PRESIDENT'S MESSAGE (DR ANGUS M Y CHAN)

This is a busy year for the Hong Kong College of Family Physicians. In May, the Hong Kong Primary Care Conference 2015 has attracted more than 500 attendees. This was definitely a record breaker. Congratulation to Dr Lorna Ng, Chairlady of the Organizing Committee, her team and the secretariat - they have worked tirelessly to make this Conference successful. The programmes were well-structured under the theme "Stay Caring, Go Excelling in Primary Care". The plenary lectures were informative, innovative and challenging. Prof Donald Li's lecture on "Excellence in Primary Care, Ethical Dilemmas" brought us the motto "Opus medicinae salus" meaning the physician leads the way to good health. In this process we faced numerous ethical issues and dilemmas which challenged our clinical competency and integrity. Prof Cindy Lam talked on "We Need the Family Doctor More Than Ever in the Era of Multi-disciplinary Primary Care". She highlighted the importance of having Family Doctors with favourable health outcomes in Hong Kong and enlisted the multi-disciplinary approach in chronic diseases. Prof Rodger Charlton's talk on "Family Medicine in 2050, A Vision Through a Crystal Ball" walked us through the importance of consultation skills in daily clinical practice and discussed the future developments and challenges faced by primary care physicians.

Immediately follow the Primary Care Conference was our 28th Fellowship Conferment Ceremony. It was intriguing to see so many new Fellows and Diplomats and some were from Macau. Prof Donald Li, one of our most distinguished Fellows, delivered the 26th Dr Sun Yat Sen Oration with the title "Making a Difference: A Journey in Family Medicine". This truly highlighted the contribution of Family Doctor in local and international arenas.

This year's Honorary Fellowship, the highest honour of this College was awarded to Dr Jennie Kendrick. Dr Kendrick was the former Censor-in-Chief of the Royal Australian College of General Practitioners. She had been our external examiner for the Conjoint Fellowship Examination for over seven years. She deserved the highest praise for her contribution to this College.

October 2014 was our 28th Conjoint Fellowship Examination with the Royal Australia College of General Practitioners. Dr Mark Miller, Censor-in-Chief and Dr Chris Hughes, Censor were the visiting External Examiners from RACGP this year. I would like to thank the RACGP for her never failing support and advice. I would also like to congratulate the Board of Conjoint Examination under the leadership Dr Chan Hung Chiu and Dr Ip Pang Fei, Chief Examiner and their Board members to have run the Examination superbly with all their hard work, experience and dedication. On the day of the OSCE Examination, there were over 100 examiners and all the College secretarial staff worked tirelessly as a team to run a very successful examination. There were 69 candidates sitting for this year's examination, with 60 and 9 candidates of Category I and Category II respectively. 44 candidates sat for the Written Segments (38 Cat I and 6 Cat II candidates), while 27 candidates sat for the Clinical Examination (24 Cat I and 3 Cat II candidates). 18 candidates passed the Full Conjoint Examination and awarded the double Fellowships. The "Dr Peter C Y Lee Best Candidate Award 2014" was presented to Dr Cheng Hei Wan, who had passed the Conjoint Examination at one setting and achieved the best performance in the Examination.

The Diploma in Family Medicine course had entered the twelfth year milestone. This was a successful year with twenty-six candidates graduated in the DFM course in 2015. A very memorable year to the DFM board as the Macau DFM course was successfully launched with the tremendous support of the Macau Health Department. The Board had also successfully launched the Shunde Certificate in Family Medicine Course with the wholehearted support of the Shunde Health officials in Guangdong, China. The course is still running from October 2014 onwards. Thank you to Dr Simon Au in leading a very dedicated team and the great contribution to Family Medicine in Hong Kong and Greater China.

With the establishment of the Board of Professional Development and Services in October 2010, Dr Lau Ho Lim's team has provided educational activities for doctors from Mainland China and Macau in different projects and courses in relation to Family Medicine. The Board continued the CME programme for the Macau Health Bureau and had entered the third year of the triennium.

The Board of Vocational Training and Standards was co-chaired by Dr Ruby Lee and Dr Billy Chiu understandably had colossal workload. The Board continued to look at curriculum renewal. Different trainees may have different training pathway according to the way of training, personal interests, and life events encountered. The Board had revised the guidelines on the duration of training in both Basic and Higher Training and the related time frames. The time limitation of duration of training for basic training and higher training had been removed. The time limitation for trainees to enroll into higher training "After completion of

basic training AND possessing a higher qualification in Family Medicine” had also been removed. This had substantially increased the flexibility of training in reaching the specialist status in Family Medicine.

The Board of Education was newly chaired by Dr Alvin Chan. Under his leadership the Board had organized a great number of educational activities including lectures, interested groups and certificate course. This Board always represents the primary aim of this College, to educate all who wants to learn.

As the official journal of the Hong Kong College of Family Physicians, the Hong Kong Practitioner continued to serve our College Fellows, Members, and colleagues both locally and overseas as a quarterly publication over the year, reaching out to over 4000 recipients per issue. Thank you to our Chief Editor, Dr David Chao and his energetic team.

The Specialty Board was continued led by Dr Wendy Tsui and her never resting team. The Board conducted Supplementary Exit Examination from July to September 2014 and the 2015 Full Exit Examination was held from December 2014 to March 2015. 21 candidates successfully completed and passed the whole Exit Examination. Professor Doris Young was the QA Examiner of the 2015 Full Exit Examination. The Board scrutinized the application for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. The College submitted 20 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

The Public Education Committee continued to carry the flag of public education activities. The Committee continued to publish articles regularly in the Hong Kong Economic Journal (信報) and We Care Magazine (關心). The TV drama series, ‘My Family Doctor’ (我的家庭醫生), in which the Committee worked in close collaboration with the Radio Television Hong Kong (RTHK) and the Primary Care Office, Department of Health, was awarded one of the ten most favoured TV programme in 2014. We are all proud of Dr Ngan Po Lun and his wonderful team. Everyone is looking forward to the second series.

FP Link headed by Dr Wendy Tsui had supplied us with the monthly update of College activities. This links us to the different sections of News Corner, After Hours, Learning Points and Board of Education News. Certainly this had brought the Members and Fellows closer to the College. Great team, great work!

The Web and Computer Committee chaired by Dr Mark Chan had a busy year. The Committee had started to upgrade the College Web service. New archive sections as service to members to store their research effort, both in poster and abstract form, have been launched.

