## **PRESIDENT'S MESSAGE (DR ANGUS M W CHAN)**

(July 2017 to June 2018)

This year we eagerly celebrated our 40<sup>th</sup> Anniversary! Hip hip hooray! Our most successful event ever, the HKCFP 40<sup>th</sup> Anniversary Conference was to celebrate the milestone of one of the oldest medical academic Colleges in Hong Kong. The theme “From Seedling to Forest- Ever Enriching Primary Care” truly reflected the College’s humble beginning and flourishing into a 40 years old evergreen tree through the sheer determination and selfless contribution of generations of Family Doctors. As I sat on top of the canopy, I could admire and celebrate the success of all my predecessors and numerous unsung heroes of this College.

There was a recorded attendance of over 700 doctors, nurses and allied professional over the 2-day event. The programme was like a forest with different ecologies enriching a primary care system. We welcomed our guest of honour, Prof Amanda Howe, President of the World Organisation of Family Doctors (WONCA). Prof Howe’s plenary lecture on “Future Developments in Medical Education” reiterated the mature role of Family Medicine within a health system is the presence of academic departments in medical schools. Many Family Doctors find stimulating career opportunities and extended roles in medical education, both within university and service settings. Prof Donald Li talked on “Family Medicine Beyond 40 Years”. He rightly pointed out the future of Family Medicine is determined by default, decree and design. Treatment of minor ailments is no longer the bulk workload of Family Doctors. Patients look for advice, directions, opinions, counselling, disease management, mental health etc.

What everyone was eagerly waiting for was the HKCFP 40<sup>th</sup> Anniversary Highlights by Dr Stephen Foo. Dr Foo is our pioneer in Family Medicine and has served the College since Day One. He always has the utmost respect from every member of this College. He told us the history of Family Medicine from a global view, development of Family Medicine in Hong Kong and formation of the College. Only he knew the details of the College inauguration, our local fellowship examination, training, WONCA involvement. There were lots of photographs to arouse our nostalgic sentiment with the best commentary from Dr Foo.

I was pleased to see animal-assisted therapy, elderly care, mental health, work injury management all accommodated under one roof. 4 plenary lectures, 3 forums, 3 seminars, 4 workshops. 6 sessions and a half-day event conducted in Putonghua were all successfully run. Congratulations to the tremendous hard work of the organizing committee headed by Dr Lorna Ng and Prof William Wong and our College Secretariat. They had made this “Ruby” Anniversary Conference possible, successful and memorable.

Finale to our 40<sup>th</sup> Anniversary celebration, Sunday 10<sup>th</sup> December was spectacular! We started off with the 30<sup>th</sup> Conferment Ceremony and the 28<sup>th</sup> Dr Sun Yat Sen Oration in the afternoon. This year 29 Diplomats received the DFM certificates, including 4 from HKU Shenzhen Hospital, China. 30 Fellows passed the Conjoint Examination and 16 passed the Exit Examination. For the first time, we presented certificates to the longest serving Conjoint examiners with 30 years’ experience. They are Dr Chan Hung Chiu, Dr Chan Kit Chi, Kitty, Dr Chan Kwok Wai, Dr Chan Tat, Eddie, Dr Stephen Foo, Prof Donald Li, Prof Cindy Lam, Dr Paul Lam, Dr Siu Che Hung, Paul and Dr Wun Yuk Tsan. What a milestone! We all applauded their long lasting contribution and please continue.

The Dr Sun Yat Sen Oration was the highlight of the day. The Orator was our dearest Dr Stephen Foo. Since Day one he sowed the seed, let it germinate, provided the best nutrient and is still farming Family Medicine today. Dr Foo told us the origin of this College, where we came from and how far we have gone. 40 years is a long road as one of the oldest medical academic Colleges in Hong Kong.

Simultaneously, we launched the 40<sup>th</sup> Anniversary Souvenir Book 1977- 2017. The book delineated the College Timelines, Boards and Committees, Family Medicine in Community, Diversity in Family Physicians, Reflections and Stories and Personality Interviews.

Evening came the 40<sup>th</sup> Anniversary Dinner at the Hong Kong Academy of Medicine. Our guest of honour was Prof Sophia Chan, Secretary, Food and Health Bureau. This evening was a more relaxing moment for Dr Foo. He showed us the slides of the first 30 years of the College development and his commentary was hilarious, informative and entertaining.

October 2017 was certainly a very busy month especially for the jet lagged President. Dr David Chao had kindly accompanied me to attend GP17 in Sydney, Australia. GP 17 was the official annual conference of the Royal Australia College of General Practitioners. We had a meeting chaired by Dr Bastian Seidel, President of RACGP to discuss the future arrangement of the conjoint examination. RACGP will soon start a unified pathway and all trainees must satisfy all the training modules requirement including aboriginal health in order to gain the full fellowship. New nomenclature for the RACGP international fellowship was suggested and we had an amicable discussion. The following day after our return from Sydney was the 31<sup>st</sup> Conjoint Examination with RACGP. Dr Mark Miller, Censor in Chief of RACGP and Dr Helen Wilcox were the external examiners. We had reached the trough in terms of the number of trainees sitting the examination. The whole examination ran extremely smoothly and I was heartened to see so many dedicated examiners appearing year after year.

In the same month was the WONCA Asia Pacific Region Conference at Pattaya, Thailand. I was extremely pleased to see a contingent of 20 from Hong Kong and our young fellows were led by Dr Loretta Chan. The young folks arrived early and joined the Rajakumar Movement discussion. Prof Donald Li, President-Elect WONCA delivered a plenary lecture on “Disaster Management and Family Medicine”. Dr Chin Weng Yee launched the WONCA guidance paper on non-drug interventions for common mental health. Congratulations to Dr Chin Weng Yee winning the Best Poster Presentation and Dr Tse Sut Yee winning the Best Oral Presentation!

April 2018 was the “China” month. I spent my Easter break at Nanning for the 5<sup>th</sup> Cross-Straits Medicine Exchange Association Conference. Nanning is the capital city of Guangxi in southern China. We had witnessed the second batch of three recipients of HKCFP Donald Li Scholarship. They were from Henan, Shanghai and Beijing and had previously attended the training course organized by the College. They will have the opportunity to attend the Family Medicine clinics at university, public and private sectors in Hong Kong for exchange of knowledge and ideas. I was most impressed when the senior official from the National Health and Family Planning Commission openly highlighted the problems with uneven distribution of resources, training standard and quality, low wages, lack of promotion and professional development that China’s primary healthcare system is facing. The government understands the problems and is changing its policy to fulfil the primary healthcare need of the most populated country in the world.

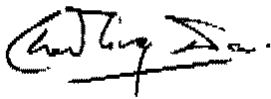

On 26<sup>th</sup> April I made a whirlwind visit to Beijing to attend the Chinese Medical Doctor Association (CMDA) 2018 General Practitioner Training Forum. As we all know China is embarking her ambitious programme of training enough Family Doctors to meet the demand in 2030. This was a good exchange and we shared the training programmes of China, USA, Canada and Australia. Dr Lau Ho Lim represented our College and delivered the talk on Hong Kong higher training programme. I was involved in a subcommittee to discuss the specialist training and the timing of implementation. China has the determination to improve the training and standard of her healthcare system and is trying hard to meet the international standard.

To celebrate the World Family Doctor Day on 19<sup>th</sup> May this year, the new “My Family Doctors 3” TV Drama commenced its first episode on this day at RTHK 31 station. An interview column on Headline Daily about “One Person, One Family Doctor” was published on 18<sup>th</sup> May. Dr Ngan Po Lun of Public Education Committee appeared at RTHK programme 精靈一點 to promote the World Family Doctors Day and the new TV Drama series.

