PRESIDENT'S MESSAGE (DR. GENE W. W. TSOI)

My two years term of Presidency started in December with the escalating global financial crisis affecting most countries. As a result, intense pressure was built up in the preparation of the WONCA APR Conference hosted by our College in Hong Kong. Adding insult to injury, the so-called "swine flu" H1N1 endemic was spreading quickly from Mexico and United States that discouraged air travel. Hong Kong was on red alert in May. Luckily, the Conference was not cancelled and the three days' event gone through smoothly, although the number of delegates from overseas was less than expected.

Locally, after the release of the Consultation Document on Health Care Reform "Your Health Your Life" in March 2008, a Working Group on Primary Care of the Health and Medical Development Advisory Committee (HMDAC) was set up by the Food and Health Bureau, chaired by the Secretary Dr. York Chow. It was tasked to make recommendations to HMDAC on the implementation of proposals on enhancing primary care set out in the Healthcare Reform Consultation Document. The Working Group has endorsed setting up three Task Forces to put forward the work-plan and to formulate recommendations to the Working Group. The three Task Forces were:

- I. Primary Care Service Models
- II. Primary Care Directory
- III. Primary Care Delivery Models

Our College is an academic institute with the objective to promote and upgrade the standard of Primary Care services in Hong Kong. As the President of the College, I have accepted the invitation to participate in the three Task Forces. Many meetings were held and an interim report would be released officially by the Bureau. The Primary Care Directory has had extensive and fervent discussion among different Primary Healthcare Providers. Various issues were raised in the meetings such as who should be included in the Directory, the role of different stakeholders, as well as the inclusion and maintenance criteria of the Directory. This was not surprising to me because our College had hosted an Open Forum few years ago to study this issue, afterwards submitted a report to the Bureau which reflected similar sentiment among medical practitioners from different specialties and professional organizations. I think it is time for the policy makers to take lead and make decision. Without statutory backing, no one within the medical profession has the authority to set the inclusion criteria and required standards.

Another important service reform was the establishment of electronic health record sharing between the public and private sectors. A new e-Health Record Office was set up and funded by the Government to develop a territory-wide system in the coming few years. We support this new proposed service as it will definitely benefit the patients and facilitate communication between the public and private sectors. I was appointed by the Hong Kong Academy of Medicine in the Panel of e-Health Record under the Food and Health Bureau.

This year our College had the honour of two prominent Visiting Professors to the Family Medicine Units of Hong Kong University. Professor Walter Rosser came in June and Professor Barbara Starfield came in October. Both have written detail reports about our Primary Care development, making comments and recommendations to our undergraduate teaching and postgraduate training in Family Medicine. It is time to review and refine our teaching and training programme comprehensively. Changes need and should be made as soon as possible to complement the Healthcare Reform led by the Government before it is too late. Opportunity should not be missed because of doctrinaire attitudes. It is quite similar in most countries where Universities dominated by non-Family Medicine led Medical Faculties that Family Medicine teaching programme is always understaffed, lacked funding or resource allocation, and under-appreciated. We should make a concerted effort to secure our deserved position in the two Universities of Hong Kong.

It may seem coincidental. A visiting team appointed by the Medical Council of Hong Kong, led by Professor Rosie Young, conducted a review visit on the medical education and training of the two medical faculties of the University of Hong Kong and the Chinese University of Hong Kong. A report with findings and recommendations was released in January 2009. Issues of paramount importance to our discipline were raised. I quote:

"The team proposed that both Medical Faculties be required to improve on the teaching of Family Medicine."

Medical Council discussed the captioned report and decided to support this recommendation and refer it to the relevant authority for consideration. As a result, Chairman of Medical Council Professor Lieh-Mak wrote to the

President of Hong Kong Academy of Medicine Professor Raymond Liang in August 2009. I quote:

"To review postgraduate training requirements of the specialty of Family Medicine in view of the disparity of 6 years required in Hong Kong compared to 2-3 years in overseas jurisdictions."

Thereafter, the Education Committee had discussed this matter and agreed that the College of Family Physicians would be requested to submit their views on this with information of Family Medicine training in other countries. The Academy Secretariat would search archives to see if there was rationale on setting the duration at 6 years in Hong Kong.

Our Council discussed and decided to set up an Ad Hoc Group led by Dr. Donald Li to study the matter. This brings us back to the perpetual issue of duration and format of training in Family Medicine. I believe that because of poor understanding from other specialties that Family Medicine is unique and totally different in the core value and content of training which requires special consideration. Clinical experience, professional attitude and ethics cannot be over-emphasized and is difficult to quantify. How could our young doctors be nurtured in order to show empathy to their patients with personal touch? How can we put these into the training content which is an important part of Family Medicine?

I hope in 2010, changes can be seen and move towards a positive direction to embrace a greater number of our members and medical practitioners to be involved in the forthcoming healthcare reform. Our Government and the two Universities should have solid confidence in, and more committed to the development of Primary Care. The College is always in support of quality assured Primary Care in the Healthcare system of Hong Kong.

Lastly, I have to thank all Council members, Censors, members of various Boards and Committees. They have contributed their valuable time and energy to all the activities and functions organized in the name of our College. I would like to give my deep appreciation to the retiring Council members in the coming AGM in December, especially Dr. Raymond Lo, my Vice President. Dr. Lo has served the Council for more than 10 years and is most important in establishing the quotable DFM course for our College members. I feel sorry that he has to leave us for personal reasons. I am sure his heart is with us as always, and in his absence, he will give us his moral support. I wish him all the best in the years to come.

HONORARY SECRETARY'S MESSAGE (DR. LAW TUNG CHI)

This year starts by 31st Annual General Meeting held on 6th December 2008. Dr. Gene W. W. Tsoi leads college into his first year of presidency.

In the first half year, most energy and manpower of college was put on preparation of WONCA Asian Pacific Region conference 2009. The conference was successfully held on 4 to 7 June 2009 in Hong Kong with local and mainland VIPs and over 800 delegates from 35 countries attended the conference. The 22nd HKCFP Fellowship Conferment Ceremony was held on 6th June 2009 during WONCA ARP conference. The ceremony was followed by Conference Banquet held at the peak and we have enjoyed a splendid night with new college fellows and WONCA VIPs and delegates.

Although we are exhausted with WONCA APR conference, the usual function of college cannot stop. BVTS has registered 197 basic trainees and 118 higher trainees, amongst them are 44 new basic trainees and 68 new higher trainees.