The Best Research Award 2014 winning paper was “Can HbA1c replace OGTT for the diagnosis of diabetes mellitus among Chinese patients with impaired fasting glucose” by Dr Yu Yee Tak. The Research Committee headed by Prof William Wong had established two new funding awards over the last two years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas.

The Quality Assurance and Accreditation Committee chaired by Dr Billy Chiu continued to promote participation in continuing medical education by encouraging and identifying high quality activities and giving credit points.

I must reserve the big thank to Dr David Chao in organizing the Internal Affairs Committee. Our Annual Dinner was a successful event and for the first time held at the Hong Kong Academy of Medicine. The Photography Club was formed in 2014 under the administration of Internal Affairs Committee. The setting up of the club is to foster a platform to gather fellow shutterbugs and to share the joy in photography with College Members.

External Affairs Committee under Dr Gene Tsoi, Business Manager Dr Mary Kwong, House Management under Dr Billy Chiu, Finance Committee under Dr Quincy Yuen, Council Member on Duty System under Dr Tony Lee, Membership Committee under Dr Loretta Chan and Professional Performance Committee under Dr Chan Kin Ling had completed and complemented the full operation of our College.

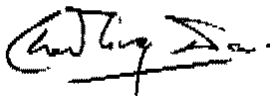

Many council members have also contributed through representation of our College in various professional committees including –

- Dr Angus Chan in HKAM CME Subcommittee for non-specialist; CAG of Hong Kong Reference Framework for Preventive Care for Children in Primary Care Settings;
- Dr Chan Hung Chiu in Working Group on Alcohol and Health; Steering Committee on Prevention and Control of Non-communicable Diseases;

- Dr Chan Wing Yan in Advisory Group on Health Effects of Use of Internet and Screen Media Devices
- Dr David Chao in the Education Committee of the Hong Kong Academy of Medicine; Organising Committee meeting for HKAM Medical Conference 2016; and Scientific Committee of Hong Kong International Cancer Congress;
- Dr Billy Chiu in Subgroup on Professional Development for Primary Care Directory Enrolled Doctors and Dentists; Working Group on Defining High-Risk Medical Procedures / Practices Performing in Ambulatory Setting; Colorectal Cancer Screening Pilot Programme Task Force; and the Cancer Expert Working Group (CEWG) on Cancer Prevention and Screening;
- Dr Lau Ho Lim in Working Group on eHR & Information Standards, eHR office; CAG of Hong Kong Reference Framework for Preventive Care for Older Adults in Primary Care Settings; and University of Hong Kong Health Services Committee;
- Dr Law Tung Chi in Working Group on Communication Module of simulation training, the College of Surgeons of Hong Kong;
- Dr Ruby Lee in Task Force on Hong Kong Code of Marketing of Breastmilk Substitutes; Self-Learning Kit on Breastfeeding for Medical Professionals, Project Planning Committee; Committee on Promotion of Breastfeeding, Food and Health Bureau;
- Dr Tony Lee in Working Group for Revision of Teaching Kit for the Exercise Prescription Project;
- Dr Gene Tsoi in three Task Forces on Conceptual Model and Preventive Protocols; Primary Care Directory; Primary Care and Delivery Models, Working Group on Primary Care; WONCA International Classification Committee;
- Dr Mary Kwong in the Resuscitation Council of Hong Kong;
- Dr Wong Mong Sze, Marcus. Occupational Health Advisory Committee;

The hard work of our secretarial staff was led by Ms Erica So. All the secretarial staff included Crystal, Teresa, Alky, Carmen, Odelia, Windy, Priscilla, Wing, Cherry, Natalie and Jeff deserved the biggest commendation.

Last but not least, I owe a debt of gratitude to my Chief Censor Prof Cindy LK Lam, Censors Dr Stephen KS Foo and Prof Donald KT Li, and Immediate Past President Dr Ruby Lee for their valuable advice and guidance. They were certainly my lighthouses in the daunting seas.

Dr Angus M W Chan
President

HONORARY SECRETARY'S MESSAGE (DR BILLY C F CHIU)

Family Medicine Training, is as training in other medical professions, is a life-long learning process. Different trainees may have different training pathways according to the mode of training, personal interests, and life events encountered. The Board of Vocational Training and Standards has revised the guidelines on the duration of training in both Basic and Higher Training and the related time frames. Meanwhile, the College Council has also set up a working group to review our training curriculum this year to best suit our community development and care delivery. Curriculum renewal is an ongoing process because of the changing environment of medicine.

The 2nd Oriental Family Doctor Forum co-hosted by the Chinese Community Health Association, the Shanghai Medical Association and the Society of General Practice of Shanghai Medical Association, was held in Shanghai in July 2014. Our Vice President Dr Lau Ho Lim represented the College to deliver a plenary speech and participated in a panel discussion with emphasis family doctor training in China.

Dr Ruby Lee was conferred Honorary Fellowship of the Royal Australian College of General Practitioners (RACGP) in October 2014 during her Presidency. This is in recognition of Dr Lee's leadership and her significant contribution in strengthening the relationship between HKCFP and RACGP. Dr Ruby Lee has stepped down from her presidency since December 2014. Dr Angus Chan is the newly elected President. I must thank Dr Lee for her valuable advice and guidance, and for the opportunities provided to me. I hope I can be of assistance to our new President Dr Angus Chan to serve the College in the years to come.

The 2015 WONCA APR Conference was held in Taipei in March. The conference was combined with Cross-Strait Quadripartite on Family Medicine". According to the organiser, there were 500 overseas delegates and 4,000 Taiwan delegates attended the conference. There were 41 delegates from Hong Kong including doctors from public and private sectors, universities, etc. Our delegates participated in 3 lectures, 4 oral and 12 poster free paper presentations respectively.

The Hong Kong Primary Care Conference held in May 2015 has attracted more than 500 local attendees. It is as a fertile platform bringing us multiple medical and various professionals with diverse backgrounds and experiences together to enhance primary care. The 28th Conferment Ceremony held immediately after the HKPCC. This year, we have Dr Donald Li delivered the 26th Dr Sun Yat Sen Oration with the title "Making a Difference: A Journey in Family Medicine". Dr Jennie Kendrick, the former Censor-in-Chief of the Royal Australian College of General Practitioners, who had been our external examiner for the Conjoint Fellowship Examination for over 7 years, was conferred Honorary Fellowship of the College.

I would like to thank all members and fellows for their supports and contributions, as well as the dedicated Secretariat team and in particular, the General Manager, Ms Erica So for their hard work and focus in what was indeed a very busy year for the College.

