## PRESIDENT'S MESSAGE (DR DAVID V K CHAO)

(July 2019 to June 2020)

The year of 2019/20 has been both challenging and rewarding. Sometimes even the best laid plans could be affected by unexpected circumstances, but there are always more solutions than problems if we try hard enough. No one could have imagined that the once-in-a-century COVID-19 pandemic would strike upon us this year and the consequences that would follow. While many of our regular Collegial activities were kept going, some had to adopt new formats of delivery, and others were postponed.

Back in September 2019, the first District Health Centre (DHC) in Hong Kong was officially opened in Kwai Tsing. It was an important step of the government putting great efforts in enhancing primary healthcare services in Hong Kong. The DHCs aim at encouraging the public to develop a healthy lifestyle, be engaged in disease prevention, identify health issues at an early stage, manage chronic diseases, and improve self-care ability through community rehabilitation programme and patient empowerment. With services focused on primary, secondary and tertiary prevention, the DHCs emphasise district-based medical-social collaboration and public-private partnership. After the establishment of the first DHC in Kwai Ching District, the government has planned to set up DHCs gradually in all 18 districts in Hong Kong.

*Opening of District Health Centre in Kwai Tsing*

During the last weekend of October 2019, delegates from Hong Kong attended the annual Conference of the Royal Australian College of General Practitioners (RACGP) - GP19. The theme of the conference was "Your patients, your community, your solutions". A wide variety of presentations and symposia, from the traditional auditorium style presentations to the interactive case study discussions, were held under the sunshine and breeze. Associate Professor Dr Mohammad Husni Jamal, President of Academy of Family Physicians of Malaysia (AFPM), and I were invited to present on how our Continuing Professional Development (CPD) programmes in our localities have evolved over the years. Our presentations were delivered during the International College Case Study session in the afternoon on 24 October 2019. And the host of the session was our dear friend, Dr Mark Miller, former RACGP

*Dr David Chao with Hong Kong Delegates at GP19*

Censor-in-Chief. My given topic was, “The CPD programme in Hong Kong and its contribution to a ‘Healthy GP’ and ‘Healthy Patient’”, while that of Associate Professor Dr Mohammad Husni Jamal was, “The role of Academy of Family Physicians of Malaysia (AFPM) in the enhancement of primary care in Malaysia”. Hong Kong and Malaysia have our similarities and differences in terms of demographics trends, disease patterns, family doctors’ training, assessment and funding systems. But we both face a tremendous increase in healthcare burden due to ageing populations and increasing prevalence of non-communicable diseases in our communities. Therefore, we can learn from each other and reflect on different models of care being delivered in our two localities.

*Dr David Chao with  
Prof John Murtagh at GP19*

By the end of 2019, we were most honoured to co-organise our annual Hong Kong Primary Health Care Conference (HKPCC) with the Hong Kong Academy of Medicine, The Hong Kong Academy of Medicine Conference and the Hong Kong Primary Care Conference 2019. The Conference was initially a Tripartite Congress. After almost over a year’s planning and preparations, it was unfortunate that the Academy of Medicine of Malaysia (AMM) and the Academy of Medicine, Singapore, could not join as originally planned due to the unforeseen social circumstances in Hong Kong at that time. We look forward to our opportunities for future collaborations to arise soon. With the tremendous support from all the participants and guests, the joint Conference was successfully held on 6 – 8 December 2019. The theme was “People-Centred Care: Towards Value-Based Innovations”, aiming at addressing the future directions of healthcare improvement and development in provision of patient-oriented clinical care. It was a valuable platform for healthcare experts and practitioners from different specialties across the healthcare sectors to share their experiences and insights. The Halnan Lecture titled “Knocking Down Barriers to Inclusive Healthcare” was delivered by Mr. Ricky MK Chu, Chairman of Equal Opportunities Commission, Hong Kong. Prof Doris Young, Division of Family Medicine, National University of Singapore, also shared with us during the Conference, as in previous HKPCCs over the

years. The plenary session titled, “Enhancing Primary Care in Hong Kong through the Provision of Integrated People-Centred Primary Care in District Health Centres” was delivered by Dr Donald Li, President of World Organisation of Family Doctors (WONCA). Dr Li shared with us the concepts behind the setting up of DHCs and the challenges on how DHCs could help fulfil the delivery of comprehensive healthcare needs to the people and community in Hong Kong.

*Opening Ceremony of HKAM Conference and HKPCC Conference 2019*

While members were planning training activities for the new 2020-2022 specialist CME/CPD triennium cycle commenced at the beginning of 2020, here came the COVID-19 outbreak. In response to the ongoing crisis, some of the training activities had to be reviewed and adjusted. We were most grateful towards our Web Committee, Board of Education and College secretariat! Our College quickly found the alternative method and started to arrange CME activities via videoconferencing. The online CME activities received many positive feedbacks and were very welcomed by our members.

The COVID-19 was characterised as COVID-19 pandemic by the World Health Organisation (WHO) in March 2020. According to the online survey conducted in January/February 2020 among our members on family doctors' preparedness in serving the public during the COVID-19 pandemic, the family doctors in Hong Kong from both private and public sectors were most willing and prepared to provide first contact clinical service to the community during the crisis. We, family physicians and primary healthcare practitioners, played the role as frontline defenders in the battle against COVID-19. We are always in the forefront, and we are also the ones who manage the aftermath of the emergencies. Prevention is one of the essential elements of primary care practice and family doctors are most appropriately placed to guide people in the community to have better preventive activities so that they can stay healthy in the community. Prevalence of asymptomatic SARS-CoV-2 infection might be a significant factor in the rapid progression of the COVID-19 pandemic. Members' contribution in arranging COVID-19 test for all patients presenting with any symptoms were much appreciated. As the combat went on, the number of patients confirmed with the diagnosis had soared. The manpower, the hospital services and the healthcare system were pushed to their limits. As family doctors have already built up rapport with the patients and hence are in the best position to continue looking after the patients in the community,

including people returned after hospitalisation and those with chronic diseases unable to attend the usual follow-up appointments due to various situational reasons.

The COVID-19 pandemic brought us challenges and impetus for change. Many usual practice and habits were becoming impractical during the outbreak. Surgical masks have become one of the daily necessities without which we cannot go out. We practise proper hand hygiene and become more aware of personal and environmental hygiene than ever. Our personal health, the healthcare systems, the economy... etc. are being challenged by this unforeseeable outbreak of the coronavirus. Yet, the role and contribution of family doctors remain unchanged. We stand firm in the community looking after patients in need, we go to quarantine and triage stations to help screening the patients. We follow up the patients for their medical, social and psychological needs in their own environment where they are familiar with. We celebrated the World Family Doctor Day (WFDD) on 19 May 2020. WONCA proposed the best-fit theme to our role for 2020 WFDD, "Family doctors on the front line". To celebrate family doctors' contribution in the crisis, various video clips and photographs collections were compiled with the help of our College Council and our members. They were shown via our College's usual channels, e.g. College website, Facebook, etc. They were shared with WONCA member organisations and various medical institutions in different localities. It was a remarkable WFDD for all of us.

With the wholehearted dedication and active participation from our Censors, Executives, Council members, College members and our secretariat, the Collegial events have been run very smoothly over the last twelve months despite the various challenges along the way. I would like to take this opportunity to express my heartfelt gratitude to all of you!

Please keep well and stay safe!

