## **PRESIDENT'S MESSAGE (DR ANGUS M W CHAN)**

(July 2015 to June 2016)

This is an extremely busy year for the Hong Kong College of Family Physicians. In May, the Hong Kong Primary Care Conference 2016 has attracted nearly 500 attendees. Congratulation to Dr Lorna Ng, Chairlady of the Organizing Committee, her team and the secretariat - they have worked tirelessly to make this Conference successful. The main theme was "A Flourishing Community - Our Vision in Primary Care" to address the present and future development of Primary Care in Hong Kong and worldwide. We were privileged to have Prof Michael Kidd, President of WONCA, Prof Sophia Chan, Under Secretary for Food and Health Bureau and Prof Lam Tai Pong, Professor, Department of Family Medicine and Primary Care of the University of Hong Kong to deliver three high power plenary lectures. This year we even had two workshops on Communication Skills in Putonghua to address local and Greater China participants.

Immediately follow the Primary Care Conference was our 29<sup>th</sup> Fellowship Conferment Ceremony. It was intriguing to see so many new Fellows and Diplomats and some were from Macau and Malaysia. There were 15 Diplomats of DFM, 26 Fellows passing the Conjoint Examination and 13 Exit Examination Fellows receiving their certificates.

This year marks the 150<sup>th</sup> anniversary of the birth of Dr Sun Yat Sen, an alumnus of the University of Hong Kong. We were honoured to have Prof Gabriel M Leung, Dean of Faculty of Medicine, the University of Hong Kong and one of the very best medical speakers to deliver the 27<sup>th</sup> Dr Sun Yat Sen Oration, titled: "What would Dr Sun have done? Prof Leung pointed out "Licenciate" was not equivalent to "Licensed to practice". The best example was Dr Sun who had to quit Macao because under Portuguese regulations, no one not possessing a Portuguese diploma could legitimately practice there, and so he moved to Guangdong to work. His talk was meticulously researched and a true reflection of the Hong Kong situation!

October 2015 was our 29<sup>th</sup> Conjoint Fellowship Examination with the Royal Australia College of General Practitioners. Dr Mark Miller, Censor-in-Chief and Dr Chris Hughes, Censor were again the visiting External Examiners from RACGP this year. I would like to thank the RACGP for her never failing support and advice. I would also like to congratulate the Board of Conjoint Examination under the leadership Dr Chan Hung Chiu and Dr Ip Pang Fei, Chief Examiner and their Board members to have run the Examination superbly with all their hard work, experience and dedication. On the day of the OSCE Examination, there were over 100 enthusiastic examiners and all the College secretarial staff worked tirelessly as a team to run a very successful examination. There were 75 candidates sitting for this year's examination, with 71 and 4 candidates of Category I and Category II respectively. 41 candidates sat for the Written Segments (39 Cat I and 2 Cat II candidates), while 34 candidates sat for the Clinical Examination (32 Cat I and 2 Cat II candidates). 26 candidates passed the Conjoint Examination and awarded the double Fellowships. The "Dr Peter C Y Lee Best Candidate Award 2015" was presented to Dr Kwan Sin Man, who had passed the Conjoint Examination at one setting and achieved the best performance in the Examination.

The Diploma in Family Medicine course had entered the thirteenth year milestone. This was a successful year with fifteen candidates graduated in the DFM course in 2016. A very memorable year to the DFM Board as it has successfully completed the first Shunde Certificate in Family Medicine course with the tremendous support of the Shunde Health Department in Guangdong, China and the generous sponsorship from Shunde District Min Yuen Tong. Thank you to Dr Simon Au in leading a very dedicated team and the great contribution to Family Medicine in Hong Kong and Greater China.

The Board of Professional Development and Services under the leadership of Dr Lau Ho Lim had provided educational activities for doctors from Mainland China and Macau in different projects and courses in relation to Family Medicine. The Board continued the CME programme for the Macau Health Bureau. This year the Board had successfully launched the "Train the Trainer Course" for aspired family physicians from China. The course had received very positive commendation from the attendees. Congratulations to Dr Lau and his team!

The Board of Vocational Training and Standards was co-chaired by Dr Ruby Lee and Dr Billy Chiu understandably had colossal workload especially with the preparation of reaccreditation process with RACGP next year. The Board continued to look at curriculum renewal. After 2 years of hard work and with reference to international training standards, BVTS have successfully aligned the comparable experience of the 6 years training requirement for nomination to HKAM Fellow for Members and Fellows with HKCFP recognised intermediate overseas qualifications. This alignment has been approved by the Council of the Hong Kong Academy of Medicine in August 2015 allowing family physicians to be eligible for nomination as HKAM Fellows if they fulfill the prevailing training requirements.

The Board of Education was under the leadership of Dr Alvin Chan. The Board had organized a great number of educational activities including lectures, small discussion group, video-library and video viewing session, cardiopulmonary resuscitation (CPR) training, clinical attachment in ENT and diabetes, assessment enhancement course, post-AEC training course, annual refresher course groups, certificate course and interest groups. This Board always represents the primary aim of this College, to educate all who wants to learn.

As the official journal of the Hong Kong College of Family Physicians, the Hong Kong Practitioner continued to serve our College Fellows, Members, and colleagues both locally and overseas as a quarterly publication over the year, reaching out to over 4,000 recipients per issue. Thank you to our Chief Editor, Dr David Chao and his energetic team.

The Specialty Board was continued led by Dr Wendy Tsui and her never resting team. The Board conducted Supplementary Exit Examination from July to September 2015 and the 2016 Full Exit Examination was held from December 2015 to March 2016. 13 candidates successfully completed and passed the whole Exit Examination. Prof Doris Young was again the QA Examiner of the 2016 Full Exit Examination. The Board scrutinized the application for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. The College submitted 14 fellowship nominations and were all approved by the Hong Kong Academy of Medicine. In 2016, the Award of Outstanding Candidate of the Full Exit Exam is Dr Lai Sum Yin.

The Public Education Committee continued to carry the flag of public education activities. The Committee continued to publish articles regularly in the Hong Kong Economic Journal. The popular TV drama , 'My Family Doctor' (我的家庭醫生), in which the Committee worked in close collaboration with the Radio Television Hong Kong (RTHK) and the Primary Care Office, Department of Health, is organizing the second series. The team had regularly appeared in different TV programmes to promote Family Medicine. In May 2016, the Committee co-organized a public event titled "Family Doctor, Brighten Your Life" to celebrate the World Family Doctor Day on 19<sup>th</sup> May. Thank you to Dr Ngan Po Lun and his hard working team.

FP Links headed by Dr Wendy Tsui had supplied us with the monthly newsletter of College activities. This link acts as a bridge for communication between members and the College and disseminates College news to local and overseas members. Certainly this had brought the Members and Fellows closer to the College.

The Web and Computer Committee chaired by Dr Mark Chan had a busy year. The Committee had upgraded the College Web service for our easy surf. The newly developed modules include a registration system for educational activities, online MCQs and Clinical Quizzes, and the archives for Hong Kong Practitioners and other official publications.

The Research Committee headed by Dr Daniel Chu had established two funding awards: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. The Best Research Award 2015 was granted to the paper "Severe hypoglycemia in type 2 diabetes mellitus patients managed in the primary care: incidence and associated risk factors" by Dr Catherine CHEN. Dr CHAN Fu Leung was elected HKCFP Research Fellowship 2016. His research project was "Therapeutic inertia in the management of proteinuria among type 2 diabetes patients in the primary care: prevalence and associated risk factors".

The Quality Assurance and Accreditation Committee chaired by Dr Chan King Hong continued to promote participation in continuing medical education by encouraging and identifying high quality activities and giving credit points. The Committee firstly initiated the Active Learning Mode in HKPCC this year. Active participation in prescribed learning before and after an accredited activity may earn CME and CPD points, upon successful submission of both pre-post MCQs

I must reserve the big thank to Dr David Chao in organizing the Internal Affairs Committee. Our Annual Dinner was a successful event and for the second time held at the Hong Kong Academy of Medicine.

