PRESIDENT'S MESSAGE (DR. ANDREW K. K. IP)

The College was established under the auspicious leadership of our founding President, Dr. Peter Lee in 1977. Owing to the effort and passion from Past Presidents, Council Members and all members, the College has grown from strength to strength. It began with an association of a small group of enthusiastic general practitioners and has now become a well-developed academic college with its own vocational training programs, diploma courses, benchmark assessments and continuing professional development programs. The College is now celebrating its thirtieth anniversary. Over the years, the College had made a lot of remarkable accomplishments, further details of which are set out in our coming 30 Year Anniversary Commemorate Book.

On the other hand, in the past year, the College had been criticized and accused of being inflexible, dogmatic, idealistic and inefficient. As the President, I have the duty to address these remarks. With the support from College Council, I shall direct the College to adopt a more pragmatic, flexible, friendly and inclusive approach in future.

In early 2007, the College had formed an independent expert panel to review the security issues of the Conjoint Fellowship Examination. The expert panel was chaired by Emeritus Professor of Medicine of the University of Hong Kong, Professor Rosie Young whereas Censor in Chief of the Royal Australian College of General Practitioners, Dr. Jane Radford and a local legal expert, Mr. Mark Lam were panel members. The panel did not find any proof of shortcomings with regard to the process of handling examination materials comparing it to the usual practice. Subsequent to such review, the Board of Conjoint Examination has implemented a very stringent security protocols and has carried out all the necessary measures to control the number of examiners who have access to any examination materials.

The Exit Examination has been running in its present format for over a decade. The content of the examination had been revised and refined according to the increasing demand of an independent practice. After the retirement of Professor Robin Fraser, the College is most honored to have Professor Doris Young to be our external examiner. She commented that the practice assessment segment was a very detailed procedure in examining an individual's practice. The time required to carry out this assessment is too long and the process of which is too demanding. Taking into account her recommendation, the Practice Assessment subgroup has put forward the practice management package (PMP). Candidates are required to satisfy the requirements of clinic setting as stated in the PMP before they are allowed to sit the Exit Examination. I believe that the new arrangement will streamline the administration and assessment process. Candidates should find little difficulty in adapting to the new format.

In July, the College held a strategic meeting inviting the participation of all council members, censors and other stake holders. In the meeting, the position of the College in the health care system and our vocational training program were deliberated. With inputs from the participants, the meeting defined the future direction of the College. The College shall promote a Family Medicine based primary health care system targeting at "One person, One family doctor" and advocate that primary care doctors should have up-to-standard Family Medicine training. The meeting also reviewed the requirements of basic training. It was proposed that basic training should be flexible with multiple entry points. Hospital based training shall comprise of six months in a Surgical stream department and six months in Medical stream department in addition to one year's elective training. I shall lead a team to rewrite the training program according to the recommendations.

Since 2006, the Board of Education has established various special interest groups in various clinical entities. We have special interest groups in Mental Health and Psychiatry in Primary Care, Dermatology and Musculoskeletal medicine. These special interest groups provide a platform for members to update their special interests and share their experiences. It would be the way forward to develop special training modules for members for developing necessary skills in the relevant clinical subjects. The modules may be incorporated as part of the advance training programs in future.

The College continues to contribute in the development of Family Medicine in the Asia-Pacific region. In July 2007, the College sent a team of delegates to attend the World WONCA Conference. Before the World WONCA Conference, the Asia-Pacific WONCA regional council meeting was held and our past President, Dr. Donald Li was elected as the WONCA Regional President from 2007-2009 in the meeting. In his election message, Dr. Li committed himself to the development of family medicine in developing countries of the region. Members may be aware that the College will be hosting the WONCA Asia-Pacific Regional Conference in 2009.

The College could not be run without contributions from its members and fellows. Members of Councils, Boards, Committees and Subcommittees had sacrificed their time to enable the continual operation of the College's functions. In the past year, the members had given many useful inputs and ideas, which are constructive and inspiring to the College. Therefore, I would like to take this opportunity to pay a special tribute to all members who have lent their support to the College and have contributed to the development of our discipline, Family Medicine.

HONORARY SECRETARY'S MESSAGE (DR. EDMUND W. W. LAM)

This year marks the 30th anniversary of the Hong Kong College of Family Physicians and Dr. Andrew KK Ip has taken up the new presidency. A series of activities have been organized to hallmark the achievements in the first thirty years of the College while activities on training, education, assessments, quality assurance, research and advocacy have continued as active as ever.

Internationally, the College appointed delegates led by Dr. Andrew KK Ip to attend the WONCA world conference held in Singapore in July. More than thirty doctors from Hong Kong attended the conference. Three participants from Hong Kong won presentation awards. Besides, our past President, Dr. Donald KT Li, was elected as the WONCA Regional President for the triennium 2007-2009 during the Asia-Pacific WONCA regional council meeting. This is indeed a great honour for Hong Kong, as well as an encouragement to the organizing committee for the 2009 WONCA Asia-Pacific Conference which will be held in Hong Kong. The last time for Hong Kong to host WONCA Conference is in 1995 and there were more than two thousand participants at that time. In October, College delegates again led by the President will attend the Royal College of General Practitioners 50th anniversary celebration Annual Scientific Conference.