## **HONORARY SECRETARY'S MESSAGE (DR WILLIAM C W WONG)**

(July 2019 to June 2020)

It has been really a difficult year for the College and the Secretariat.

The first District Health Centre (DHC) was officially opened in Kwai Tsing in September 2020. The Kwai Tsing DHC is a pilot scheme with a new operation mode and funding mechanism from the Government, which will be gradually extended in all 18 districts. Primary care is the first port of care to provide high quality continuing care to individuals and families. We look forward to a more efficient model of public-private partnership and medical-social collaboration in providing access to primary healthcare services in the community, as well as to enhance public awareness of a healthy lifestyle, disease prevention and self-management of health.

We were most honoured to be invited by the Hong Kong Academy of Medicine to co-organise the 4<sup>th</sup> AMM-AMS-HKAM Tripartite Congress cum 53<sup>rd</sup> Singapore-Malaysia Congress of Medicine & Hong Kong Primary Care Conference 2019. Unfortunately, representatives from the Academy of Medicine of Malaysia (AMM) and the Academy of Medicine, Singapore (AMS) could not join us for the Tripartite Congress. The Organising Committee thus made necessary changes to the programmes and to rename the Congress as Hong Kong Academy of Medicine Conference & Hong Kong Primary Care Conference 2019. Despite these changes, the Conference was successfully held with tremendous support from all the participants and guests. It was indeed a valuable opportunity with more than 600 participants including medical practitioners, nurses and allied health professionals sharing their knowledge and skills on this happy event.

In the past, we would end a year's work by celebrating it in the Annual Dinner, which was one of the most important events of the College. This year (2019), again thank you for the members' understanding, we had to cancel the Annual Dinner to avoid unforeseen circumstances due to the recent social activities.

COVID-19 attacked Hong Kong in January 2020 with now over 40 million people infected worldwide. In order to reduce the general risk of transmission, the College had been proactively adopting the online conferencing platform for conducting our CME/CPD activities during the outbreak. The Research Committee launched an online survey evaluated the preparedness of family doctors during the early phase of the coronavirus disease 2019 (COVID-19) outbreak in Hong Kong. All members of the College were invited to participate between 31 January 2020 and 3 February 2020. Family doctors from both public and private sectors demonstrated preparedness and willingness to serve the community at the COVID-19 outbreak. It was found that there was a need for support from the government to secure PPE supply and institute public health interventions. The study was published in Hong Kong Medical Journal in the June 2020 issue.

COVID-19 affected the annual plan and the subsequent events of the College, the world has been transformed to virtual life in a rapidly progress with all our meetings and events held online. I would take the opportunity to thank all the contributions from our dedicated fellows, broads and committee members, particularly my sincere gratitude to the Secretariat and Ms Erica So, our General Manager, for their hard work to make all these events run smoothly throughout the difficult time.

We hope the world get well and get over from the COVID-19 soon.

**The Examination**

The format of the 33<sup>rd</sup> Conjoint Examination 2019 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our case writers and all our examiners.

### Workshops for Examiners

- 1<sup>st</sup> Examiner Training Workshop for OSCE 14 July 2019 (Sunday)
- 2<sup>nd</sup> Examiner Training Workshop for OSCE 11 August 2019 (Sunday)
- Workshops on Standard Setting for KFP exam paper 11 August 2019 (Sunday)
- Workshop on Standard Setting for AKT exam paper 18 & 26 August 2019 (Sunday, Monday)
- KFP Marking Sessions 16 & 17 August 2019 (Friday & Saturday)
- Case-writing Meeting for AKT 13 January 2019 (Sunday)
- Case-writing Group Meetings for OSCE February, May - August 2019
- 3<sup>rd</sup> Examiner Training Workshop and On-site Examiners' Rehearsal for OSCE (Cancelled) 6 October 2019 (Sunday)

### Information Seminar and Rehearsal for Candidates

An information seminar for candidates sitting the clinical segment was organized on 16 June 2019. 18 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

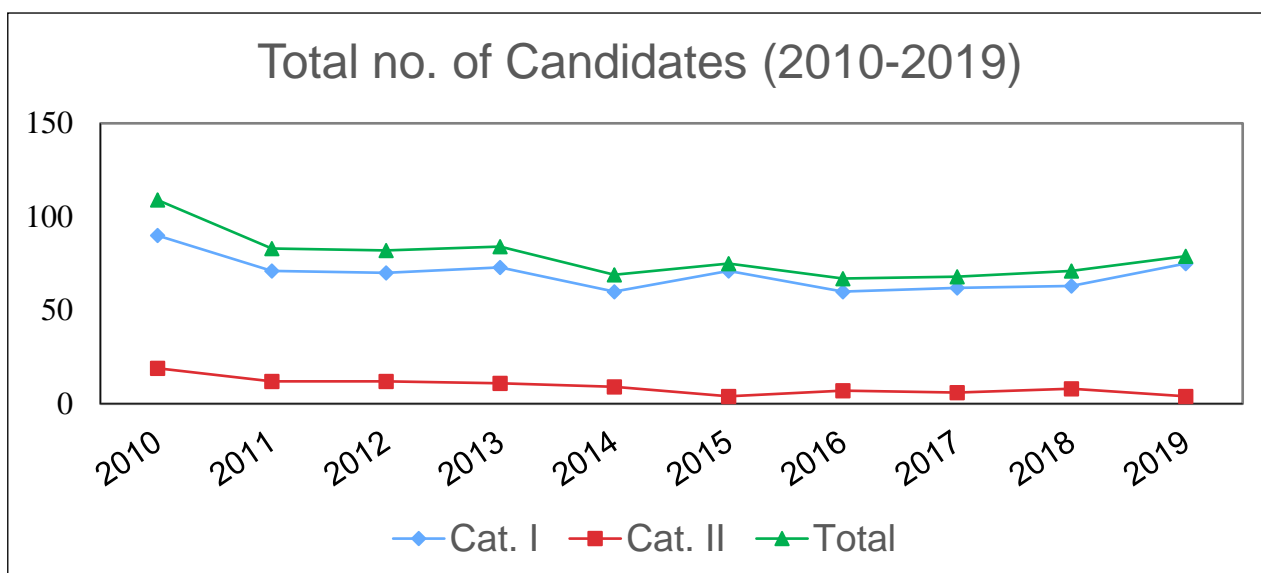

On-site rehearsal for the candidates on 6 October 2019 was cancelled because of the unpredictable social and traffic conditions on that Sunday in Hong Kong.

### Number of candidates

There were altogether a total of 79 candidates sitting for this year's examination, with 75 candidates of Category I and 4 Category II respectively.

47 candidates sat for the Written Segments (46 Cat I and 1 Cat II candidates), while 34 candidates sat for the Clinical Examination (30 Cat I and 4 Cat II candidates).

## The passing rates of the OSCE Examination for the years 2010 - 2019:

### External Examiners from RACGP

Due to the unrest social situation at the second half of the year in Hong Kong, the RACGP decided not to send RACGP representatives to our 2019 OSCE Examination, but to undergo distance based approaches to support the OSCE on 27<sup>th</sup> October 2019. The measures used were:

1. During the standardization meeting on the OSCE day, videotaping of altogether 4 cases was made, so that they can be reviewed by the RACGP representatives.
2. During the OSCE cases live examinations, altogether 28 videos were recorded, so that the marking across a number of candidates can be reviewed by the RACGP representatives.