External Affairs Committee under Dr Gene Tsoi, Business Management Committee under Dr Mary Kwong, House Management Committee under Dr Billy Chiu, Finance Committee under Dr Quincy Yuen, Council Member on Duty System under Dr Tony Lee, Membership Committee under Dr Loretta Chan and Professional Performance Committee under Dr Chan Kin Ling had completed and complimented the full operation of our College.

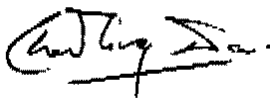

Many council members have also contributed through representation of our College / HKAM in various professional committees including –

- Dr Angus Chan in HKAM CME Subcommittee for non-specialist; CAG of Hong Kong Reference Framework for Preventive Care for Children in Primary Care Settings;
- Dr Chan Hung Chiu in Working Group on Alcohol and Health; Steering Committee on Prevention and Control of Non-communicable Diseases;

- Dr Mark Chan in Electronic Health Record (eHR) Information Standard (IS) Domain Group on Role Based Access Control (RBAC);
- Dr Chan Wing Yan in Advisory Group on Health Effects of Use of Internet and Screen Media Devices;
- Dr David Chao in the Education Committee of the Hong Kong Academy of Medicine; Organising Committee meeting for HKAM Medical Conference 2016;
- Dr Billy Chiu in Subgroup on Professional Development for Primary Care Directory Enrolled Doctors and Dentists; Working Group on Defining High-Risk Medical Procedures / Practices Performing in Ambulatory Setting; Colorectal Cancer Screening Pilot Programme Task Force; and the Cancer Expert Working Group (CEWG) on Cancer Prevention and Screening;
- Dr Daniel Chu in Advisory Committee of Jockey Club End-of-life Community Care Project for The HK Jockey Club Charities Trust;
- Dr Lau Ho Lim in Working Group on eHR & Information Standards; Steering Committee on eHR Record Sharing; CAG of Hong Kong Reference Framework for Preventive Care for Older Adults in Primary Care Settings; and University of Hong Kong Health Services Committee;
- Dr Law Tung Chi in Working Group on Communication Module of simulation training, the College of Surgeons of Hong Kong;
- Dr Ruby Lee in Task Force on Hong Kong Code of Marketing of Breastmilk Substitutes; Self-Learning Kit on Breastfeeding for Medical Professionals, Project Planning Committee; Committee on Promotion of Breastfeeding, Food and Health Bureau;
- Dr Tony Lee in Working Group for Revision of Teaching Kit for the Exercise Prescription Project;
- Dr Gene Tsoi in three Task Forces on Conceptual Model and Preventive Protocols; Primary Care Directory; Primary Care and Delivery Models, Working Group on Primary Care; WONCA International Classification Committee;
- Dr Mary Kwong in the Resuscitation Council of Hong Kong;
- Dr Wong Mong Sze, Marcus. Occupational Health Advisory Committee.

The hard work of our secretarial staff was led by Ms Erica So. All the secretarial staff included Crystal, Teresa, Alky, Carmen, Wing, Priscilla, Jeff, Cherry, Natalie, Windy and Odelia, deserved the biggest commendation.

Last but not least, I owe a debt of gratitude to my Chief Censor Prof Cindy LK Lam, Censors Dr Stephen KS Foo and Prof Donald KT Li, and Immediate Past President Dr Ruby Lee for their valuable advice and guidance. They are certainly the pillars of our beloved College.

Dr Angus M W Chan  
President

## HONORARY SECRETARY'S MESSAGE (DR BILLY C F CHIU)

(July 2015 to June 2016)

Year 2015 to 2016 continue to be another fruitful and busy year for HKCFP. Everyone put our effort on all the local, national & international family medicine advocate work. This is the third term of my honorary secretary position and I would like to highlight some of the main college event or work from July 2015 to June 2016.

After years of consultation, voluntary health insurance scheme had finally concluded. It was disappointedly concerned that the scheme did not consider the primary care but focus only on hospital care reform. The ultimate aim to achieve cost effective healthcare may be continually hindered. Our college will continue to pursue for every opportunity to lobby government stakeholder strategically and would stress the importance of wellness care, preventive care and all the primary objective of the most efficient primary healthcare in the future healthcare reform. In fact, Ms Carrie Lam, the Chief Secretary for administration invited our College to discuss about the HKSAR policy address consultation session on December 2015. HKCFP is the only college to be invited and the direction of healthcare policy was discussed with emphasis on primary healthcare manpower, primary care directory, quality assurance, finance, private public interface, community service and anticipatory care measure.

The 2<sup>nd</sup> series of Family Doctors TV Drama which of HKCFP was as the advisor in the production had commenced the broadcast in February 2016 for a total 5 episodes, we have also published the 5<sup>th</sup> book in June 2016 following the success of the previous 4 books in Family Doctor Series. This book is a compendium of the articles in the weekly column of Hong Kong Economic Journal in the past few years, contributed by 22 members of the College. The book serves as a good platform from members to share the stories with their patients on the key role of family physicians in the health care system.

HKPCC, one of the most important annual college event, honorably invited Prof Michael Kidd, World WONCA President, to deliver his plenary talk "Flourishing Communities - How Do We Achieve Our Global Vision for Primary Care?". Every of us would remember our role of horizontal piece in healthcare as said by Bill Gates. Another major event HKCFP the 29<sup>th</sup> Fellowship Conferment Ceremony and the 27<sup>th</sup> Dr Sun Yat Sen Oration was happened in June, which Prof Gabriel Leung, Dean of LKS Faculty of medicine HKU, delivered "What would Dr Sun Have Done?" as for the 150<sup>th</sup> anniversary of the birth of Dr Sun Yat Sen.

Other in-house activities like 19<sup>th</sup> May World Family Doctor Day celebration, on-going public education work, continual increasing intake of DFM candidate, annual fellowship examination, our triennial QA cycle work, research & computer work, etc, continually serve to set standard of family medicine and promotion of primary care in HK. This year, our College has successfully aligned the comparable experience of the six years training requirement for FHKAM nomination for members and fellows with HKCFP recognized intermediate qualification.

College will continue to collaborate and work with other institution or association, particularly this year, our president was invited to join the Ad Hoc Committee on toxic effect of lead contaminated water organized by HKMA, to serve and advice on this detrimental community health problem. Many of our fellows and members continue to serve in various professional roles to represent our discipline, for example, the pilot Colorectal Cancer Screening Programme by Department of Health, eHR project, etc.

Nationally, our sister college, the College of Family Physicians Singapore has been recognized as a specialty within the Singapore academy since July 2015. Our College maintains a close collaboration with various primary healthcare institutions in the Pearl River Delta Region such as DFM, BPDS, etc. In early March 2016 more than 30 members attended the 3<sup>rd</sup> Cross Strait Conference on GP with the theme "Enhance the Quality of General Practice, Promote the Building of a Healthy China". Our President Dr Angus Chan announced the inauguration of HKCFP Donald Li Scholarship which is to encourage practicing front-line doctor in China to continue their education and training. Our Chief Censor, Prof Cindy Lam was invited to give a plenary talk "The implementation of Hong Kong General Practice System at the University of Hong Kong Shenzhen Hospital."

There would have more and more important primary care work waiting ahead. All the contribution would be appreciated for our dedicated fellow, broad and committee member. I would like to express my gratitude to our manager Ms Erica So and secretariat staffs on helping to coordinating most of the office work and the logistic. Year 2017 would be our college 40<sup>th</sup> anniversary celebration. Dr David Chao would lead us to coordinate the most efficient programme so as to enable another memorable college milestone.

**The Examination**

The format of the 29<sup>th</sup> Conjoint Examination 2015 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our Case Writers and all our examiners.