Board of Education has organized numerous courses, clinical attachment and educational activities. This year, besides the 5 interest groups, a new small group of conjoint examination Cat II candidates was formed and college fellow members have joined this small group to facilitate their preparation for conjoint examination.

The 6th Diploma course in Family Medicine (DFM) started in June 2009. A new Certificate course on Family Medicine (CCFM) is also started this year to provide more choice on continue medical education for our college members.

Publication, we still have a monthly FP Link and quarterly Hong Kong Practitioner prepared by Editorial Board and numerous articles at various media by Public Education Committee. This year, the first academic book of the College – Problem-based Approach to Family Medicine was published in a short time just before WONCA ARP conference by newly formed Publication Committee.

The 2009 Exit examination held in spring and 2009 supplementary exit examination was just finished in Sep 2009. The 22nd Conjoint HKCFP/RCACFP fellowship examination was also finished last week on 1st Nov 2009.

Thank to effort of The Web and Computer committee, new college home page was implemented in Jun 2009. The user friendly design is appreciated by our members.

The Education Committee has regular meeting with HKAM to maintain college communication with other specialist colleges.

The Audit, Council member in duty, Finance, House management, QA&A Membership, Professional Performance and Research committees were working all year round to maintain college functions.

Last but not the least, I would like to thank the dedicated Secretariat team and in particular the Executive Manager, Erica So for their hard work all through.

Candidates Information Seminar

An information seminar for candidates sitting the clinical segment was organized on 12 July 2008. 71 candidates attended. The purpose was to provide first-hand information on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help our candidates to better prepare for the examination and to minimize their anxiety and misunderstandings.

The Conjoint Fellowship Examination

<u>Written segments:</u>	KFP	21 September 2008 (Sunday)	HKAM Jockey Club Bldg
	MCQ	28 September 2008 (Sunday)	HKAM Jockey Club Bldg
<u>Clinical Segment:</u>	OSCE	26 October & 2 November 2008 (Sundays)	Princess Margaret Hospital

External Examiners from RACGP

Dr. Morton Rawlin, Director of Educational Services, and Dr. Jennie Kendrick, Censor for NSW, were the visiting External Examiners from RACGP this year for the OSCE Examinations on 26 October and 2 November 2008 respectively.

Observing Examiners from Philippine

While last year we had visitors from China, this year we had four doctors from Philippine Academy of Family Physicians came to observe our OSCE Examinations. They were Dr. Marion G. Rivera and Dr. Lourdes C. Medalla, from the Board of Examiners, who attended OSCE on 26 October 2008, and Dr. Ma T. Bautista, Secretary of Specialty Board, and Dr. Maria V. Cruz, Chair of the Commission on Specialty Board, who attended OSCE on 2 November 2008.

Number of candidates

There were altogether a total of 194 candidates applied for this year's examination, with 181 and 13 candidates of Category I and Category II respectively.

109 candidates sat for the Written Segments (99 Cat I and 10 Cat II candidates), while 100 candidates sat for the Clinical Examination (89 Cat I and 11 Cat II candidates).

Security

Strong emphasis was again put on the security measures this year. Several measures had been taken, including:

1. Strict adherence to the Working Protocol for Staff Handling Examination Materials.
2. Use of Case-Writing Group, consisting of Examiners, led by our Chief Examiner, to be responsible for all the OSCE cases.
3. No electronic transference of exam materials.
4. Sharing cases with RACGP to widen our exam case bank.
5. Presentation of OSCE exam materials to examiners only on the day of exam.
6. Continual appeal to the professional integrity of all involved in running the exam.
7. Proper "quarantine" of candidates on the days of exam.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experience examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

CHAIRMAN'S MESSAGE

The DFM course entered her seventh year in 2009. As in the past, the objective of the course was to offer an effective and practical way to acquire knowledge, attitude and skills of family medicine. The new Distance Modules I and II written by Dr. Wun Yuk Tsan were launched last year. They were more relevant and practical for local family medicine practice. They were also more comprehensible and were well received by the students. The Board hoped with these new modifications, more family doctors would be interested to study the course. Another objective of the course was to provide a stimulus and pathway for primary care doctors to ongoing studies and training leading them ultimately to fellowship in family medicine. This would help in a way to provide a better and more efficient primary care to the community.

This year, thirteen candidates fulfilled all the requirements of DFM Course and passed all the assessments and the Final Examination in 2009. The Board was proud of their success and congratulated them on acquiring their well deserved qualifications.

The Board envisaged the growing needs of family medicine courses for primary care doctors and in order to cater for different learning needs, a new Certificate Course in Family Medicine was launched in June this year. This Certificate Course only required a six-month part-time study and consisted of four segments including Principle of Family Medicine (Distance Learning), Essentials of Family Medicine (Structured Seminars), Clinical Updates (Symposiums) and Practical Workshops. Graduates could upgrade themselves to Diploma level if they pursue a further six-month study and pass the final examination.

The Board had a great encouragement this year. We received a generous donation of fifty thousand dollars from a College member for sponsoring doctors to study the Diploma course. To celebrate Regional WONCA 2009 being held in Hong Kong, the Board also offered a reduction of course fees this year to synchronize with the promotion of Family Medicine by WONCA.

On behalf of the College and the Board, I would like to take this opportunity to thank Dr. Lam Tai Pong for being our External Examiner and Prof. Cindy Lam for acting as our advisor. I wished to thank Gene, Donald and Stephen for their unfailing support and all our teachers, examiners, and mentors who contributed their time and efforts to make the course successful. I regretted over the resignation of Dr. Law Tung Chi, the chairlady of Assessment and Examination Subcommittee but wished to thank her for her great contributions to the examinations in the past. I was thankful to Dr. Chan Chi Wai for agreeing to take up the onerous duties left behind by Dr. Law. I was particularly grateful to all the Board members who stay supportive to me throughout all these seven years and I hoped that they will remain as supportive to DFM in future as they were in the past. Lastly, I also wished to thank my secretarial staff Ms. Charlotte Sham and Ms. Winniea Lee for their hard-working, efficiency and in particular, their utmost tolerance of me.

CHAIRLADY'S MESSAGE

During the year 2008-2009, the Board, as in the previous years, has organized the following educational activities for our College members. All the CME and CPD programmes have been running smoothly and accredited.