Members can refer to the more detailed reports of each Board and Committee in the following pages.

The Examination

The format of the 28th Conjoint Examination 2014 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our Case Writers and all our examiners.

Workshops for Examiners

- 1st Examiner Training Workshop for OSCE 6 July 2014 (Sunday)
- 2nd Examiner Training Workshop for OSCE 3 August 2014 (Sunday)
- Workshops on Standard Setting for KFP exam paper 24 August 2014 (Sunday)
- Workshop on Standard Setting for MCQ exam paper 31 August & 1 September 2014 (Sunday, Monday)
- KFP Marking Sessions 29, 30 & 31 August 2014 (Friday, Saturday & Sunday)
- Case-writing Group Meetings for OSCE 6 May and July - August 2014
- 3rd Examiner Training Workshop and On-site Examiners' Rehearsal for OSCE 5 October 2014 (Sunday)

Information Seminar and Rehearsal for Candidates

An information seminar for candidates sitting the clinical segment was organized on 22 June 2014. 17 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

For the first time, candidates this year were invited to the rehearsal for OSCE on 5 October 2014 in participating as 'real candidates' in the prepared clinical scenario. The purpose was to allow the candidates to have an actual on-site experience of the OSCE. 22 candidates attended. The feedback received was positive. The Board will consider repeating similar arrangement in the following year.

The Conjoint Fellowship Examination

Written Segments:

KFP	24 August 2014 (Sunday)	HKAM Jockey Club Building
MCQ	31 August 2014 (Sunday)	HKAM Jockey Club Building

Clinical Segment:

OSCE	26 October 2014 (Sunday)	Our Lady of Maryknoll Hospital
------	--------------------------	--------------------------------

External Examiners from RACGP

Dr Mark Miller (Censor-in-Chief) and Dr Chris Hughes (Censor) were the visiting External Examiners from RACGP this year for the OSCE Examination on 26 October 2014.

Number of candidates

There were altogether a total of 69 candidates sitting for this year's examination, with 60 and 9 candidates of Category I and Category II respectively.

44 candidates sat for the Written Segments (38 Cat I and 6 Cat II candidates), while 27 candidates sat for the Clinical Examination (24 Cat I and 3 Cat II candidates).

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Subcommittee, consisting of Examiners, led by our Chief Examiner, to be responsible for the preparation of all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to a minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).

5. Sharing cases with RACGP to widen our exam case bank.
6. Presentation of OSCE exam materials to examiners only on the day of exam.
7. Continual appeal to the professional integrity of all involved in running the exam.
8. Proper “quarantine” of candidates of the morning and afternoon sessions respectively on the day of OSCE exam.
9. Forbiddance of use of any electronic devices by candidates inside exam venue.
10. Prompt data entry of candidates’ scores on the same day of exam.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiners in our Cantonese speaking stations during the OSCE examination, instant translation (in writing) had been arranged.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

Examination Prize: "Dr Peter C Y Lee Best Candidate Award 2014"

It was the tenth year that the College offered this prize. From the year 2013, this award was renamed “**Dr Peter C Y Lee Best Candidate Award**” for commemorating Dr Peter Lee’s contribution to the discipline of family medicine. The “Dr Peter C Y Lee Best Candidate Award 2014” was presented to Dr CHENG Hei Wan, who had passed the Conjoint Examination at one setting and achieved the best performance in the Examination.

Acknowledgement

The Board of Conjoint Examination would like to thank our Chief Examiner and segment Coordinators for contributing so much of their time and effort throughout the entire examination, all the Board members for their active participation, the External Examiners from RACGP for their continual advice and support, all our QA Examiners, Case-writing and Marking Examiners, Trainee Examiners, and Role Players for their time and contributions before and during the examination, and all our College secretarial staff and helpers for their excellent administrative and supportive works.

CHAIRMAN'S MESSAGE

The DFM course entered her twelfth year. This was a successful year as twenty three candidates graduated in the DFM course in 2015. The Board praised the candidates for their hard work and commitment in learning new knowledge and skill in Family Medicine and congratulated them on their wonderful accomplishment.

This year has been a very memorable year to the DFM board. Our Board has successfully launched Macau DFM course with the tremendous support of the Macau Health Department. The Board has slightly modified the DFM materials to cater the needs of our young and energetic Macau colleagues. Our Board members have found this unique teaching experience in Macau rewarding and meaningful. We enjoyed the local Portuguese food and the hospitality of our friendly Macau Health officials. The Board has noticed a growing demand of Family Medicine training in China. Our Board has successfully launched Shunde CFM course with the tremendous support of the Shunde Health officials. The course is still running from October 2014 onwards.

On behalf of the Board, I would like to take this opportunity to thank Dr Wun Yuk Tsan to revise our distance learning module materials and continue to be our External Examiner in keep our examination standard. I wished to thank Professor Cindy Lam, Professor Donald Li, Dr Stephen Foo, Dr Ruby Lee and our President, Dr Angus Chan for their continuous support and guidance. Lastly, I like to express my deepest appreciation to Dr Chan Chi Wai for leading his team in organizing a very successful examination, Dr Chan Man Li for his dedication in training Macau students, Dr Wan Kwong Yu for her dedication in training Shunde students during the year and all the hardworking Board members, teachers, examiners, and mentors for their unfailing support and selfless contribution. I also wished to thank our secretarial staff Ms Alky Yu, Mr John Lee and Mr Jeff Cheng for their diligent work.

CHAIRMAN'S MESSAGE

During the year 2014-2015, the Board, similar to previous years, has organized the following educational activities for our College members. All the CME and CPD programmes have been running smoothly and accredited.

Video-Library and Video-Viewing Session

For the year 2014 we arranged 10 video sessions in our Wanchai College premises on a monthly basis. Video Library have been set up since July 2005. Video viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon, Evening CME activities, various Interest Groups and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point, HKCFP or MCHK, is accredited to one who attends the viewing session. Up to a maximum of 2 CPD points may be accredited to one who submits a satisfactory report of Professional Development Log. It is encouraging that the number of attendance is increasing. The topics presented were as follows:

- Osteoporosis: Where are we now? What shall we go next?
- Management of Hypertension -Dr. Albert WS Leung
- Update on Eczema
- Cardiovascular Outcome Trial. What can we expect to learn?
- Traditional Chinese Therapy & Dermatoses
- Treatment of Sputum. Old is New
- Glycemic Index – Non-Alcoholic Fatty Liver Disease
- Understanding Fats: Good vs Bad
- Chronic Pain
- Medico-Legal alert on Dermatology and Cosmetic Medicine
- Pitfalls in Cosmetic Medicine in General Practice
- Disturbed behaviors and medico-legal consequences
- Risks and Medico-legal Problems in Mental Health
- Practical Approach to LUTS / BPH

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video. The participants will have the feeling of attending the luncheon meeting while watching the video.