### Workshops for Examiners

- 1<sup>st</sup> Examiner Training Workshop for OSCE 5 July 2015 (Sunday)
- 2<sup>nd</sup> Examiner Training Workshop for OSCE 2 August 2015 (Sunday)
- Workshops on Standard Setting for KFP exam paper 6 September 2015 (Sunday)
- Workshop on Standard Setting for MCQ exam paper 30 & 31 August 2015 (Sunday, Monday)
- KFP Marking Sessions 11, 12, 13 September 2015 (Friday, Saturday & Sunday)
- Case-writing Meeting for MCQ 15 February 2015
- Case-writing Group Meetings for OSCE 27 April and July - August 2015
- 3<sup>rd</sup> Examiner Training Workshop and On-site Examiners' Rehearsal for OSCE 4 October 2015 (Sunday)

### Information Seminar and Rehearsal for Candidates

An information seminar for candidates sitting the clinical segment was organized on 7 June 2015. 20 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

Same as last year, candidates this year were invited to the rehearsal for OSCE on 4 October 2015 in participating as 'real candidates' in the prepared clinical scenario. The purpose was to allow the candidates to have an actual on-site experience of the OSCE. 16 candidates attended. The feedback received was positive. The Board will consider repeating similar arrangement in the following year.

### The Conjoint Fellowship Examination

#### Written Segments:

MCQ	30 August 2015 (Sunday)	HKAM Jockey Club Building
KFP	6 September 2015 (Sunday)	HKAM Jockey Club Building

#### Clinical Segment:

OSCE	25 October 2015 (Sunday)	Our Lady of Maryknoll Hospital
------	--------------------------	--------------------------------

### External Examiners from RACGP

Dr Mark Miller (Censor-in-Chief) and Dr Chris Hughes (Censor) were the visiting External Examiners from RACGP this year for the OSCE Examination on 25 October 2015.

### Number of candidates

There were altogether a total of 75 candidates sitting for this year's examination, with 71 and 4 candidates of Category I and Category II respectively.

47 candidates sat for the Written Segments (44 Cat I and 3 Cat II candidates), while 34 candidates sat for the Clinical Examination (32 Cat I and 2 Cat II candidates).

### Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Subcommittee, consisting of Examiners, led by our Chief Examiner, to be responsible for the preparation of all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to a minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).

5. Sharing cases with RACGP to widen our exam case bank.
6. Transmission of confidential exam materials through the secured sharing platform as suggested by RACGP.
7. Presentation of OSCE exam materials to examiners only on the day of exam.
8. Continual appeal to the professional integrity of all involved in running the exam.
9. Proper “quarantine” of candidates of the morning and afternoon sessions respectively on the day of OSCE exam.
10. Forbiddance of use of any electronic devices by candidates inside exam venue.
11. Prompt data entry of candidates’ scores on the same day of exam.

All these measures, among many others, were well adhered to throughout the whole examination period.

### Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiners in our Cantonese speaking stations during the OSCE examination, instant translation (in writing) had been arranged.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

### Successful candidates in Part I Written Examination 2015

### Examination Prize: "Dr. Peter C Y Lee Best Candidate Award 2015"

It was the eleventh year that the College offered this prize. From the year 2013, this award was renamed “**Dr Peter C Y Lee Best Candidate Award**” for commemorating Dr Peter Lee’s contribution to the discipline of family medicine. The “Dr Peter C Y Lee Best Candidate Award 2015” was presented to Dr KWAN Sin Man, who had passed the Conjoint Examination at one setting and achieved the best performance in the Examination.

## Acknowledgement

The Board of Conjoint Examination would like to thank our Chief Examiner and segment Coordinators for contributing so much of their time and effort throughout the entire examination, all the Board members for their active participation, the External Examiners from RACGP for their continual advice and support, all our QA Examiners, Case-writing and Marking Examiners, Trainee Examiners, and Role Players for their time and contributions before and during the examination, and all our College secretarial staff and helpers for their excellent administrative and supportive works.

## CHAIRMAN'S MESSAGE

The DFM course entered her thirteenth year. This was a successful year as fifteen candidates graduated in the DFM course in 2016. The Board praised the candidates for their hard work and commitment in learning new knowledge and skill in Family Medicine and congratulated them on their wonderful accomplishment.

This year has been another memorable year to the DFM Board. Our Board has successfully completed Shunde CFM course with the tremendous support of the Shunde Health Department and generous sponsorship from Shunde District Min Yuen Tong (順德綿遠堂). The Board has modified and translated the CFM materials to cater the cultural needs of our Shunde colleagues. Our Board members have found this new Shunde teaching experience rewarding and meaningful. We highly enjoyed the local Shunde food and the hospitality of our friendly Shunde Health official and colleagues. The Shunde Health officials and our Board both wish to continue the Shunde CFM course in the coming year to benefit more Shunde doctors.

On behalf of the Board, I would like to take this opportunity to thank Professor Cindy Lam, Professor Donald Li, Dr Stephen Foo and our President, Dr Angus Chan for their continuous support and guidance. Lastly, I like to express my deepest appreciation to Dr Chan Chi Wai for leading his team in organizing a very successful examination, Dr Chan Man Li for his dedication in clinical examination, Dr Tsui Hoi Yee for her dedication in written examination and all the hardworking Board members, teachers and examiners for their unflinching support and selfless contribution. I also wished to thank our secretarial staffs Ms Alky Yu and Mr Jeff Cheng for their diligent work.

## **CHAIRMAN'S MESSAGE**

During the year 2015 -2016, the Board continued to organize a series of different educational activities for our members and doctors in Hong Kong. These abundant activities are outlined below.

### **Video-Library and Video-Viewing Session**

For the year 2015 we arranged 11 video sessions in our Wanchai College premises on a monthly basis. Video Library has been set up since July 2005. Video viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon CME activities, various Interest Groups and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point per session is accredited to colleagues who attend the viewing session. A maximum of 2 CPD points may be accredited (subject to submission of satisfactory report of Professional Development Log). It is encouraging that the number of attendance is increasing. The topics presented were as follows:

- Sports Medicine, Sports Science - Current Practice
- Glycemic Index : Non-alcoholic Fatty Liver Disease
- Understanding Fats Good VS Bad
- Mx of Insomnia & the Use of Hypnotics
- New Treatment Update in Allergic Rhinitis
- Periodontal Diseases – The Most Common Infection
- Periodontal Infection – A Silent Health Risk
- Dr, am I suffering from sexually transmitted infection?
- Cardioprotective role of Beta-blockers in Hypertension & other Cardiovascular Diseases
- Clinical Approach to Alopecia
- Inseparable Twins – Pain and Mood Disorders Recent Updates
- Traditional Chinese Therapy and dermatoses
- Treatment of Sputum : Old is New
- Emerging Role of DPP-4 inhibitor and TZD Combination in the Management of Type 2 Diabetes: a Pathophysiologically Sound Treatment

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video. With Dr Cheung's works, the participants will feel like attending the luncheon meeting live while watching the video.

If you have interest to view these videos, you can contact our secretaries and they are happy to make arrangement for you.

### **Small Discussion Group**

It is good news that the number of Small Discussion Groups has increased to 195 in 2015. Participants will gain 1 CME point per hour and the speaker will gain an extra 1 CPD point. Well-written synopses will be published in our College Journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups. However, synopses not up to standard are requested to be re-written again.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

### **Cardiopulmonary Resuscitation (CPR) Training**

The Board would like to thank the Resuscitation Council of Hong Kong for their continuous support. Our CPR training workshops and examinations were running successfully. We held two CPR training workshops in February and March 2016. We had 53 members who passed the CPR Examination and were awarded the Certificate of Competency CPR in Basic Life Support, which is also accredited by the Resuscitation Council of Hong Kong this year.

With the increasing demand on higher standard of pre-hospital life support care together with advances in medicine, we see the need to further empower our primary care colleagues in the knowledge and skills in contemporary art of resuscitation so that more lives could be saved in the out-patient setting should the emergency need arises. Our College, in collaboration with the Resuscitation Council of Hong Kong (RCHK), had launched an extended resuscitation course, the Advanced Primary Care Life Support (APCLS) Instructor training Course on 30 January 2016. This course aims to widen the scope of our existing CPR training by adding several important elements, use of automated external defibrillator (AED), use of various types of airways and use of neck collar in dealing with initial trauma care. This is in tally with the enhanced RACGP Advanced Life Support (ALS) course both for upgrading of our CPR capability and in achievement of reciprocal recognition with our Australian college. There were totally 13 new APCLS instructors who had been our existing BLS instructor who passed the assessment under the supervision of our external advisor Dr Axel SIU, the first Vice-Chairman of the Resuscitation Council of Hong Kong and the Vice-President of the Hong Kong College of Emergency Medicine. We have also

managed to recruit 11 new trainee instructors from Department of Health and Hospital Authority who completed the workshop being interested college members who wished to extend their CPR skills.