The total number of basic trainees and higher trainees were 261 and 92 respectively. The Board of Vocational Training and Standards has planned to revise the training programme to meet the changing needs. A series of Train-the-trainers course will be held for our local trainers soon.

The 20th Conjoint HKCFP/RACGP Fellowship Examination continued to use the new format examination that has introduced since 2003. This was the biggest ever examination in our history, with 186 candidates sat for it.

There were 51 members conferred for Fellowship of the Hong Kong College of Family Physicians and 20 members awarded the Certificate of Exit Examination in the 20th Fellowship Conferment Ceremony held in May.

The diversified educational programmes organised by the Board of Education and the Diploma in Family Medicine (DFM) course continued to gain popularity. The Annual Refresher Course, being the oldest existing annual course locally, reached its 26th year in 2006. 5 interest groups were formed and regular meetings were held monthly to bi-monthly. This year, 31 doctors were enrolled in the DFM course.

Our Annual Scientific Meeting, themed "30 Years of HKCFP and beyond: A new era in Family Medicine, was well-received by members and four new awards were presented to encourage the culture for research.

There were two HKCFP Research Fellowship winners in 2007 and the Research Committee is planning activities to further encourage local researches.

The Continuous Professional Development (CPD) and Quality Assurance (QA) programmes of the College have been as busy as usual. 288 College Fellows (78%) were awarded the QA certificate in 2006. An updated version of the Practice Assessment Package (PAP) is expected to release soon.

The Public Education Committee has continued publishing articles in the Friday column in the local newspaper "Hong Kong Economic Journal. A book collecting 70 of the column articles was published in mid July and was well received. A series of public talks and a 13-week radio programme in RTHK 1 were well received.

The Computer Committee and the Web Committee were merged and a brand new College website is under construction.

The College's membership continues to grow steadily, now reaching 1647, with the number of College Fellows going up to 414. The College's financial status remains sound and healthy.

I would like to thank the dedicated Secretariat team and in particular the Executive Manager, Michelle Au for their hard work all through.

The Examination

The 20th Conjoint Examination continued to use the New Formal Written and Clinical Examination introduced since 2003.

Preparatory work has been very challenging especially for the OSCE. Beside individual segment meetings and practice sessions, there were a number of workshops and training sessions whereby all the examination materials were thoroughly discussed and tested, and all the markings were standardized.

Pre-examination Course

The course was organized to help candidates in preparing for the Conjoint Examination and also for interested members as an educational activity.

It was being held on two separate dates in the HKAM Building as follows:

- Written Segments (MCQ & KFP) Workshop 16 July 2006 (Sunday)
- Clinical Segment (OSCE) Workshop 23 July 2006 (Sunday)

Workshops for Examiners

Visiting Examiners

The visiting examiners from RACGP were Ass. Prof. Jan Radford and Dr. Mark Overton. They observed the clinical segment of the examination and had contributed many constructive ideas.

Number of Candidates

There were a total of 186 candidates applied for the examination, 175 were Category I candidates and 11 were of Category II. A total of 97 candidates sat the Clinical Examination: Cat I: 92, Cat II: 5.

Examination Prize: "The Best Candidate Award"

It was the third year that the College offered this prize. It was awarded to Dr. Tsui Hoi Yee, who had passed the Conjoint Examination at one sitting and achieved the best performance in the Examination.

The successful candidates were:

Dr. Chan Hoi Yuk	Dr. Brigitte E. Schlaikier
Dr. Chan Ka Lung	Dr. Ella O. L. Shiu
Dr. Chan Kin Wai	Dr. Sin Ming Chuen

Chairman's Message

The DFM course entered her fifth year in 2007. Thirty-one doctors were enrolled this year. As in previous years, the DFM Course offered an effective and alternative pathway for enhancing knowledge, attitude and skills of family medicine.

Entering the sixth year of the Course, the Board planned to conduct future courses with more local input and relevance. Dr. Wun Yuk Tsan and his team worked hard and wrote up new Modules I & II. We believed that the DFM Course would be much more relevant to local family medicine practice. In this respect, the Board wished to express sincere gratitude to Professor Leon Piterman and Professor Neil Spike, Department of General Practice, Monash University, for their advice and assistance over the last five years. We had shared experience in conducting educative DFM Courses.

Dr. Cheang Seng Ip, Deputy Director of Health Bureau and Dr. Pang Sai Meng, Shirley, Assistant of General Clinical of Macao made a visit on May 6, 2007 to observe the running of OSCE Examination of the DFM with an intention to run similar assessment in Macao. They thanked us for sharing the experience with them.