If you have interest to view these videos, you can contact our secretaries and they are happy to make arrangement for you.

Small Discussion Group

It is good news that the number of Small Discussion Groups has increased to 184 in 2014. Participant members will gain 1 CME point and the speaker will gain an extra 1 CPD point. Well-written synopses will be published in our College Journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups. However, synopses not up to standard are requested to be re-written again.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

Cardiopulmonary Resuscitation (CPR) Training

The Board would like to thank the Hong Kong College of Cardiology, especially Dr David SIU, Dr CHAN Pak Hei, Michael and Dr HAN Siu Han, Jo Jo for their continuous support. Our CPR training workshops and examinations were running successfully and the Instructor workshops for up-keeping standards and recruiting new instructors were well organized. We held two CPR training workshops in Feb and Mar 2015. We have 59 members who passed the CPR Examination and were awarded the Certificate of Competency CPR in Basic Life Support, which is also accredited by the Resuscitation Council of Hong Kong this year.

The Board would like to express our sincere thanks to Dr David S L CHAN, Dr KONG Che Wan and Dr WONG Pak Hoi in coordinating and Dr AU-YEUNG Shiu Hing, Dr CHEUNG Ying Man, Dr HUI Lai Chi, Dr Ko Siu Hin, Dr KWAN Man Woo, Dr Michael C H KWOK, Dr LAU Tai Wai, Dr Daniel C Y LEUNG, Dr Danny P K MA, Dr NG Ching Luen, Dr So Siu Hei, Dr SUNG Tai Wai, Dr Keith K K TSE and Dr WONG Ka Wah for being the examiners.

Clinical Attachment

Being the Chairman, I am glad that we have two clinical attachments this year with the support from our hospital colleagues.

Diabetes - United Christian Hospital
 ENT - Department of Otorhinolaryngology, Head and Neck Surgery, CUHK

The Board would like to express our sincere thanks to Dr Grace KAM, Dr Elaine CHEUNG, Dr Flora Ho, Dr HUNG Chi Sang, Ms Maisy MOK and staff of United Christian Hospital. Professor C A van HASSELT, Prof Michael Tong, Dr John WOO and the staff of their departments for organizing our clinical attachments in Prince of Wales Hospital. The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

Assessment Enhancement Course

Assessment Enhancement Course remained the most welcome course in her 15th year of establishment. I would like to thank all the tutors in contributing their time and effort in this course. They help tremendously in improving the skills on consultation, physical examination and other various aspects of the participating doctors. These are very useful to our members in preparing the Conjoint Fellowship Examination. The Board would like to express our sincere thanks to Dr LAI Sheung Siu in coordinating and all tutors as follows: Dr CHAN Man Li, Dr CHUNG Kin Wing, Dr FOK Peter Anthony, Dr KWOK Chi Ming, Dr TAM Ho Shan, Dr Janet C Y TAM, Dr John H TAM, Dr WONG Chun Fai, and Dr WONG Kwok Hoi.

Post AEC Training Course

As doctors working in private practice (Category II candidates) are lacking structural training, the Post AEC Training Course was first launched in April 2010 for the AEC candidates especially Category II candidates to help them to form study groups and to provide the platform to facilitate them for preparing the Conjoint Fellowship Examination with formal group support and tutors. The Board would like to express our sincere thanks to the Co-ordinator, Dr Peter K Y LEE and all the tutors: Dr Mark S H CHAN, Dr Francis W T LEE and Dr David K K WONG in contributing their time and effort in this course.

Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 34 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 120 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in the coming year 2015.

Collaboration between Hong Kong College of Family Physicians and Primary Care Office, Department of Health

With increasing prevalence and aging population, more patients in Hong Kong are suffered from common chronic diseases like hypertension and diabetes. The Board has jointly organized a training course with the Primary Care Office (PCO) of Department of Health (DH) to update the knowledge and enhance the skills of primary care doctors in better managing patients with these common chronic conditions.

The whole training course consisted of 3 phases. In the first phase, Lunch Symposia on “Diabetes and Hypertension - What Primary Care Doctors Should Know”, were held to update the Reference Framework on Hypertension, and Diabetes; and to introduce the concept of clinical audits as a way to improve the standard of managing chronic diseases. In the second phase, a structured chronic Disease Management (CDM) Training Course was held to further enhance participants' knowledge in a small group format. In the third phase, a clinical attachment on chronic disease, e.g. diabetes mellitus will be organized, to bring in more clinical aspects through patient encounters from clinical attachment, so as to strengthen the practical skills on managing chronic diseases.

Phase	Dates	Topics	Speakers
1	29 Jun 2014, 12 Jul 2014 and 25 Jan 2015	1. Early Insulin use in Primary Care Setting 2. Reference Framework on Diabetes and Hypertension 3. Continuing Quality Enhancement - Clinical Audit Made Easy	1. Dr TSANG Man Wo 2. Prof Martin WONG 3. Prof Cindy LAM

3	to be arranged in 2016	DM Clinical Attachment Management	

Professional Development Subcommittee

Since 2005, eight Interest Groups have been formed under Professional Development Subcommittee Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, and Neuro-Musculoskeletal Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

CHAIRMAN'S MESSAGE

With the establishment of the Board of Professional Development and Services in October 2010, educational activities were provided for doctors from mainland China and Macau in different projects and courses in relation to family medicine. These courses were all built upon the expertise and experience gathered over the past years from College members who contributed to the success. The Board Chairman would like to thank them all for their contribution.

We continued the CME programme for the Macau Health Bureau. This annual programme has entered the third year of the triennium. This CME programme is expected to be continued in the next triennium.

CHAIRMAN'S MESSAGE

This year has passed smoothly in the running of the Board's regular activities. All Board members and subcommittee members have to share the responsibilities of BVTS such as responding trainees' enquiries, checking new applications for enrollment and accreditation, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees, travelling to various training centers for accreditation, reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting etc. All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31st March 2015 are as follows:

New enrolled Basic trainees	:	30
New enrolled Higher trainees	:	21
Total Basic trainees	:	113

Curriculum renewal is an ongoing process because of the changing environment of medicine. Continual feedback is encouraged and we welcome feedback. Our curriculum aims to provide continuing and relevant support to learners and educators to assist family physicians in acquiring the necessary skills, knowledge and attitudes to provide high quality primary care, training and research within the modern world of family medicine.