Video-Library and Video Viewing Session

For the period of 2008-2009 we had arranged 12 video sessions in our Wanchai College premises on a monthly basis. Video viewing session and Video Library have been practiced since July 2005. The viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon, Evening and Annual Refresher Course CME activities. These viewing sessions are open only to our members. 1 CME point, HKCFP or MCHK, is accredited to one who attends the viewing session. Up to a maximum of 2 CPD points may be accredited to one who submits a satisfactory report of Professional Development Log. It is encouraging that the number of attendance is increasing. The topics of the 12 sessions presented were:

- Ophthalmological Assessment & Common Eye Disease
- Sports Injury – Current Thinking
- Common Arthritis, Gout & Adhesive
- Management of Neuropathic Pain due to Spinal Arthropathy & Stenosis
- Recent Advances in Cancer Screening, Early Diagnosis & Treatment in Breast Cancer
- Liver and Colorectal Cancer: Screening and Early Diagnosis
- Post Traumatic Stress Disorder
- Acute Stress Disorder
- Women Health – Post Partum Mental
- Skin Dermatoses Conditions in Pregnancy
- Periodontal Infection – A Silent Health Risk
- Common Oral Lesions and Oral Manifestation of Systemic Condition
- The Importance of Primary Dentition and its Care
- Periodontal Diseases – The Most Common Infection
- Practical Management of Anxiety and Depression in Primary Care
- Total Pain Management
- Management of Rheumatoid Arthritis
- Frozen Shoulder: Management beyond Physiotherapy

Small Discussion Group

It is good news that the number of Small Discussion Groups has increased to 105. Participant members will gain 1 CME point and the speaker will gain an extra 1 CPD point. Members who are actively participating in writing up local management protocols of common diseases can also earn extra CPD points. Well-written synopses will be published in our College Journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups. However, synopses not up to standard are requested to be re-written again.

Cardiopulmonary Resuscitation (CPR) Training

The Board would like to thank the Hong Kong College of Cardiology, especially Dr. Cheng Chun Ho and Dr. Pun Chiu On for their continuous support. Our CPR training workshops and examinations were running successfully and the Instructor workshops for up-keeping standards and recruiting new instructors were well organized. We held two CPR training workshops in 2008-2009. We have 134 members who passed the CPR Examination and were awarded the Certificate of Competency CPR in Basic Life Support this year.

Clinical Attachment

We have three clinical attachments this year with the support from our hospital colleagues.

- Diabetes Attachment - United Christian Hospital
ENT Attachment - Division of Otorhinolaryngology, Department of Surgery, CUHK
O & T Attachment - Department of Orthopaedics & Traumatology, Prince of Wales Hospital, CUHK

The Board would like to express our sincere thanks to Dr. Tsang Man Wo, Dr. Grace Kam, Prof. C. A. van Hasselt, Prof. Michael Tong, Dr. John Woo, Prof. Chan Kai Ming, Dr. Patrick Yung and the staff of their departments for organizing our clinical attachments. The clinical attachments are aimed at in-depth and structural teaching of our members in the specialties that they are interested in.

Assessment Enhancement Course

Assessment Enhancement Course remained the most welcome course in her ninth year of establishment. I would like to thank all the tutors in donating their time and effort in this course. They help tremendously in upgrading the standard on family medicine in the consultation skills, physical examination and other various aspects. These are very useful to our members in preparing the Conjoint Fellowship Examination.

Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 28 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 250 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in her 29th anniversary in year 2009.

Professional Development Subcommittee

Since 2005, six Interest Groups have been formed under this Subcommittee: namely Clinical Family Medicine, Dermatology, Geriatric, Medico-legal, Mental Health, and Neuro-musculoskeletal.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix and bridging the professional gap. This will upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

The Interest Group in Dementia and Geriatric had organized an Update on common Geriatric Diseases, which was held on 20th January 2008 and was well attended.

Medico legal Alert Interest Group alerts our members on medical legal importance of various aspects of our discipline. This year, we have co-organized a seminar with Medical Protection Society (MPS) and The Hong Kong Society of Dermatology and Venereology.

Category 2 Focus Study Group

The new focus study group will be established for the Category 2 candidates under Clinical Family Medicine Interest Group to provide the platform to facilitate for Category 2 candidates preparing the Conjoint Fellowship Examination with formal group support.

Interpractice Visit

Interpractice visit is a mean of continuous medical education through practice visits by peer group. Participants may share their experience and improve their skills on clinic and practice management, thereby achieving a high standard of service. The details were published in the College Journal since May 1998.

Community Education Programmes

I would like to thank the following hospitals, societies and associations in helping our Board in organizing the various Community Education Programmes:

- Caritas Medical Centre, Kowloon West Cluster, Hospital Authority
- Family Medicine & Primary Healthcare, Hong Kong West Cluster, Hospital Authority
- Our Lady of Maryknoll Hospital, Kowloon West Cluster, Hospital Authority
- Professional Development & Quality Assurance, Department of Health
- The Undersecretary of the Food and Health Bureau, HKSAR
- United Christian Hospital, Kowloon East & Kowloon West Cluster, Hospital Authority

College members were welcomed to attend these programmes and CME points were accredited.

Structured Education Programme

The Structured Educational Programme (SEP) is the mandatory training programme in basic training. It's divided into 14 modules and trainees should be attended at least 15 hours for each module. It is opened to all College members and will be awarded CME credit points when attending the programme.

Self-Assessment Correspondent Programme

- 1) MCQ papers
MCQ papers were sent out quarterly with our College Journal. Members will only be accredited if over 50% of the answers are correct and will be awarded maximum 12 CME credit points per year.
- 2) Hong Kong Check
The Hong Kong College of Family Physicians, in collaboration with the Royal Australian College of General Practitioners, runs a Hong Kong version of the Check program. Members who subscribe to the Hong Kong Check will be awarded 12 CME credit points for satisfactory completion (at least 75% of the questions) of the HKCFP "Check on Check" program issued at the end of the year for the "CHECK" Programme.

Acknowledgement

Stepping into the fifth year of chairperson of the Board of Education, I would like to take this opportunity to express my most sincere thanks to all members of the Board of Education for their unlimited support and contributions in serving the College. They are the capable and supportive team to back me up in organizing the various types of educational activities for our College members. I am indebted to them, and our secretarial staff, Ms. Charlotte Sham and Ms. Winnica Lee for their enormous support. I would also like to take this opportunity to thank all sister Colleges, Universities, Hospital Authority, Department of Health for their support in our various educational activities. We are also thankful to the various pharmaceutical companies who generously sponsored many of our functions.

