PRESIDENT'S MESSAGE (DR DAVID V K CHAO)

(July 2020 to June 2021)

It has been an ongoing year of COVID-19 pandemic worldwide and has indeed been another year full of challenges to the people living in Hong Kong due to the effects of the virus either directly or indirectly. Thanks to the ongoing work of the Government in implementing various measures in early detection, isolation and treatment of cases, the number of COVID-19 infections has been kept to a very low level despite sporadic spikes from time to time mainly due to imported cases. The availability of COVID-19 vaccinations had started to make a difference too, although the response took a while to build up gradually facilitated by the ongoing publicity and promotion campaigns, as well as clarifications of the myths related to receiving the vaccinations. Our College, together with our members and Fellows, has continued to proactively contribute towards the various aforementioned activities in helping the public and the profession in knowing more about the up to date situations related to the fight against the virus, the promotion of Covid-19 vaccinations, as well as looking after patients in the community setting especially people with ongoing chronic diseases. We have also strived to maintain our Family Medicine vocational training programmes, continuing medical education activities, and professional examinations throughout this year by making use of online platforms, carefully selected venues and stringent infection control measures according to prevailing recommendations. I would like to thank our Council, Boards and Committees for their tremendous dedication and efforts in making all these possible.

Please keep well and stay safe.

HONORARY SECRETARY'S MESSAGE (DR WILLIAM C W WONG)

(July 2020 to June 2021)

COVID-19 pandemic continues.

The pandemic has changed how we live, work, learn and interact as social distancing guidelines have led to a more virtual existence, both personally and professionally. It affected the College's work format, especially it transformed all meetings and conferences to a digital platform.

Not only all the general medical educational lectures had been held online, but the College received her first ever Hong Kong Primary Care 'Digital' Conference in September 2020 also. The digital HKPCC brought together multidisciplinary teams of health care professionals and shared the best primary care practice thought an online platform. We had an overwhelming participation of over 700 delegates.

Amist the COVID-19 challenges with its issues of social distancing and infection control concerns, we had to postpone the Conferment Ceremony 2020 and again cancel the Annual Dinner. However, we overcame these difficulties and barriers to have our Advanced Primary Care Life Support workshops for GPs, and hold the DFM Examination, Conjoint Fellowship Examination, both written and clinical parts, as usual. Thank you for the leaderships of various Board or Committee chairs and hard work provided by the members and secretariats.

Further to the Special Resolution passed in the 40th Annual General Meeting in December 2017, the College Council has resolved to propose to the members of the College in the 43rd Annual General Meeting 2020 the correction of typos and alterations to the Articles of Association (AOA) of the College. In that meeting, we adopted the new AOA of The Hong Kong College of Family Physicians.

As mentioned in my report last year, the government had planned to have District Health Centres (DHCs) in all 18 districts. The DHCs aims at assisting Family Doctors in the monitoring and follow up on individual self-managing health plans as well as coordinate the supportive ancillary services required to provide holistic comprehensive care to patients. The College has set up a DHC taskforce and issued a membership survey through our Research Committee to ascertain members' opinions on the arrangement at the District Health Centres and value in thier opinion as to how to enable the DHCs and the primary healthcare team to fulfill her mission and vision. The summary of findings has been shared with the members by email and posted in FP Links.

An HKCFP-HKU Primary Care Morbidity Survey in Hong Kong commissioned by the College in collaboration with the University of Hong Kong started in March 2021. The last morbidity survey was done successfully in 2007-08. This survey would investigate the scope of problems encountered by primary care doctors in Hong Kong. It is necessary to inform practice, policy and training in Hong Kong and we look forward to the useful information for future primary healthcare services and medical education planning.

I would take the opportunity to thank all the contributions from our dedicated Fellows, Boards and Committee members, particularly my sincere gratitude to the Secretariat and Ms Erica So, our General Manager, for their hard work to make all these events run smoothly throughout the difficult time of the pandemic in the past year.

The Examination

The format of the 34th Conjoint Examination 2020 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our case writers and all our examiners.