Different trainees may have different training pathway according to the way of training, personal interests, and life events encountered. Thus, the Board has revised the guidelines on the duration of training in both Basic and Higher Training and the related time frames, and with the endorsement of the Council. The time limitation of duration of training for basic training (within 10 years from the date of enrolment) and higher training (within 5 years from the date of enrolment) has been removed. The 5 years' time limitation for trainees to enroll into higher training 'After completion of basic training AND possessing a higher qualification in Family Medicine' has also been removed.

We welcome Dr Ng Ventura Lorna and Dr Yiu Yuk Kwan to join BVTS as Board member, Dr Wong Man Ying Michelle as Basic Training Subcommittee Chairlady and Dr Fung Hoi Tik as Higher Training Subcommittee Chairlady. Their participation is definitely valuable to our Board. We also welcome all other new members to join the various subcommittees of the Board.

Lastly, we would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster co-ordinators for their contributions in the training programme. We also would like to express my gratitude to our executives' Carmen Tong and Odelia Cheng who are all committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

CHAIRMAN'S MESSAGE

As the official journal of the Hong Kong College of Family Physicians, the Hong Kong Practitioner continued to serve our College Fellows, members, and colleagues both locally and overseas as a quarterly publication over the year, reaching out to over 4000 recipients per issue. Among the published manuscripts, 44% were original research articles, 6% were update articles, 13% were discussion papers, 13% were case reports and the remaining ones were editorials.

With the first printing started from 1978, the Hong Kong Practitioner has been indexed in EMBRASE/Excerpta Medica and ISSN printing since 1997. We have got the ISSN for online at March, 2015. Our members are free to read our publications at the College website.

We would like to take this opportunity to thank all the contributing authors, editorial board members, business manager, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their tremendous dedication and unflinching support over the previous year. We would continue to strive to provide family medicine relevant clinical articles for busy family physicians.

The Specialty Board conducted Supplementary Exit Examination from 2 July to 12 September 2014. 17 candidates sat the supplementary Exit Examination and 10 of them successfully completed and passed the whole Exit Examination.

The 2015 Full Exit Examination was held from 1 December 2014 to 20 March 2015. 25 candidates attempted the Examination and 11 candidates successfully completed and passed the whole Exit Examination. Professor Doris Young was the QA Examiner of the 2015 Full Exit Examination.

The successful candidates were:

Dr CHAN Man Hung
Dr CHAN Mei Tak
Dr Cupid P S CHENG
Dr CHUNG Wai Ho
Dr HO Wang Fung
Dr Sandra W S HUNG

Dr KWAN Chun Man
Dr KWOK Tsz Tik
Dr KWONG Ho Tak
Dr LEUNG Wing Mun
Dr LO Shiu Bong
Dr PONG Pong

Dr Edmond H F SIN
Dr TAM Yick Sin
Dr TSANG Ming Lam
Dr WONG Wai On
Dr WU Kwok Keung
Dr YIP Pui Chuen

The Board had organized Pre-Exit Examination Training Workshop and Post-Examination Evaluation Workshop after the Examination for candidates. Standardization Workshops for examiners were also held to maintain the standards of the assessment.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 20 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

This year is another busy year. We have organised different types of CME activities for our members. Several training courses, namely Counselling Training Course, Practice management Training and Cardiopulmonary Resuscitation (CPR) Training Course. The Certificate Course of Dementia, Pain; the practical workshops of Diploma of Family Medicine namely Consultation Skill Workshop, PCO Workshop and Counselling Skill; training courses of Chronic Disease Management (CDM) and Research & Biostatistics for Medical professionals are open to all our College members with good attendance. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Examination and Specialty Board. The Hong Kong Primary Care Conference 2014 with the bi-annual 4-Party General Practice/Family Medicine Conference 2014 with the theme "With the Patients, For the Patients: Achieving Health Equity in Primary Care", was held on 6-9 June had more than 600 participants. The regular bi-monthly activities, Dermatology and Mental Health Interest Groups are most welcome by our members. Assessment Enhancement Course has been extended to include Written Enhancement Training Course and Post AEC Training Group. Diabetes Clinical Attachment, ENT Clinical Attachment, Annual Refresher Course are also successfully arranged by Board of Education. These valuable activities, some are generously sponsored by the pharmaceutical companies, can effectively enhance and update a board range of medical knowledge for our members.

We had a memorable evening of 37th Anniversary Dinner held on 13th December, 2014 at the Hong Kong Academy of Medicine Jockey Club Building, and shared our joyful moment with all our members and invited guests together. We had the dinner lucky draw that night. I would like to take this opportunity to thank our College members, Langham Place hotel, Eaton Smart Hong Kong, Nestle Hong Kong Limited, Galderma Hong Kong Limited, Hoepharm (HK) Limited, Supergo Company Limited, Merck Pharmaceutical (HK) Limited and Min Yuen Tong for their generous donation of the lucky draw prizes.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The Family Physicians Links is becoming more popular. The demand for the College's bulk e-mail mailing and circulating services from members and other institutions has likewise increased.

On behalf of the College, I would also like to express my gratitude to all the following companies for their generous support for the College's functions in the past one year:

Credentiailling and Defining the Scope of Clinical Practice

Ongoing discussion on Credentiailling has been conducted in the EC of HKAM. All Colleges were invited to give their views on the topic. Seminar and Workshop on Credentiailling were also organised for consultation and deliberation purposes. The draft Credentiailling Guidelines were updated incorporating comments received from Colleges. The paper would serve as general guidelines for Colleges to credential their procedures; and the paper would be reviewed from time to time.

Report of the Accreditation Exercise on Medical Education and Training by Medical Council of Hong Kong

MCHK conducted an accreditation visit on medical education and training of the two universities and recommended that the HKAM to revisit its policies on training and collaboration with HA to ensure Family Medicine to be a leader in health reform, including aspects on duration of training, Fellowship requirements, and a sound family doctor system in Hong Kong. HKCFP opined that 4 years basic training to attain our College Fellowship (FHKCFP) that indicates competency in independent practice and clinic management. FHKCFP holders can then enter two years higher training and sit the Exit Examination for attainment of FHKAM (Family Medicine), which is comparable to other sister Family Medicine/General Practice Colleges for the award of Fellowships in their own countries. In addition, HKCFP opined that a sound family doctor system with trained family physicians as the first point of contact for patients is important, and that postgraduate family medicine training prior to independent private primary care practice should be mandatory.