The 8<sup>th</sup> Hong Kong Primary Care Conference (HKPCC) happened on 23<sup>th</sup> and 24<sup>th</sup> June 2018. This was immediately followed by our 31<sup>st</sup> Fellowship Conferment Ceremony and the 29<sup>th</sup> Dr Sun Yat Sen Oration. The HKPCC was again a great success with over 500 attendees. HKPCC had become a traditional annual event which brought together Family Physicians, nurses and other allied professionals to share our experience and exchange ideas. The Organising Committee had chosen “Family Physicians – Nexus of the New Era of Primary Care” as the theme. Nexus was the connecting and coordinating ability of the Family Doctors. We were privileged to have five-star speakers including Dr Constance Chan, Director of Health, Hong Kong SAR; Prof Richard Hobbs, Professor of Primary Care Health Sciences, University of Oxford; and Prof Samuel Wong, Professor and Head, Division of Family Medicine and Primary Healthcare, The Chinese University of Hong Kong, to deliver the three main plenary lectures.

This year the Dr Sun Yat Sen Orator was Prof Sophia Chan, Secretary for Food and Health, Hong Kong SAR. The title of her oration was “Time to change: Recommitting primary healthcare”. Prof Chan reiterated we were facing some real challenges: a rapidly ageing population with heavy burden from chronic illnesses; emergence of new communicable diseases; mounting medical costs due to advance in medical technology; increasing public expectations and health expenditure growing at a rate faster than economic growth. Our healthcare system’s sustainability is at risk as citizens continue to regard Accident & Emergency Departments as first contact point for healthcare services. That is why one of the most important healthcare reform directions is enhancement of primary care.

Over the past year I have received very encouraging comments regarding the high profile of the College activities in promoting Family Medicine. My greatest gratitude to our Censors, Executives, Council members, members of the College and secretaries in making unselfish contributions in the past, present and future years to come!

Dr Angus M W Chan  
President

## **HONORARY SECRETARY'S MESSAGE (DR WILLIAM C W WONG)**

(July 2017 to June 2018)

The Council have put in tremendous efforts at all fronts for the advocacy work for our discipline in the last year, to which I would like to highlight some of the main College events and achievements, of which Dr Donald Li, our past president became the World WONCA President in November 2018

The official 40<sup>th</sup> birthday of the College was 22<sup>nd</sup> July 1977. Apart from a series of exciting celebratory events organised throughout the year, a complimentary First Day Cover was sent to all members with the FP Links July Issue.

The College reviewed the Memorandum and Articles of Association per the requirement of the New Companies Ordinance, Cap.622, in addition to meeting the operational needs of the College. The requirement of having a memorandum of association as a constitutional document of a local company is abolished and the company's constitution will only comprise the articles of association. Thanks to our Honorary Legal Advisor Mr Anthony Chow and his team to examine the legal documents in details, we were finally approved by the Company Registry in early November 2017 and then passed the resolution in our EGM in December 2017.

WONCA conference is a golden opportunity to allow us to get in touch with family medicine colleagues in our regions for the advancement of the discipline. WONCA Asia-Pacific Regional Conference 2017 was successfully held in Pattaya during 1-4<sup>th</sup> November 2017. The theme of the conference this year was 'Family Medicine Innovation: Challenges Facing Family Physicians in the 21<sup>st</sup> Century'. Notably, Hong Kong Delegates Dr Tse Sut Yee was awarded the Best Oral Presentation, and Prof Chin Weng Yee received the top five Best Poster Presentation.

We had the 30<sup>th</sup> Fellowship Conferment Ceremony and Annual Dinner together on 10<sup>th</sup> December. For the first time, we presented certificates to the longest serving Conjoint Examiners with 30 years experience in the Conferment Ceremony. Eventually, we launched the 40<sup>th</sup> Anniversary Souvenir Book 1977-2017 and distributed complimentary during the Annual Dinner in December to members. The book delineated the College timelines especially in the most recent 10 years. Members who have not had a copy, please ask the College Secretarial to get one.

For the celebration of World Family Doctor Day (WFDD) this year, The new series of the TV Drama "My Family Doctor 3" produced by Radio Television Hong Kong (RTHK), in collaboration with the Primary Care Office (PCO), Department of Health, with full professional support in production by the Hong Kong College of Family Physicians, was broadcasted from 19<sup>th</sup> May 2018 (Saturday), and run for five consecutive weeks. HKCFP representatives Dr Stephen Foo (Censor), Dr Lau Ho Lim (Vice President, General Affairs), and Dr Ngan Po Lun (Chairman, Public Education Committee) participated in the media interviews respectively including the local Newspaper "Headline Daily" and the live Radio Programme 'Healthpedia' of Radio Television Hong Kong on 18<sup>th</sup> May 2018 (Friday) the day before the World Family Doctor Day, to promote the concept and illustrate the importance of family doctors, and raise the public awareness on the WFDD and the new series of TV programme.

The 8<sup>th</sup> Hong Kong Primary Care Conference was held on 23-24<sup>th</sup> June this year. The theme of this year is Family Physicians: Nexus of the New Era of Primary Care". This Conference become a traditional annual event which brings together Family Physicians, Nurses and other allied professionals to share the experience and exchanging ideas. This year we again reached the record of having over 500 attendees.

The College's Young Doctors Committee (YDC) organised the first Career Talk for potential family medicine

trainees in the evening of 12<sup>th</sup> June 2018. There were 51 participants, including 46 pre-intern medical students and 5 interns. Participants raised many constructive questions, and the College representatives shared their clinical and training experience in both public and private sectors. The structuralised training and diversity of future career pathway of family medicine were successfully conveyed to the potential family medicine trainees. It marked a good start to promote family medicine, the YDC would continue this Career Talk in the years to come.

There would have more and more important work awaiting ahead. I would take the opportunity to thank all the contributions from our dedicated Fellows, Board and Committee members. I would also like to express my sincere gratitude to the Secretariat and Ms Erica So, our General Manager, for their hard work to make all these events run smoothly throughout the year.

**The Examination**

The format of the 31<sup>st</sup> Conjoint Examination 2017 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our Case Writers and all our examiners.

### Workshops for Examiners

- 1<sup>st</sup> Examiner Training Workshop for OSCE 9 July 2017 (Sunday)
- 2<sup>nd</sup> Examiner Training Workshop for OSCE 6 August 2017 (Sunday)
- Workshops on Standard Setting for KFP exam paper 13 August 2017 (Sunday)
- Workshop on Standard Setting for MCQ exam paper 20 & 21 August 2017 (Sunday, Monday)
- KFP Marking Sessions 18, 19, 20 August 2017 (Friday, Saturday & Sunday)
- Case-writing Meeting for MCQ 12 February 2017 (Sunday)
- Case-writing Group Meetings for OSCE March, June - August 2017
- 3<sup>rd</sup> Examiner Training Workshop and On-site Examiners' Rehearsal for OSCE 8 October 2017 (Sunday)

### Information Seminar and Rehearsal for Candidates

An information seminar for candidates sitting the clinical segment was organized on 25 June 2017. 21 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

Same as last year, candidates this year were invited to the rehearsal for OSCE on 8 October 2017 in participating as 'real candidates' in the prepared clinical scenario. The purpose was to allow the candidates to have an actual on-site experience of the OSCE. 24 candidates attended. The feedback received was positive. The Board will consider repeating similar arrangement in the following year.

### The Conjoint Fellowship Examination

#### Written Segments:

KFP	13 August 2017 (Sunday)	HKAM Jockey Club Building
MCQ	20 August 2017 (Sunday)	HKAM Jockey Club Building

#### Clinical Segment:

OSCE	29 October 2017 (Sunday)	Pamela Youde Nethersole Eastern Hospital
------	--------------------------	--

### External Examiners from RACGP

Dr Helen Wilcox (Censor) and Dr Mark Miller (Chief Censor) were the visiting External Examiners from RACGP this year for the OSCE Examination on 29 October 2017.