All the videotaping recordings were treated as strictly confidential materials. They were only used for quality assurance purposes of 2019 HKCFP/RACGP Conjoint Fellowship Examination and were destroyed after the announcement of 2019 Examination results. They will not be used for any future training purpose, or any individual candidate's marking or any individual candidate's result review purposes.

### Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Subcommittee, consisting of Examiners, led by our Chief Examiner, to be responsible for the preparation of all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to a minimal number of persons.
4. Strict adherence to the security protocol for the OSCE examination by all examiners (including strict prohibition of electronic transference of exam materials).
5. Sharing cases with RACGP to widen our examination case bank.
6. Transmission of confidential examination materials through the secured sharing platform as suggested by RACGP.
7. Presentation of OSCE examination materials to examiners only on the day of examination.
8. Continual appeal to the professional integrity of all involved in the examination.
9. Proper "quarantine" of candidates of the morning and afternoon sessions respectively on the day of OSCE examination.
10. Forbiddance of use of any electronic devices by candidates inside examination venue.
11. Prompt data entry of candidates' scores on the same day of examination.

All these measures, among many others, were well adhered to throughout the whole examination period.

### Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

## Examination Prize: "Dr Peter C Y Lee Best Candidate Award 2019"

It was the fifteenth year that the College offered this prize. From the year 2013, this award was renamed "Dr Peter C Y Lee Best Candidate Award" for commemorating Dr Peter Lee's contribution to the discipline of family medicine. The "Dr Peter C Y Lee Best Candidate Award 2019" was presented to Dr CHUNG Ka Chun, who had passed the Conjoint Examination at one setting and achieved the best performance in the Examination.

### Acknowledgement

The Board of Conjoint Examination would like to thank our Chief Examiner and segment Coordinators for contributing so much of their time and effort throughout the entire examination, all the Board members for their active participation, the External Examiners from RACGP for their continual advice and support, all our QA Examiners, Case-writing and Marking Examiners, Trainee Examiners, and Role Players for their time and contributions before and during the examination, and all our College secretarial staff and helpers for their excellent administrative and supportive works.

## **CHAIRMAN'S MESSAGE**

During the year 2019-2020, the Board continued to organize a series of different educational activities for our members and doctors in Hong Kong. These abundant activities are outlined below.

### **Video-Library and Video-Viewing Session**

For the year 2019 we arranged 10 video sessions in our Wanchai College premises on a monthly basis. Video Library has been set up since July 2005. Video viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon CME activities, various Interest Groups and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point per session is accredited to colleagues who attend the viewing session. A maximum of 2 CPD points may be accredited (subject to submission of satisfactory report of Professional Development Log). It is encouraging that the number of attendance is increasing. The topics presented were as follows:

- Start right in hypertension management for reducing cardiovascular events
- Management of Atrial Fibrillation in Primary Care
- Dermatology Case Studies (Part 1)
- Dermatology Case Studies (Part 2)
- Approach to a Snoring Child in Primary Care Setting
- Chronic Cough in Adult: Diagnosis, Management and Preventive Care
- Casting new light in diabetes journey from basal initiation to intensification
- Eczema treatment in Primary Care – Topical Role in Holistic Approach
- Update on Management of Irritable Bowel Syndrome
- Prediabetes: Why and How to Treat

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video. With Dr Cheung's works, the participants will feel like attending the luncheon meeting live while watching the video.

### **Small Discussion Group**

There was 64 active Small Discussion Groups in 2019. Participants will gain 1 CME point per session. In addition, speaker or moderator will be accredited 1 CPD point.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

### **Cardiopulmonary Resuscitation (CPR) Training: Advanced Primary Care Life Support**

The Advanced Primary Care Life Support (APCLS) organized by the CPR Subcommittee was launched in 2017 in order to align with our Sister College (RACGP) requirement of Advanced Life Support components, namely the airway management, neck support and automated external defibrillation (AED) on top of basic life support.

In association with the outbreak of the novel coronavirus infection, in order to reduce the risk of spreading of the coronavirus in the community, the February session and the March session of the APCLS Training Workshop has been postponed. The 1<sup>st</sup> Training Workshop was held in July 2020 and the 2<sup>nd</sup> training course would be rescheduled later when circumstances allow, subject to the development of COVID-19 infection.

### **Clinical Attachment**

Being the Chairman, I am glad that we have the ENT clinical attachment this year with the support from Department of Otorhinolaryngology, Head and Neck Surgery, CUHK. The Board would like to express our sincere thanks to Prof Michael TONG, Prof C A van HASSELT, Dr John WOO and the staff of their department for organizing the ENT clinical attachments in the Prince of Wales Hospital.

The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

### **Assessment Enhancement Course**

Assessment Enhancement Course remained the most welcome course in her 20<sup>th</sup> year of establishment. I would like to thank all the tutors in contributing their time and effort in this course. They help tremendously in improving the skills on consultation, physical examination and other various aspects of the participating doctors. These are very useful to our members in preparing the Conjoint Fellowship Examination. The Board would like to express our sincere thanks to Dr Florence S S LAI in coordinating the course and all tutors for their

hard work as follows: Dr CHAN Man Li, Dr CHOW Tsz Ling, Dr DAO Man Chi, Dr FOK Peter Anthony, Dr LAM Ting, Dr LEE Sum, Dr LUK Chun Wa, Dr MAURELLET Juan-Domingo, Dr TAM Kwan Wai, Dr WONG Kwok Hoi and Dr WONG Chun Fai.

### Annual Refresher Course

Annual Refresher Course has been the traditional major year-end event for 39 years. This year, we had 5 weekday lectures and 4 Sunday workshops and over 163 members attended the course. We would like to thank all those participants who returned their evaluation questionnaires. Their comments and suggestions are invaluable in helping us to plan for the next ARC.

#### **Collaboration between Hong Kong College of Family Physicians and Primary Care Office, Department of Health**

##### **Certificate Course on Community Geriatrics for Primary Care Doctors**

With the aging population in Hong Kong, primary care doctors are taking care of more and more older adults nowadays. These elder patients are often coming with more chronic problems with complexing needs. In order to enhance the capacity of primary care doctors to provide quality medical care to the older adults in the community, the Hong Kong College of Family Physicians and the Department of Health is going to co-organize a course on community geriatrics. The course aims to update primary care doctors and family physicians on common and important topics in geriatrics, to facilitate exchange of ideas between Geriatric Medicine and General Practice colleagues, and to emphasize the importance of preventive care and health maintenance among the elderly.

The course consists of 5 seminars with the following details:

<b>Dates</b>	<b>Topics</b>	<b>Speakers</b>
21 Sep 2019	Fall as Geriatric Syndrome	Dr YIM Ting Kwan

### **Professional Development Subcommittee**

Since 2005, nine Interest Groups have been formed under Professional Development Subcommittee Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, Medical Humanities and Neuro-Musculoskeletal Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public

**The Interest Group in Dermatology** scheduled to have regular bimonthly meeting on the first Saturday afternoon of odd months (except public holidays) in the year 2019. We had 5 meetings in 2019.

## OVERVIEW

Family Medicine educational activities provided for doctors in mainland China and Macau were planned in advance as in the last few years. However, with the COVID-19 epidemic, these educational activities have to be either cancelled or postponed. Regular communications with the parties concerned were made and it was agreed that these educational activities would resume when appropriate.