The Board would like to express our sincere thanks to Dr David S L CHAN, Dr KONG Che Wan, Dr Mary B L KWONG, Dr Peter K Y LEE and Dr WONG Pak Hoi in coordinating the training manuals, various workshops; and all instructors and trainee instructors as listed below for their time and effort in helping out the CPR training and examination for our members:

Instructors: Dr AU-YEUNG Shiu Hing, Dr CHAN Hung Wai, Dr CHEUNG Ying Man, Dr CHING Kam Wing, Dr CHOW Shun Wai, Dr HUI Lai Chi, Dr Winson W Y HUNG, Dr KO Siu Hin, Dr Michael C H KWOK, Dr KWAN Man Woo, Dr Stanley K H LAM, Dr LAU Man Wai, Dr LAU Tai Wai, Dr Daniel C Y LEUNG, Dr MA Che Kwan, Dr Danny P K MA, Dr MO Kam Chuen, Dr NG Ching Luen, Dr Allen H Y NGAI, Dr SO Siu Hei, Dr SUNG Tai Wai, Dr Dorothy K Y TO, Dr Leon G TONG, Dr Keith TSE and Dr WONG Ka Wah.

Trainee Instructors: Dr CHAN Fu Leung, Dr CHAN Ka Wai, Dr KWONG Hon Kei, Dr LAU Pui Ling, Dr Millicent L K LEUNG, Dr LEUNG Sze Wan, Dr MAN Fung Yi, Dr NG Yiu Kong, Dr TAM Wah Kit, Dr TSUI Hiu Fa, Dr Amy O Y WONG and Dr WONG Wai Man.

### **Clinical Attachment**

Being the Chairman, I am glad that we have two clinical attachments this year with the support from our hospital colleagues.

Diabetes - United Christian Hospital

ENT - Department of Otorhinolaryngology, Head and Neck Surgery, CUHK

The Board would like to express our sincere thanks to Dr Grace KAM, Dr HUNG Chi Sang, Dr Elaine CHEUNG, Dr Flora HO, Ms Maisy MOK and staff of United Christian Hospital. Prof Michael TONG, Prof C A van HASSELT, Dr John WOO and the staff of their departments for organizing our clinical attachments in Prince of Wales Hospital. The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

### **Assessment Enhancement Course**

Assessment Enhancement Course remained the most welcome course in her 16<sup>th</sup> year of establishment. I would like to thank all the tutors in contributing their time and effort in this course. They help tremendously in improving the skills on consultation, physical examination and other various aspects of the participating doctors. These are very useful to our members in preparing the Conjoint Fellowship Examination. The Board would like to express our sincere thanks to Dr LAI Sheung Siu in coordinating the course and all tutors for their hard work as follows: Dr CHAN Man Li, Dr CHEUNG Kwok Chiu, Dr CHUNG Kin Wing, Dr FOK Peter Anthony, Dr LAU Ka Kin, Dr Janet C Y TAM, Dr John H TAM, Dr WONG Chun Fai, and Dr WONG Kwok Hoi.

### **Post-AEC Training Course**

As doctors working in private practice (Category II candidates) are lacking structural training, the Post AEC Training Course was first launched in April 2010 for the AEC candidates especially Category II candidates to help them to form study groups and to provide the platform to facilitate them for preparing the Conjoint Fellowship Examination with formal group support and tutors. The Board would like to express our sincere thanks to the Co-ordinator, Dr Peter K Y LEE in contributing his time and effort in this course.

### **Annual Refresher Course**

Annual Refresher Course is the traditional major year-end event for 35 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 150 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in the coming year 2016.

### Professional Development Subcommittee

Since 2005, eight Interest Groups have been formed under Professional Development Subcommittee Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, and Neuro-Musculoskeletal Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a

better management and a high-quality health care for the public.

**The Interest Group in Dermatology** scheduled to have regular bimonthly meeting on the first Saturday afternoon of odd months (except public holidays) in the year 2015. We had 6 meetings in 2015.

**CHAIRMAN'S MESSAGE**

This year has passed smoothly in the running of the Board's regular activities. All Board members and subcommittee members had helped on various BVTS's activities such as responding trainees' enquiries, checking new applications for enrollment and accreditation, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees, travelling to various training centers for accreditation, reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting etc. All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31<sup>st</sup> March 2016 are as follows:

New enrolled Basic trainees	:	39
New enrolled Higher trainees	:	29
Total Basic trainees	:	116
Total Higher trainees	:	45

Our curriculum aims to provide a comprehensive guidance for trainee on how to acquire the necessary skills, knowledge and attitudes to provide high quality primary care, training and research within the modern world of family medicine. Curriculum renewal is an ongoing process. I would like to express my gratitude to Dr Ruby Lee in leading the curriculum review subcommittee and continually liaise with RACGP. The plan is to continue the timeline as scheduled by RACGP and HKCFP so as to enable another smooth and effective HKCFP training program accreditation, hopefully finished in 2017. We welcome and encourage continual feedback from all the trainer and fellow so as to work out the most updated and holistic curriculum to keep the highest family medicine training standard in Hong Kong.

Different trainees may have different training pathway according to the mode of training, personal interests, and life events encountered. Thus, the Board has revised the guidelines on the duration of training in both Basic and Higher Training and the related time frames, and with the endorsement of the Council. The time limitation of duration of training for basic training (within 10 years from the date of enrolment) and higher training (within 5 years from the date of enrolment) has been removed. The 5 years' time limitation for trainees to enroll into higher training 'After completion of basic training AND possessing a higher qualification in Family Medicine' has also been removed. Another important BVTS milestone is the successful alignment of comparable experience of the six year training requirement for nomination to HKAM fellow for members and fellows with HKCFP recognized intermediate qualification. This alignment encourages and enables more of our eligible members and fellows for nomination as HKAM fellow then family medicine specialist.

I would like to express my heartiest thanks to Dr Lee Kai Yuen for all the contributions in the past years and welcome Prof Wong Chi Wai William to join BVTS as Board member. Their participation is definitely valuable to our Board. I also welcome all other new members to join the various subcommittees of the Board.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster co-ordinators for their contributions in the training programme. I also would like to express my gratitude to our executives' Carmen Tong and Odelia Cheng who are all committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

### **Output**

Congratulations to our trainees for passing the **HKCFP/RACGP** Conjoint Examination in 2015 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

## CHAIRMAN'S MESSAGE

During this year, the Hong Kong Practitioner, the official journal of the Hong Kong College of Family Physicians, continued to serve our College Fellows, members, and colleagues both locally and overseas, reaching out to over 4000 recipients per issue. Among the published manuscripts, 19% were original research articles, 44% were update articles, 13% were discussion papers, and the remaining ones were editorials.

We would like to take this opportunity to express our gratitude towards all the contributing authors, editorial board members, business manager, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their tremendous support and dedication over the previous year. We are also determined to strive for providing family medicine relevant clinical articles for the busy family physicians in the coming years.

The Specialty Board conducted Supplementary Exit Examination from 2 July to 11 September 2015. 14 candidates sat the supplementary Exit Examination and 10 of them successfully completed and passed the whole Exit Examination.

The 2016 Full Exit Examination was held from 1 December 2015 to 21 March 2016. 16 candidates attempted the Examination and 3 candidates successfully completed and passed the whole Exit Examination. Professor Doris Young was the QA Examiner of the 2016 Full Exit Examination.