### Number of candidates

There were altogether a total of 68 candidates sitting for this year's examination, with 62 candidates of Category I and 6 Category II respectively.

41 candidates sat for the Written Segments (36 Cat I and 5 Cat II candidates), while 27 candidates sat for the Clinical Examination (26 Cat I and 1 Cat II candidates).

### Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Subcommittee, consisting of Examiners, led by our Chief Examiner, to be responsible for the preparation of all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to a minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).

5. Sharing cases with RACGP to widen our exam case bank.
6. Transmission of confidential exam materials through the secured sharing platform as suggested by RACGP.
7. Presentation of OSCE exam materials to examiners only on the day of exam.
8. Continual appeal to the professional integrity of all involved in running the exam.
9. Proper “quarantine” of candidates of the morning and afternoon sessions respectively on the day of OSCE exam.
10. Forbiddance of use of any electronic devices by candidates inside exam venue.
11. Prompt data entry of candidates’ scores on the same day of exam.

All these measures, among many others, were well adhered to throughout the whole examination period.

### Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiners in our Cantonese speaking stations during the OSCE examination, instant translation (in writing) had been arranged.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

### Successful candidates in Written Examination 2017

### Examination Prize: "Dr Peter C Y Lee Best Candidate Award 2017"

It was the thirteenth year that the College offered this prize. From the year 2013, this award was renamed “**Dr Peter C Y Lee Best Candidate Award**” for commemorating Dr Peter Lee’s contribution to the discipline of family medicine. The “**Dr Peter C Y Lee Best Candidate Award 2017**” was presented to Dr CHAN Pui Chuen, who had passed the Conjoint Examination at one setting and achieved the best performance in the Examination.

### Acknowledgement

The Board of Conjoint Examination would like to thank our Chief Examiner and segment Coordinators for contributing so much of their time and effort throughout the entire examination, all the Board members for their active participation, the External Examiners from RACGP for their continual advice and support, all our QA Examiners, Case-writing and Marking Examiners, Trainee Examiners, and Role Players for their time and contributions before and during the examination, and all our College secretarial staff and helpers for their excellent administrative and supportive works.

### CHAIRMAN'S MESSAGE

The DFM course entered her fifteenth year. This was a successful year as sixteen candidates graduated in the DFM course in 2018. The Board praised the candidates for their hard work and commitment in learning new knowledge and skill in Family Medicine and congratulated them on their wonderful accomplishment.

This year has been another memorable year to the DFM board. Our Board has successfully completed the third Shunde CFM course with the tremendous support of the Shunde Health Department and generous sponsorship from Shunde District Min Yuen Tong (順德綿遠堂). The Board has modified and translated the CFM materials to cater the cultural needs of our Shunde colleagues. Our Board members have found this new Shunde teaching experience rewarding and meaningful. We highly enjoyed the local Shunde food and the hospitality of our friendly Shunde Health official and colleagues. The Shunde Health officials and our Board both wish to continue the Shunde CFM course in the coming year to benefit more Shunde doctors.

On behalf of the Board, I would like to take this opportunity to thank Professor Cindy Lam, Professor Donald Li, Dr Stephen Foo and our President, Dr Angus Chan for their continuous support and guidance. Lastly, I like to express my deepest appreciation to Dr Chan Chi Wai for leading his team in organizing a very successful examination, Dr Chan Man Li for his dedication in clinical examination, Dr Bobo Tsui for her dedication in written examination and all the hardworking Board members, teachers and examiners for their unflinching support and selfless contribution. I also wished to thank our secretarial staffs Ms Alky Yu and Mr Jeff Cheng for their diligent work.

### CHAIRMAN'S MESSAGE

During the year 2017-2018, the Board continued to organize a series of different educational activities for our members and doctors in Hong Kong. These abundant activities are outlined below.

#### Video-Library and Video-Viewing Session

For the year 2017 we arranged 11 video sessions in our Wanchai College premises on a monthly basis. Video Library has been set up since July 2005. Video viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon CME activities, various Interest Groups and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point per session is accredited to colleagues who attend the viewing session. A maximum of 2 CPD points may be accredited (subject to submission of satisfactory report of Professional Development Log). It is encouraging that the number of attendance is increasing. The topics presented were as follows:

- The Interactive Roles of Primary Care Professionals and Pain Specialist
- Management of Atrial Fibrillation in Primary Care
- Management of Atopic Dermatitis & Seborrheic Dermatitis in Primary Care
- Postmenopausal Osteoporosis Continuum
- Management of Diabetes in Daily Practice
- Updates in HIV Medicine
- EBM Workshop: Antibiotics & You
- Glycemic Index-Non-Alcoholic Fatty Liver Disease
- Understanding Fats: Good vs Bad
- Update of Stroke Prevention for Atrial Fibrillation
- Colorectal Cancer Screening and Prevention: A Comprehensive Update
- Updates on Hypertension Management

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video. With Dr Cheung's works, the participants will feel like attending the luncheon meeting live while watching the video.

If you have interest to view these videos, you can contact our secretaries and they are happy to make arrangement for you.

### **Small Discussion Group**

There was 56 active Small Discussion Groups in 2017. Participants will gain 1 CME point per hour. In addition, speaker or moderator will be accredited 1 CPD point.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

### **Cardiopulmonary Resuscitation (CPR) Training: Advanced Primary Care Life Support**

The Advanced Primary Care Life Support (APCLS) organized by the CPR Subcommittee was launched in 2017 in order to align with our Sister College (RACGP) requirement of Advanced Life Support components, namely the airway management, neck support and automated external defibrillation (AED) on top of basic life support. This year, we had 57 members who passed the APCLS Examination and were awarded the Certificate of Competency in Advanced Primary Care Life Support, which is also endorsed by the Resuscitation Council of Hong Kong.

The Board would like to express our deepest appreciation to our external examiners from RCHK, namely Dr LEUNG Chin San, Dr SO Hing Yu and Dr CHUNG Yu Fai respectively in the instructor and examination workshops. Furthermore, sincere thanks must be given to Dr David S L CHAN, Dr AU-YEUNG Shiu Hing, Dr KONG Che Wan, Dr Mary B L KWONG, Dr Peter K Y LEE and Dr WONG Pak Hoi in coordinating the training manuals, various workshops; and all instructors and trainee instructors as listed below for their time and effort in helping out the CPR training and examination for our members.

Instructors: Dr Patrick H W CHAN, Dr CHAN Ka Wai, Dr David S L CHAN, Dr CHEUNG Ying Man, Dr HUI Lai Chi, Dr KO Siu Hin, Dr KONG Che Wan, Dr Michael C H KWOK, Dr LAU Pui Ling, Dr Peter K Y LEE, Dr Daniel C Y LEUNG, Dr Millicent L K LEUNG, Dr Selina S W LEUNG, Dr MO Kam Chuen, Dr SUNG Tai Wai, Dr TAM Wah Kit, Dr Keith TSE, Dr WONG Ka Wah, Dr Amy O Y WONG, Dr WONG Pak Hoi and Dr WONG Wai Man.

Trainee Instructors: Dr Clarence C M CHOI, Dr John T N CHUNG and Dr KWONG Hon Kei.

### **Clinical Attachment**

Being the Chairman, I am glad that we have two clinical attachments this year with the support from our hospital colleagues.

Diabetes	-	United Christian Hospital
ENT	-	Department of Otorhinolaryngology, Head and Neck Surgery, CUHK

The Board would like to express our sincere thanks to Dr Grace KAM, Dr HUNG Chi Sang, Dr Elaine CHEUNG, Dr Flora HO, Ms Maisy MOK and staff of United Christian Hospital, for organizing the Diabetes clinical attachment. Also thanks to Prof Michael TONG, Prof C A van HASSELT, Dr John WOO and the staff of their departments for organizing the ENT clinical attachments in Prince of Wales Hospital.