CHAIRMAN'S MESSAGE

This year is a very important and meaningful year to the college as we are the host of WONCA conference. The conference was held successfully in June 2009. There were more than 900 delegates. BVTS sponsored 19 trainees to attend the conference. The sponsored trainees needed to submit a report afterwards. It can help the trainees to review what they had learnt from the conference.

On top of that, our basic training programme was due to be reaccredited by RACGP. It was done on 28th and 29th of October 2008. The RACGP representatives, Dr. Morton Rawlin and Dr. Jennie Kendrick, were invited to visit our training centres in Family Medicine Unit of The University of Hong Kong, GOPC at Sai Wan Ho and Prince of Wales Hospital. The report was positive and their comments and recommendations were appreciated. Our training programme was re-accredited for another 3 years cycle.

The board is working hard in revising the method to update the list of clinical supervisors in various specialties in each cluster. It can help the trainees to be clear of whom they should contact during their training in various specialties. Though there were some difficulties encountered, the work still moved forward smoothly and the updated list is available on college official web site.

The usual statistics up to 31st March 2009 are as follows:

New enrolled Basic trainees	:	44
New enrolled Higher trainees	:	68
Total Basic trainees	:	197
Total Higher trainees	:	118

As the Board is always busy in various activities, it is important to share the duty among Board members to improve our efficacy and effectiveness. Thus, Dr. Chan Kin Ling and Dr. Law Tung Chi were appointed as Deputy Chairman and Head of Standards of the Board respectively. I would like to take this opportunity to thank both Dr. Chan and Dr. Law for their dedication to the Board.

Output

Congratulations to our trainees for passing the *HKCFP/RACGP* Conjoint Examination in 2008 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

Appreciation

I welcome Drs. Mary Kwong and Billy Chiu to join BVTS as member. Their participation are definitely valuable to our Board. I also welcome all other new members to join the various subcommittees of the Board.

On the other hand, I would like to express my gratitude to our past Secretary, Miss Koi Chan, who left the college since February this year. She is working hard with Miss Carmen Cheng, another Secretary of the Board, and their effort is highly appreciated.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster co-ordinators for their contributions in the training programme.

Chairman's Message

This year, we continued our quarterly publications of the Hong Kong Practitioner with 27 manuscripts published over the year. Among the published manuscripts, 30% were original research articles, 15% were discussion papers and 15% were update articles. The rest were editorials (15%), case reports (11%), commentaries (7%) and book reviews (7%). Dr. Samuel Wong and Dr. Wendy Tsui continued their roles as editors for the Hong Kong Practitioner and the FP Links respectively.

For the Hong Kong Practitioner, we were fortunate to have our editorials written by international and local academics to share their views on "hot" topics in family medicine and primary healthcare over the year which included family medicine vocational training, primary care reform and the recent influenza outbreak. Hopefully, in the near future, we can develop theme issues of the journal with a focus on topical issues in family medicine and primary healthcare.

We hope that our journal will continue to provide up-to-date knowledge and information that is relevant to the practice of family medicine and hope that our readers will continue to show their support.

The Specialty Board conducted Supplementary Exit Examination from July to September 2008. 23 candidates sat the supplementary Exit Examination and 7 of them successfully completed and passed the whole Exit Examination.

The 2009 Full Exit Examination was held from January 2, 2009 to March 31, 2009. 50 candidates attempted the Examination and 14 candidates successfully completed and passed the whole Exit Examination. Professor Doris Young was again the External Examiner of the 2009 Full Exit Examination.

The successful candidates were:

Dr. Chan Yin Chiu
Dr. Chung Chi Yan, Benny
Dr. Kwong Siu Kei
Dr. Lam Chi Yuen, Johnny
Dr. Lam Hiu Lam

Dr. Lau Pui Ling
Dr. Shek Hon Wing
Dr. Wong Chi Lung
Dr. Kong Chun Yuk
Dr. Li Heung Wing

Dr. Ng Ming Shing
Dr. Ng Tsz Kin
Dr. Tsui Hoi Yee
Dr. Yim Chi Ling

The Board had organized Pre-Exit Examination Training Workshops for candidates, Standardization Workshops for examiners and feedback sessions for candidates after the Examination.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 21 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

This year, we have quite a number of College activities including Certificate Courses on Asthma, Diabetes & Dementia; Annual Scientific Meeting, Annual Medical Updates, Annual Refresher Courses, monthly interest groups meetings on Mental Health and Dermatology, regular meetings on Neuro-musculoskeletal, Medico-legal Alert, Clinical Family Medicine, lecture given by Visiting Professor of the University of Hong Kong, WONCA Luncheon Symposia and other educational luncheon scientific meetings organized by the Board of Education. These activities were generously sponsored by various pharmaceutical companies which help to bring the update medical knowledge to our members.

Advertisement from various pharmaceutical companies has been published in our Journal which remains one of the most popular and widely circulated medical literatures locally. Our Journal provides a very valuable channel for our members to update themselves on medical knowledge. The Family Physicians Links continue to have some advertisement supported from other organisations and College's members.

On behalf of the College, I would like to express my gratitude to all of the following companies for their generous support:

Abbott Laboratories Ltd	Medical Protection Society
AstraZeneca Hong Kong Limited	Merck Sharp & Dohme (Asia) Ltd
Boehringer Ingelheim (Hong Kong) Limited	Novartis Pharmaceuticals (HK) Ltd

Ms. Zoei S. Y. Chu (Administrative Executive, to April 09)

From April 2008 to March 2009, we have received 3 enquiries from our members concerning matters related to training. All the enquiries were handled immediately and directed to the respective Boards or Committees for any necessary follow-up actions. All enquirers were satisfied with the replies. The CMOD remained as an important and effective communication between the Council and the members.

I would like to express my sincere gratitude to all Council members who act as on-duty members in the roster in answering the enquiries and giving their invaluable advice. I would also like to thank the secretarial staff for their hardworking.

EDUCATION COMMITTEE (AM AFFAIRS)

Dr. Ruby S. Y. Lee

The Education Committee (EC) is one of the statutory committees of the Hong Kong Academy of Medicine. The committee is made up by representatives of all individual Colleges to discuss, decide and endorse various matters in relation to education and training of AM Fellows and trainees.