I would like to take this opportunity to thank Professor Michael Kidd, Discipline of General Practice, The University of Sydney, for being our new External Examiner. In his External Examiner's report, he was impressed with the commitment of the College in ensuring a high standard of the DFM assessment. The Board was also grateful for his valuable comments and made way for further improvement.

Lastly, on behalf of the College, I wished to thank all the board members, lecturers, speakers, examiners, tutors and mentors of the DFM course who contributed their time and efforts to make the course successful. The Board regretted to announce the resignation of Dr. Sandy M.H. Leung (Chairlady of Examination Subcommittee). The Board wished to thank her for the past contributions. I also wished to thank the secretarial staff Ms. Kara Lo, Ms. Charlotte Sham and Ms. Carmen Cheng for their hard-working.

Chairlady's Message

During the year 2006-2007, the Board, as in the previous years, organized the following educational activities for our members. All the CME and CPD programmes have been running smoothly and accredited.

Video-Library and Video Viewing Session

For the period of 2006-2007 we had arranged 12 video sessions in our old College premises. We have been practicing this type of video viewing since July 2005. Each viewing session is scheduled on a monthly basis, the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F of our old College premises, Duke of Windsor Social Service Building. The topics are selected from the lectures in our Luncheon, Evening and Annual Refresher Course CME activities. These viewing sessions are open only to our members. 1 CME point, HKCFP or MCHK, is accredited to one who attends the viewing session. Up to a maximum of 2 CPD points may be accredited to one who submits a satisfactory report of Professional Development Log. The topics of the 12 sessions presented were:

- Management update of lower urinary tract symptoms (LUTS), BPH & Prostatitis
- Biological treatment for Rheumatoid Arthritis & Ankylosing Spondylitis
- Sport injuries – current thinking
- Ophthalmologic assessment & common eye diseases – from infant to elderly
- New advances in the management of Heart failure
- The importance of primary dentition and its care
- Common oral lesions and oral manifestation of systemic conditions
- Management of Oral diseases in medically compromised individuals
- Psychiatric disorders / Behavioral problems in younger population
- Periodontal diseases – the most common infection
- Periodontal infection – a silent health talk
- Psychiatric disorders in Female
- Menopause & HRT
- Recent advances in screening, early diagnosis & treatment of CA breast
- Frozen shoulder – treatment beyond physiotherapy
- Common limb injuries overlooked
- Flat feet in children – treatment required?
- Common head & neck CA – role in private practice
- ENT update – the quiz

Small Discussion Group

The number of Small Discussion Groups has increased to 93. Members are encouraged to form small discussion groups. Participant members will gain 1 CME point and the speaker will gain extra 1 CPD point. Members actively participate in writing up local management protocols of common diseases will also earn extra CPD points. Well-written synopses will be published in our College journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups (see Family Physicians Links Issue 37, March 2007).

Cardiopulmonary Resuscitation (CPR) Training

The Board would like to thank the Hong Kong College of Cardiology, especially Dr. Cheng Chun Ho and Dr. Pun Chiu On for their continuous support. Our CPR training workshops and examinations were running successfully and the Instructor workshops for up-keeping standards and recruiting new instructors were well organized. We held two CPR training workshops in 2007. We have 126 members passed the CPR Examination and were awarded the Certificate of Competency CPR in Basic Life Support this year.

Clinical Attachment

We have three clinical attachments this year with the support from our hospital colleagues.

A & E Attachment	- Accident & Emergency Department, Pamela Youde Nelhersole Eastern Hospital and Rutlonjee Hospital
ENT Attachment	- Division of Otorhinolaryngology, Department of Surgery, CUHK
Infectious Disease Attachment	- Department of Medicine & Geriatrics, Princess Margaret Hospital

The Board would like to express our sincere thanks to Dr David T.W. Wong, Dr. Lau Chor Chiu, Professor C. A. van Hasselt, Professor Michael Tong, Dr. John Woo, Dr. Lai Sik To, Dr. Thomas So Man Kil, and the staffs of their departments organizing our clinical attachments. The clinical attachments are aimed at in-depth and structural teaching of our members in the specialty they are interested in.

Assessment Enhancement Course

Assessment Enhancement Course remained the most welcome course in her eighth year of establishment. I would like to thank all the tutors in donating their time and effort in this course. They help tremendously in upgrading the standard on family medicine in the consultation skills, physical examination and other various aspects. These are very useful to our members in preparing the Conjoint Fellowship Examination and also in their professional development.

Annual Refresher Course

This major year-end event consisted of 6 lectures and 3 workshops and was attended by over 250 members in 2006. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable to help us planning for the coming ARC in her 27th anniversary in year 2007.

Professional Development Subcommittee

Since 2005, Five Interest Groups have been formed under this Subcommittee: namely Geriatric, Mental Health, Medico-legal Alert, Dermatology, and Musculoskeletal.

Our Interest Groups are hoping to provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Interested members are encouraged to participate, present their cases and problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from the participation.