### **CHAIRLADY'S MESSAGE**

This year has passed smoothly in the running of the Board's regular activities. All Board members and subcommittee members had helped on various BVTs's activities such as responding trainees' enquiries, checking new applications for enrollment, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees, travelling to various training centers for accreditation, reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting etc. All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31<sup>st</sup> March 2020 are as follows:

New enrolled Basic trainees	:	45
New enrolled Higher trainees	:	28
Total Basic trainees	:	150
Total Higher trainees	:	61

The sixth edition Basic Training Logbook and Handbook has been endorsed in 452<sup>nd</sup> Council meeting and 243<sup>rd</sup> HKAM Education Committee Meeting, and launched in September 2019.

The Board revamped the Board structure and terms of references in November 2019.

The Board reviewed and discussed the impact on training in relation to the COVID-19:

- I. The use of teleconference for SEP seminars
- II. ENT/Eye/Dermatology attachment
- III. Pre-requisite requirement of CPR for new enrolled Basic Trainees
- IV. Higher Training – 1<sup>st</sup> PA requirement to be carried out within 3 months upon enrolment
- V. Training centre accreditation/ re-accreditation site visit

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster coordinators for their contributions in the training programme. I would also like to express my sincere gratitude to our administrative executives Ms Charlotte Cheung and Ms Kathy Lai who are highly committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

### **Output**

## CHAIRMAN'S MESSAGE

As the official journal of the Hong Kong College of Family Physicians, The Hong Kong Practitioner continued its mission to serve as a convenient and useful medium in providing clinical update on Family Medicine related issues to our College Fellows, members, and colleagues both locally and overseas. Over the course of last year, we have published 5 original research articles (20%), 4 update articles (16%), 1 case reports (4%), 4 editorials (16%), 4 clinical quizzes (16%), 4 internet update topics (16%), 2 discussion papers (8%) and 1 Dr Sun Yat Sen Oration (4%). With the establishment of the 'Panel of Reviewers', the Board's peer review capacity has been augmented.

The Editorial Board would like to take this opportunity to thank wholeheartedly all the contributing authors, editorial board members, business manager, reviewers, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their tremendous support and dedication over the year. Our deepest appreciation also goes to the journal's readership for their ongoing support. The Editorial Board would continue to enhance the journal contents in order bring a wider spectrum of articles relevant to the busy family physicians.

The Specialty Board conducted 2019 Supplementary Exit Examination from 2 July to 30 September 2019. 10 candidates sat the supplementary Exit Examination and 7 of them successfully completed and passed the whole Exit Examination.

The 2020 Full Exit Examination was held from 2 December 2019 to 31 March 2020. 24 candidates attempted the Examination and 15 candidates successfully completed and passed the whole Exit Examination. Professor Doris Young was the External Examiner of the 2020 Full Exit Examination.

**The successful candidates were:**

Dr CHAN Pui Chuen	Dr HO Shu Wan	Dr Ricky H F WONG
Dr CHAN Pui Kwan	Dr HO Tsz Bun	Dr WONG Sze Kei
Dr CHEN Hing Han	Dr Tony Y T KWOK	Dr XU Shaowei
Dr CHENG Wai Fat	Dr LAU Lai Na	Dr Derek G C YING
Dr CHEUK Yau Chun	Dr LUK Chun Wa	Dr YIO Shing
Dr Winnie W Y CHUI	Dr Samuel J S SIU	Dr YIU Cheuk Man
Dr FONG Chui Ying	Dr TIN Yuen Ying	
Dr HAN Jinghao	Dr TSE Wan Ying	

The "Outstanding Candidate Award 2020 " was presenting to Dr Winnie W Y CHUI, who had passed the Exit Examination at one setting with outstanding performance in the Examination.

The Board had organized Pre-Exit Examination Workshop and Post-Examination Evaluation Workshop after the Examination for candidates. The third Refresher Course for examiners was held in December 2019 to maintain the standards of the assessment.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 22 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

Ms Priscilla S M LI      (Administrative Executive)

This year is a turbulent year and also year of change. Owing to the unpredictable social and traffic conditions in 2019, we had cancelled many lectures from September to December 2019. Also because of the outbreak of COVID-19 from the early of 2020, we have changed the CME activities from on-site to digital online lectures for providing different types of lectures/seminars to our members continuously. The regular bi-monthly Dermatology and Mental Health Interest Groups, Medical Humanities Interest Group, Evidence-Based Medicine Interest Group and Counselling Interest Group are most welcome by our members. Certificate Course on Community Geriatrics for Primary Care Doctors co-organized with Department of Health; Certificate Course on Primary Care Point-of-care Ultrasound (POCUS) co-organized with the School of Biomedical Sciences, LKS Faculty of Medicine, the University of Hong Kong. Bringing Better Health to our Community co-organized with Queen Elizabeth Hospital; Refresher Course for Health Care Providers co-organized with Our Lady of Maryknoll Hospital and the Hong Kong Medical Association; and CME Course for General Practitioners co-organized with the United Christian Hospital. Assessment Enhancement Course (AEC) and Annual Refresher Course (ARC) are also successfully arranged by Board of Education. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Conjoint Examination and Specialty Board.

The Hong Kong Academy of Medicine Conference and the Hong Kong Primary Care Conference 2019 with the theme "People-centred Care: Towards Value-Based Innovations", held on 6 – 8 December 2019 had more than 560 participants. These valuable activities, some are generously sponsored by pharmaceutical companies, can effectively enhance and update a broad range of medical knowledge for our members.

The 42<sup>nd</sup> Annual Dinner on 8<sup>th</sup> December 2019 was cancelled due to the unpredictable social and traffic conditions.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The FP Links, The College's bulk e-mail mailing and circulating services from members and other institutions remain very popular.

I would like to take this opportunity to thank the Committee members for their contributions.

On behalf of the College, I would also like to express my gratitude to all the following companies and organizations for their generous support for the College's functions in the past one year:

A Menarini Hong Kong Limited	Lundbeck Hong Kong
AXA Hong Kong	Merck Pharmaceutical Co Ltd

## EDUCATION COMMITTEE (AM AFFAIRS)

(April 2019 – March 2020)

**Coordinator: Dr Cecilia Y M FAN (Vice President, Education and Examinations)**

**Staff:** Ms Erica M SO (General Manager)

### Trainer to Trainee Ratio

For the Trainer to Trainee Ratio, all Colleges (and respective specialties) including HKCFP were able to provide a ratio better than the basic requirement of 1 : 3.

### Policy on Part-time Training in HA

Fractional work arrangement which would be applied to services of certain specialties (initially A&E and Family Medicine as a pilot), covering both specialists and resident trainees. Emergency on-call duty would be on pro-rata basis and the overall period of such arrangement would be limited up to 1 year.

### HKAM Principles and Guidelines on CME/CPD for Cycle 2020-22

As required by MCHK Education & Accreditation Committee (EAC), any cases of failure to meet the minimum CME/CPD requirement including those eligible for remedial programme must be reported. EAC could consider if any action should be taken against the specialists concerned.

HKAM Principles and Guidelines on CME/CPD for Cycle 2020-22 was approved with minor changes incorporated in Section 10 of the Guidelines to reflect the new requirement from MCHK for the Academy to provide information on CME/CPD of all Fellows after the end of cycle (instead of only providing the information on those non-compliance cases in the past).