Standards of Ambulatory Facilities for High-Risk Medical Procedures

The Steering Committee on Review of Regulation of Private Healthcare Facilities has endorsed the recommendation of the Working Group on Defining High Risk Medical Procedures/Practices in Ambulatory Setting that a statutory registration system be introduced to regulate ambulatory facilities where high-risk procedures are performed. It was suggested that a Project Steering Committee (PSC) on Standards for Ambulatory Facilities be set up to oversee the standard-setting process and promulgation of standards, and to set up task forces to devise and recommend detailed standards. These Task Forces would comprise relevant experts nominated by member Colleges of HKAM.

CME/CPD Guidelines – Development of New Technologies and Services

Under the current guidelines, "Development of New Technologies and Services" is accepted as a form of CME/CPD. EC noted that this category became an acceptable form of CME/CPD in 2004 when EC started to consider moving towards CPD, in order to allow more flexibility and wider choices of activities for Fellows. After discussion, EC agreed that Colleges should be given

autonomy to set criteria for accrediting, and capping points for, this category of activities.

CMECPD Requirements for Reinstatement Application from Ex-Fellows who Failed to Fulfil CMECPD Cycle

EC discussed the requirements for reinstatement of an ex-Fellow and resolved that that the CMECPD requirement for reinstatement would be set on pro-rata basis.

Medical Education Conference 2015

A medical education conference entitled "Medical and healthcare education along the continuum" had been organised successfully by HKJC ILCM on 7-8 February 2015.

The Cross Strait Family Medicine Conference and WONCA Asia Pacific Regional Conference took place simultaneously in Taipei in early March. The College had a strong delegation led by the President Dr Angus Chan this year

In the WONCA APR Council, I attended the APR Council meeting as the Honorary Treasurer of WONCA Asia Pacific Region, Dr Lau Ho Lim, the Vice-President attended the meeting representing the College. Dr Donald Li was the Plenary Speaker on the topic "Another Service to Be Provided by Family Doctors – When Doctors Voice Advocacy: A Strategy for Non-Communicable Disease Control". Dr William Wong, Dr Angus Chan, Dr Mark Chan, Dr John Chung, Dr Chiang Lap Kin, Dr Catherine Chen, and Dr Cheung Sze Man attended and delivered presentation in the Conference.

Congratulations to Dr Chiang Lap Kin, he was one of the awardees of the Taiwan Family Medicine Research Award, 2015.

In the Taipei WONCA APR Conference, I chaired a workshop with Prof Chris van Weel on the topic "Primary Health Care Policy Implementation". This is an international collaboration project organized by the Research Committee of WONCA which I was appointed Liaison Person. Six speakers presented on behalf of the Member Organizations of APR about their Health Care Policy. Prof Samuel Wong has presented on behalf of Hong Kong, while other speakers were from China, Japan, Korea, Singapore and Taiwan. The workshop summary will be presented in World WONCA 2016 with speakers from other Regional Liaison Persons.

Dr Catherine Chen is all along helping our College to give lectures to Mainland visitors with her excellent Putonghua. I must thank both Dr Chen and Prof Wong for their excellent work.

With careful monitoring by the Finance Committee, the financial situation of the College in 2014-2015 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$14.6 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. Only about 18% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr Angus Chan, our President, Dr Lau Ho Lim, our Vice President (General Affairs), Dr David Chao, our Vice President (Education & Examinations), Dr Billy Chiu, our Honorary Secretary, Ms Erica So, our General Manager, Mr Marco Cheng, our Administrative Executive and Ms Priscilla Li, our Acting Administrative Executive, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services.

Chairlady's Message

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 22 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work closely to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, to name a few, photo gallery and highlights of college events, WONCA news, features of primary care initiatives and latest medical and health related news, and inspiring articles of life wisdom. There is also support from other Boards, e.g. the Board of Education who contribute the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting.

Chairlady's Message

The 5th Hong Kong Primary Care Conference (HKPCC) was successfully held on 30-31 of May, 2015 attracting a record high of over

500 registered delegates including doctors, nurses, allied health professionals and other primary care providers. This year's theme "Stay Caring, Go Excelling in Primary Care" highlighted our discipline's achievements and challenges in reaching towards better health for all which is the ultimate goal of primary care. This event featured inspiring plenary lectures by three distinguished speakers who are also leading experts in Family Medicine and a wide array of stimulating workshops, seminars, discussion forum, lunch and dinner symposiums, as well as exciting competitions in clinical case, oral and poster presentations. It has proven more than ever the importance of this annual event as a cultivating platform for bringing together experts, clinicians and health care professionals to share latest scientific updates, exchange views and promote networking opportunities among the primary care community.

Annual Dinner

The 37th Annual Dinner was held on 13 December 2014 (Saturday) at Run Run Shaw Hall, 1/F, Hong Kong Academy of Medicine Jockey Club Building, Wong Chuk Hang, Hong Kong.

The Annual Dinner was well received by 167 participants including our Council members, College Board/Committee members, their spouses and family members and guests from different collaborative organisations. It provided a golden opportunity for us to meet and communicate.

Successful candidates of Conjoint Examination, Exit Examination were invited to share their experiences with our members and guests, including Dr KWONG Lok See, a successful Conjoint Fellowship Examination candidate, and Dr Esther Y T YU, a successful Exit Examination candidate and Dr CHAU Ka Vai, a successful DFM candidate.

The Internal Affairs Committee wishes to thank Dr Angus M W CHAN, our President, and our Council members, as well as collaborative organisations, hotels and the Printhouse for supporting and sponsoring the prizes in the Lucky Draw, Dr Kathy K L TSIM and Dr. Matthew M H LUK, the Masters of Ceremony of the Annual Dinner, and our secretariat team members who gave their time and effort in making the Annual Dinner a great success. We would like to express our gratitude towards Dr CHAN Hung Chiu, Dr Kenny KUNG and Dr Raymond W M YEUNG for their musical performances on stage. We would also like to express our gratitude to Dr May LAM and Mr Bernard YIM for their impressive flamenco dance performance which was the first in the history of our College functions. In addition, we would like to thank Dr LO Ling who had again volunteered to be our additional photographer for the occasion.

Photography Club

The Photography Club of HKCFP was formed in 2014 under the administration of Internal Affairs Committee. The setting up of the club is to foster a platform to gather fellow shutterbugs and to share the joy in photography with college members. Novice and experienced photographers are welcomed to join the Photography Club activities. The first photo-shooting activity was held on 4 January 2015 in the Sheng Wan region with 14 participants.