Workshops for Examiners

- 1st Examiner Training Workshop for OSCE (by ZOOM Webinar) 19 July 2020 (Sunday)
- 2nd Examiner Training Workshop for OSCE (by ZOOM Webinar) 16 August 2020 (Sunday)
- Workshops on Standard Setting for KFP exam paper 16 August 2020 (Sunday)

- Workshop on Standard Setting for AKT exam paper 23 & 24 August 2020 (Sunday, Monday)
- KFP Marking Sessions 21 - 23 August 2020 (Friday - Sunday)
- Case-writing Meeting for AKT 12 January 2020 (Sunday)
- Case-writing Group Meetings for OSCE February, May - August 2020

Information Seminar for Candidates (by ZOOM Webinar)

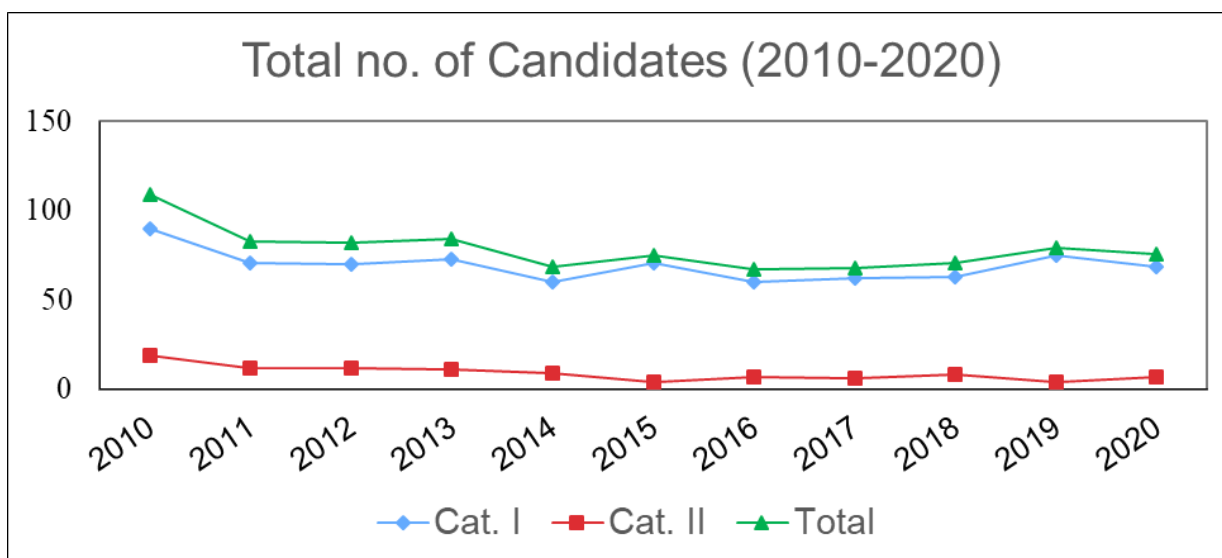

An information seminar for candidates sitting the clinical segment was organized on 14 June 2020. 26 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

Number of candidates

There were altogether a total of 76 candidates sitting for this year's examination, with 69 candidates of Category I and 7 Category II respectively.

47 candidates sat for the Written Segments (42 Cat I and 5 Cat II candidates), while 29 candidates sat for the Clinical Examination (27 Cat I and 2 Cat II candidates).

The passing rates of the OSCE Examination for the years 2010 - 2020:

Extra measures for infection control

To minimise the number of people gathering together and moving around in the examination venue, the Board had adopted the following measures:

- The minimal required number of examiners (i.e. 2 marking examiners, and 1 role player), without any extra trainee or observing examiners were assigned inside each station.
- Each examiner, upon arrival and after necessary infection control measures, was directed to their respective station immediately without gathering.
- In the morning session, briefings and reminders by the Board Chairman and OSCE Coordinator were delivered via Zoom online

platform while all the examiners stayed inside their own respective designated station.

- In the afternoon session, while awaiting cleansing and sanitation of all examination stations, briefings and reminders were delivered in ground floor of HKAM with all the examiners seated with 1.5 metres apart.
- Examiners would use their private restroom inside each station, while only the candidates would use the common restrooms in that particular floor.
- No food or refreshment was provided to the examiners and no long break was arranged during the entire examination period. Examiners were assigned to participate in either morning or afternoon session only so that they can have their meals of their own.
- All examination rooms were immediately cleaned and sanitised after the morning session.
- During rest periods, all candidates were arranged to be seated with 1.5 metres apart.