The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

### **Assessment Enhancement Course**

Assessment Enhancement Course remained the most welcome course in her 18<sup>th</sup> year of establishment. I would like to thank all the tutors in contributing their time and effort in this course. They help tremendously in improving the skills on consultation, physical examination and other various aspects of the participating doctors. These are very useful to our members in preparing the Conjoint Fellowship

Examination. The Board would like to express our sincere thanks to Dr Florence S S LAI in coordinating the course and all tutors for their hard work as follows: Dr CHAN Man Li, Dr CHUNG Kin Wing, Dr DAO Man Chi, Dr FOK Peter Anthony, Dr Karen K L HUI, Dr LEE Ho Ming, Dr Janet C Y TAM, Dr Samuel J S SIU, Dr WONG Chun Fai, Dr WONG Hang Fai and Dr Florence K H WONG.

### Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 37 years. This year, we had 6 weekday lectures and 3 Sunday workshops and were attended by over 170 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in the coming year 2018.

Furthermore, the Board would like to thank PCO for the general supports in sponsoring our courses. The Board looks forward to further collaboration in the future.

## Professional Development Subcommittee

Since 2005, eight Interest Groups have been formed under Professional Development Subcommittee Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, Medical Humanities and Neuro-Musculoskeletal Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

**The Interest Group in Dermatology** scheduled to have regular bimonthly meeting on the first Saturday afternoon of odd months (except public holidays) in the year 2017. We had 6 meetings in 2017.

## SCHOLARSHIP

### HKCFP Donald LI Scholarship

The HKCFP Donald LI Scholarship was established in March 2016 thanks to the generous donation by Prof Donald LI. It aims to provide an opportunity for outstanding family doctors in China with the appropriate knowledge, attitude and practical experience to pursue further practical family medicine training opportunities in Hong Kong.

The applications are open to those doctors in China who have attended the Training Course in Family Medicine in Hong Kong co-organised by the Hong Kong College of Family Physicians and the Cross-Strait Medicine Exchange Association. The applicants are required to fill in an application form and write an essay of not more than 800 words outlining their specific learning objectives in family medicine and their views on family medicine learning.

The Scholarship is awarded to at most three practising front-line doctors in China selected from the applicants. Each recipient of the Scholarship will receive HK\$10,000 for further practical family medicine training in Hong Kong for one week. They will be assigned to attachments in approved Family Medicine training centres in Hong Kong.

The awardees of the 2017 HKCFP Donald LI Scholarship were vetted and endorsed in February 2018 by a Selection Committee formed under the Board of Professional Development and Services. Details are as follows:

### HKCFP Donald LI Scholarship Selection Committee 2017

### **CHAIRMAN'S MESSAGE**

This year has passed smoothly in the running of the Board's regular activities. All Board members and subcommittee members had helped on various BVTs's activities such as responding trainees' enquiries, checking new applications for enrollment and accreditation, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees, travelling to various training centers for accreditation, reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting etc.

All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31<sup>st</sup> March 2018 are as follows:

New enrolled Basic trainees	:	45
New enrolled Higher trainees	:	18
Total Basic trainees	:	119
Total Higher trainees	:	47

The RACGP Accreditation Site visit was carried out on 20-22 June 2017. The representatives from RACGP, Dr. Mark Miller and Dr. Chris Hughes, were invited to visit our three training centers including Tseung Kwan O GOPC, Central Kowloon GOPC and Cheung Sha Wan GOPC. The representatives also interviewed trainees, clinical supervisors, and representatives from HKCFP, Hospital Authority, Department of Health and private sector.

Our curriculum renewal is an ongoing process. The Board reviewed and made amendments on the documents according to the feedback collected from trainees and supervisor on trial run logbook and the old logbook. The Board would launch the new logbook once ready.

We welcome Dr Chan Chi Wai and Li Yim Chu to join BVTS as Board member. Their participation are definitely valuable to our Board. We also welcome all other new members to join the various subcommittees of the Board.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster coordinators for their contributions in the training programme. I also would like to express my gratitude to our administrative executives Ms. Charlotte Cheung and Ms. Kathy Lai who are all committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

#### **Output**

## CHAIRMAN'S MESSAGE

The Hong Kong Practitioner, the official journal of the Hong Kong College of Family Physicians, continued to strive for providing update on Family Medicine related issues to our College Fellows, members, and colleagues both locally and overseas, reaching out to over 3500 recipients per issue. Among the published manuscripts, 4 articles (17.4%) were original research articles, 5 articles (21.7%) were update articles, 2 articles (8.7%) were case reports, 4 articles (17.4%) were editorials, 4 articles (17.4%) were clinical quizzes, 3 articles (13%) were internet update topics and 1 article (4.3%) was Dr Sun Yat Sen Oration. Commencing from January 2018, the Board has set up a new 'Panel of Reviewers' contributing towards the peer review process, in addition to the usual Editorial Board membership.

The Board would like to thank Professor Helen F K CHIU, who has retired from the Board in April 2018 after years of dedicated service to the Hong Kong Practitioner as an Advisor.

Our Board would also like to welcome the following new members:

1. Professor LAM Tai Pong (as our Advisor from March 2018 onwards)
2. Dr CHAN Lam (as a member of the Panel of Reviewers from January 2018 onwards)
3. Dr CHAN Pang Fai (as a member of the Panel of Reviewers from June 2018 onwards)
4. Dr DAO Man Chi (as a member of the Panel of Reviewers from January 2018 onwards)
5. Dr LEUNG Wing Mun (as a member of the Panel of Reviewers from January 2018 onwards)
6. Dr LI Heung Wing (as a member of the Panel of Reviewers from January 2018 onwards)
7. Dr POON Ming Wai (as a member of the Panel of Reviewers from January 2018 onwards)

We would like to take this opportunity to express our gratitude towards all the contributing authors, editorial board members, business manager, reviewers, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their tremendous support and dedication over the previous year. Our heartfelt appreciation also goes to the general readership of the Journal for their continuing support. The Editorial Board is determined to further enhance the spectrum of Family Medicine clinical articles for the busy family physicians in the coming years.

**CHAIRMAN'S MESSAGE**

2017 was the 40<sup>th</sup> Anniversary of our College. In celebration of this special occasion, the HKCFP 40<sup>th</sup> Anniversary Celebration Organising Committee had organised a series of exciting and innovative events throughout the year to continue serving the College members and Fellows, as well as raising the public awareness on the importance of quality family practice in the community. For the organisation of 40<sup>th</sup> Anniversary Celebration activities in this special occasion, the Business Management Subcommittee was formed to act as a liaison party between related Boards and Committees, including Board of Education, Hong Kong Primary Care Conference Organising Committee, Public Education Committee, Photography Club of Internal Affairs Committee and potential outside sponsors in managing the sponsorship arrangements.

Throughout the 40<sup>th</sup> Anniversary, a number of Celebration activities were organised with the following highlights:

**40<sup>th</sup> Anniversary Logo Competition**

The 40<sup>th</sup> Anniversary Logo Competition was organised in August 2016. The winning entry was by Mr. ShawHong SER from Thailand and the winning logo was used in various materials and applications related to the celebration activities throughout the HKCFP 40<sup>th</sup> Anniversary year.

**40<sup>th</sup> Anniversary Stamp Gift Pack and First Day Cover**

The 40<sup>th</sup> Anniversary Stamp Gift Pack (a pane of 12 stamps) and a First Day Cover were designed. The First Day Cover was sent to HKCFP members in July 2017 as a token of appreciation for their continuing support towards the College. The stamp used on the First Day Cover was one of the twelve stamps randomly selected from the Stamp Gift Pack.