**The successful candidates were:**

Dr David C H CHEUNG  
Dr Clarence C M CHOI  
Dr Stephen C W CHOU  
Dr IP Sui Wah  
Dr LAI Sum Yin

Dr LEE Wing Po  
Dr LEUNG Ka Fai  
Dr MAN Fung Yi  
Dr POON Yung Yin

Dr SHIU Wing Ho  
Dr WONG Chit Wing  
Dr WONG Chun Fai  
Dr YEUNG Sze Wai

The “**Outstanding Candidate Award 2016**” was presenting to Dr LAI Sum Yin, who had passed the Exit Examination at one setting with outstanding performance in the Examination.

The Board had organized Pre-Exit Examination Training Workshop and Post-Examination Evaluation Workshop after the Examination for candidates. Standardization Workshops for examiners were also held to maintain the standards of the assessment.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 14 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

This year is another busy year. We have organised different types of CME activities for our members. The regular bi-monthly Dermatology and Mental Health Interest Groups, the Neuro-musculoskeletal Interest Group, Evidence based medicine Interest Group and Counselling Interest Group are most welcome by our members. Training Courses include Practice Management Training Course, Cardiopulmonary Resuscitation (CPR) Training Course and Quality Improvement Training Course for Primary Care Doctors (co-organised with Primary Care Office). The practical workshops include Consultation Skill Workshop, Orthopaedic Injection Workshop, Women's Health Workshop of Diploma of Family Medicine; Certificate Course of Bring Better Health to our Community, are open to all our College members with good attendance. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Examination and Specialty Board. The Hong Kong Primary Care Conference 2015 with the theme "Stay Caring, Go Excelling in Primary Care", was held on 30-31 May 2015 had more than 450 participants. Assessment Enhancement Course (AEC) has been extended to include Written Enhancement Training Course and Post AEC Training Group. Diabetes Clinical Attachment, ENT Clinical Attachment, Annual Refresher Course are also successfully arranged by Board of Education. These valuable activities, some are generously sponsored by the pharmaceutical companies, can effectively enhance and update a board range of medical knowledge for our members.

We had a memorable evening of 38<sup>th</sup> Anniversary Dinner held on 6<sup>th</sup> December, 2015 at the Hong Kong Academy of Medicine Jockey Club Building, and shared our joyful moment with all our members and invited guests together. We had the dinner lucky draw that night. I would like to take this opportunity to thank our College members, Cordis Hotel, Eaton Hong Kong and Galderma Hong Kong for their generous donation of the lucky draw prizes.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The Family Physicians Links is becoming more popular. The demand for the College's bulk e-mail mailing and circulating services from members and other institutions has likewise increased.

On behalf of the College, I would also like to express my gratitude to all the following companies for their generous support for the College's functions in the past one year:

A. Menarini Hong Kong Limited  
Actavis Hong Kong Limited  
AstraZeneca Hong Kong Limited

## **COUNCIL MEMBER-ON-DUTY (CMOD) SYSTEM**

(April 2015 to March 2016)

**Coordinator:** Dr Tony C K LEE

**Ex-officio:** Dr Angus M W CHAN  
Dr David V K CHAO  
Dr LAU Ho Lim  
Dr Billy C F CHIU  
Dr Quincy S M YUEN

**Staff:** Ms Erica M SO (General Manager)  
Ms Teresa D F LIU (Senior Administrative Executive)

From 1 April 2015 to 31 March 2016, there was no case received for the past year.

I would like to express my sincere gratitude to all Council members who act as on-duty members in the roster and I would also like to thank the secretarial staff for their hard work.

## **EDUCATION COMMITTEE (AM AFFAIRS)**

(April 2015 – March 2016)

**Coordinator:** Dr David V K CHAO

**Staff:** Ms Erica M SO (General Manager)

### **Revised Exit Examination Guidelines and Training Requirements**

The College had revised the Exit Examination guidelines. The previous 5-year time limit of attempting the Exit Examination after completion of higher training had been removed. And the time limit of passing all three segments of the Exit Examination within 3 years from the year of the first attempt would also be removed. Each successful segment result could only be retained for 5 years.

In order to align the comparable qualifications and training requirements in Family Medicine for doctors who have been trained locally and overseas, the College has conducted a review of the existing practice and elaborated on the details of the comparable training in Family Medicine for those who have already obtained HKCFP recognised intermediate qualifications according to the prevailing international standards. Education Committee (EC) endorsed the proposal on comparable supervised training as follows.

- **Pre-intermediate Qualification Training (Comparable Basic Training)**

- Specialty-based training (other than Family Medicine):

- (1) At least 12 months to a maximum of 42 months
    - (2) At least 2 specialties
    - (3) Any one specialty of a minimum duration of 3 months with allowance for advanced studies up to a total of 24 months
    - (4) Another specialty of a minimum duration of 3 months with allowance for advanced studies up to a total of 12 months

- Community-based Family Medicine Training:

- At least 6 months and up to 36 months

- Required competence training within the above training periods:

- A. Emergency Medicine
    - B. Paediatrics

- **Post-intermediate Qualification Training (Comparable Higher Training)**

- 24 – 36 months community based training

### **HA Central Training and Development Committee**

EC updated the status and progress of HA Central Training and Development Committee, with its first meeting held on 20 November 2015. EC noted the governance structure, terms of reference and membership of the Committee.

Their key action plan in response to the HA Review's recommendations on "Strengthening Training and Development" included:

- (1) Strengthen governance on training;
- (2) Develop mechanism to ascertain training needs of the organisation and development of training activities;
- (3) Develop system for effective training information management and planning;
- (4) Strengthen collaboration with external parties to enhance overall training capacity and capability; and
- (5) Utilise one-off additional funding of \$300 million to enhance training.

The areas of priorities of training resources allocation were identified as follows:

- (1) Service Provision / Development
- (2) Professional Development
- (3) Job/Operation Requirements

### **Report of the Accreditation Exercise on Medical Education and Training by Medical Council of Hong Kong**

Medical Council of Hong Kong (MCHK) wrote to EC seeking advice on the latest global trend of assessment methods and their effectiveness in medical education programme, especially those methods that were tested and proven. The Education and Accreditation Committee of MCHK believed that the individual Colleges of HKAM should research into the area in order to review the assessment methods being used.

### **Standards of Ambulatory Facilities for High-Risk Medical Procedures**

The Steering Committee on Review of Regulation of Private Healthcare Facilities has endorsed the recommendation of the Working Group on Defining High Risk Medical Procedures/Practices in Ambulatory Setting that a statutory registration system be introduced to regulate ambulatory facilities where high-risk procedures are performed. It was suggested that a Project Steering Committee (PSC) on Standards for Ambulatory Facilities be set up to oversee the standard-setting process and promulgation of standards, and to set up task forces to devise and recommend detailed standards. These Task Forces would comprise relevant experts nominated by member Colleges of HKAM.

### **Medical Education Conference 2016**

Further to the first Medical Education Conference of the Hong Kong Jockey Club Innovative Learning Centre for Medicine (HKJC ILCM) on 7-8 February 2015, the Academy's 2<sup>nd</sup> annual Medical Education Conference (MEC) 2016 would be scheduled on 28 - 29 May 2016. The theme for this year was "Postgraduate Education Assessment". MEC 2016 was designed to showcase excellence in medical education and would constitute a platform for thoughts provoking discussions and sharing of experiences among medical leaders, health policy makers, academics and allied healthcare practitioners.

Dr David Chao was HKCFP's official representative to join the Organising Committee. Dr LUK Kam Hung, Segment Coordinator of Practice Assessment, Specialty Board, would help to deliver the symposium on Practice Assessment.

### **CMECPD Requirements**

EC noted the summary report regarding the points obtained by Fellows of different Colleges after the 2<sup>nd</sup> year of the cycle 2014-16 (with the pending submission from the College of Physicians). It was noted that about 5.7% of the Fellows failed to obtain 4/9 of the required points for a cycle. The Academy Secretariat would send them a reminder accordingly. On the other hand, it was also noted that about 51% of the Fellows have already fulfilled the 90-point requirement of a cycle after the 2<sup>nd</sup> year.