External Examiners from RACGP

Due to the COVID-19 outbreak, the RACGP decided not to send representatives to participate in this year's OSCE Examination, but to expect distance based approaches to support the 2020 Conjoint OSCE on 1 November 2020. The measures used were:

1. During the standardization meeting on the OSCE day, videotaping of two cases per session was made, so that they could be reviewed by the RACGP representatives.
2. During the OSCE cases live examinations, videotaping of four cases per session was made, so that the marking across a number of candidates could be reviewed by the RACGP representatives.

All the videotaping recordings will be treated as strictly confidential materials. They will only be used for quality assurance purposes of the 2020 HKCFP/RACGP Conjoint Fellowship Examination and will be destroyed after the announcement of the 2020 Exam results. They will not be used for any future training purpose, or any individual candidate's marking or any individual candidate's result review purposes.

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Subcommittee, consisting of Examiners, led by our Chief Examiner, to be responsible for the preparation of all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to a minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).
5. Sharing cases with RACGP, if necessary, to widen our examination case bank.
6. Transmission of confidential examination materials through the secured sharing platform as suggested by RACGP.
7. Presentation of OSCE examination materials to examiners only on the day of exam.
8. Continual appeal to the professional integrity of all involved in the examination.
9. Proper "quarantine" of candidates of the morning and afternoon sessions respectively on the day of OSCE examination.
10. Forbiddance of use of any electronic devices by candidates inside examination venue.
11. Prompt data entry of candidates' scores on the same day of examination.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

Examination Prize: "Dr Peter C Y Lee Best Candidate Award 2020"

It was the sixteenth year that the College offered this prize. From the year 2013, this award was renamed "Dr Peter C Y Lee Best Candidate Award" for commemorating Dr Peter Lee's contribution to the discipline of family medicine. The "Dr Peter C Y Lee Best Candidate Award 2020" was presented to Dr NG Kai Man, who had passed the Conjoint Examination at one setting and achieved the

best performance in the Examination.

Acknowledgement

The Board of Conjoint Examination would like to thank our Chief Examiner, segment Coordinators and segment Deputy Coordinators for contributing so much of their time and effort throughout the entire examination, all the Board members for their active participation, the External Examiners from RACGP for their continual advice and support, all our QA Examiners, Case-writing and Marking Examiners, Trainee Examiners, and Role Players for their time and contributions before and during the examination, and all our College secretarial staff and helpers for their excellent administrative and supportive works.

CHAIRMAN'S MESSAGE

The DFM course entered her nineteenth year. This was a successful year as twenty five candidates graduated in the DFM course 2020 - 2021. The Board praised the candidates for their hard work and commitment in learning new knowledge and skill in Family Medicine and congratulated them on their wonderful accomplishment.

On behalf of the Board, I would also like to take this opportunity to thank Professor Cindy L K LAM, Professor Donald K T LI, Dr Stephen K S FOO and our President, Dr David V K CHAO for their continuous support and guidance. Lastly, I like to express my deepest appreciation to Dr Edmond C W CHAN for leading his team in organizing the final examinations, Dr CHAN Man Li for his dedication in clinical examination, Dr Bobo H Y TSUI for her dedication in written examination and all the hardworking Board members, teachers, examiners and trainee examiners for their unfailing support and selfless contribution. I also wished to thank our secretarial staff Ms Alky H K YU for her diligent work.

CHAIRMAN'S MESSAGE

During the year 2020-2021, the Board continued to organize a series of different educational activities for our members and doctors in Hong Kong. Altogether, the Board had provided a total of 142 learning hours for our members in the whole year. These abundant activities are outlined below.