#### 40<sup>th</sup> Anniversary Celebration Health Talks

A series of four Public Health Talks, namely 「更致全康四十載 春夏秋冬健康來」, had been organised by the Public Affairs Subcommittee to promulgate the concepts of Family Medicine and to highlight to the public the important roles of Family Doctor as the 'first contact care' for patients and their family.

### HKCFP 40<sup>th</sup> Anniversary Book

The Publication Subcommittee put together this special Commemorative Publication titled HKCFP 40<sup>th</sup> Anniversary Book and had it published in December 2017. This book serves as a continuation of the 30<sup>th</sup> Anniversary Publication, giving a reflection on what happened related to Family Medicine in the past 10 years. It also features articles and excerpts written by Family Physicians at different stages of their career and from different generations.

### HKCFP 40<sup>th</sup> Anniversary Conference

The Hong Kong Primary Care Conference organised by the Anniversary Conference Organising Committee, named as HKCFP 40<sup>th</sup> Anniversary Conference, was held on 2 – 3 September 2017 (Saturday - Sunday) at the Hong Kong Academy of Medicine Jockey Club Building, with the theme of “From Seedling to Forest – Ever Enriching Primary Care”.

### The 30<sup>th</sup> Fellowship Conferment Ceremony, the 28<sup>th</sup> Dr Sun Yat Sen Oration and the HKCFP 40<sup>th</sup> Anniversary Dinner

The 30<sup>th</sup> Fellowship Conferment Ceremony and the 28<sup>th</sup> Dr Sun Yat Sen Oration was held on 10 December 2017 (Sunday). Dr. Stephen FOO, Censor and Past President of HKCFP, delivered the 28<sup>th</sup> Dr Sun Yat Sen Oration entitled “Memoir and Passion – Personal Reflection of 40 Years’ History of HKCFP”.

The 40<sup>th</sup> HKCFP Annual General Meeting and the HKCFP 40<sup>th</sup> Anniversary Dinner were held on the same day after the Conferment Ceremony.

### 40<sup>th</sup> Anniversary Celebration Photo Competition

College Members and Fellows were invited to participate in the 40<sup>th</sup> Anniversary Celebration Photo Competition to gather photographic images that could represent the essence of family medicine/ general practice. 6 submissions with 25 photographic images were received. The winner was Dr LO Ling and the winning entry was presented in the 40<sup>th</sup> Anniversary Dinner.

On behalf of the HKCFP 40<sup>th</sup> Anniversary Celebration Organising Committee, I would like to thank you all for your support and participation in the celebration activities and for sharing the joyfulness of this highly commemorative year together.

Last but not the least, we would like to thank the members of the HKCFP 40<sup>th</sup> Anniversary Celebration Organising Committee and those of the Subcommittees for their unfailing support, dedication and advice during the preparation of the celebration events. We would also like to express our sincere gratitude towards our College Secretariat for their hard work to ensure all these events run smoothly throughout the Anniversary year.

## **BUSINESS MANAGEMENT COMMITTEE**

(April 2017 to March 2018)

**Chairlady:** Dr Mary B L KWONG

**Committee Members:** Dr Angus M W CHAN  
Dr Alvin C Y CHAN  
Dr David V K CHAO  
Dr Billy C F CHIU  
Dr NGAN Po Lun  
Dr Wendy W S TSUI

**Ex-officio:** Dr LAU Ho Lim  
Dr William C W WONG

**Staff:** Ms Erica M SO (General Manager)  
Ms Teresa D F LIU (Senior Administrative Executive)  
Ms Priscilla S M LI (Administrative Executive)

This year is another busy year. We have organised different types of CME activities for our members. The regular bi-monthly Dermatology and Mental Health Interest Groups, the Medical-legal Interest Group, Medical Humanities Interest Group, Evidence-Based Medicine Interest Group, Geriatric Interest Group and Counselling Interest Group are most welcome by our members. Training Course including Chronic Disease Management & Quality Improvement Training Course, Common Mental Disorders and Dementia for Primary Care Doctors co-organized with Primary Care Office; Bringing Better Health to our Community co-organized with Queen Elizabeth Hospital; Refresher Course for Health Care Providers 2017/2018 jointly organized by Our Lady of Maryknoll Hospital and Hong Kong Medical Association are all running successfully. Certificate Courses including Practice Management, the Advanced Primary Care Life Support (APCLS) Training and Examination Workshop are well attended. Asthma Management Update, Use of Insulin and GERD Update are opened to all our College members with good attendance. Assessment Enhancement Course (AEC) and Annual Refresher Course (ARC) are also successfully arranged by Board of Education. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Conjoint Examination and Specialty Board. The 40th Anniversary Conference with the theme "From Seedling to Forest – Ever Enriching Primary Care", held on 2-3 September 2017 had more than 570 participants. These valuable activities, some are generously sponsored by pharmaceutical companies, can effectively enhance and update a broad range of medical knowledge for our members.

We had a memorable evening of 40<sup>th</sup> Anniversary Dinner held on 10<sup>th</sup> December 2017 at the Hong Kong Academy of Medicine Jockey Club Building, and shared our joyful moment with all our members and invited guests together. We had the dinner lucky draw that night. I would like to take this opportunity to thank our College members, Cordis Hotel, Lundbeck HK, Nikon HK and Min Yuen Tong for their generous donation of the lucky draw prizes.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The FP Links, The College's bulk e-mail mailing and circulating services from members and other institutions remain very popular.

I would like to take this opportunity to thank the Committee members for their contributions.

On behalf of the College, I would also like to express my gratitude to all the following companies and organizations for their generous support for the College's functions in the past one year

A Menarini Hong Kong Limited	Medical Protection Society

## **CREDENTIALING COMMITTEE**

(April 2017 – March 2018)

**Chairman:** Dr Gene W W TSOI

**Members:** Dr David V K CHAO  
Dr CHAN Hung Chiu  
Dr LUK Kam Hung

**Advisor:** Prof Donald K T LI

**Ex-officio:** Dr Angus M W CHAN (President)  
Dr LAU Ho Lim (Vice-President, General Affairs)  
Dr William C W WONG (Honorary Secretary)  
Dr Billy C F CHIU (Honorary Treasurer)

**Staff:** Ms Erica M SO (General Manager)

The Committee has discussed about some special interest groups, such as musculoskeletal medicine, screening colonoscopy, dermatology etc could be invited to join the committee and formulate training and credentialing criteria for our members to practice those special skills in the community. Future collaboration with the relevant sister Colleges in the Academy and more consultation and deliberation on the relevant issues involved in the credentialing processes would be anticipated.

## **EDUCATION COMMITTEE (AM AFFAIRS)**

(April 2017 – March 2018)

**Coordinator: Dr David V K CHAO (Vice President, Education and Examinations)**

**Staff:** Ms Erica M SO (General Manager)

### **Trainer to Trainee Ratio**

For the Trainer to Trainee Ratio, all Colleges (and respective specialties) including HKCFP are able to provide a ratio better than the basic requirement of 1 : 3.

### **Workshop for College Examiners**

A workshop was organised for Colleges' personnel who were responsible for examination / assessment. It aimed to provide Colleges with an opportunity to keep abreast of the good practices in assessment, share their assessment experiences and discuss assessment standards / methods relevant to postgraduate training. The segment coordinators of our College's Conjoint Exam and Exit Exam attended the workshop.

### **HKCFP Regulations for Certificate of Quality Assurance**

The Regulations of Quality Assurance Certification of HKCFP had been refined and endorsed by EC. Members were advised to access to the College website for the latest regulations update.

### **College Examination Arrangement in Hospital Authority (HA) Hospitals**

The representatives of HKAM and HA had met to discuss the possible collaboration to facilitate the logistics for College examinations since 2016.