The current membership of HKCFP is as follows: - (as in July 2014)

Fellows*	683 (HKAM Fellows: 435)
Full Members	203
Associate Members	569
<u>Others **</u>	<u>52</u>
Total:	1,507

* Fellows include Fellows, Foundation Fellows, Hon Fellows and Non-HKSAR Fellows.

** Others include Non-HKSAR Members, Student Members and Affiliate Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care. We expect to see a constant growth in membership with increase in proportion of fellowship.

PROFESSIONAL PERFORMANCE COMMITTEE

The Professional Performance Committee is established to provide advice on professional performance to medical doctors who require peer review, supervision or audit.

Objectives:

1. To provide professional advice from the view point of family medicine.
2. To assist medical practitioners to meet the standard of professional performance.
3. To enhance the standard of the professional performance by peer supervision
4. To co-ordinate and appoint professional performance supervisors to provide professional advice upon application from individual medical doctor.
5. To co-ordinate clinic audit on professional performance upon request from individual medical doctor.
6. To maintain the accountability of professional advice by regular review of the current regulations and standards.

Individual doctor can approach our College to seek assistance to supervise and to audit his / her practice standard under the instruction of the Medical Council of Hong Kong. In 2014, there is no doctor seeking our advice on professional performance.

I would like to thank our College secretarial staff for their constant support.

This year, the Public Education Committee continued to carry out public education activities through different channels. The Media Column Subgroup continued to publish articles regularly in the Hong Kong Economic Journal (信報) and We Care Magazine (關心). The published articles are amounted to 482 for the Hong Kong Economic Journal and 53 for the We Care Magazine till the end of July 2015.

The Committee is most grateful that the TV drama series, 'My Family Doctor' (我的家庭醫生), in which the Committee worked in close collaboration with the Radio Television Hong Kong (RTHK) and the Primary Care Office, Department of Health, is awarded one of the ten most favoured TV programme in 2014. We are looking forward to the second series of the TV programme in coming 2016.

The public education activities and events in 2014 to 2015 were listed at the end of the report. I would like to thank all the colleagues who had offered their valuable assistance in the past year and our excellent administrative support from the secretaries.

The QA & A Programme aims to promote General Practitioner (GP) or Family Physician (FP) participation in effective and efficient quality assurance and continuing medical education by encouraging and identifying high quality activities which are accessible to GPs and FPs, and giving credit for participation in high quality educational activities. The Programme emphasis on enhancing the professional responsibility of individual GPs/FPs and Family medicine as a whole to ensure meeting acknowledged world standards of quality care.

Since 2007, QA&A Committee has been successful starting the web-based CME report which helps significantly in saving the consumption on paper and postal as well as the workload of the Secretariat. We are pleased to announce that the CME and QA Certificates will go paperless start from 2014.

The electronic copy of CME certificate 2014 has been available on the College's homepage <http://www.hkcfp.org.hk> start from May 2015. Members can login to their own account to download the certificates anytime. It is free-of-charge for getting one certificate hardcopy for the first year and \$50 administrative fee will be charged start from 2016.

Moreover, the list of the fellows, members who have obtained the CME certificate 2014 were listed below. I would like to take this opportunity to thank all the committee members for their contribution and unfailing support.

Four submissions had been received for the Best Research Award 2014 and the selection panel consisted of one internal and one external assessors. The winning paper was "Can HbA1c replace OGTT for the diagnosis of diabetes mellitus among Chinese patients with impaired fasting glucose" by Dr YU Yee Tak.

The 2015 HKCFP Research Fellowship had received two applications this year. The selection panel which consisted of one internal and one external assessors have selected the winner to be Dr Jenny WANG. Her research project was "Prevalence of Healthy Literacy among Diabetes Patients in Primary Health Care Clinics – A Cross-Sectional Study of Two DM Risk Assessment and Management Clinics in Hong Kong West Cluster".

The Committee has established two new funding awards over the last two years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector. Dr LEE Kam Pui and Dr FONG Ting have been awarded this year's Trainees Research Fund. Awards were evaluated by one internal and one external assessor. However, there is no application for the Research Seed Fund this year.

The Committee suggested providing research capacity building or training workshop with support from Board of Education rather than individual guidance to the EXIT candidates.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

The year 2014-15 has been a year of events in both the College in general and the College Web domain. Considered various factors, the Web committee decided to upgrade the College Web service; and started the revision in the last few months. A new look at the web site with increased function bars, giving some patience, relevant College records will be gradually uploaded by the staff.

New archive sections as service to members to store their research effort, both in poster and abstract form, have been launched. This is a proof that we support research activities and academic spirit, be it large or small scale. Posters accepted for WONCA, our Primary Care Conference and other family medicine conference will be welcome to archive here. Your efforts will be known and documented at the College web site forever.

Member directory for public access is served with a basic file, a more powerful search mode would need matching with the software service support, which we are looking at.

I would like to thank the members of the Web Committee and the Secretarial staff for the support over the last year.

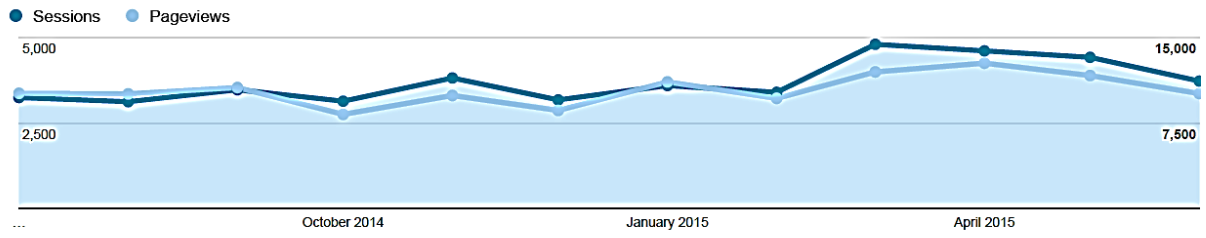

We would like to welcome suggestions and members from the College with interest in web and computer to join us. We would also like to thank the College staff for delivering the high quality support throughout the year.

We look forward to another year of service.