Our aims are to provide peer support, to share some problem cases with specialists or expertise for skill-mix and to bridge the professional gap. So as to maintain our interest, to upgrade our standard, to raise our morale, and increase job satisfaction Our goal is to promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

The Interest Group in Dementia and Geriatric had organized an Update on common Geriatric Diseases, which was held on 13th May 2007 and was well attended.

Medico-legal - Alert Interest Group alerts our members on medical legal importance of various aspects of our discipline. This year, we have co-organized a seminar with Professional Development & Quality Assurance, Department of Health as follow:

Date	Topic	Speakers
18-03-2007	Seminar on Quality Medical Records 1. Quality tools for primary care 2. Prospective from the MPS 3. A user comments on ePR 4. An audit in medical records 5. Lessons from UK	Dr Yiu Yuk Kwan Dr Teob Ming Keng Dr Ho Chung Ping Dr Lam Wing Kwun Professor Richard Baker

The Interest Group in Mental Health and Psychiatry in Primary Care had arranged regular monthly meeting in 2006 and has change to bimonthly meeting on first Saturday afternoon of even months except public holiday in the year 2007.

Board meeting is scheduled to be held quarterly, and as a result, more Board members have been able to attend and participate in the more important discussions of policy issues. The main theme this year is to review the overall structure of the training programme. Our President will chair an ad hoc group to study the various aspects of our training programme with the aim to propose the much needed changes to be endorsed by the Academy of Medicine.

Output

Appreciation

I welcome new members of the various subcommittee to join BVTS. I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, cluster co-ordinators for their hard work and contributions in the vocational programme.

Congratulations to our secretary Erica whom has been promoted to Executive Officer to undertake broader responsibilities of the Secretariat. Ivy and newly joined Karmen together with other Secretarial staffs are all committed in their duties to serve the Board with more than 350 trainees in the programme. Their work is highly appreciated.

Chairlady's Message

The Hong Kong Practitioner continued to be published monthly on schedule. This year we received even more manuscripts from doctors in the public service. Their publications provided a treasure of local data on primary health care service.

Dr. Eileen Tse took over the editorship from Dr. David Chao from 1st March 2007. Dr. Wendy Tsui continued to lead a team of young members to give us the FP-Links which has, apart from making announcement of College events, also served the purpose of bonding the membership.

This year the Board had begun to run workshops on critical appraisal and "how to review a paper", more will take place next year to make the Journal more relevant to our members.

This year, the Board organized a pre-Exit Examination training workshop, standardization workshops for examiners of each segment, and feedback sessions for candidates after the Examination.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also examines applications for specialist registration equivalent standard according to the regulations laid down by the HKAM Council and our College Council.

Our College submitted 20 fellowship nominations and all were approved by the Hong Kong Academy of Medicine in the Year from October 2006 to May 2007.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

ANNUAL SCIENTIFIC MEETING

Chairman	: Dr. Winnie W. Y. Chan
Committee Members	: Dr. Edmund W. W. Lam (Business and Social Programming) Dr. Lau Ho Lim (Publication) Dr. Cheung Man Kuen (Scientific Subcommittee) Dr. Kenny Kung (Secretary and Treasurer) Dr. Allen H. Y. Ngai (Venue coordination) Dr. Andrew K. K. Ip (Advisor)
Secretaries	: Ms. Erica M. So (Executive Officer) Ms. Ivy S. M. Leung (Administrative Executive)

In celebration of our College's 30th anniversary, the theme of the ASM 2007 was chosen as "30 years of HKCFP and beyond: A New Era in Family Medicine".

Our specialty has made tremendous developments since the formation of our College in 1977. These developments include those in teaching and training, research, delivery of care, clinical practice, continuous professional development and many more. This year, we are most honoured to have plenary speakers both from overseas and locally.

Workshops with useful topics were arranged, inclusive of 'Psychological skills enhancement', 'Clinical guidelines development' and 'Musculoskeletal medicine'. Four awards- 'Best paper', 'Best research', 'Best group research' and 'Best innovation' were presented to chosen submitted papers. The ASM 2007 served as a good platform for all participants to share their knowledge, skills, experience and values.

Finally, I would like to express my heartfelt thanks to all our officiating guests, committee members, our generous sponsors and especially for the dedicated work of our secretaries, Ms. Erica So and Ms. Ivy Leung.

BUSINESS MANAGER

This year is another busy year. We have quite a number of College activities including annual scientific meeting, annual medical updates, annual refresher course, and the monthly interest groups meeting on mental health and dermatology, and the other educational luncheon scientific meetings. These activities were all widely supported by the following pharmaceutical companies. Thanks to them also that we have a few new advertisements in our journal this year in presence of the keen competition with other medical education organisations. Our monthly Journal remained one of the most popular and widely circulated medical literatures locally. Demands for e-mail bulk mailing and circulating services by members and other institutions had also increased.