Video-Library and Video-Viewing Session

For the year 2020 we arranged 11 online video sessions on a monthly basis. Video Library has been set up since July 2005. Video viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon CME activities, various Interest Groups and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point per session is accredited to colleagues who attend the viewing session. A maximum of 2 CPD points may be accredited (subject to submission of satisfactory report of Professional Development Log). It is encouraging that the number of attendance is increasing. The topics presented were as follows:

- Approach to a Snoring Child in Primary Care Setting
- Updates on the new Coronavirus infection, COVID-19. What primary care doctors should know?
- Dermatology Interest Group Case Presentation
- Chronic Cough in Adult: Diagnosis, Management and Preventive Care
- Prediabetes: Why & How should we Treat?
- Casting new light in diabetes journey from basal initiation to intensification
- Thanatology for Family Physicians 你識唔識死 (Part 1)
- Thanatology for Family Physicians 你識唔識死 (Part 2)
- An Approach to patients with Renal Impairment in Primary Care Setting
- Knee Osteoarthritis
- Approach to chest pain in primary care and management update on angina

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video. With Dr Cheung's works, the participants will feel like attending the luncheon meeting live while watching the video.

Small Discussion Group

There was 73 active Small Discussion Groups in 2020. Participants will gain 1 CME point per session. In addition, speaker or moderator will be accredited 1 CPD point.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

Cardiopulmonary Resuscitation (CPR) Training: Advanced Primary Care Life Support

The Advanced Primary Care Life Support (APCLS) organized by the CPR Subcommittee was launched in 2017 in order to align with our Sister College (RACGP) requirement of Advanced Life Support components, namely the airway management, neck support and automated external defibrillation (AED) on top of basic life support.

In association with the outbreak of the COVID-19 pandemic, in order to reduce the risk of spreading of the coronavirus in the community, the February 2021 session of the APCLS Training Workshop has been postponed. The 1st Training Workshop was held in March 2021, the 2nd Training Workshops was held in April 2021 and the 3rd Training Workshop was held in May 2021.

Due to COVID-19 pandemic, the course venue was relocated to the Hong Kong Academy of Medicine in order to enhance the infection control measures. In addition, due to unavailability of venue, 1 of the sessions was held in 1-day instead of 2 half-day. The 1-day course was held successfully and the arrangement was well-received by the participants and instructors. The Board has decided to arrange 1-day course for APCLS training and examination starting from 2022 onwards.

This year, we had 93 members who passed the APCLS Examination and were awarded the Certificate of Competency in Advanced Primary Care Life Support, which is also endorsed by the Resuscitation Council of Hong Kong.

The Board would like to express our deepest appreciation to our external examiners from RCHK, namely Dr Wendy CHENG and Dr LEUNG Chin San in the instructor and examination workshops. Furthermore, sincere thanks must be given to Dr David S L CHAN, Dr AU-YEUNG Shiu Hing, Dr KONG Che Wan, Dr Mary B L KWONG and Dr WONG Pak Hoi in coordinating the training manuals, various workshops; and all instructors and trainee instructors as listed below for their time and effort in helping out the CPR training and examination for our members.

Instructors: Dr AU-YEUNG Shiu Hing, Dr Patrick H W CHAN, Dr David S L CHAN, Dr CHEUNG Ying Man, Dr Clarence C M CHOI, Dr HUI Lai Chi, Dr KO Siu Hin, Dr KONG Che Wan, Dr Mary B L KWONG, Dr KWONG Hon Kei, Dr Michael C H KWOK, Dr LAU Pui Ling, Dr Stanley K H LAM, Dr Millicent L K LEUNG, Dr Selina S W LEUNG, Dr Danny P K MA, Dr MO Kam Chuen, Dr TAM Wah Kit, Dr Luke C Y TSANG, Dr Keith TSE, Dr WONG Ka Wah, Dr Amy O Y WONG, Dr WONG Pak Hoi and Dr WONG Wai Man.

Clinical Attachment

Due to COVID-19 pandemic, the clinical attachment has suspended for the time being. We will try to resume to attachment as soon as the pandemic is stabilized. The Board would like to express our sincere thanks to Department of Otorhinolaryngology, Head and Neck Surgery, CUHK and especially Prof Michael TONG, Prof CA van HASSELT, Dr John WOO and the staff of their department for organizing the ENT clinical attachments in the Prince of Wales Hospital in the past.