## EXTERNAL AFFAIRS COMMITTEE

(July 2015 – June 2016)

**Chairman:** Dr Gene W W TSOI

**Member:** Dr Catherine X R CHEN  
Prof Samuel Y S WONG

**Ex-officio:** Dr Angus M W CHAN (President)  
Dr David V K CHAO (Vice-President, Education and Examinations)  
Dr LAU Ho Lim (Vice-President, General Affairs)  
Dr Billy C F CHIU (Honorary Secretary)  
Dr Quincy S M YUEN (Honorary Treasurer)

**Staff:** Ms Erica M SO (General Manager)

The third Cross Straits Conference on General Practice with the theme “Enhance the quality of General practice, promote the building of a Health China” was held in Shenzhen from 5-6 March 2016. The College had a strong representation of more than 35 participants from the Council and members to support Conference. Speakers from the College shared with Mainland GPs on various topics and studies.

I have been nominated by the College to be an associate member of Wonca International Classification Committee (WICC) since 2014. WICC's mandate includes getting widespread international use of the International Classification of Primary Care (ICPC). WICC is keen to be in touch with interested parties on ICPC developments and get more people to engage with WICC. WICC is setting up an open type of general communications from its website PH3C to members so that they can extend WICC to a wider group of interested people.

The 2016 World Conference of WONCA would be held from 2 – 6 November 2016 in Rio De Janeiro, Brazil. However, the Zika virus alert has become a deterrent for members and fellows to attend the conference. Dr Doanli Li and I would be official delegates to attend the Wonca Asia Pacific Regional and Wonca World Council meetings on behalf of our College.

## FINANCE COMMITTEE

(April 2015 – March 2016)

**Chairman:** Dr Quincy S M YUEN

**Committee Members:** Dr Angus M W CHAN (President)  
Dr David V K CHAO (Vice-President, Education & Examinations)  
Dr LAU Ho Lim (Vice-President, General Affairs)  
Dr Billy C F CHIU (Honorary Secretary)

**Staff:** Ms Priscilla S M LI (Acting Administrative Executive)

With careful monitoring by the Finance Committee, the financial situation of the College in 2015-2016 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$14.2 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. Only about 17% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr Angus Chan, our President, Dr Lau Ho Lim, our Vice President (General Affairs), Dr David Chao, our Vice President (Education & Examinations), Dr Billy Chiu, our Honorary Secretary, Ms Erica So, our General Manager and Ms Priscilla Li, our Acting Administrative Executive, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services.

### CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 24 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work closely to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, to name a few, photo gallery and highlights of college events, WONCA news, features of primary care initiatives and latest medical and health related news. There is also support from other Boards, e.g. the Board of Education who contribute the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting.

### CHAIRLADY'S MESSAGE

The 6th Hong Kong Primary Care Conference with its inspiring theme "A Flourishing Community – Our Vision in Primary Care" was successfully held from 4th to 5th of June 2016. This annual hallmark conference was well received with yearly increasing number of participants, proving this event's importance as a rich networking opportunity in bringing medical, nursing and allied health professionals together to enhance primary care. This year, we have three distinguished plenary lectures from leading experts in Family Medicine and Primary Care namely current WONCA President Professor Michael Kidd, Under Secretary for Food and Health HKSARG Professor Sophia Chan and Professor TP Lam. Besides the stimulating and thought-provoking plenary lectures, we also had a wide selection of relevant and well-structured program delivered by a range of excellent speakers with diverse backgrounds and experiences.

**From left to right:**

Ms Wing Yeung, Ms Natalie Ho, Ms Windy Lau, Ms Odelia Cheng, Ms Priscilla Li, Ms Alky Yu, Ms Cherry Chan, Ms Erica So, Ms Crystal Yeung, Ms Teresa Liu, Ms Carmen Tong, Mr Jeff Cheng

**Personnel:**

Senior Administrative Executive Mr John Lee, Administrative Executives Mr Marco Cheng and Ms Odelia Cheng, Administrative Assistant Ms Rosina Chan resigned from the College. From the middle of 2015, we have Ms Jeff Cheng, Ms Cherry Chan and Ms Natalie Ho joined the Secretariat.

**Grading & Salary Structure**

Same as last year, the Committee had conducted a performance appraisal for the staff. All staff has received a salary increment of 3%-4% adjusted in line with the staff performance and in accordance with College's financial status. Also, Ms Alky Yu had been promoted as senior Administrative Executive, Ms Priscilla Li and Ms Windy Lau had been promoted as Acting Administrative Executives. In order to maintain a high morale in the Secretariat, the House Committee members would arrange to talk to individual staff from time to time, to know their views and any difficulties encountered in their work. Informal gatherings, including an annual gratuity lunch, will be organised at least once a year, to fortify a team spirit in the Secretariat.

Last but not least, I would also like to thank the General Manager Ms Erica So for her continued leadership and the secretarial team for their generous support in the past years.

## **INTERNAL AFFAIRS COMMITTEE**

(July 2015 – June 2016)

**Chairman:**           **Dr David V K CHAO**

### **Annual Dinner**

The 38<sup>th</sup> Annual Dinner was held on 6 December 2015 (Sunday) at Run Run Shaw Hall, 1/F, Hong Kong Academy of Medicine Jockey Club Building, Wong Chuk Hang, Hong Kong.

The Annual Dinner was well received by 144 participants including our Council members, College Board/Committee members, their spouses and family members and guests from different collaborative organisations. It provided a golden opportunity for us to meet and communicate.

The Internal Affairs Committee wishes to thank Dr Angus M W CHAN, our President, and our Council members, as well as collaborative organisations, hotels and the Printhouse for supporting and sponsoring the prizes in the Lucky Draw, Dr Kathy K L TSIM and Dr Matthew M H LUK, the Masters of Ceremony of the Annual Dinner, and our secretariat team members who gave their time and effort in making the Annual Dinner a great success. We would also like to express our gratitude towards Dr CHAN Hung Chiu, Dr Kenny KUNG and Dr Raymond W M YEUNG for their musical performances on stage. In addition, we would like to thank Dr LO Ling who had again volunteered to be our additional photographer for the occasion.

### **Photography Club**

The Photography Club of HKCFP was formed in 2014 under the administration of Internal Affairs Committee. The setting up of the club is to foster a platform to gather fellow shutterbugs and to share the joy in photography with college members. Novice and experienced photographers are welcomed to join the Photography Club activities.

The 2<sup>nd</sup> activity was a “Time Lapse Photography” lecture delivered by the official Nikon team on 28 November 2015. Illustration on time lapse was made from the basics to the advanced techniques, and selected lenses were available for try-on.

The 3<sup>rd</sup> activity was a “Light Painting” held on 25 June 2016 by 2 masters, Mr Rocco Sung and Mr Warren Tang. Both masters shared their valuable expertise and experience to our members on sunset shooting and light painting.

### **Conferment Ceremony**

The 29<sup>th</sup> Fellowship Conferment Ceremony and the 27<sup>th</sup> Dr Sun Yat Sen Oration were successfully held on 5 June 2016 (Sunday) at the Run Run Shaw Hall, Hong Kong Academy of Medicine Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

This year, the Ceremony was well attended by 234 participants, including the successful candidates of Exit Assessment, Conjoint Fellowship Examination, Diploma in Family Medicine and their families and friends, as well as invited guests and dignitaries from the Food and Health Bureau, the Department of Health, the Hospital Authority, the universities and representatives of local and overseas academic colleges.

We are most grateful towards the tremendous team of helpers, including Dr Kathy K L TSIM, the Public Orator, Dr KO Wai Kit, the Ceremony Coordinator, Dr Edmond C W CHAN, Dr FOK Peter Anthony, Dr KWAN Yu and Dr Doris N P CHAN, the Marshalling Officers, and Dr CHUNG Kin Wing, Dr Kinson K S LAU, Dr Raymond W M YEUNG and Dr Jenny H L WANG, the Ushers. They have contributed their time and effort to ensure the smooth running of the Ceremony and are keys in making it a true success. Last but not least, we would like to express our gratitude towards our College Secretariat for their dedication and enthusiasm towards the College events.