On behalf of the College, I would like to express my gratitude to all of the following companies for their generous support:

Abbott Laboratories Ltd	Medical Protection Society
Alcon Hong Kong Limited	Merck Sharp & Dohme (Asia) Ltd
AstraZeneca Hong Kong Limited	Organon (HK) Ltd
Bayer Health Care Limited	Pfizer Corporation Hong Kong Limited
Boehringer Ingelheim (HK) Ltd	Sanofi Aventis
Boston Scientific Hong Kong Ltd	Schering-Plough
Bristol-Myers Squibb (Hong Kong) Ltd	Servier Hong Kong Ltd

It has been a period of intense changes in the web and computer infrastructure for the College.

To streamline resources, the Council approved the merging of the two committees of Web and Computer into a Computer and Web Committee as from the current year.

Based on all the hard work from previous committees, we see the final stages of making a new web site with a brand new home page for the College web. The integration of new membership system means better flow of information exchanges among the complex college member interaction, namely CME CPD tracking, on top of the usual examination and assessment processes.

We took care of the purchase of new computers for the Wan Chai Premise, and installation of up to date firewall system meeting security concern.

The Committee will start introducing the new Web functions to members and committees, with articles publish in The Family Physicians Links. While the needs will be met by the newly acquired technology, we shall see an increase in demand for our Committee's effort.

I would like to thank all the committee members for the past and continuous effort. I would also like to thank our secretarial support especially Ms. Erica So in looking after the clerical support and liaison with Titanium, our contractor for the web site project.

It is a blessing that we have a gathering of experienced past committee chairmen and newly joined energetic members to serve the College's progress in the year to come.

COUNCIL MEMBER-ON-DUTY SYSTEM

Coordinator	: Dr. Yiu Yuk Kwan
Secretaries	: Ms Michelle S. L. Au (Executive Manager) Ms Fiona L. M. Ho (Administrative Executive)

We would like to pass our sincere gratitude to all Council Members who support the CMOD rostering through the year. With their dedication, it has been running smoothly over the past year. There has been no case for CMOD for the past year.

EDUCATION COMMITTEE (AM AFFAIRS)

Dr. Gene W. W. TSOI

The Education Committee (EC) is one of the statutory committees of the Hong Kong Academy of Medicine. It has regular monthly meeting at the Academy chaired by the Vice President of HKAM. The committee is made up by representatives of all individual Colleges to discuss, decide and endorse various matters in relation to education and training of AM Fellows and trainees. The following is a summary of some important issues which I would like to bring to the attention of all fellows and members of our College.

1. The principles and guidelines on the new 3 years cycle on CME / CPD is confirmed by the Council of HKAM and will start in 2008. Fellows of HKAM will receive a copy of the details from the Academy. It is strongly recommended that Fellows should achieve the required CME / CPD points accordingly.
2. The trainer – trainee ratio of our College will be reviewed in 2009 by the Education Committee. At the moment we are the ONLY College which is still more than 3:1. Our College and the Hospital Authority which is the major provider of training will have to prepare for the review calling for improvement in line with other sister Colleges.
3. All Colleges have been requested by the Education Committee to submit guidelines on Certification for Specialist Registration.
4. Education Committee has received briefings from the Hospital Authority about reducing work hours for doctors working in HA, among them most of our trainees are undergoing training. EC will give advice on HA's proposal as how to strike a balance between optimal work hours per week without jeopardizing the standard of training.

EXTERNAL AFFAIRS COMMITTEE

Chairman	: Dr. Donald Li
Members	: Dr. Andrew K. K. Ip (Ex-officio) Dr. Chan Hung Chiu (Ex-officio) Dr. Raymond C. H. Lo (Ex-officio) Dr. Gene W. W. Tsoi (Ex-officio) Dr. Edmund W. W. Lam (Ex-officio)
Secretaries	: Ms Jessica C. K. Cheng (Executive Manager) (To February 2007) Ms Michelle S. L. Au (Executive Manager) (From February 2007 onwards)

It was relatively quiet year as far as external affairs was concerned. The highlight comprised of a big delegation from HKCFP attending the WONCA World conference held in Singapore in July. A booth was set up in the exhibition area to promote the WONCA Asia Pacific Regional conference to be held in Hong Kong in 2009 and we received help from College volunteers. A dinner was hosted by our President and attended by council members of the WONCA Asia Pacific Region as well as from Canada. HKCFP also hosted a cocktail and many old friends from Australia, Canada, the mainland and around the world attended. Three participants from Hong Kong won Presentation Award Merits during the conference. Dr Donald Li was elected President of the WONCA Asia Pacific Region for the triennium 2007-9.

In October, our President will lead a delegation to attend the Royal Australian College of General Practitioners 50th anniversary celebration annual scientific conference. Representatives from the Board of Examination and Board of Vocational Training and Standards will also attend.