Assessment Enhancement Course

Assessment Enhancement Course remained one of the most welcome course in her 21st year of establishment. I would like to thank all the tutors in contributing their time and effort in this course. They help tremendously in improving the skills on consultation, physical examination and other various aspects of the participating doctors. Furthermore, a mock examination on OSCE was arranged at the

end of the course. These are very useful to our members in preparing the Conjoint Fellowship Examination. The Board would like to express our sincere thanks to Dr Florence S S LAI in coordinating the course and all tutors for their hard work as follows: Dr DAO Man Chi, Dr FOK Peter Anthony, Dr Kevin K F FUNG, Dr LEE Ying Cheung, Dr LEUNG Yuen Kei, Dr LUK Chun Wa, Dr MAURELLET Juan-Domingo, Dr Joanne Y W NG, Dr OR Ka Yan, Dr TAM Kwan Wai, Dr WONG Chun Fai and Dr WONG Kwok Hoi.

Annual Refresher Course

Annual Refresher Course has been the traditional major year-end event for 40 years. Due to COVID-19 pandemic, ARC 2020 was held online in order to uphold the infection control measures. We had 6 weekday lectures and 4 Sunday workshops and over 270 members attended the course. We would like to thank all those participants who returned their evaluation questionnaires. Their comments and suggestions are invaluable in helping us to plan for the next ARC.

Professional Development Subcommittee

Since 2005, nine Interest Groups have been formed under Professional Development Subcommittee Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, Medical Humanities and Neuro-Musculoskeletal Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

The Online Dermatology Seminar (Organized by Interest Group in Dermatology) scheduled to have regular bimonthly meeting on the first Saturday afternoon of odd months (except public holidays) in the year 2020. We had 5 meetings in 2020.

OVERVIEW

Family Medicine educational activities provided for doctors in mainland China and Macau were planned in advance as in the last few years. However, faced with the COVID-19 epidemic, these educational activities have to be either cancelled or postponed. Regular communications with the parties concerned were made and it was agreed that these educational activities would resume when appropriate.

We were invited to deliver web-based lectures in conferences or training courses organised by CMEA.

CHAIRLADY'S MESSAGE

This year has passed smoothly in the running of the Board's regular activities under the COVID-19 pandemic. All Board members, coordinators and subcommittee members had helped on various BVTs's activities such as responding trainees' enquiries, checking

new applications for enrollment, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees and reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting. In view of COVID-19 and related infection control measures, special arrangements were made for training center accreditation and reaccreditation, including options of extension for one year accreditation by default or holding of online meeting for longer period of reaccreditation for existing training centers. Online meeting for new training centers accreditation was also organized. All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31st March 2021 are as follows:

New enrolled Basic trainees	:	49
New enrolled Higher trainees	:	19
Total Basic trainees	:	158
Total Higher trainees	:	47

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster coordinators for their contributions in the training programme. I would also like to express my sincere gratitude to our administrative executives Ms Charlotte Cheung, Ms Kathy Lai and Ms Tina Fung who are highly committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

Output

Congratulations to our trainees for passing the HKCFP/RACGP Conjoint Examination in 2020 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

CHAIRMAN'S MESSAGE

The Hong Kong Practitioner, as the official journal of the Hong Kong College of Family Physicians, continued to serve as a convenient and useful platform in providing updated information on Family Medicine related topics to our College Fellows, members, and colleagues both locally and overseas. Over the course of the year, we have published 3 original research articles (12%), 7 update articles (28%), 2 case reports (8%), 4 editorials (16%), 4 clinical quizzes (16%), 4 internet update topics (16%), and 1 letter to the editor (4%). With the help of the Editorial Board members and the 'Panel of Reviewers', the Board's peer review capacity has been strengthened.

The Editorial Board would like to take this opportunity to thank wholeheartedly all the contributing authors, Editorial Board members, business manager, reviewers, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their expert input, tremendous support and dedication over the year. Our deepest appreciation also goes to the journal's readership for their ongoing support. The Editorial Board would strive to enhance the contents of the Hong Kong Practitioner in order bring a wider spectrum of articles relevant to the busy family doctors working in the community.