## MEMBERSHIP COMMITTEE

(July 2015 – June 2016)

**Chairlady:** Dr CHAN Wing Yan

**Deputy Chairman:** Dr LUK Wan

**Members:** Dr CHAN Man Li  
Dr LO Sze Mon

**Ex-officio:** Dr Angus M W CHAN  
Dr David V K CHAO  
Dr LAU Ho Lim  
Dr Billy C F CHIU  
Dr Quincy S M YUEN

**Staff:** Ms Priscilla S M LI (Administrative Executive)  
Ms Cherry T Y CHAN (Administrative Assistant)

The current membership of HKCFP is as follows: - (as in end June 2016)

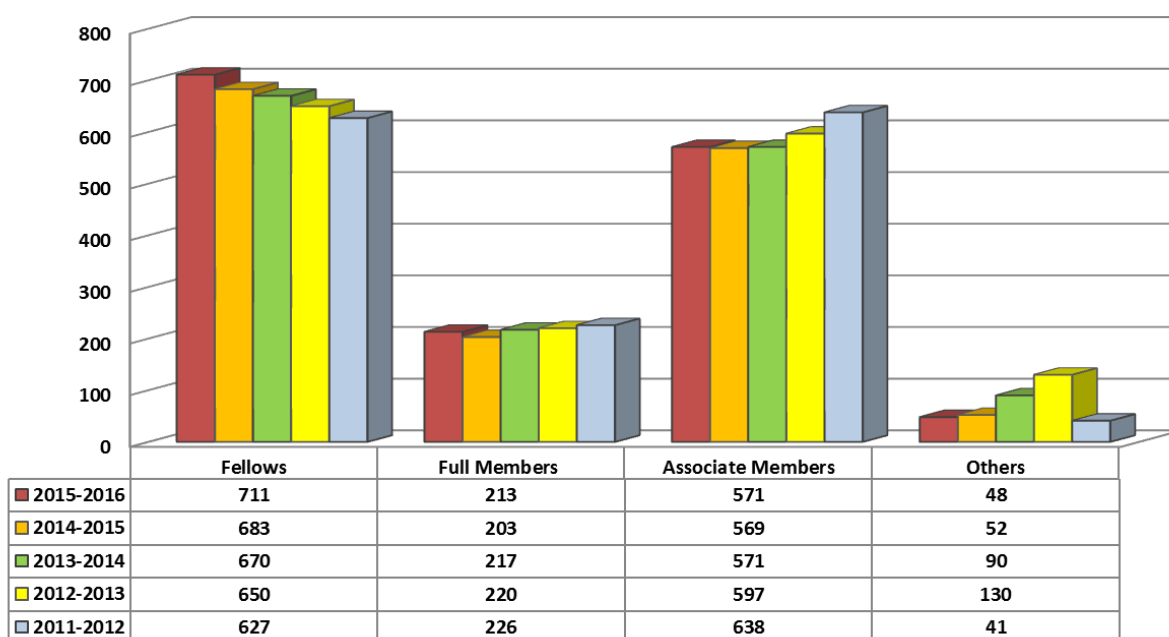

Fellows*	711 (HKAM Fellows: 447)
Full Members	213
Associate Members	571
<u>Others **</u>	<u>48</u>
Total:	1,543

\* Fellows include Fellows, Foundation Fellows, Hon Fellows and Non-HKSAR Fellows.

\*\* Others include Affiliate Members, Non-HKSAR Members and Student Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care. We expect to see a constant growth in membership with increase in proportion of fellowship.

### The Hong Kong College of Family Physicians Members Status Report

## PROFESSIONAL PERFORMANCE COMMITTEE

(April 2015 – March 2016)

**Chairman:** Dr CHAN Kin Ling

**Committee Members:** Dr Stephen K S FOO

The Professional Performance Committee is established to provide advice on professional performance to medical doctors who require peer review, supervision or audit.

### Objectives:

1. To provide professional advice from the view point of family medicine.
2. To assist medical practitioners to meet the standard of professional performance.
3. To enhance the standard of the professional performance by peer supervision
4. To co-ordinate and appoint professional performance supervisors to provide professional advice upon application from individual medical doctor.
5. To co-ordinate clinic audit on professional performance upon request from individual medical doctor.
6. To maintain the accountability of professional advice by regular review of the current regulations and standards.

Individual doctor can approach our College to seek assistance to supervise and to audit his / her practice standard under the instruction of the Medical Council of Hong Kong. In 2015, there is no doctor seeking our advice on professional performance.

I would like to thank our College secretarial staff for their constant support.

**Staff:** Ms Windy W L LAU (Administrative Executive)  
 Ms Cherry T Y CHAN (Administrative Assistant, from July 2015 onwards)

This year, the Public Education Committee continued to carry out public education activities through different channels. The Media Column Subgroup continued to publish articles regularly in the Hong Kong Economic Journal (信報) and We Care Magazine (關心). The published articles are amounted to 527 for the Hong Kong Economic Journal and 55 for the We Care Magazine (till the end of November 2015).

The 5-episode television drama, "My Family Doctor II 我的家庭醫生 II", produced by the Radio Television Hong Kong (RTHK), in collaboration with the Primary Care Office (PCO) of Department of Health (DH), and with full support from the College throughout the process of production, were broadcasted on Feb 2016. The TV programme received high rating and good comments from the public.

Following the success of previous four books of 家庭醫學手冊 series, the Committee published the fifth book 《家庭醫生 101》 in May 2016. The Committee would like to thank the contribution of the editorial team and all the authors to make it success.

The Public event with the theme 「喜怒哀樂 醫瞭身心」 (Family Doctor: Brighten your life) was successfully held on 15 May 2016 to celebrate the 'World Family Doctors Day' (on 19 May each year). This event was co-organized by College and PCO, and it was well-reported by various media.

Various public education activities and events in 2015 to 2016 were listed at the end of the report. I would like to thank all the colleagues who had offered their valuable assistance in the past year and our excellent administrative support from the secretaries.

With end in mind to promote best practices, the QA&A program aims to promote participation in Continuing Medical Education (CME) and Continuing Professional Development (CPD) activities so as to keep abreast of changing knowledge and technology relevant for General Practitioner (GP) and Family Physician (FP). Under the QA&A committee, proposed educational activities to our College are assessed to identify relevant and quality activities for GP/FP attendance. GP/FP participation in these learning activities towards best practices are acknowledged by CME/CPD points, with issuing of CME certificate to those GP/FP fulfilling the College's requirement as token recognition and encouragement.

In order to further enhance an effective and efficient QA&A program for GP/FP, the QA&A committee has conducted a review on prevailing operation in 2Q2016. One forthcoming initiative is the Active Learning Mode (ALM) where active participation in prescribed learning before and after an accredited activity may earn CME and CPD points, upon successful submission of both pre-post MCQs. Through innovative learning mode as such, learning may be facilitated efficiently and effectively in this era of rapid knowledge and technology expansion.

Kindly note that the electronic copy of CME certificate for 2015 will be available on the College's homepage <http://www.hkcfp.org.hk>, members can login to their own account to download the certificates anytime. Request for hardcopy certificate can be made in writing to the college secretariat, an administrative fee of \$50 per copy will be charged starting from July 2016. Please find list of active fellows/members who have fulfilled the College's requirement for awarding the CME certificate in 2015 as below. .

Two submissions had been received for the Best Research Award 2015 and the selection panel consisted of one internal and one external assessors. The winning paper was "Severe hypoglycemia in type 2 diabetes mellitus patients managed in the primary care: incidence and associated risk factors" by Dr CHEN Xiao Rui.

The 2016 HKCFP Research Fellowship had received four applications this year. The selection panel which consisted of one internal and one external assessors had selected the winner to be Dr CHAN Fu Leung. His research project was "Therapeutic inertia in the management of proteinuria among type 2 diabetes patients in the primary care: prevalence and associated risk factors".

The Committee has established two new funding awards over the last three years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector. Dr WONG Sum Lok, Dr WONG Kwai Sheung, Dr TAM Wing Yi, Dr TSE Sut Yee and Dr TSE Tung Wing George had been awarded this year's Trainees Research Fund. Moreover, Dr CHIANG Lap Kin had been awarded this year's Research Seed Fund. Awards were evaluated by one internal and one external assessor.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

In the year 2015-16, we continue to serve our College members to ensure a smooth operational function and improve communication.