### Revision on Basic Training Handbook and Logbook

The revised "Handbook on Vocational Training in Family Medicine" and "Training Logbook for Basic Training" of the Hong Kong College of Family Physicians was endorsed by EC in August 2019 with the following highlighted:

- The eligibility of training has been updated to include **medical practitioner with limited registration** in Hong Kong in addition to **medical practitioner with full registration** in Hong Kong.
- The title of the Conjoint Examination between HKCFP and RACGP was updated to "**Fellowship of the HKCFP/ International Conjoint Fellowship of the RACGP Examination**". The change of name to ICFRACGP is nomenclature change only, without any change in format and standard of the Conjoint Examination. Trainees who have enrolled into vocational training after 31 December 2018 are eligible to apply for the award of International Conjoint Fellowship of the RACGP (ICFRACGP) upon successful passing the examination and satisfying the relevant prevailing criteria for the fellowship.
- The Objectives, Exposure and Skills of the Hospital based Training was reorganised in order to be applicable for all specialise.
- The curriculum of General/Family medicine training was revised to be a competency based one.
- Some forms were added to the training logbook to enhance the communication mechanism between the College and Trainees.

### Issues raised in the Training Forum between HA and HKAM

Various matters were discussed in the Forum for Training Collaboration between HA and HKAM in July 2019, including the arrangement of venue charging for College examination held at HA venues, recognitions of trainers / examiners in HA etc.

Colleges' readiness in allowing specialist training for non-locally trained doctors (under Limited Registration (LR) was discussed also. The College has no objection to adopt a unified policy on the three points set out by HKAM as follows, if there are no legal concerns.

- LR doctors would be required to work in training centres accredited by respective Colleges
- Local graduates should be given priority, and
- LR doctors will only be accepted when vacancies have not been filled up.

HA confirmed that there would be rent-free arrangement with no charges on the venues and facilities to Academy and its Colleges for examinations and specialist training activities conducted in HA venues. HA colleagues would be allowed to serve Colleges as examiners during office hours without applying for annual leave, provided that they did not receive honorarium.

### Concern on Fulfilling the CME/CPD Requirements of the Current Cycle

There were concerns from members of some Colleges on fulfilling the CME/CPD requirements of the current cycle due to the cancellation/postponement of CME/CPD activities in the later year of 2019. After discussion, EC agreed to keep the existing mechanism unchanged and to exercise flexibility during the remedial year within the boundaries of existing regulations.

### Professional Indemnity for Trainees

Members were reminded of encouraging their trainees to purchase their own professional indemnity insurance when receiving accredited training at private hospitals and clinics.

### Special Considerations in Arrangement of College's Examination / Assessment, and Educational event under the COVID-19 outbreak.

In light of the COVID-19 outbreak, special considerations and flexibility would be applied in the arrangement of college's examination and assessment. HA recapped and affirmed the prevailing policy that staff promotion would be considered as far as Colleges are able to confirm the completion of training and examination of respective trainees, of which there would be no cut off dates and staff promotion can be granted irrespective of the timing of fellowship conferment.

Academy would investigate into the introduction of online-based CME / CPD activities and development of e-platform with security and accreditation issues considered. Any change associated to the existing mechanism for submission of CME compliance report to the MCHK might require legislative amendment and could lead to scrutiny by the MCHK, which was not recommended. Instead, Colleges might consider allowing flexibility in arranging CME-accredited activities, and the Academy would refer to Colleges' recommendations and report the compliance status to the MCHK as appropriate.

### RACGP GP19 Conference in Adelaide, Australia

The Annual Conference of the Royal Australian College of General Practitioners (RACGP) was held from 24 - 26 October, 2019 with the theme "Your patients, your community, your solutions". The Conference introduced the latest in technological breakthroughs, groundbreaking research, and clinical skills that could make a real difference to the lives of patients. Dr David Chao, as the President of HKCFP, was invited to present in the International College Case Study Session on "The CPD programme in Hong Kong and its contribution to a 'Healthy GP' and 'Healthy Patient'".

### WONCA APR Conference 2019 in Kyoto, Japan

The WONCA APR Conference 2019 was held in Kyoto, Japan from 15 to 18 May 2019, organised by the Japan Primary Care Association (JPCA). The theme of the WONCA APR Conference 2019 was 'Medical generalists: bringing forward a brighter future.' Under this theme, three keynote speeches, seven plenary sessions, more than 50 workshops and symposia, and more than 500 oral presentations, as well as posters, were presented. It attracted a total of 1,643 participants from 46 countries all over the world. The Young Doctors Pre-conference organised by The Rajakumar Movement (TRM) was held on the first day of the Conference. TRM representatives from different member organisations of APR presented reports of their local young doctors' movement (YDM). The Chairlady of HKCFP Young Doctors Committee Dr Loretta Chan represented our College to share on the HKCFP Young Doctors' activities held in Hong Kong.

### **CMDA Summit Forum 2019 in Beijing, Mainland China**

The Chinese Medical Doctor Association (CMDA, 中國醫師協會) annual summit forum was held on 30-31 August 2019. This collaboration with CMDA has further fostered knowledge and experience exchange between Hong Kong and mainland counterparts. Dr William Wong joined the delegation of HKAM as a representative of our College, and delivered presentations to share on the experience of Hong Kong about research by general practitioners.

### **WONCA APR Conference 2020 in Auckland, New Zealand**

The Royal New Zealand College of General due to the uncertainties around COVID-19.

### **World Family Doctor Day 2020**

To celebrate the World Family Doctor Day 2020 on 19 May this year, the College had compiled a video by collecting photos from College members and fellows at the front line for circulation on 19 May. Members were invited to send a photo (with or without message) based on the theme of "Family Doctors on the front line: first in, last out".

Also, the College was invited to participate in an open celebration programme co-organised by 海峽兩岸醫藥衛生交流協會全科醫學分會, 中國醫師協會全科醫師分會 and 中華醫學會全科醫學分會 together with many family doctors in various locations in China through online television broadcasting on 19 May 2020. An ad hoc project team was set up with the coordination of our College's Vice President Dr Lau Ho Lim to produce a video to celebrate the WFDD and meanwhile showing the multifaceted nature of general practice/family medicine in Hong Kong and the activities of HKCFP. Council members were invited by our President Dr David Chao to join the filming of a 5-min video. The video recording was boardcasted during the World Family Doctor Day celebration programme on 19 May 2020.

### **The 7<sup>th</sup> Cross-Strait Congress of General Practitioners in Wuhan, Mainland China**

Due to the COVID-19 pandemic, the organiser of the 7<sup>th</sup> Cross-Strait Congress of General Practitioners (第七屆海峽兩岸全科醫學大會暨海醫會全科醫學分會第七屆學術年會) announced in January 2020 that the conference had been postponed. The Organiser would explore other possible dates for rescheduling the conference later.

## **FINANCE COMMITTEE**

(April 2019 – March 2020)

**Chairman:** Dr Billy C F CHIU

**Committee Members:** Dr David V K CHAO (President)  
Dr Cecilia Y M FAN (Vice-President, Education & Examinations)  
Dr LAU Ho Lim (Vice-President, General Affairs)  
Dr William C W WONG (Honorary Secretary)

**Staff:** Ms Erica M SO (General Manager)  
Ms Priscilla S M LI (Administrative Executive)

With careful monitoring by the Finance Committee, the financial situation of the College in 2019-2020 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$14.8 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. We have about 21% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr David Chao, our President, Dr Lau Ho Lim, our Vice-President (General Affairs), Dr Cecilia Fan, our Vice-President (Education & Examinations), Dr William Wong, our Honorary Secretary, Ms Erica So, our General Manager and Ms Priscilla Li, our Administrative Executive, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services.

### CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College.

The founding Editorial Board started off with three members under Dr John T N CHUNG's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 23 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work closely to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, from photo gallery and highlights of college events, WONCA news, Family Medicine related activities and development, clinical practice sharing, to latest medical updates and health related news, and sharing of colleagues, young and experienced, about their life and reflections as a family doctor. There is also support from other Boards, e.g. the Board of Education who contributes the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting. We also promote "Go Green" that members could opt for only receiving electronic copies of FP Links.

Hong Kong Academy of Medicine Annual Conference & Hong Kong Primary Care Conference 2019 jointly organized by our College and Hong Kong Academy of Medicine (HKAM) was held from 6 to 8 December 2019. This was a remarkable end to the year! Initially this specific Conference was the tripartite event of the three Academies of Medicine from Malaysia, Singapore and Hong Kong that happened only once every nine years in Hong Kong. It was unfortunate that due to unexpected circumstances and travel warning issued by the other two countries, Malaysia and Singapore could not join us as originally planned. HKAM and our College decided to proceed with the Conference just two weeks prior to its opening.

The theme of this Conference was “People-Centred Care: Towards Value-Based Innovations. Dr CHUI Tak Yi, Under Secretary for Food and Health was one of our main officiating guests. The Conference aimed at addressing the future directions of healthcare improvement and development in provisions of patient-oriented clinical care. This amplified the diversity of topics from basic Genetics and Genomics to various innovative medical advances and back to the clinical approach of LBGT. The clinical symposia covered topics from acute to chronic conditions and from artificial intelligence in healthcare to voluntary health insurance. We had two inspirational plenary lectures, the first by Mr Ricky CHU, Chairperson of Equal Opportunities Commission to deliver the Halnan Lecture titled “Knocking Down Barriers to Inclusive Healthcare”. This was immediately followed by Dr Donald K T LI, President of World Organization of Family Doctors (WONCA) on “Enhancing Primary Care in Hong Kong through the Provision of Integrated People-centred Primary Care in District Health Centres”.

I have to take my hat off to the 600 participants and guests who braved the weekend to share and enhance their medical knowledge. The Conference was a huge success considering the final phase of preparation was put together within two weeks. Our special thanks to Prof Doris YOUNG, Department of Family Medicine, National University of Singapore, for her unflinching support and sharing with us during the HKPCC over the years. I have to express my sincerest gratitude to the Organizing Committee, and our Scientific Subcommittee led by Prof William W C WONG and Dr Lorna V NG. My final words to our Secretariat, you were all amazing and simply the best!

## **EXPERTISE AND PROFESSIONALISM OF THE SECRETARIAT**

There are 4 major academic events organised annually by our College, namely the Diploma of Family Medicine Examination, the Conjoint Fellowship Examination, the Exit Examination and the Hong Kong Primary Care Conference.

Last year, our College Secretariat once again helped organise and run three very successful professional examinations, the Diploma of Family Medicine Examination, the Conjoint Fellowship Examination and the Exit Examination, earning very encouraging positive feedback from our Examiners and External Examiners alike.

As in previous years, our Secretariat also organised the Hong Kong Primary Care Conference single-handedly without the need to outsource the task to professional conference planners. As such, it allows us to host an important medical conference on primary care in Hong Kong within our limited financial and manpower resources. It also demonstrates to other members of the medical community that HKCFP possesses the expertise to host important medical conferences, so much so that the Hong Kong Academy of Medicine invited our College to co-organise the HKAM Conference and HKPCC 2019, which received a lot of positive feedback.

## **COVID-19-RELATED WORK ARRANGEMENT**

We placed our staff's health among our highest priorities. Since the outbreak of COVID-19 in January 2020, the Committee has adopted tiered contingency measures to maintain the necessary operation of the Secretariat with attention to social distancing and the recommendations from the government. Examples of these measures include alternate-day home-office arrangements, shortened working hours in the office, and teams working in different offices. Corresponding duty rosters were assigned by the Committee with a weekly review and update. Staff who worked at home were expected to make themselves available to contact for work arrangement during office hours.

The Committee has also provided relevant information to staff to help reduce confusion and anxiety concerning prevention of infection, e.g. proper use of mask, personal hygiene, and social distancing.

## **SALARY REVISION EXERCISE AND STAFF PROMOTIONS**

In consideration of the diversity of College's job categories, this year, the probation period for new staff had been adjusted from 3 months to 6 months for better acclimatisation. Moreover, the Committee reviewed the existing over-time work compensation pay / leave scheme and revised overtime (OT) compensation system according to the job categories and the role of staff in general

It is the usual practice of the Committee to review staff performance and propose an adjustment in salary, taking into consideration factors like the inflation rate, completion of contract, promotion and performance review for the individual staff. The Academy of Medicine's grading system and the latest Government's civil service pay policy were also taken as a reference.

## **HIGH-MORALE TEAM**

The House Committee Chairman has talked to individual staff at regular intervals, in order to know their views on College matters and to ascertain if there are any difficulties encountered in their work. Appropriate feedback would be given and any necessary follow-up or actions done.

## **STAFF CHANGES**

Ms Cherry Ma (Administrative Assistant) resigned while Ms Anna Ho (Administrative Executive) joined the Secretariat in the past year.

Last but not least, the Committee Chairman would like to thank Ms Erica So, General Manager, for her excellent leadership and contribution, and all staff for their committed support throughout the years.

## **INTERNAL AFFAIRS COMMITTEE**

(July 2019 – June 2020)

**Chairman:** **Dr Welchie W K KO**

**Ex-officio:** Dr David V K CHAO  
Dr LAU Ho Lim  
Dr Cecilia Y M FAN  
Dr William C W WONG  
Dr Billy C F CHIU

**Staff:** Ms Erica M SO (General Manager)  
Ms Teresa D F LIU (Executive Officer)  
Ms Windy W L LAU (Administration Executive)

### **42<sup>nd</sup> Annual Dinner**

The 42<sup>nd</sup> Annual Dinner previously scheduled on 8 December 2019 (Sunday) was cancelled in view of unforeseen circumstances due to the social activities, and uncertainty regarding transportation for members and guests arriving or leaving the Hong Kong Academy of Medicine in Wong Chuk Hang throughout the evening for the dinner.

The decision to cancel the Annual Dinner, which is one of the most important events of the College was not an easy one, but the safety of our members and guests always comes first. We look forward to welcoming all members in future Annual Dinner.

### **33<sup>rd</sup> Conferment Ceremony and the 31<sup>st</sup> Dr Sun Yat Sen Oration**

The 33<sup>rd</sup> Fellowship Conferment Ceremony and the 31<sup>st</sup> Dr Sun Yat Sen Oration previously scheduled on 13 September 2020 (Sunday) was postponed in light of the on-going situation of COVID-19 pandemic.

The College would try to arrange the ceremony later this year or early next year if COVID-19 situation has improved and other circumstances allow. If not, new fellows, diplomates and awardees would be accommodated in the next ceremony.

### **Photography Club**

The “Phone Photography Workshop” previously scheduled on 21 March 2020 (Saturday) was postponed until further notice due to COVID-19 pandemic. The workshop would be rescheduled where circumstances allow.