The Specialty Board conducted 2020 Supplementary Exit Examination from 2 July to 30 September 2020. 8 candidates sat the Supplementary Exit Examination and 4 of them successfully completed and passed the whole Exit Examination.

The 2021 Full Exit Examination was held from 1 December 2020 to 31 March 2021. 20 candidates attempted the Examination and 7 candidates successfully completed and passed the whole Exit Examination. Professor Doris Young was the External Examiner of the 2021 Full Exit Examination.

The successful candidates were:

Dr CHENG Kwan Chui
Dr CHENG Long Yee
Dr GOH Winston Louis
Dr JOR Hon Man

Dr LEE Shek Hang
Dr LIU Yin Mei
Dr MAK Wing Hang
Dr TSANG Pui Lim

Dr Queenie H K WONG
Dr Doogie K Y YEUNG
Dr Vivian H M YIP

The "Outstanding Candidate Award 2021" was presenting to Dr LEE Shek Hang, who had passed the Exit Examination at one setting with outstanding performance in the Examination.

The Board had organized Preparatory Workshop, Pre-Exit Examination Workshop and Post-Examination Evaluation Workshops for candidates. Forums for Clinical Audit and Research were also held twice per year providing platforms for candidates to present their clinical audit reports and research papers.

In addition, Refresher Training Course (RTC) was also organized for examiners to maintain the standards of the assessment. The fourth Refresher Training Course for examiners was held in November and December 2020.

The following Examiners/Trainee Examiners/Exam Observers fulfilled 75% or above attendance and obtained the RTC Certificate 2020.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 11 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express our most sincere thanks to all examiners for their dedications and hard work in making the Exit Examination possible and successful.

This year the CME activities/lectures were mainly held in digital online platform for providing different types of lectures/seminars to our members continuously. The regular bi-monthly Dermatology and Mental Health & Psychiatry Interest Groups, Medical Humanities Interest Group, MSK Interest Group and Counselling Interest Group are most welcome by our members. Certificate Courses on Dermatology, Sunday Update for Primary Care Doctors, a series of online seminar on Liver Diseases and the CME Course for General Practitioners co-organized with the United Christian Hospital and the Hong Kong Medical Association were well-attended by members.

With the observation of various infection control measures, the Advanced Primary Care Life Support (APCLS) Training and Examination Workshops were held successfully with physical attendance. Assessment Enhancement Course (AEC) and Annual Refresher Course (ARC) are also successfully arranged by Board of Education. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Conjoint Examination and Specialty Board.

The Hong Kong Primary Care Conference 2020 with the theme "2020 Vision: Health for All", the first digital conference was held on 12 – 13 September 2020 successfully with more than 700 participants. These valuable activities, some are generously sponsored by pharmaceutical companies, can effectively enhance and update a broad range of medical knowledge for our members.

The 43rd Annual Dinner was also cancelled this year due to the on-going COVID-19 pandemic.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The FP Links, The College's bulk e-mail mailing and circulating services from members and other institutions remain very popular.

I would like to take this opportunity to thank the Committee members for their contributions.

On behalf of the College, I would also like to express my gratitude to all the following companies and organizations for their generous support for the College's functions in the past one year:

Allergan (Hong Kong) Ltd	Medical Protection Society
Amgen Asia Holding Limited	Merck Pharmaceutical Co Ltd
AstraZeneca Hong Kong Limited	Mylan Pharmaceutical Hong Kong Ltd

Impacts Associated to COVID-19

College Examinations

HA recommended Colleges to host examinations in venues other than HA hospitals while the Emergency Response Level was still hoisted. Colleges were suggested to explore ways to conduct examinations that would be less subject to overseas events and policy changes, while maintaining collaboration with overseas colleges wherever appropriate.

Trainee Rotation to Other Specialties

Special considerations would be given to trainees who volunteered or were required to be rotated to perform duties for other specialties owing to the COVID-19 for a designated period (capped at 4 weeks). The said period would be regarded as recognised training or leave of absence and the original training schedule would not be considered interrupted.