Most noticeable is a new look of the website with increased function bars, is in used. The College Web service is undergoing constant upgrading, new options are being tested namely, a new registration system for educational activities, members MCQs and Clinical Quizzes function, and the continuous uploading of the past archives such as Hong Kong Practitioners and Public Education Publications. Educational articles will be re-categorised and allow public access to high quality health information. Member directory for public access is served with a basic file and a division based on geographical district will be provided. The Web Committee also look after the College Facebook, where rapid and timely information of public interest are uploaded. We welcome suggestions from

members and one with interest in web and computer to join us. The daily operation is being monitored and attended by our dedicated secretarial staffs, we owe the smooth function to their professional standard.

I would like to thank the members of the Web Committee for the support and valuable advice in the past year. We look forward to another year of service.

King-man Ho

Readers are invited to participate in the Clinical Quiz. A prize draw, sponsored by Pfizer Corporation Hong Kong Limited, will be undertaken among the successful entries. For entry into the draw, simply answer the question, fill in the reply slip and return it to the College by 23 August 2016. Each reader is allowed to submit one entry only. The name of the winner and the answer will be published in the September 2016 issue.

Clinical history:

This middle age lady presented with asymptomatic nodule at her groin for a few years. The lesion slowly increased in size initially and remained stable. Physical examination revealed a very soft nodule that does not tether to any underlying structure.

Message from the President

There was a very interesting health article in the South China Morning Post last week, titled "Specialist visit may increase hospital stays". This is based on a scientific report by Prof. Samuel Wong and his team at the School of Public Health and Primary Care, The Chinese University of Hong Kong. If you lag onto www.cuhk.edu.hk/news/2016/07/20160720/2016072001.htm, you will find the full text of the report. The association between types of regular primary care and hospitalization amongst people with and without multimorbidity. A household survey on 15,760 Chinese. This article will make every hard working and dedicated Primary Care doctor proud.

the effort to create a primary care directory. The Office is better off to operate directly under the Food and Health Bureau in order to best its influence. I hope our health officials will listen to our patient's suggestion.

Here comes my favourite topic: MANPOWER. If we do not have well trained family doctors, our dream as the city with the longest life expectancy will soon be deflated. Back in 2011, Dr. Mark Chon, one of our Council members led a team to provide a written submission to the Manpower Planning Committee of the HKAM. The estimation was based on one family doctor serving 2,450 people and therefore 2,450 trained family doctors were required to serve the 7 million Hong Kong population, assuming an annual output of 100 Family Medicine specialists, it

Overview

## **Honorary Treasurer**

(April 2015 to March 2016)

### **Honorary Treasurer: Dr Quincy S M YUEN**

**Staff:** Ms Priscilla S M LI (Acting Administrative Executive)

The financial situation of our College remains stable for the year 2015-2016. With a current reserve valued in excess of HK\$14.2 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Conjoint Examination, Specialty Board, Board of Vocational Training and Standards and Board of Diploma in Family Medicine. For Membership Committee, membership subscriptions generated an income of HK\$1.28 million (4% decrease compared with 2015). From the Board of Conjoint Examination, we obtained a surplus of HK\$833K (40.7% increase). From the Specialty Board, we obtained a surplus of HK\$322K (52.9% reduction). For the Board of Vocational Training and Standards, we obtained a surplus of HK\$524K (49.3% increase). The frustration in income of these 2 Boards was due to the number of trainee difference in past few years. From the Board of DFM, we obtained an income of HK\$322K (67.7% reduction). The decrease in income was mainly because we did not have CCD course with Macau this year.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$2.98 million (2.4% reduction). The Board of Education saw a deficit of HK\$470K (31.2% reduction). The total cumulative expenses were carefully controlled and had reduced by 7%.

On behalf of the board

Chairman

HONG KONG, 19 October 2016

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS  
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements Hong Kong College of Family Physicians set out on pages 4 to 11 which comprise the statement of financial position as at 31 March 2016 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Council's responsibility for the financial statements**

The Council is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibility**

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2016 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance..

**THE HONG KONG COLLEGE OF FAMILY PHYSICIANS**  
**(Limited by guarantee)**

**NOTES TO THE FINANCIAL STATEMENTS**

**1 LEGAL STATUS**

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

**2 GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

**3 SIGNIFICANT ACCOUNTING POLICIES**

(a) Property, plant and equipment

Property, plant and equipment, except investment properties, are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rates to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Entrance fees from members are recognised in the financial year of receipt.

Annual subscription fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

#### 4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2015:Nil)

	2015	
	HK\$	HK\$
The taxation charge is made up as follows:		
Deferred tax		
Charge to statement of comprehensive income during the year	5,083	5,375

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2016.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
1. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf  
of the Council

### MANAGEMENT CONTRACTS

No substantial contracts concerning the management and administration of the company were entered into or existed during the year.

### AUDITOR

A resolution will be submitted to the annual general meeting to re-appoint Messrs W. M. Moo Certified Public Accountant, as auditor of the Company.

On behalf of the Board

Chairman  
Hong Kong, 19 October 2016

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF HKCFP EDUCATION LIMITED  
(Limited by guarantee)  
(Incorporated in Hong Kong with limited liability)**

I have audited the separate financial statements of HKCFP Education Limited set out on pages 4 to 10 which comprise the statement of financial position as at 31 March 2016 and the statement of comprehensive income and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Directors' responsibility for the financial statements**

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibility**

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Basis for Qualified Opinion**

As explained in note 6 to the financial statements, the company has not prepared consolidated financial statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the shareholders. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

**Qualified opinion**

Except for the failure to prepare consolidated financial statements, in my opinion, the separate financial statements give a true and fair view of the state of the company's affairs as at 31 March 2016 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

**NOTES TO THE FINANCIAL STATEMENTS**

**1. LEGAL STATUS**

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10..

**2. GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

**3. BASIS OF PREPARATION AND ACCOUNTING POLICIES**

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Related companies

A related company is a company in which one or more of the directors has a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary

difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity..

#### 4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2015:Nil).

The company had no significant unprovided deferred taxation at 31 March 2016 and 2015 and for the years then ended.

At 31 March 2016, the company has unused tax losses of HK\$10,918,862 (2015:HK\$10,121,955) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

#### 5. DIRECTORS' REMUNERATION

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2016.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2012, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

Hong Kong, 19 October 2016

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF HKCFP FOUNDATION FUND  
(Limited by guarantee)  
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements HKCFP Foundation Fund (Limited by guarantee) set out on pages 4 to 9 which comprise the statement of financial position as at 31 March 2016, the statement of comprehensive income and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Executive Board's responsibility for the financial statements**

The Executive Board is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibility**

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Board, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

**NOTES TO THE FINANCIAL STATEMENTS**

**1. LEGAL STATUS**

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

**2. GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the Foundation is to promote, encourage and assist, for the public benefit, research and education on family medicine.

**3. SIGNIFICANT ACCOUNTING POLICIES**

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

**4. TAXATION**

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

**5. EXECUTIVE BOARD MEMBERS' REMUNERATION**

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2015:Nil)

**INDEPENDENT AUDITOR'S REPORT**  
**TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED**  
**(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements HKCFP Holdings And Development Limited set out on pages 4 to 11 which comprise the statement of financial position as at 31 March 2016 and the statement of income and retained earnings and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

**Directors' responsibility for the financial statements**

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standard for Private Entities issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Auditor's responsibility**

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2016 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards for Private Entities and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

# HKCFP HOLDINGS AND DEVELOPMENT LIMITED

## NOTES TO THE FINANCIAL STATEMENTS

### 1. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activity of the Company is to act as an Educational Organization in respect of the development of Family Medicine.

### 2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention.

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of income and retained earnings in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of income and retained earnings is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Turnover

Turnover represents course fees received

(c) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of income and retained earnings because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of income and retained earnings items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is

probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the year when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of income and retained earnings, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

(e) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

### 3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2015:Nil)

The taxation charges is made up as follows:

	2015

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2016.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.
- 9.