## **MEMBERSHIP COMMITTEE**

(July 2019 – June 2020)

**Chairlady:** **Dr Maria K W LEUNG**

**Deputy Chairlady:** Dr CHAN Wing Yan

**Committee Member:** Dr CHAN Man Li

**Ex-officio:** Dr David V K CHAO

**Staff:** Ms Erica M SO (General Manager)  
Ms Priscilla S M LI (Administrative Executive)  
Ms Katie P L LAM (Administrative Assistant)  
*Ms Angel Fung (Administrative Assistant, to June 2020)*

The current membership of HKCFP is as follows: - (as at end of June 2020)

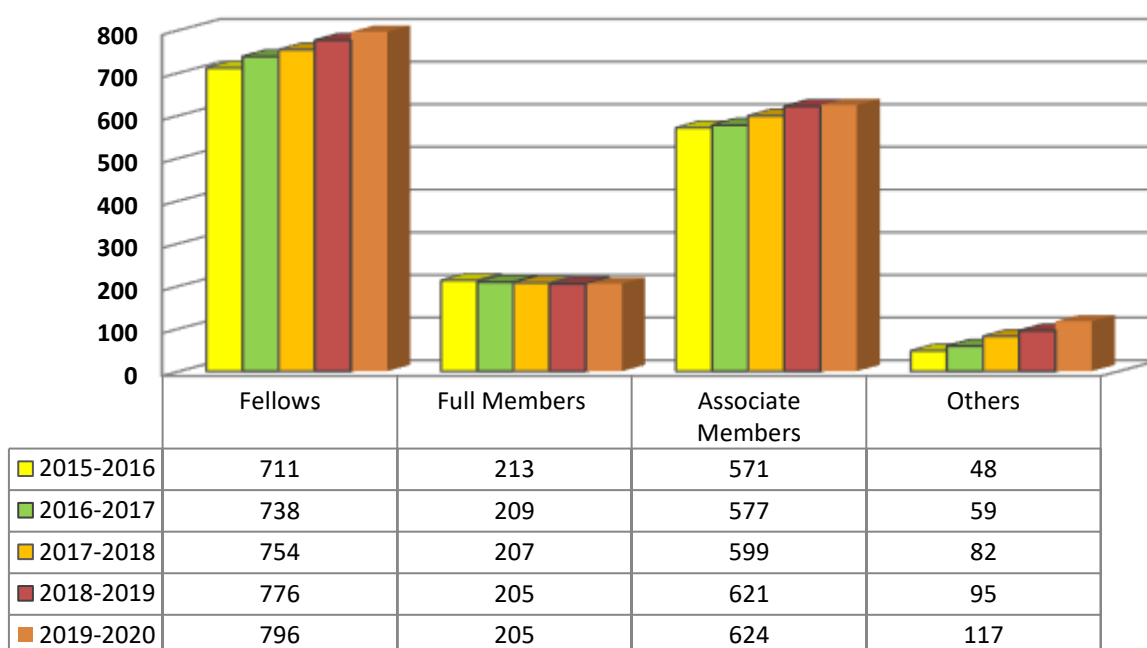

Fellows*	796 (HKAM Fellows: (518)
Full Members	205
Associate Members	624
<u>Others **</u>	<u>117</u>
Total:	1,742

\* Fellows include Fellows, Foundation Fellows Honorary Fellows and Non-HKSAR Fellows.

\*\* Others include Affiliate Members, Non-HKSAR Members and Student Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care. We expect to see a constant growth in membership with increase in proportion of fellowship.

The QA&A program aims to promote participation in Continuing Medical Education (CME) and Continuing Professional Development (CPD) activities for General Practitioner (GP) and Family Physician (FP). With end in mind to promote best practices, educational activities proposed to our College are assessed by the QA&A committee to identify relevant and high quality ones for members' attendance. Participation in these learning activities towards best practices are acknowledges by CME/CPD points, with issuing of CME certificate to those fulfilling the College's requirement as a token recognition and encouragement.

In order to further enhance an effective and efficient QA&A program for GP/FP, the QA&A committee has conducted a review on prevailing operation since 2Q 2016. An Active Learning Mode (ALM) has been endorsed in Hong Kong Primary Care Conference since 2016. In this regard, active participation in prescribed learning of a prior-accredited activity may earn CPD points upon successful submission of both pre- and post- MCQs. Through innovative learning mode as such, learning may be facilitated efficiently and effectively in this era of rapid knowledge and technology expansion. ALM has also implemented in the Annual Refresher Training Course held by Specialty Board since 2018.

An enhanced CPR course was introduced in 2017 in response to the amended CPR requirement of RACGP QI & CPD Programme in 2017-19 to attain reciprocal recognition with RACGP and our College QA Programme. The 'Advanced Primary Care Life Support Course' has been promoted alongside with CPR Subcommittee of The Board of Education starting from 2017.

Regarding CME, for HKCFP Members who have chosen Hong Kong Academy of Medicine (HKAM) as their CME Administrator under "MCHK CME Programme for Non-specialists" category, we would administer their MCHK CME with waiving of fee charged by HKAM starting January 2017. In addition, arrangement was made to recognise unexpected difficulties faced by members due to social events and COVID-19 in late 2019. A special remedial programme for QA Certificate 2017-19 was arranged in early 2020 to allow extra 6 months for member to fulfil CME & CPD requirement for the HKCFP QA Certificate 2017-19 by June 2020 (instead of Dec 2019).

To strengthen continuity of the committee, kindly note that we have introduced 2 vice chairmen posts with interposing terms since 2018.

Kindly note that the electronic copy of QA Certificate 2017-19 and CME Certificate 2019 is available on the College's homepage <http://www.hkcfp.org.hk>, members can login to their own account to download the certificates anytime. Request for hardcopy certificate can be made in writing to the college secretariat, an administrative fee of \$50 per copy will be charged starting from July 2016. Please find list of active fellows/members who have fulfilled the College's requirement for awarding certificate as below.

Five submissions had been received for the Best Research Award 2019 and the selection panel consisted of two assessors. The winning paper was "Relative importance, healthy life-year lost and population attributable risk of modifiable risk factors on cardiovascular disease in a 10-year Diabetes Cohort" by Dr Eric Y F WAN.

The 2020 HKCFP Research Fellowship had received two applications this year. The selection panel which consisted of two assessors had selected the winner to be Dr Kilpatrick K P CHAN. His research project was "Prevalence and Associated Risk Factors of Resistant Hypertension among Chinese hypertensive patients managed in primary care settings in Hong Kong".

The Committee has established two new funding awards over the last seven years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector.

A survey on "How are family doctors serving the Hong Kong community during the COVID-19 outbreak? A survey of HKCFP members" was conducted in March 2020 to provide information on needs and role of family doctors in the initial phase of the COVID-19 pandemic and was published in the June, 2020 issue of the Hong Kong Medical Journal.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

In the year 2019-20, we are delighted to serve our College members.

Computer software and hardware are being updated and renewed to tackle the increasing demand. Thanks to our secretarial support and input from the Committee, the registration system for educational activities, members MCQs and Clinical Quizzes function in our college website are maintained smoothly. The Web and Computer Committee is also responsible to manage our College Facebook, which provides a platform for sharing timely information to our College members, our community friends and the public. Paypal payment has also been launched to facilitate transactions of Membership Subscription Fee and registration fee of HKAMC / HKPCC Conference 2019. In addition, our Committee has provided advices and testing of video conferencing software for College's online CME Lectures. Furthermore, our Committee has given technical support in the QA special remedial programme.