All Hong Kong Academy of Medicine (HKAM) fellows in Family Medicine are required to observe criteria laid down by HKAM. Starting from 1 January 2008, no more than 75 points of the minimum CME/CPD requirement of 90 points can be awarded for passive participation in a 3-year cycle.

HKAM has also prepared a Welcome/Information Pack for trainees which will be dispatched through College.

EXTERNAL AFFAIRS COMMITTEE

Executive Manager : Ms. Erica M. So

The WONCA APR Conference has brought in many important visitors in June 2009. WONCA World President Prof. Chris van Weel and his Council Members were in Hong Kong and held their Council Meeting before the opening of the Conference. WONCA APR President Dr. Donald Li also had his Council Meeting with representatives of sister Colleges in the region. Vice-Minister Liu Qian of Health Ministry PRC was invited as VIP for the WONCA Conference and has delivered an important speech about Healthcare Reform in the Mainland.

I attended the Annual Scientific Meeting of the Singapore Academy of Medicine in August with the delegates of Hong Kong Academy of Medicine led by President Prof. Raymond Liang. We attended their council meeting and exchanged ideas in relation to the future development of both Academies. A Tripartite Conference will be held in Hong Kong in 2010 jointly organized by Hong Kong, Malaysia and Singapore Academies. The HOC is chaired by Dr. Donald Li, Vice President of Hong Kong Academy of Medicine.

In May 2009, our College was invited by NOW TV to appear regularly, about once per week, in their programme "Medicine On Line". The purpose is for promoting the concept of Family Medicine to the public via current medical-related news of interest to the public. I myself, and thanks to other colleagues, have participated in the recording. I hope the programme can allow Family Physicians to take up the role of health educator to patients and the community.

FINANCE COMMITTEE

Chairman : **Dr. Lau Ho Lim**
Committee Members : Dr. Gene W. W. Tsoi
Dr. Raymond C. H. Lo
Dr. Chan Hung Chiu
Dr. Law Tung Chi
Dr. Mary B. L. Kwong (Business Manager)
Secretary : Ms. Angel Cheung (Administrative Executive, from March 2009 onwards)

With careful monitoring by the Finance Committee, the financial situation of the College in 2008 continued to remain sound and healthy as before. Despite the global economic downturn in 2008, our accumulated financial reserve remained stable, thanks to our very conservative investment strategy. We have continued and will continue to stay away from medium- to high-risk investments. There is currently a deposit of equivalent of over HK\$17 million in our accounts. Only 4.3% of our portfolio is in securities, bought when these were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr. Gene Tsoi, our President, Dr. Raymond Lo, our Vice President (General Affairs), Dr. Chan Hung Chiu, our Vice President (Education and Examinations), Dr. Law Tung Chi, our Honorary Secretary, Dr. Mary Kwong, our Business Manager, and Ms. Erica So, our Executive Manager, for their continuous support and service. I would also like to thank Mr. CF Cheung, our Honorary Auditor, for his professional advice and service.

Annual Dinner

The 31st Annual Dinner was held on December 6, 2008 at Eighteen Brook Cantonese Cuisine, 8/F Conventional Plaza, 1 Harbour Road, Wan Chai.

The Annual Dinner was received by 168 attendees including our Council members, College Board members, their spouses and family members and guests from different pharmaceutical companies. It provided a golden opportunity for them to meet and communicate.

Successful candidates of Conjoint Examination, Exit Examination and graduates of the Diploma in Family Medicine were invited to share their experiences with our members. They were:

Candidates of Conjoint Examination

Dr. Chau Kai Man	Dr. Lee Ka Pik
Dr. Fan Wai Man	Dr. Tse Peggy

Candidates of Exit Examination

Dr. Chan Ying Ho, Andrew	Dr. Poon Shun Bong, Anthony
Dr. Lau Chi Hang	

Graduates of Diploma in Family Medicine

Dr. Chan Hoi Fai

The Internal Affairs Committee wishes to thank Dr. Gene Tsoi, our Council members, pharmaceutical companies, Hotels and Print House to support us and sponsor the prizes for Lucky Draw; Dr. Law Tung Chi and Dr. Hui Ming Tung Eric, the hosts of the Annual Dinner and our secretariat who gave their time and effort in making the Annual Dinner a success.

Conferment Ceremony

The 22nd Fellowship Conferment Ceremony of HKCFP / RACGP, the 6th Diploma in Family Medicine and the 20th Sun Yat Sen Oration were successfully held on June 6, 2009 at Convention Hall, Hong Kong Convention and Exhibition Centre.

This year, the Conferment Ceremony was a part of the programmes of WONCA 2009 Asia-Pacific Regional Conference.

The ceremony was well received by about 450 attendee including invited guests, WONCA delegates, family members and dignitaries from the Department of Health, the Hospital Authority, universities as well as local and overseas academic colleges. There were 68 members conferred for Fellowship of the Hong Kong College of Family Physicians, 70 members conferred for Fellowship of the Royal Australian College of General Practitioners, 21 members conferred for Award of the Certificate of Exit Examination and 13 members conferred for Award of Diploma in Family Medicine. The ceremony ended with our special honour of having Professor Fan Sheung Tat, Head of Department of Surgery, The University of Hong Kong, to deliver the Oration entitled "Liver Transplantation: Who live? Who die?".

The Internal Affairs Committee wishes to thank Dr. Gene Tsoi and Dr. Alvin Chan for their precious advices during the preparation; Dr. Wendy Lo, the Public Orator, and Dr. Luk Wan, the Ceremony Coordinator and all Marshalling officers and Helpers who contribute their time and effort in making the Ceremony a success. Of course, we will not forget the timeless effort and hard work of our College Secretariat.