HA proposed to standardize a charging formula to be adopted in all HA hospitals across different Clusters and the charges would be at a concessionary rate, based on floor area and duration of venue usage. Since HKAM (or Colleges) and HA are different entities legally and therefore charging on venue usage is considered inevitable by HA. It was supplemented that the principle of charging to HKAM aligns with similar charging arrangements between HA and government departments / other organisations.

Colleges showed concerns about the proposal. EC reiterated the principle that training and assessment of trainees should be considered as part of the HA's mission and duties, and that HA and Colleges are partners in clinician training, and therefore venue charging of College examinations would not be perceived as reasonable. Furthermore, HKAM and its Colleges should not be regarded simplistically as other organisations or different legal entities, in view of their special partnering relationship with HA.

The issue would be further discussed.

### **Working Visa for Overseas Speakers / Examiners**

The Government reviewed the policy and the official announcement of those working visa related measures. The provision of "remuneration" in the form of honorarium / one-off payment to overseas speakers / examiners could be allowed without the need of employment visas. The Academy would provide relevant information to the Food and Health Bureau for their follow up with the Security Bureau / Immigration Department. Members would be kept posted on the latest development. The Academy would follow up on this matter and keep members updated.

### **Protected Time and Credits for Providing Postgraduate Training / Assessment with HA**

EC reiterated the needs of providing protected time for trainers from HA to conduct postgraduate training and assessment for specialist trainees, as well as to provide protected time for specialists to attend local / overseas training / continual medical education. Proper recognition should also be given to those from HA who helped Colleges in providing postgraduate training and assessment. A letter which undersigned by the Academy President, in conjunction with all College Presidents would be sent to HA to stipulate the request

### Rotation Arrangement in Specialist Training

HA briefed members on the initiative of strengthening rotation arrangement of specialist training while it was also noted that HKAM has been exploring with Colleges on trans-collegial training components during basic period of trainees. HA might help facilitate training rotation at Cluster level and hence make such arrangements easier across different specialties. Colleges were encouraged to consider and further explore this initiative.

### Update on CME/CPD Reports for the Cycle ending 31 December 2016

There were 7 remedial cases for the 3-year cycle ending 31 December 2016. Among them, 4 had been reported as compliant while the remaining 3 Fellows had resigned from the Academy Fellowship. All remedial cases in the previous cycle had been settled.

### Updates on Online Accreditation Application Process for CME/CPD

The new function that would allow Colleges to opt and create a list of approved CMECPD providers for accredited regular meetings (so that organisers could then assign event sessions at iCMECPD for such accredited activities by themselves) was supported.

While the direction towards a paperless mechanism was understood to be inevitable, it was also agreed that attendance taking via both attendance sheets and iCMECPD App should be provided to cater for different needs of Fellows as a bridging arrangement.

### Medical Education Conference (MEC) 2017

The annual Medical Education Conference of the Academy was held on 27 May 2017.

2018 would be the Academy's 25th anniversary, members were encouraged to participate actively in the organising committee of the MEC 2018 and attend the Conference in 2018.

## EXTERNAL AFFAIRS COMMITTEE

(July 2017 – June 2018)

**Chairman:** Dr Angus M W CHAN

**Member:** Dr Catherine X R CHEN  
Prof Samuel Y S WONG

**Ex-officio:** Dr LAU Ho Lim (Vice-President, General Affairs)

**Staff:** Ms Erica M SO (General Manager)

RACGP's GP17 was held in Sydney from 25-28 October 2017. Over 200 Australia GPs were conferred the Fellowship of RACGP. RACGP also gave prizes to the best clinic and best clinical supervisor to recognize the commitment and persistent high standard of her fellows. RACGP would start a unified pathway and all trainees, including HK's, must satisfy with all the training modules requirement including aboriginal health in order to gain the full fellowship of RACGP. During this visit, we had the opportunity to exchange the views on the primary care systems and FM training with Presidents and Leaders of other countries.

The 2017 APR Conference of WONCA was held from 1 – 4 November 2017 in Pattaya. The Rajakumar Movement (TRM), is known as the Young Doctor Movement of the WONCA Asia Pacific Region. This year, four young doctors represented the College to take part in TRM pre-conference of the WONCA APR Conference. Dr Loretta Chan, the Chairlady of HKCFP Young Doctors Committee, was elected as the official representative for Hong Kong SAR in TRM. There were about 20 Hong Kong Delegates joined the Conference. Two of our members, Dr Chen Weng Yee and Dr Tse Sut Yee were awarded the Best Poster Presentation and the Best Oral Presentation respectively.

The HKCFP was invited by the General Practice Department of Faculty of Medicine, Beijing University to co-organise the first conference for young doctors upon the establishment of the Wujieping Foundation Young Doctors' Committee on 5 November 2017. There were 6 delegates from the College Council and members as led by Dr Lau Ho Lim attended the conference. Dr Chan Chi Wai was nominated by the College and successful elected as HKCFP representative in the newly formed Wujieping Foundation Young Doctors' Committee.

The 5<sup>th</sup> Cross-Straits Conference on General Practice was held in Nanning China from 30 March to 1 April 2018. A delegation of 9 participants from the Council and members was led by Dr Angus Chan to support the Conference. Speakers from the College shared with Mainland GPs on various topics and studies. Dr Dao Man Chi was nominated by the College and successful elected as HKCFP representative in the 全科醫學青年專家聯盟.

The College was invited by the Chinese Medical Doctor Association (CMDA) to be one of the co-organisers for the CMDA 2018 General Practitioner Training Forum. We shared the training programmes of China, USA, Canada and Australia. Dr Angus Chan chaired a discussion on specialist training. Dr Lau Ho Lim delivered a talk on Hong Kong's higher training programme.

An interview article with HKCFP representatives would be published in the local Newspaper "Headline Daily", one of the newspapers with the highest circulation, on 18 May 2018 (Friday), the day before the World Family Doctor Day.

With careful monitoring by the Finance Committee, the financial situation of the College in 2017-2018 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$15.2 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. We have about 22% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr Angus Chan, our President, Dr Lau Ho Lim, our Vice-President (General Affairs), Dr David Chao, our Vice-President (Education & Examinations), Dr William Wong, our Honorary Secretary, Ms Erica So, our General Manager and Ms Priscilla Li, our Administrative Executive, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services

### CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 23 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work closely to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, to name a few, photo gallery and highlights of college events, WONCA news, features of primary care initiatives and latest medical and health related news, sharing of colleagues about their life as a family doctor, and inspiring articles of life wisdom. There is also support from other Boards, e.g. the Board of Education who contribute the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting.

### CHAIRLADY'S MESSAGE

The 8<sup>th</sup> Hong Kong Primary Care Conference with its timely theme "Family Physician – Nexus of the New Era of Primary Care" was successfully held from 23<sup>rd</sup> to 24<sup>th</sup> of June 2018. This annual hallmark conference has continually attracted local and international delegates including family physicians, nurses, dentists, allied health practitioners and other primary care providers. Once again, this event has reinforced its vital role as a cultivating platform to share latest scientific updates, exchange views and promote networking opportunities among the primary care community. This year, we have three eminent plenary speakers including Dr Constance Chan, Director of Health, Hong Kong SAR; Prof Richard Hobbs, Professor of Primary Care Health Sciences, University of Oxford; and Prof Samuel Wong, Professor and Head, Division of Family Medicine and Primary Healthcare, The Chinese University of Hong Kong. Besides the inspiring plenary lectures, we also had a wide selection of relevant and well-structured program delivered by a range of excellent speakers with diverse backgrounds and experiences. Furthermore, we have also taken one more step towards green advocacy with the issuing of electronic certificates of attendance for participating delegates as well as a web-based electronic program book.