FINANCE COMMITTEE

Chairman	: Dr. Gene W. W. Tsoi
Committee Members	: Dr. Andrew K. K. Ip (Ex-officio) Dr. Raymond C. H. Lo (Ex-officio) Dr. Chan Hung Chiu (Ex-officio) Dr. Edmund W. W. Lam (Ex-officio) Dr. Mary B. L. Kwong (Business Manager)
Secretary	: Ms. Fiona L. M. Ho (Administrative Executive)

With careful monitoring by the Finance Committee, the financial situation of the College in 2006 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a total asset equivalent to over HK\$18 m in our accounts. As in the past years, our investment strategy remains conservative. Staying away from high-risk investments, our funds are carefully placed, with over HK\$2.8 m in time deposits, HK\$0.7 m in guaranteed funds and over HK\$1.5 m in US Bonds.

I would like to express my sincere thanks to Dr. Andrew K. K. Ip, our President, Dr. Raymond C. H. Lo, our Vice President (General Affairs), Dr. Chan Hung Chiu, our Vice President (Education & Examinations), Dr. Edmund W. W. Lam, our Honorary Secretary, Dr. Mary B. L. Kwong, our Business Manager, and Ms. Fiona L. M. Ho, our Administrative Executive, for their continuous support and services. I would also like to thank Mr. C. F. Cheung, our Honorary Auditor, for his professional advice and services.

The current membership of HKCFP is as follows: - (as in June 2007)

Fellows*	414 (HKAM Fellows: 178)
Full Members	252
Associate Members	918
Others**	63
Total:	1647

* Fellows include Fellows, Foundation Fellows, Hon. Fellows and Non-HKSAR Fellows.

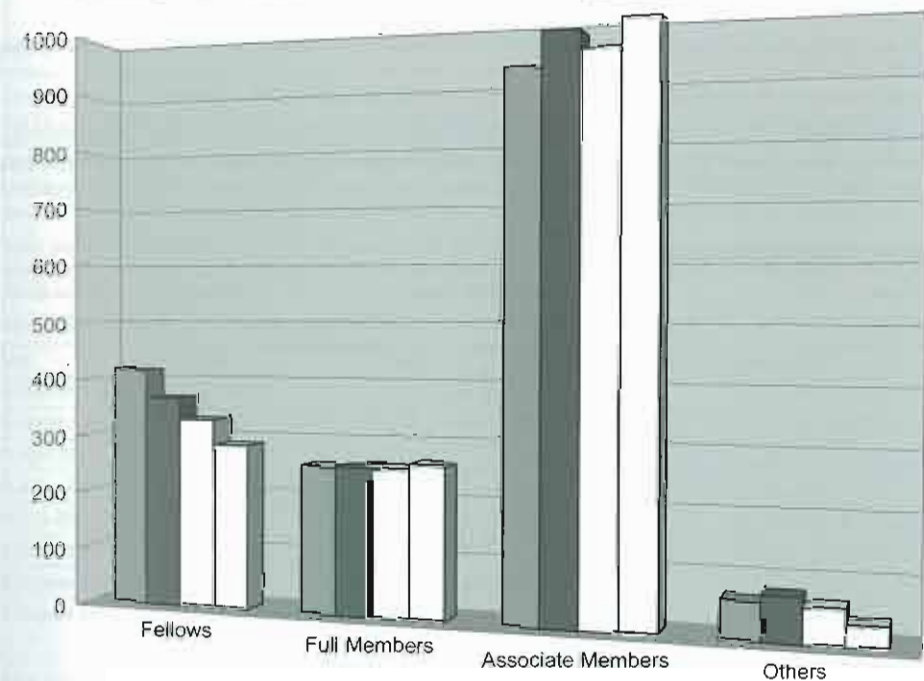

** Others include Non-HKSAR Members, Student Members and Affiliate Members.

More of our members became College Fellows and the body of Membership remained steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care. We expect to see a constant growth in membership with increase in proportion of fellowship.

The Public Education Committee organized a variety of activities through different channels. The Media Column Subgroup continues to publish articles every Friday in the local newspaper "Hong Kong Economic Journal (信報)". Also, the Committee was invited to take part in a 13-week radio programme "家庭醫學手冊" in RTHK 1 精選一點 every Friday from May 11, 2007 to August 3, 2007. A book named "家庭醫學手冊 - 伴我同行" which collected 70 published articles in "Hong Kong Economic Journal (信報)" was launched to the public first in the Hong Kong Book Fair and then to bookstores around town in mid July 2007. We also organized a series of public talk on various common health topics. With such enduring commitment, the Committee had invited many new colleagues to join these exciting and highly worthwhile activities. The mission of public education would not be successful without all their active participations and contributions.

Public education events were listed at the end of this report. I would like to thank all those who had offered their assistance in the past year and our excellent administrative support from the secretaries, Ms Xenia Pun, Miss Carmen Cheng and Miss Charlotte Sham.