MEMBERSHIP COMMITTEE

Chairlady : **Dr. Cheung Man Kuen**

Deputy Chairman : Dr. Luk Wan (from March to August 2009)

Committee Members : Dr. Keith K. K. Tse
 Dr. Ng Chun Bor
 Dr. Ruby S. Y. Lee

Ex-officio : Dr. Gene W. W. Tsoi
 Dr. Raymond C. H. Lo
 Dr. Chan Hung Chiu
 Dr. Lau Ho Lim
 Dr. Law Tung Chi

Secretaries : Ms. Snowdy S. Y. Lee (Administrative Executive)
 Ms. Rachel T. Y. Mok (Administrative Executive)

The current membership of HKCFP is as follows: - (as in June 2009)

Fellows*	499 (HKAM Fellows: 228)
Full Members	240
Associate Members	807
Others **	48
Total:	1594

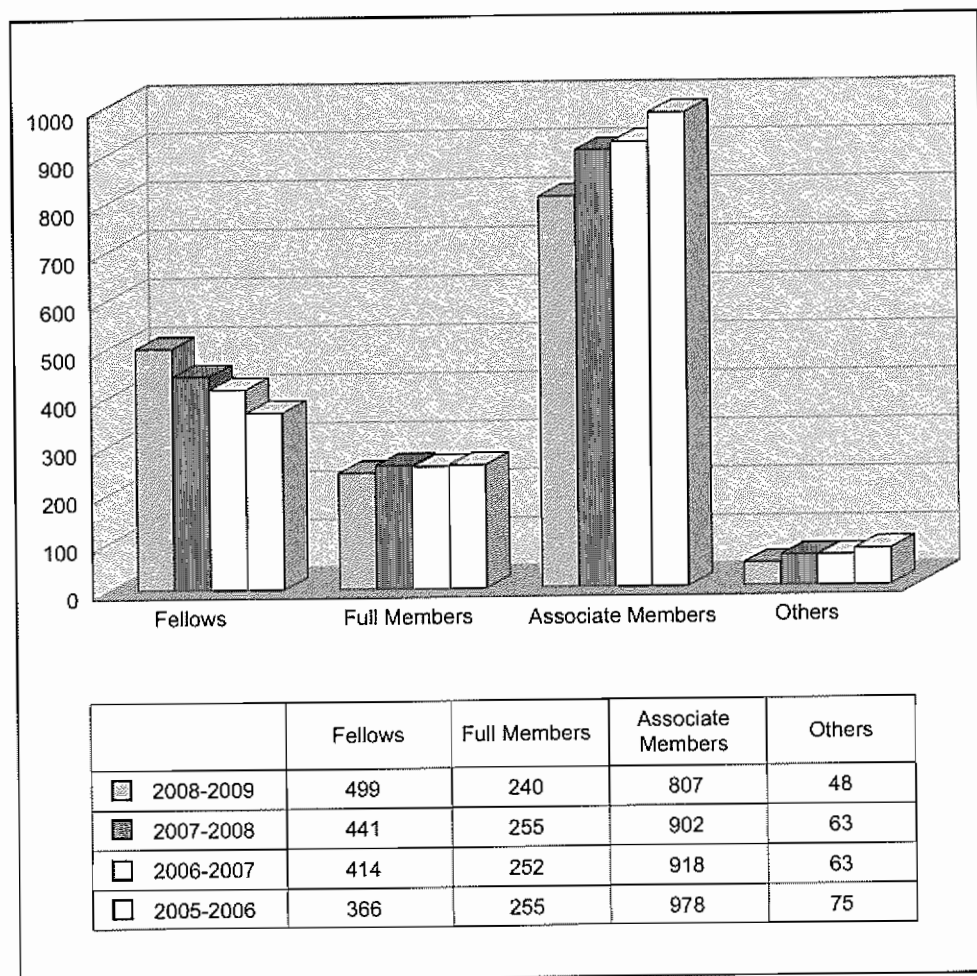

* Fellows include Fellows, Foundation Fellows, Hon. Fellows and Non-HKSAR Fellows.

** Others include Non-HKSAR Members, Student Members and Affiliate Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practising quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care.

We recommend and implement policies, procedures and initiatives to promote a healthy growth of membership at HKCFP. We expect to see a constant growth in membership with increase in proportion of fellowship.

The Professional Performance Committee is established to provide advice on professional performance to medical doctors who require peer review, supervision or audit.

Objectives:

1. To provide professional advice from the view point of family medicine.
2. To assist medical practitioners to meet the standard of professional performance.
3. To enhance the standard of the professional performance by peer supervision
4. To co-ordinate and appoint professional performance supervisors to provide professional advice upon application from individual medical doctor.
5. To co-ordinate clinic audit on professional performance upon request from individual medical doctor.
6. To maintain the accountability of professional advice by regular review of the current regulations and standards.

Individual doctor can approach our College to seek assistance to supervise and to audit his / her practice standard under the instruction of the Medical Council of Hong Kong. In 2009, there are 3 doctors seeking our advice on professional performance.

I would like to thank our College Secretariat for their constant support.

This year, the Public Education Committee organized a variety of activities through different channels. The Media Column Subgroup continued to publish articles every Friday in "Hong Kong Economic Journal (信報), Ming Pao (明報) and We Care Magazine (關心). The number of articles published till 31st August 2009 are 195 for Hong Kong Economic Journal, 38 for Ming Pao and 16 for We Care Magazine. Following the success of the first book 家庭醫學手冊 - 伴我同行 in 2007 and the second book 家庭醫學手冊之二 - 家庭醫生 in 2008, the committee is planning and preparing the third book collecting the articles at the end of this year.

Public education events were listed at the end of this report. I would like to thank all those who had offered their assistance in the past year and our excellent administrative support from the secretaries, Ms. Vicky Chan, Miss Carmen Cheng, Miss Koi Chan and Mr. Patrick Wu.

The Quality Assurance and Accreditation Committee aims to promote doctors' participation in effective and efficient quality assurance programs and to demonstrate their accountability to the community by documenting their participation in our Quality Assurance (QA) program. Our QA Programme is open to all registered doctors in Hong Kong and is reciprocally recognized by The Royal Australian College of General Practitioners (RACGP). Accreditation will be recorded throughout the years in the form of "credit points" according to our regulations for the award of Certificate of Quality Assurance.

All Hong Kong Academy of Medicine (HKAM) fellows in Family Medicine are required, in addition, to observe criteria laid down by HKAM. The HKAM has revised their Principles and Guidelines on Continuing Medical Education (CME) and Continuous Professional Development (CPD). Starting from 1 January 2008, no more than 75 points of the minimum CME/CPD requirement of 90 points can be awarded for passive participation in a 3-year cycle.

For doctors taking the Medical Council Continuing Medical Education Programme for practising doctors who are not taking CME programme for specialists (MCHK CME) Programme, documentation of their participation in the MCHK CME Programme will be managed by HKAM, the administrator appointed by Medical Council of Hong Kong (MCHK) from 1 September 2008 while we will continue the documentation for their HKCFP QA Programme.

Starting from Year 2009, our CME/CPD credit point reports have gone paperless and members can check their updated reports in the College Website.