### **Expertise and Professionalism of the Secretariat**

There are 3 major academic events organised annually by our College, namely the Conjoint Fellowship Examination, the Exit Examination and the Hong Kong Primary Care Conference. In the 40<sup>th</sup> Anniversary year of 2017, the Hong Kong Primary Care Conference was expanded in scope to the 40<sup>th</sup> Anniversary Conference.

Last year, our College Secretariat once again helped organise and run the Conjoint Fellowship Examination and the Exit Examination smoothly and successfully, much to the credit of the External Examiners. For the two-day 40<sup>th</sup> Anniversary Conference which involved international speakers and attracted more than 700 local and overseas attendees, our College Secretariat has performed an excellent job, as in previous years' Hong Kong Primary Care Conferences, in organizing this conference single-handedly without the need of the College to outsource the task to other academic conference planners. This has a major positive contribution not only to our budgeting within our limited financial resources, but also to the image of HKCFP in the medical communities. Our College Secretariat has carried out their duties with commitment and professionalism throughout, with excellent feedback from speakers and attendees both locally and internationally.

#### **Salary revision exercise and Staff promotions**

It is the usual practice of the Committee to review staff performance and propose an adjustment in salary, taking into consideration the inflation rate, completion of contract, promotion and performance review for the individual staff. The Academy of Medicine's grading system and the latest Government's civil service pay policy were also taken as a reference.

In the last financial year, all staff has received a salary increment of 3%-4% according to work performance and in accordance with College's financial status. On the other hand, Ms Teresa Liu was promoted to Executive Officer.

#### **High-morale team**

The House Committee members have arranged to talk to individual staff from time to time, to know their views and also any difficulties encountered in their work. Appropriate positive feedback was encouraged and practised. An annual gratuity lunch was organised to fortify the team spirit in the Secretariat.

#### **Staff changes**

Administrative Executives Mr Jeff Cheng and Ms Carmen Tong, and Administrative Assistant Ms Cherry Chan have resigned from the College. Ms Kathy Lai, Ms Suki Lung, and Mr Louis Law joined the Secretariat.

Last but not least, I would like to thank the General Manager Ms Erica So for her excellent leadership and all the staff for their committed support in the past years

#### **30<sup>th</sup> Conferment Ceremony and the 28<sup>th</sup> Dr Sun Yat Sen Oration**

To celebrate the 40<sup>th</sup> Anniversary of our College, the 30<sup>th</sup> Fellowship Conferment Ceremony and the 28<sup>th</sup> Dr Sun Yat Sen Oration were held on 10 December 2017 (Sunday). At the same time, the 40<sup>th</sup> Anniversary Dinner also took place on the same day at the Run Run Shaw Hall, Hong Kong Academy of Medicine Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

2017 was also the 30<sup>th</sup> Anniversary of the Conjoint Fellowship Examination of the Hong Kong College of Family Physicians (HKCFP) and the Royal Australian College of General Practitioners (RACGP), and souvenirs were presented to "Long-service" Examiners in the ceremony.

This year, the Ceremony was well attended by 288 participants, including the successful candidates of Exit Assessment, Conjoint Fellowship Examination, Diploma in Family Medicine and their families and friends, as well as invited guests and dignitaries from the

Food and Health Bureau, the Department of Health, the Hospital Authority, the universities and representatives of local and overseas academic colleges.

Dr. Stephen K S FOO, Censor and Past President of the College, delivered the 28<sup>th</sup> Dr Sun Yat Sen Oration titled "Memoir and Passion - Personal reflection of 40 years history of HKCFP".

The successful candidates were listed as follows:

### Photography Club

To celebrate the 40<sup>th</sup> Anniversary of the College, a photo competition was opened with the theme "My Family Doctor" to all Members and Fellows of the College. Dr LO Ling was the winner of the photo competition and the award was presented during the 40<sup>th</sup> Anniversary Dinner on 10 December 2017.

2 lectures on "Macro Photography" and "Travel & Scenery Photography" were successfully held on 9 September 2017 (Saturday) and 9 December 2017 (Saturday) respectively. Photography club members and College members had an opportunity to learn more about the photography theories and practical techniques on these topics. We would like to express our sincere gratitude towards Canon and Nikon for supporting these aforementioned Photography Club events.

This year, the Public Education Committee continued to carry out public education activities through different channels. The Media Column Subgroup continued to publish articles regularly in the Hong Kong Economic Journal (信報). The published articles are amounted to 612 for the Hong Kong Economic Journal.

With the continuing collaboration between College, Primary Care Office (PCO) of Department of Health, and Radio Television Hong Kong, the new series of TV programme 《我的家庭醫生 3》“My Family Doctor 3” had been broadcasted from May to June 2018. The 5 episodes of half-hour TV programme, featuring 5 different stories and 5 different family doctors performed by 5 different artists, demonstrated how we family doctors serve our patients and their families in our community.

Various public education activities and events in 2017 to 2018 were listed at the end of the report. I would like to thank all the colleagues who had offered their valuable assistance in the past year, and our excellent administrative support from the secretaries.

The QA&A program aims to promote participation in Continuing Medical Education (CME) and Continuing Professional Development (CPD) activities for General Practitioner (GP) and Family Physician (FP). With end in mind to promote best practices, educational activities proposed to our College are assessed by the QA&A Committee to identify relevant and high quality ones for members' attendance. Participation in these learning activities towards best practices are acknowledged by CME/CPD points, with issuing of CME certificate to those fulfilling the College's requirement as a token recognition and encouragement.

In order to further enhance an effective and efficient QA&A programme for GP/FP, the QA&A Committee has conducted a review on prevailing operation since 2Q2016. Active Learning Mode (ALM) has been endorsed in Hong Kong Primary Care Conference since 2016. In this regard, active participation in prescribed learning of a prior-accredited activity may earn CPD points upon successful submission of both pre- and post- MCQs. Through innovative learning mode as such, learning may be facilitated efficiently and effectively in this era of rapid knowledge and technology expansion. ALM will be also implemented in the Annual Refresher Training Course held by Specialty Board in December 2018.

Also since the CPR Requirement of RACGP QI & CPD Programme 2017-19 has been amended, in order to achieve reciprocal recognition with RACGP QI & CPD Programme and College QA Programme; the enhanced CPR Course – 'The Advanced Primary Care Life Support Course' has been promoted alongside with CPR Subcommittee of The Board of Education starting from 2017. In addition starting from 1 January 2017, for HKCFP Members who have chosen Hong Kong Academy of Medicine (HKAM) as their CME Administrator for the MCHK CME Programme for Non-specialists, their MCHK CME record would be under College's administration; and the administrative fee charged by HKAM were waived.

Kindly note that the electronic copy of CME Certificate 2017 is available on the College's homepage <http://www.hkcfp.org.hk>, members can login to their own account to download the certificates anytime. Request for hardcopy certificate can be made in writing to the college secretariat, an administrative fee of \$50 per copy will be charged starting from July 2016. Please find list of active fellows/members who have fulfilled the College's requirement for awarding CME certificate for 2017 as below.

Five submissions had been received for the Best Research Award 2017 and the selection panel consisted of one internal and one external assessors. The winning paper was "Peer Education Group Intervention to Reduce Psychological Insulin Resistance: A Pilot Mixed - Method Study in a Chinese Population" by Dr OR Ka Yan.

The 2018 HKCFP Research Fellowship had received four applications this year. The selection panel which consisted of one internal and one external assessors had selected the winner to be Dr KWONG Siu Kei. His research project was "Using social networking sites (SNS) for communication to improve self-management of Diabetes among Chinese Adults: A pilot study".

