Family Doctors) (subsection 5.3).
7. Up to a maximum of 10 points for attending each meeting or conference organized by other organizations, which have obtained prior approval from the QA & A Committee (subsection 5.2).
8. Completion of CME programmes of other General Practice/Family Medicine Colleges, e.g. The Royal Australian College of General Practitioners (RACGP). Each programme must be pre-approved by the QA & A Committee. The number of credit points will be determined by individual assessment based on the guidelines of the respective Colleges. (subsection 5.9).

C. Active Learning

1. Approved HKCFP small group discussions - 1 point for participation, 2 points for being speaker/chairman (subsection 3.6). (Please note that only those discussion groups approved by the Board of Education will be accredited).
2. In addition to the points awarded for attendance at CAPM, an additional 1 point for being the chairman or moderator and an additional 3 points for being the speaker/presenter or group discussion leader/facilitator in any of the meetings and conferences mentioned above in sections B. (subsection 5.5).
3. Up to a maximum of 10 points for being an examiner in the Conjoint HKCFP/RACGP Fellowship Examination or an assessor of the Exit Assessment of Higher Vocational Training of HKCFP.
4. Publications (subsection 5.4):
 - a. Up to a maximum of 10 points for publishing each journal article in indexed or refereed journals or journals published by the Academy or its constituent Colleges.
 - b. Up to a maximum of 10 points for publishing a medical book or a thesis.
 - c. Up to a maximum of 5 points for publishing each journal article in other journals or publications not mentioned above with prior approval from the QA & A Committee.
5. Up to a maximum of 15 points for completing each clinical skill-training course organized by HKCFP (subsection 3.8).
6. Up to a maximum of 8 points per year for submitting a written report on a College assigned peer audit visit according to College regulations (subsection 3.10).

Failure to comply with CME guidelines

The HKAM requires that any FHKAM (FM) who fails to fulfill the requirements at the end of the three-year cycle to be reported to the HKAM Education Committee, which may consider recommending suspension of Fellowship to the HKAM Council. Under exceptional circumstances, if a fellow cannot complete the

minimal 15 point annual CME requirement, he/she may, with approval from the QA & A Committee, make up the shortfall within the three-year cycle.

Retired fellows may be exempted from CME requirements, but they have to apply to the QA & A Committee when they commence retirement from practice.

 Dr. Ip Kit Kuen (Ex-officio)

Honorary Advisors : Professor Tony Dixon
 Professor James Dickinson

For the past twelve months, the Research Committee continues to evolve with the benefits of the strong foundation built by our predecessors. The Committee strives to further links with academic family medicine institutions, both local and overseas.

This year, we have the honour of having Professor Tony Dixon, Professor of General Practice of the University of Hong Kong and Professor James Dickinson, Professor of Family Medicine of the Chinese University of Hong Kong as our honorary advisors. We look forward to closer collaborations with the two universities in primary care research.

In February 1999, the Research Committee organized a workshop on "Research in Family Practice" which was delivered by Professor Frede Olesen, the Visiting Professor of the Chinese University of Hong Kong. Professor Olesen is the Research Director of the Research Unit for General Practice, University of Aarhus, Denmark. He was also ex-president of the Danish College of General Practitioners and Regional Vice-president of WONCA in Europe. During the seminar, Professor Olesen shared with the College members his experience of family medicine research both at a national and at an international level.

The Research Committee also explored links with counterparts in other sister Colleges. Liason with the Royal College of General Practitioners has been established. Professor Yvonne Carter, Chairman of the Research Committee of the RCGP and Professor of General Practice and Primary Care, Queen Mary, Westfield College and St. Bartholomew Hospital of the University of London, has been very supportive of the development of family medicine research in the global perspective. She has written an article to be published in the Hong Kong Practitioner to share with us the UK experience in family medicine research.

Dr. Wun Yuk Tsan, in collaboration with the Family Medicine Training Centre of Beijing Capital University, has completed the translation of ICPC coding into Chinese. Both the simplified Chinese character version and the normal Chinese character version will be available later this year.

The 1998 HKCFP Best Research Award went to Drs. Cindy Lam, M. S. Chan, Xinhua Steve Ren and Ms. Barbara Gandek for their Research Project entitled "The Chinese (HK) Version of the SF-36 Health Survey". Original articles based on this research project will be published in the future issues of the Hong Kong Practitioner.

In order to encourage College members' involvement in primary care research, the Committee had piloted a small discussion group in June 1999 inviting doctors who had expressed interests in doing primary care research to share out their thoughts and plans for research. Interesting ideas and valuable experiences were exchanged during the discussion. The Committee would like to organize more of the same in the future when the opportunity arises.

HONORARY TREASURER

Chairman - Dr. Betty K M KWAN

Members - Dr. Donald K T Li (Ex-officio), Dr. Wong Hung Wai (Ex-officio), Dr. IP Kit Kuen (Ex-officio)

I am pleased to announce that our College is in a very stable financial situation for 1998-1999. We have over 8.9 million dollars reserve.

I would like to thank the President, Dr. Donald K T LI and the Chairman of the Finance Committee, Dr. IP Kit Kuen for their advice in wise investment on our reserve. We have 4 million dollars fixed deposit with the Hong Kong Bank and three hundred fifty thousand dollars US bonds with the Bank of East Asia.

The Public Education Committee, under the leadership of Dr. CHAN Kin Ling, has contributed a total of over 800 thousand dollars to our income by organising the osteoporosis awareness programme, erectile dysfunction awareness lecture, smoking cessation lecture and Hepatitis B awareness programme.

I would like to thank the Chairman of the Board of Examinations, Dr. WONG Hung Wai, all the examiners and candidates who had taken part in our examination. A total of over 800 thousand dollars was contributed to our reserve.

Thanks to our Chief Editor, Dr. LAM Tai Pong, for editing a high standard journal, The Hong Kong Practitioner. A total of 900 thousand dollars was made through advertisements and subscriptions.

Thanks to the hardwork of the Board of Education, to the Chairman, Dr. LO Chun Hung, all moderators and all our participating College members, a total of 800 thousand dollars was made through luncheon meetings and clinical attachments and another 800 thousand dollars was made through the Refresher Course.

Despite financial hardships this year, our College manages to receive over 2 million dollars in sponsorship from various pharmaceutical firms. I would like again to express my gratefulness for their unswerving support for our College.

Ms Pinky LEUNG, who takes care of our account, is a most helpful and diligent staff.

With everyone's effort and hardwork, coupled with scrupulous control over expenditure, we hope to look forward to an even better reserve for the millennium.

BY ORDER OF THE COUNCIL MEMBERS

CHAIRMAN

Dated : 9 September, 1999

REPORT OF THE AUDITORS TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS (INCORPORATED IN HONG KONG AND LIMITED BY GUARANTEE)

We have audited the financial statements on pages 52 to 57 which have been prepared in accordance with accounting principles generally accepted in Hong Kong.

Respective Responsibilities of Council Members and Auditors

The Companies Ordinance requires the Council Members to prepare financial statements which give a true and fair view. In preparing financial statements which give a true and fair view it is fundamental that appropriate accounting policies are selected and applied consistently.

It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Statements of Auditing Standards issued by the Hong Kong Society of Accountants. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Council Members in the preparation of the financial statements, and of whether the accounting policies are appropriate to the College's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Opinion

In our opinion the financial statements give a true and fair view, in all material respects, of the state of the College's affairs as at 31 March, 1999 and of its surplus for the year then ended and have been properly prepared in accordance with the Companies Ordinance.