The list of the fellows, members who have obtained the CME certificate 2008 were listed below. I would like to take this opportunity to thank all the committee members for their contribution and unfailing support.

Publication Committee is newly formed in 2009, for managing matters related to the publications of the College. During WONCA in early June 2009, the Committee published the first academic book of the College – Problem-based Approach to Family Medicine. This comprehensive 500-paged book, full of coloured illustrations and photos, was written over years by a group of experienced and enthusiastic family physicians using a scenario-based approach that simulates the work of a family physician. It contains 24 different clinical scenarios commonly encountered in family practice to illustrate the content and principles of Family Medicine. collaborations in the future.

Three submissions were received for the Annual Research Award 2008 and the selection panel consisted of two internal assessors and one external assessor. The winning project was "A qualitative study of patients' views on quality of primary care consultations in Hong Kong and comparison with the UK CARE Measure" by Dr. Fung Siu Cheung, Colman.

The 2009 HKCFP Research Fellowship have received five applications this year, all of good quality. The selection panel has selected two winners. The first winner is Dr. Chiang Lap Kin. His research project is "Usefulness in using portable overnight pulse oximeter for screening obstructive sleep apnea in adult patients in primary care setting". The second winner is Dr. Yau Lai Mo. His research project is "Study on the cancer risk perception and prevention behaviours among relatives of terminal cancer patients and the role of family physicians in caring for them".

Our College collaborated with the Family Medicine Unit, University of Hong Kong to study Hong Kong Primary Care Morbidity Pattern 2007-2008 in response to the Food and Health Bureau of the Government of the HKSAR consultative document 'Building a Healthy Tomorrow'.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

It has been a busy year. Apart from the routine functioning, the Web and Computer Committee has finalized accomplished the new Webpage task, after several years of hardwork. The new page with its modernized outlook and multiple functions, should be able to serve our members better, and indeed, feedbacks have been most favorable.

The new web is largely the brainchild of Dr. Simon So, our Vice-Chairman, who has dedicated wholeheartedly to polish the product till the last minute perfection. I would like, of course, to thank the rest of the committee members, past and present, in making suggestions and decisions throughout the year.

We are always short of manpower. We have through FP Link announcement to ask our members to step forward to help out in this exciting area. Several cluster responded and nominated representatives to oversee their cluster web related functions. Individual members who would like to exercise their hidden talents in IT are most welcome to join us.

I would also like to thank Ms. Erica So, Ms. Crystal Yung and the rest of the Secretarial team, for delivering the needed assistance and patience.

We look forward to another year of service.

The WONCA 2009 Asia-Pacific Regional Conference had been successfully held from 4-7 June 2009 at the Hong Kong Convention and Exhibition Centre. The conference was attended by over 800 delegates from 35 countries. The theme of the conference was 'Building Bridges'.

There had been many difficulties in organizing this event such as poor sponsorship, low registration because of the global financial turmoil and poor performance of the first professional conference organizer. With the outbreak of the new H1N1 epidemic this year, the future of the conference was put in serious jeopardy. Just two months before the big day, there were doubts as to whether the conference could take place at all.

Despite these challenges, committee members worked hard as a team. The Business team made last efforts to call in sponsors. The Scientific team worked meticulously to refine the programme and accommodate last minute changes. Advisors lent their full support, particularly connecting us with the VIPs and delegates from the Mainland. The Social team discovered talents among College members and put on memorable performances.

With volunteer contribution, and devotion of the Committee members, the conference successfully established the frame-work for delegates from all over the world to 'build bridges' to exchange experience, for information sharing and research networking.

Last but not least, I would like to offer my most sincere appreciation to all the Committee and Subcommittee members. Special thank is also due to our secretariat, particularly, Ms. Erica So, Ms. Charlotte Sham and Mr. Patrick Wu for their unfailing support.

BURSARIES

The bursaries fund was established by The Hong Kong College of Family Physicians to encourage as many doctors as possible, particularly from less developed countries of the Asia Pacific, to attend the Conference. The College's objective is that the conference can act as the bridge between local family doctors/general practitioners with those from the rest of the World.

The Hong Kong College of Family Physicians therefore offers a number of HKD \$ 5,000 bursaries to assist delegates from less developed countries of the Asia Pacific to attend the conference.

SCIENTIFIC PROGRAMME

Keynote – There were 3 keynote speeches on June 5 & June 7, 2009 delivered by Dr. the Hon York Chow, Prof. Peter Whitehouse and Dr. David Ho and their topics covered were primary case models, aging and infectious disease respectively.

Plenary – 5 plenary sessions were organized and 2 plenary speakers for each session covered the topics included patient centered care, preventive medicine, medical education, mental health and elderly health.

Symposium and workshop – we have invited 59 speakers for 8 workshops and 18 symposia.

Oral & poster presentation – Over 200 free papers submission were received and 121 oral papers, 111 poster papers and 12 workshops were accepted by the group of 18 reviewers, of these 3 were internationals.

SOCIAL PROGRAMME

A Welcome Reception with Mr. the Hon Donald Tsang, Chief Executive of the HKSAR was organized on June 4, 2009 from 18:00-20:00 at Convention Hall, Hong Kong Convention & Exhibition Center. All delegates and VIPs were invited to the Welcome Reception. Singing performance, face changing performance and cultural booth performance were organized during the Welcome Reception.

Conference Banquet was organized in the evening of June 6, 2009 at Café Deco Hong Kong, Peak Galleria, 118 Peak Road, The Peak, Hong Kong. Delegates were offered a special discount at USD 50 for the banquet and they could purchase the ticket online or on-site at registration counter.

DONATIONS & SUPPORTING ORGANIZATION

Bursary Donation was supported by the followings:

Dr. Soraya Abubakar
Prof. Zorayda Leopando
The Shun Tak District Min Yuen Tong of Hong Kong

Other donation by Dr. Peter Lee, Chan Tat Chee Memorial Fund
Other supporting Organization by Hong Kong Tourism Board

CONCLUSION

The feedback received from delegates and exhibiting companies were overall positive and encouraging. One suggestion received from delegate was to upload the presentation slides to the conference website and made accessible for delegates as a revision purpose.

The scientific programme, no doubt, was highly commended. The conference achieved its aim of building bridges among health professionals in WONCA with the support of renowned local and overseas speakers to share with us the latest information on medical developments.

We are pleased to see that with the active participation of the delegates. Thanks to all delegates who came to the conference and everyone in WONCA who gave us such tremendous support in making the conference a success.