QA & A committee continues to provide our members with different types of CPD activities. At present, most fellows obtained their CPD points only from limited types of CPD activities. Many programmes had not been fully utilized by our members. At the same time, the Practice Assessment Package (PAP) is under process of rewriting which would be compiled with the original practice assessment segment of our Exit Examination. Infectious disease control and risk management would be incorporated. It is worthwhile to note that HKAM proposed amendment of the HKAM fellow CME requirement in 2011 when all HKAM fellows will be required to participate in active learning and CPD activities.

In 2006, around 78 % of the college fellows were awarded the QA certificate. The statistics were as follows:

Percentage of College Members / Fellows fulfilled the QA requirements

% Awarded	College Fellows	College Full Member	College Associate Member
QA certificates			
2002	185/230 80.43%	78/283 27.56%	166/905 18.34%
2003	208/231 90.04%	64/270 23.70%	134/970 13.81%
2004	229/268 85.45%	60/252 23.81%	165/946 17.44%
2005	248/305 81.31%	60/255 23.53%	181/961 18.83%
2006	288/366 78.69%	62/253 24.51%	265/931 28.46%

The list of the fellows, members who have obtained the 2006 QA certificate or CME certificate were listed below. I would like to take this opportunity to thank all the committee members for their contribution and unflinching support.

The Committee welcomes our new members Dr. Peter H C Chan, Dr. Andrew K K Ip, Dr. Yvonne Y C Lo and Dr. Tammy K W Tam.

Four submissions were received for the Annual Research Award 2006 and the selection panel consisted of two internal assessors and one external assessor. The winning project was "Comparison of Voluntary Reporting, Chart Review and Patient Survey in Detecting Medication Errors and Adverse Drug Events in General Practice" by Dr. Tammy K W Tam, Dr. Cecilia Y M Fan, Dr. Kwok Kon Hung, Dr. Ng Kwok Keung & Dr. Tsui Kwok Biu.

The 2007 HKCFP Research Fellowship have received three applications this year, all of good quality. The selection panel has selected two winners. The first winner is Dr. Wong Nai Ming. His research project is "Nomogram of Peak Expiratory Flow Rates (PEFR) for Hong Kong Chinese". The second winner is Dr. Fung Siu Cheung, Colman. His research project is "The Effectiveness of a Structured Home Blood Pressure Monitoring Programme at Primary Care: A Cluster Randomized Controlled Trial".

Finally, I wish to thank all who have provided assistance to the Reserach Committee and look forward to closer collaborations in the future.

In less than two year, our College will host the 2009 WONCA Asia-Pacific Conference. Last time when we held WONCA conference was in 1995. At that time, there were over two thousand participants.

One of the important issues in holding conference is to make sure the financial status is healthy. Apart from collecting participants' registration fee, the organizing committee has to find adequate sponsorship to cover the necessary expenses. Therefore, in the coming year, one of our tasks is to lobby sponsorships from pharmaceutical and healthcare companies.

Another important issue is to plan the scientific program. Dr. Eileen Tse, chairman of the scientific subcommittee, and her team had been working very hard to plan a most robust program, which would have prominent leaders in our field to share their experience as well as hands-on practical workshops for participants to update their clinical skills.

In past one year, representatives of the Host Organizing Committee had attended the WONCA Asia-Pacific Conference held in Bangkok and the WONCA World Conference held in Singapore. We noted that participants from developing countries had difficulties in finding adequate fund to attend these conferences. It is the policy of the WONCA as well as our College to offer assistance to help those attendees with financial constrains. In light of this, the organizing committee will establish sponsorships for delegates from developing countries

Next year will be a critical and busy year to get prepared to the conference. Committee members, who have been working hard, will be working even harder. On this regard, I would like to offer my most sincere appreciation to all the committee and subcommittee members. Special thank is also due to our secretarial, particularly, Ms Michelle Au for their unfailing support.

The 30th Anniversary Publication Ad Hoc Committee was formed for preparing the commemorative publication of the College in March 2006. We named the publication – Strengthening Primary Health Care for All: The First 30 Years of The Hong Kong College of Family Physicians, aiming to produce a comprehensive and accurate account of the College's past 30 years.

Mr Frank Davies, a writer and editor, was commissioned to document the formative years of the College. Chairpersons of all the boards and committees within the college were also invited to write their reflections on the past, the present and on potential future developments.

The publication contained 62 articles contributed by 40 doctors and over 800 illustrations. We would provide each member a copy together with a wireless computer mouse in December 2007.

I would like to express our heartfelt thanks to our secretarial staff and all our advisors, in particular, Dr Peter Lee, Dr Stephen Foo and Dr John Chung, for their invaluable inputs and unfailing support.

HONORARY TREASURER

Honorary Treasurer : Dr. Gene W. W. Tsoi

Secretary : Ms. Fiona L. M. Ho (Administrative Executive)

The financial situation of our College remains stable for the year 2006-2007. We now have over HK\$18 m in reserve.