We welcome all suggestions from our College members. The web and computer daily operations are being monitored by our secretarial staff, and we are thankful for their dedicated work.

I would like to once again express my appreciations to the members of the Web and Computer Committee for their support in the past year. We look forward to serving our College in the coming year.

## **HONORARY TREASURER**

(April 2019 to March 2020)

### **Honorary Treasurer: Dr Billy C F CHIU**

**Staff:**

Ms Erica M SO (General Manager)  
Ms Priscilla S M LI (Administrative Executive)

The financial situation of our College remains stable for the year 2019-2020. With a current reserve valued in excess of HK\$18 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Conjoint Examination, Board of Diploma in Family Medicine (DFM), Specialty Board and Board of Vocational Training and Standards. When compared with 2018-2019, the Membership Committee, membership subscriptions obtained an income of HK\$1.44 million (9% increase). The Board of Conjoint Examination obtained a surplus of HK\$1.08 million (5% increase). The Board of DFM obtained a surplus of HK\$932K (6% increase). The Specialty Board obtained a surplus of HK\$656K (3% decrease). The Board of Vocational Training and Standards obtained a surplus of HK\$497K (2% increase). All these Boards were have increment in last year.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$4 million. The total cumulative expenses is still under control and had decreased by 0.2%.

On behalf of the board

Chairman

HONG KONG, 30 October 2020

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS  
(Incorporated in Hong Kong with limited liability)**

**Opinion**

I have audited the financial statements of Hong Kong College of Family Physicians ("the Company") set out on pages 5 to 13, which comprise the statement of financial position as at 31 March 2020, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2020, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

**Basis for Opinion**

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other information**

The Council of the Company are responsible for the other information. The other information comprises all information included in the Council's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**Responsibilities of Council and Those Charged with Governance for the Financial Statements**

The Council are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Council determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Council are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and

perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council.

Conclude on the appropriateness of the Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

**THE HONG KONG COLLEGE OF FAMILY PHYSICIANS**  
**(Limited by guarantee)**

**NOTES TO THE FINANCIAL STATEMENTS**

**1 LEGAL STATUS**

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

**2 GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

**3 SIGNIFICANT ACCOUNTING POLICIES**

(a) Property, plant and equipment

Property, plant and equipment, except investment properties, are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rate to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Group and the Company if that person:
- (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
  - (ii) has control over the Group and the Company; or
  - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
- (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
  - (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
  - (iii) both entities are joint ventures of a third entity.
  - (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
  - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
  - (vi) the entity is controlled or jointly controlled by a person identified in (1).
  - (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Entrance fee from members are recognised in the financial year of receipt.

Annual subscriptions fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the period end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

(f) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### 4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2019:Nil)

Causeway Bay,  
Hong Kong.

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2020

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf  
of the Council

On behalf of the Board

Chairman  
Hong Kong, 30 October 2020

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF HKCFP EDUCATION LIMITED  
(Limited by guarantee)  
(Incorporated in Hong Kong with limited liability)**

**Qualified Opinion**

I have audited the financial statements of HKCFP Education Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2020, and the statement of comprehensive income and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2020, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

**Basis for Qualified Opinion**

As explained in note 6 to the financial statements, the company has not prepared consolidated statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the members. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other information**

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**Responsibilities of Directors and Those Charged with Governance for the Financial Statements**

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process

**Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

**NOTES TO THE FINANCIAL STATEMENTS**

**1. LEGAL STATUS**

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

**2. GENERAL INFORMATION**

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

**3. BASIS OF PREPARATION AND ACCOUNTING POLICIES**

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

(1) A person or a close member of that person's family is related to the Group and the Company if that person:

- (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
- (ii) has control over the Group and the Company; or
- (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.

(2) An entity is related to the Group and the Company if any of the following conditions applies:

- (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
- (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
- (iii) both entities are joint ventures of a third entity.

- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (viii) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
- (vi) the entity is controlled or jointly controlled by a person identified in (1).
- (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### 4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2019:Nil).

The company had no significant unprovided deferred taxation at 31 March 2020 and 2019 and for the years then ended.

At 31 March 2020, the company has unused tax losses of HK\$17,322,643 (2019:HK\$16,518,190) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

#### 5 DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2019:Nil)

(Incorporated in Hong Kong with limited liability)**

**Opinion**

I have audited the financial statements of HKCFP Foundation Fund ("the Foundation") set out on pages 5 to 11, which comprise the statement of financial position as at 31 March 2020, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Foundation as at 31 March 2020, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

**Basis for Opinion**

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Foundation in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other information**

The Executive Board of the Foundation is responsible for the other information. The other information comprises all information included in the Executive Board's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**Responsibilities of Executive Board and Those Charged with Governance for the Financial Statements**

The Executive Board is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Board is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Board either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA's, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Board.
- Conclude on the appropriateness of the Executive Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

**NOTES TO THE FINANCIAL STATEMENTS**

**1. LEGAL STATUS**

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

**2. GENERAL INFORMATION**

The Foundation is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the Foundation is to promote, encourage and assist, for the public benefit, research and education on family medicine.

**3. SIGNIFICANT ACCOUNTING POLICIES**

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related parties

For the purpose of these financial statements, related party includes a person and entity as defined below:

(1) A person or a close member of that person's family is related to the Foundation if that person:

- (i) is a member of the key management personnel of the Foundation or of a parent of the Foundation;
- (ii) has control over the Foundation; or
- (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.

(2) An entity is related to the Foundation if any of the following conditions applies:

- (i) the entity and the Foundation are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
- (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
- (iii) both entities are joint ventures of a third entity.
- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (v) the entity is a post-employment benefit plan for the benefit of employees of either the Foundation or an entity related to the Foundation. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
- (vi) the entity is controlled or jointly controlled by a person identified in (1).

(vii) a person identified in (1)(i) has significant voting power in the entity

- (d) Revenue recognition  
Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (e) Foreign currencies  
Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

#### 4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other board members and officials of the Foundation, the following representations given to you in connection with your audit of the Foundation's financial statements for the year ended 31 March 2020.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Foundation and of the results and cash flows of the Foundation for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Executive Board members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.
9. We confirm that the market value of the investment securities held by the company as at the statement of financial position date amounted to HK\$3,957,217.

On behalf of the Board

Chairman  
HONG KONG, 22 October 2020

**INDEPENDENT AUDITOR'S REPORT**  
**TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED**  
**(Incorporated in Hong Kong with limited liability)**

**Opinion**

I have audited the financial statements of HKCFP Holdings and Development Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2020, and the statement of income and retained earnings and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2020, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

**Basis for Opinion**

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Other information**

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

**Responsibilities of Directors and Those Charged with Governance for the Financial Statements**

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic

decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

# HKCFP HOLDINGS AND DEVELOPMENT LIMITED

## NOTES TO THE FINANCIAL STATEMENTS

### 1 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activity of the Company is to act as an Educational Organization in respect of the development of Family Medicine.

### 2 BASIS OF PREPARATION AND ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention.

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of income and retained earnings in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of income and retained earnings is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Turnover

Turnover represents course fees received.

(d) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

(f) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

### 3 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements in view of the excess of the allowable losses brought forward over the estimated assessable profits for the year. (2019:Nil)

The taxation charges is made up as follows:

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2020.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
  - a. selected suitable accounting policies and applied them consistently;
  - b. made judgements and estimates that are prudent and reasonable;
  - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
  - d. prepared the financial statements on the going concern basis; and
  - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf  
of the Board of Directors