Mr Marco C W CHENG (Administrative Executive, to May 2015)

The financial situation of our College remains stable for the year 2014-2015. With a current reserve valued in excess of HK\$14.6 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Diploma in Family, Specialty Board, Board of Conjoint Examination and Board of Vocational Training and Standards. For Membership Committee, membership subscriptions generated an income of HK\$1.33 million (9.7% increase compared with 2014). From the Board of DFM, we obtained an income of HK\$1 million (125% increase), which was mainly due to the cooperation with Macau Health Bureau to organize the Clinical Communication & Diagnostic Skills (CCD) courses in Macau. From the Specialty Board, we obtained a surplus of HK\$683K (44.5% increase). From the Board of Conjoint Examination, we obtained a surplus of HK\$592K (23.5% reduction). For Board of Vocational Training and Standards, we obtained a surplus of HK\$350K (21.7% reduction). The decrease in income was due to the number of basic trainees dropped in the past few years.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$3.05 million (8.9% reduction). The Board of Education saw a deficit of HK\$685K (3.4% reduction). Even we had 29.6% loss on the exchange rate difference; the total cumulative expenses were carefully controlled and had reduced by 1%.

AUDITOR

The financial statements have been audited by Messrs W. M. Moo who retires and, being eligible, offers himself for re-appointment.

On behalf of the board

Chairman

HONG KONG, 22 October 2015

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements Hong Kong College of Family Physicians set out on pages 4 to 11 which comprise the statement of financial position as at 31 March 2015 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Council's responsibility for the financial statements

The Council is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

3 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rates to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Entrance fees from members are recognised in the financial year of receipt.

Annual subscription fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

- (e) **Taxation**
Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

4 **TAXATION**

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2014:Nil)

	2014	
	HK\$	HK\$
The taxation charge is made up as follows:		
Deferred tax		
Charge to statement of comprehensive income during the year	5,375	5,741
	=====	=====

The taxation on the company's deficit before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Deficit before taxation	(164,377)	(251,620)
	=====	=====

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2015.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

For and on behalf
of the Council

On behalf of the Board

Chairman
HONG KONG, 22 October 2015

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP EDUCATION LIMITED
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the separate financial statements of HKCFP Education Limited set out on pages 4 to 10 which comprise the statement of financial position as at 31 March 2015 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' responsibility for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Basis for Qualified Opinion

As explained in note 6 to the financial statements, the company has not prepared consolidated financial statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the shareholders. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

Qualified opinion

Except for the failure to prepare consolidated financial statements, in my opinion, the separate financial statements give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

(Limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Related companies

A related company is a company in which one or more of the directors has a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary

difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2014:Nil).

The company had no significant unprovided deferred taxation at 31 March 2015 and 2014 and for the years then ended.

At 31 March 2015, the company has unused tax losses of HK\$10,121,955 (2014:HK\$8,101,736) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

5. DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2014:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2015.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2012, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.

On behalf of the Board

Chairman

HONG KONG, 22 October 2015

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements HKCFP Foundation Fund (Limited by guarantee) set out on pages 4 to 9 which comprise the statement of financial position as at 31 March 2015, the statement of comprehensive income and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Executive Board's responsibility for the financial statements

The Executive Board is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Board, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standard for Private Entities issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion..

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards for Private Entities and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

HKCFP HOLDINGS AND DEVELOPMENT LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activity of the Company is to act as an Educational Organization in respect of the development of Family Medicine.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention.

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of income and retained earnings in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss

on disposal or retirement of an asset recognised in the statement of income and retained earnings is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Turnover

Turnover represents course fees received

(c) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of income and retained earnings because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of income and retained earnings items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally

recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the year when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of income and retained earnings, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

(e) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

3. TRANSITION TO THE HKFRS FOR PRIVATE ENTITIES

The Company's financial statements for the year ended 31 March 2015 are its first annual financial statements prepared under accounting policies that comply with the HKFRS for Private Entities. The Company applied full Hong Kong Financial Reporting Standards (HKFRSs) to prepare its financial statements prior to the application of the HKFRS for Private Entities.

The Company's date of transition is 1 April 2014 and the Company prepared its opening statement of financial position in compliance with the HKFRS for Private Entities at that date:

The Company has applied all the mandatory exceptions from full retrospective application of the HKFRS for Private Entities when preparing these financial statements in accordance with the HKFRS for Private Entities.

The application of the HKFRS for Private Entities does not have material impact on the Company's equity and results reported in the current or prior year, though the terminology used and certain disclosures have been revised in line with the new requirements.

There is no material difference between the statement of cash flows prepared under the HKFRS for Private Entities and that under the full HKFRSs

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2014:Nil)

The taxation charges is made up as follows:

	2014	
	HK\$	HK\$
Deferred tax		
Current year	6,575	7,046
	=====	=====

The taxation on the company's loss before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Loss before taxation	(96,773)	(272,337)
	=====	=====
Tax at the income tax rate of 16.5% (2014:16.5%)	(15,968)	(44,935)
Tax effect of non-deductible expenses	31,430	33,025
Tax effect of non-chargeable income	(6,575)	(7,046)
Additions/(Utilisation) of unrecognised tax losses	<u>(2,312)</u>	<u>26,002</u>
Taxation charge	6,575	7,046
	=====	=====

5. DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2014:Nil)

7. AMOUNT DUE TO A RELATED COMPANY

The advance is unsecured, interest free and payable on demand.

8. DEFERRED TAX

Deferred taxation are calculated in full on temporary differences under the liability method using a principal taxation rate of 16.5%. (2014:16.5%)

The deferred tax liabilities account is as follows:

	2014	
	HK\$	HK\$
At 1 April	114,300	107,254
Charge to statement of income and retained earnings for the year	<u>6,575</u>	<u>7,046</u>
At 31 March	120,875	114,300
	=====	=====

At 31 March 2015, the company has unused tax losses of HK\$2,097,117 (2014:HK\$2,083,106) available for offset against future profits. No deferred tax asset has been recognised due to unpredictability of future profit streams.

9. SHARE CAPITAL

	2014	
	HK\$	HK\$
Issued and fully paid:		
10,000 ordinary shares	10,000	10,000
	=====	=====

Under the Hong Kong Companies Ordinance (Cap. 622), which commenced operation on 3 March 2014, the concept of authorised share capital no longer exists.

In accordance with Section 135 of the Hong Kong Companies Ordinance (Cap. 622), the company's shares no longer have a par or nominal value with effect from 3 March 2014. There is no impact on the number of shares in issue or the relative entitlement of any of the members as a result of this transition.

10. RELATED PARTY TRANSACTIONS

Material transactions with a related company, which were conducted in the normal course of business and on arm's length basis, are summarised as follows:

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2015.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.