In 2006, our College kept HK\$0.7 m guaranteed fund in the accounts of HSBC; US\$200,000 Bonds deposit, over HK\$1.6 m time deposit in the accounts of Bank of East Asia; and over HK\$1 m time deposit in the accounts of Wing Hang Bank Ltd.

Our income in 2006 (HK\$9 m) showed an increase of 2.73% compared to the previous year. Our income saw an increase of 2.98% from the Board of Education (HK\$1 m), 18.36% from the Board of Conjoint Examination (HK\$2.35 m), 18.09% from the Specially Board (HK\$0.45 m) and slightly over 2.03% from the Board of Vocational Training and Standards (HK\$1 m) compared to the year in 2005. On the other hand, income from the Board of DFM (HK\$1.34 m) was sharply decreased by 33.73%, from the Membership Committee (HK\$1.3 m) was decreased by 7.38% and the Editorial Board (HK\$0.43 m) income was decreased by 5.67% lesser compared to the year of 2005.

Our total expenditure in 2006, (HK\$8.05 m), was 3.45% higher than that in 2005. Our total sponsorships last year, including RACGP Conference in Brisbane, Australia (HK\$32,227), WONCA Asia Pacific Regional Conference (HK\$43,996), Best Candidate Award in the Conjoint Examination (HK\$20,000), HEP Flag Day 2006 (HK\$3,000), WONCA – APRM Journal (HK\$11,700) and Family Medicine Prizes to HKU (HK\$10,000) and CUHK (HK\$5,000), amount to about HK\$125,900, 148.74% greater than in 2005. The expenditure to maintain our College secretarial (HK\$3.36 m), to pay for our various College functions (HK\$0.31 m), and management fees (HK\$0.17 m), remain substantial (HK\$3.8 m), being 2.06% greater than that in 2005.

Our total operating surplus in 2006 was HK\$0.9 m, with a decrease of HK\$523,000 (over 34.40%) as compared to 2005.

I would like to thank Ms. Fiona L. M. Ho, our Administrative Executive, for her hard work in taking care of our accounts.

On behalf of the board

Chairman
HONG KONG, 25 September 2007

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements of The Hong Kong College Of Family Physicians set out on pages 75 to 80, which comprise the balance sheet as at 31 March 2007, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Council's responsibility for the financial statements

The Council is responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

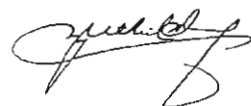

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2007 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the income statement in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the income statement is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rates to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment 15% p.a.

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Entrance fees from members are recognised in the financial year of receipt.

Annual subscription fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the balance sheet date. All exchange differences are dealt with in the income statement.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

3 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2006:17.5%)

	2006
	HK\$ HK\$
The taxation charge is made up as follows:	
Deferred tax	
Current year	37,488
	11,177

The taxation on the company's deficit before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Deficit before taxation	(117,408)	(61,421)
	-----	-----
Calculated at a taxation rate of 17.5%	(20,546)	(10,749)

HKCFP EDUCATION LIMITED
(Limited by guarantee)
NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Related companies

A related company is a company in which one or more of the directors has a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year (2006:Nil).

The company had no significant unprovided deferred taxation at 31 March 2007 and 2006 and for the years then ended.

At the balance sheet date, the company has unused tax losses of HK\$375,693 (2006:HK\$112,816) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

4. DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2006:Nil)

On behalf of the Board

Chairman

HONG KONG, 20 September 2007

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)**

(Incorporated in Hong Kong with limited liability)

I have audited the financial statements of HKCFP Foundation Fund (Limited by guarantee) set out on pages 91 to 95, which comprise the balance sheet as at 31 March 2007, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Executive board's responsibility for the financial statements

The executive board is responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

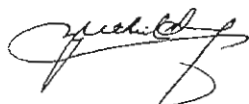

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the executive board, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2007 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity and debt securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the income statement.

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the balance sheet date. All exchange differences are dealt with in the income statement.

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

On behalf of the Board

Chairman
HONG KONG, 20 September 2007

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED (Incorporated in Hong Kong with limited liability)

I have audited the financial statements of HKCFP Holdings And Development Limited set out on pages 98 to 105, which comprise the balance sheet as at 31 March 2007, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' responsibility for the financial statements

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

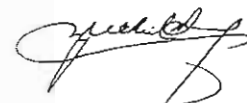

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2007 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the income statement in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the income statement is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Turnover

Turnover represents course fees received.

(c) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

2. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2006:17.5%)

The taxation charges is made up as follows:

	2006 HK\$	2005 HK\$
Provision for the year	-	6,698
Deferred tax		
Current year	15,839	4,542
	15,839	11,240

The taxation on the company's profit/(loss) before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Profit/(Loss) before taxation	(20,522)	103,202
Tax at the income tax rate of 17.5%	(3,591)	18,060
Tax effect of non-deductible expenses	10,159	10,934
Tax effect of non-chargeable income	(3,043)	(8,826)
Utilisation of previously unrecognised tax losses	12,314	(8,928)
Taxation charge	15,839	11,240