HONORARY TREASURER

Honorary Treasurer : Dr. Lau Ho Lim

Secretary : Ms. Angel Cheung (Administrative Executive, from March 2009 onwards)

The financial situation of our College remains stable and sound for the financial year 2008-2009, with a current reserve valued in excess of HK\$17 million, thanks to the very conservative investment strategy of the Finance Committee. Only 4.3% of our portfolio is in securities, bought when these were first issued, and the great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's reports.

In this financial year, our main income sources were from, in descending order, the Board of Conjoint Examination, Membership Committee, Board of Vocational Training and Standards, and Specialty Board. From the Board of Conjoint Examination we saw a surplus of HK\$1.64 million (a 4.8% increase from the previous financial year). However we anticipated a reduction in this source of income as the number of candidates in the coming years would most likely drop. The Membership Committee had a surplus of HK\$1.47 million (a 34.2% increase). The Board of Vocational Training and Standards recorded a surplus of HK\$0.73 million (a 31.3% increase), but as this figure reflected the number of trainees, which according to current estimates might decrease, this source of income might reduce in the near future. The Specialty Board welcomed a surplus of HK\$0.6 million (a 105% increase), and this figure would be expected to increase when more trainees are expected to complete their Higher Training and enter the Exit Examination. On the other hand, with the reduction in interest rates, the bank interest income has seen a reduction of 64%.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$2.97 million (a 2.4% increase). The Board of Education saw a deficit of HK\$0.28 million and the Editorial Board HK\$58,244 which were due to more intensive educational activities and the publication of books. We managed to reduce our printing and stationery and sundry expenses as we went "green" and strived to achieve paperless meetings. The overall total cumulative expenses have been managed carefully and we saw a reduction of 5.6% compared with the previous financial year.

The consolidated net deficit before tax computation for the financial year was HK\$373,863 which is a reduction of 50.2% from the previous year (HK\$750,880).

On behalf of the board

Chairman
HONG KONG, 2 November 2009

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements of The Hong Kong College Of Family Physicians set out on pages 4 to 11, which comprise the balance sheet as at 31 March 2009, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Council's responsibility for the financial statements

The Council is responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

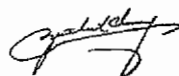

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2009 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the income statement in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the income statement is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rates to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Entrance fees from members are recognised in the financial year of receipt.

Annual subscription fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the balance sheet date. All exchange differences are dealt with in the income statement.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or

from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

3 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements in view of the excess of allowable loss brought forward over the estimated assessable profits for the year. (2008:Nil)

	2008	
	HK\$	HK\$
The taxation charge/(credit) is made up as follows:		
Deferred tax		
Current year	(22,218)	58,799

The taxation on the company's surplus/(deficit) before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Surplus/(Deficit) before taxation	352,092	(174,271)
	=====	=====
Calculated at a taxation rate of 16.5% (2008:17.5%)	58,095	(30,497)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2009.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results of the College for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong; and
 - d. prepared the financial statements on the going concern basis.
2. We are responsible for ensuring that the College maintains proper books of account which disclose with reasonable accuracy at any time the financial position of the College and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the College and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
3. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the College have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and members' meeting, have been made available to you.
4. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
5. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

HONG KONG, 2 November 2009

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP EDUCATION LIMITED
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements of HKCFP Education Limited (Limited by guarantee) set out on pages 4 to 10, which comprise the balance sheet as at 31 March 2009, and the income statement and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' responsibility for the financial statements

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

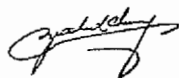

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2009 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

(Limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Related companies

A related company is a company in which one or more of the directors has a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2008:Nil).

The company had no significant unprovided deferred taxation at 31 March 2009 and 2008 and for the years then ended.

At the balance sheet date, the company has unused tax losses of HK\$2,217,312 (2008:HK\$1,351,668) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

4. DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2008:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2009.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong; and
 - d. prepared the financial statements on the going concern basis.
2. We are responsible for ensuring that the Company maintains proper books of account which disclose with reasonable accuracy at any time the financial position of the Association and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
3. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the Company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and members' meeting, have been made available to you.
4. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
5. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

For and on behalf
of the Board of Directors

On behalf of the Board

Chairman
HONG KONG, 2 November 2009

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)

I have audited the financial statements of HKCFP Foundation Fund (Limited by guarantee) set out on pages 4 to 9, which comprise the balance sheet as at 31 March 2009, and the income statement and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Executive board's responsibility for the financial statements

The executive board is responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

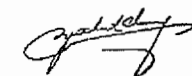

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the executive board, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2009 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the income statement.

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the balance sheet date. All exchange differences are dealt with in the income statement.

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

4. EXECUTIVE BOARD MEMBERS' REMUNERATION

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2008:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other board members and officials of the Foundation, the following representations given to you in connection with your audit of the Foundation's financial statements for the year ended 31 March 2009.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Foundation and of the results of the Foundation for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong; and
 - d. prepared the financial statements on the going concern basis.
2. We are responsible for ensuring that the Foundation maintains proper books of account which disclose with reasonable accuracy at any time the financial position of the Foundation and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
3. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the Foundation have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and members' meeting, have been made available to you.
4. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
5. We confirm that none of the Executive Board members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.
6. We confirm that the market value of the investment securities held by the company as at the balance sheet date amounted to HK\$603,550.

On behalf of the Board

Chairman
HONG KONG, 2 November 2009

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED (Incorporated in Hong Kong with limited liability)

I have audited the financial statements of HKCFP Holdings And Development Limited set out on pages 4 to 11, which comprise the balance sheet as at 31 March 2009, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' responsibility for the financial statements

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

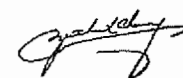

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2009 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the income statement in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the income statement is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives :

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Turnover

Turnover represents course fees received.

(c) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

(e) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

2. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2008:Nil)

The taxation charges is made up as follows:

	HK\$	2008 HK\$
Deferred tax		
Current year	7,803	9,447
	=====	=====

The taxation on the company's loss before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Loss before taxation	(565,976)	(709,474)
	=====	=====
Tax at the income tax rate of 16.5% (2008:17.5%)	(93,386)	(124,158)
Tax effect of non-deductible expenses	19,773	11,200
Tax effect of non-chargeable income	(11,084)	-
Additions of unrecognised tax losses	92,500	122,405
Taxation charge	7,803	9,447