The Committee has established two new funding awards over the last five years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

## **HONORARY TREASURER**

(April 2017 to March 2018)

### **Honorary Treasurer: Dr Billy C F CHIU**

**Staff:** Ms Priscilla S M LI (Administrative Executive)

The financial situation of our College remains stable for the year 2017-2018. With a current reserve valued in excess of HK\$15.2 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Specialty Board, Board of Conjoint Examination, Board of Diploma in Family Medicine (DFM) and Board of Vocational Training and Standards and. When compared with 2016-2017, the Membership Committee, membership subscriptions obtained an income of HK\$1.44 million (1.6% increase). The Specialty Board obtained a surplus of HK\$659K (60.3% increase). The Board of Conjoint Examination obtained a surplus of HK\$514K (40.7% decrease when compare with 2016-17). The Board of DFM obtained a surplus of HK\$472K (47.5% decrease). The Board of Vocational Training and Standards obtained a surplus of HK\$376K (28.5% decrease). All these Boards were have surplus in last year. However, the revenue of Board of Conjoint Examination, Board of Diploma in Family Medicine (DFM) and Board of Vocational Training and Standards were decreased when compared with 2016-2017.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$3.65 million.

On behalf of the board

Chairman

HONG KONG, 23 October 2018

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS  
(Incorporated in Hong Kong with limited liability)**

**Opinion**

I have audited the financial statements of Hong Kong College of Family Physicians ("the Company") set out on pages 5 to 13, which comprise the statement of financial position as at 31 March 2018, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2018, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

**Basis for Opinion**

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other information**

The Council of the Company are responsible for the other information. The other information comprises all information included in the Council's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**Responsibilities of Council and Those Charged with Governance for the Financial Statements**

The Council are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Council determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Council are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud

may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council.
- Conclude on the appropriateness of the Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

**NOTES TO THE FINANCIAL STATEMENTS**

**1 LEGAL STATUS**

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

**2 GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

**3 SIGNIFICANT ACCOUNTING POLICIES**

(a) Property, plant and equipment

Property, plant and equipment, except investment properties, are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

Depreciation is calculated on the straight line method at the following rate to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

(1) A person or a close member of that person's family is related to the Group and the Company if that person:

(i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;

- (ii) has control over the Group and the Company; or
- (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.

(2) An entity is related to the Group and the Company if any of the following conditions applies:

- (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
- (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
- (iii) both entities are joint ventures of a third entity.
- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
- (vi) the entity is controlled or jointly controlled by a person identified in (1).
- (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Entrance fee from members are recognised in the financial year of receipt.

Annual subscriptions fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2018.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf  
of the Council

### AUDITOR

A resolution will be submitted to the annual general meeting to re-appoint Messrs W. M. Moo Certified Public Accountant, as auditor of the Company.

On behalf of the Board

Chairman  
Hong Kong, 23 October 2018

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF HKCFP EDUCATION LIMITED  
(Limited by guarantee)  
(Incorporated in Hong Kong with limited liability)**

**Qualified Opinion**

I have audited the financial statements of HKCFP Education Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2018, and the statement of comprehensive income and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2017, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

**Basis for Qualified Opinion**

As explained in note 6 to the financial statements, the company has not prepared consolidated statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the members. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other information**

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**Responsibilities of Directors and Those Charged with Governance for the Financial Statements**

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

**NOTES TO THE FINANCIAL STATEMENTS**

**1. LEGAL STATUS**

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10..

**2. GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

**3. BASIS OF PREPARATION AND ACCOUNTING POLICIES**

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Group and the Company if that person:
  - (ii) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
  - (ii) has control over the Group and the Company; or
  - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
  - (iii) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
  - (iv) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
  - (iii) both entities are joint ventures of a third entity.

- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
  - (viii) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
  - (vi) the entity is controlled or jointly controlled by a person identified in (1).
  - (vii) a person identified in (1)(i) has significant voting power in the entity.
- (d) **Revenue recognition**  
 Revenue arising from activities is recognised when the activities are completed.
- Management fee received is recognised when management services are rendered.
- Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (e) **Income tax**  
 Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### **4 TAXATION**

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2017:Nil).

The company had no significant unprovided deferred taxation at 31 March 2018 and 2017 and for the years then ended.

At 31 March 2018, the company has unused tax losses of HK\$14,860,738 (2017:HK\$12,362,706) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

#### **5 DIRECTORS' REMUNERATION**

None of the directors received any remuneration for their services rendered to the company during the year. (2017:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2018.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2012, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf  
of the Board of Directors

Chairman

Hon Treasurer

On behalf of the Board

Chairman

Hong Kong, 23 October 2018

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF HKCFP FOUNDATION FUND  
(Limited by guarantee)  
(Incorporated in Hong Kong with limited liability)**

**Opinion**

I have audited the financial statements of HKCFP Foundation Fund ("the Foundation") set out on pages 5 to 11, which comprise the statement of financial position as at 31 March 2018, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Foundation as at 31 March 2018, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

**Basis for Opinion**

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Foundation in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other information**

The Executive Board of the Foundation is responsible for the other information. The other information comprises all information included in the Executive Board's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**Responsibilities of Executive Board and Those Charged with Governance for the Financial Statements**

The Executive Board is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Board is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Board either intend to liquidate the Foundation or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA's, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Board.
- Conclude on the appropriateness of the Executive Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

**2. GENERAL INFORMATION**

The Foundation is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the Foundation is to promote, encourage and assist, for the public benefit, research and education on family medicine.

**3. SIGNIFICANT ACCOUNTING POLICIES**

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related parties

For the purpose of these financial statements, related party includes a person and entity as defined below:

(1) A person or a close member of that person's family is related to the Foundation if that person:

- (iii) is a member of the key management personnel of the Foundation or of a parent of the Foundation;
- (ii) has control over the Foundation; or
- (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.

(2) An entity is related to the Foundation if any of the following conditions applies:

- (v) the entity and the Foundation are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
- (vi) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
- (iii) both entities are joint ventures of a third entity.
- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (ix) the entity is a post-employment benefit plan for the benefit of employees of either the Foundation or an entity related to the Foundation. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.

- (vi) the entity is controlled or jointly controlled by a person identified in (1).
- (vii) a person identified in (1)(i) has significant voting power in the entity.

- (d) Revenue recognition  
Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (e) Foreign currencies  
Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

#### 4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other board members and officials of the Foundation, the following representations given to you in connection with your audit of the Foundation's financial statements for the year ended 31 March 2018.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Foundation and of the results and cash flows of the Foundation for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Executive Board members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.
9. We confirm that the market value of the investment securities held by the company as at the statement of financial position date amounted to HK\$4,289,015.

On behalf of the Board

Chairman

HONG KONG, 23 October 2018

**INDEPENDENT AUDITOR'S REPORT**  
**TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED**  
**(Incorporated in Hong Kong with limited liability)**

**Opinion**

I have audited the financial statements of HKCFP Holdings and Development Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2018, and the statement of income and retained earnings and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2018, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

**Basis for Opinion**

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other information**

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**Responsibilities of Directors and Those Charged with Governance for the Financial Statements**

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

## **NOTES TO THE FINANCIAL STATEMENTS**

### **1. GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activity of the Company is to act as an Educational Organization in respect of the development of Family Medicine.

### **2. BASIS OF PREPARATION AND ACCOUNTING POLICIES**

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention.

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of income and retained earnings in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of income and retained earnings is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Turnover

Turnover represents course fees received.

(d) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

(f) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

### 3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements in view of the excess of the allowable losses brought forward over the estimated assessable profits for the year. (2017:Nil)

The taxation charges is made up as follows:

	2017	
	HK\$	HK\$
Deferred tax		
Current year	6,848	7,812
	=====	=====

The taxation on the company's loss before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Loss before taxation	(296,364)	(46,225)
	=====	=====
Tax at the income tax rate of 16.5% (2017:16.5%)	(48,900)	(7,627)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2018.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf  
of the Board of Directors