Principles for Accreditation of Online CME Activities

Colleges are responsible for developing their own guidelines on the accreditation of CME/CPD points with respect to online training activities. Accreditation of web-based / online CME activities (e.g. webinar) is based on, inter alia, assurance from event organisers that they will:

- a. establish proper registration procedures and means to verify the identity of participants;
- b. implement appropriate and feasible measures to ascertain participants' attendance and reasonable participation for the purpose of awarding CME points (e.g. a requirement on expected duration of participation, satisfactory completion of a post-event quiz, questionnaire or feedback form, or other methods).

If it is a live event but recorded and accessible by Fellows for self-study after the event, CME points should not be awarded to those who have accessed the recordings for self-study (i.e. in duplicate) if they have already obtained CME points by attending the live event.

Training Collaboration between HA and HKAM

Official release to serve as Examiners

A template of invitation letter was provided to Colleges to its examiners to facilitate the official release from HA. In such case of official release, examiners would not need to apply for outside work or annual leave. Under such arrangement of official release, no honorarium could be accepted by Examiners (or Examiners will need to apply for outside work if honorarium will be received).

The Colleges were required to include all possible examiners in the list as far as possible, so that HA would be able to identify the Examiners from the list when they applied for official release. HA affirmed that this workflow would be conveyed to the Clinical Departments and HA Residents in the Resident Training Programme.

A similar mechanism would be applied to official release from DH. College examiners from DH taking part in College examinations during working hours would be a kind of official release but considered as "outside work" as stipulated in the Civil Service Regulations. Subject to the meeting of stipulated conditions regarding service exigencies and the performance of the colleagues concerned not to be adversely affected, DH would grant approval for colleagues to serve as College examiners during working hours, as such outside work is clearly in public interest. If the outside work was a paid appointment, the prevailing rule is that the colleague would not normally be allowed to retain more than 50% of the remuneration if the outside work (including the work as an examiner) was performed during working hours. . There was no need to apply for vacation leave but an invitation letter from College was needed for the application for outside work in DH.

Recognition to HA Doctors as College Examiners and Trainers:

HA will explore to ascribe greater importance to the Trainer status in Staff Development Review (SDR) of Medical Grade, and consider including Trainer status as a preferred attribute in Vacancy Notification Circular (VNC) for promotion to Associate Consultant / Consultant (specialty-based approach).

Registration fee to private practitioners for CME activities under HA Central Commissioned Training Programme:

HA was asked to consider waiving of the registration fee to private practitioners for such CME activities (primarily organised for HA staff), given that it would incur minimal marginal cost particularly for those online / lecture-type seminars, and that private

practitioners could be allowed for free admission only when seats are available. HA recapped the principle underpinning the financing of Central Commissioned Training Programmes and suggested that private practitioners who are honorary staff of HA or similar (e.g. Locum Doctors) would not need to pay.

Online Learning Management System

As catalysed by the disruptions caused by COVID-19 to the Colleges' training and assessment, the need for introducing an integrated online learning management system for use by the Academy and Colleges as well as ILCM is considered imminent.

Such system would enable Colleges to e.g. develop and post training contents / course materials (such as videos or ppts), assign assessment tasks, set up discussion groups / learning communities, design course feedback / survey form etc., and have the necessary interface with other systems such as iCMECPD or ePortfolio.

Government funding would be sought, Colleges would be engaged and kept updated on the development.

HKAM's Joint Statement on COVID-19 Vaccination

In relation to the current COVID-19 vaccination programme and some recent reports of adverse effects after vaccination, the Hong Kong Academy of Medicine and its constituent Colleges jointly issued a media statement on 26 May 2021 to further encourage the public to receive COVID-19 vaccination as soon as possible to help the society in returning to normalcy.

In the joint statement, the College indicated that

Individuals may have doubts and worries about the COVID-19 vaccine. Family doctors provide comprehensive, continuing, holistic and personalised care to people in the community, looking after their physical, social and psychological aspects of health. People with chronic diseases, e.g., diabetes mellitus, hypertension, and those at advanced age have increased risks of morbidity and mortality from COVID-19 infection.

The benefit of COVID-19 vaccination among those with clinically stable conditions generally outweighs the risk unless there is clear contraindication.

Recent experiences in other parts of the world show that a higher percentage of population vaccinated against COVID-19 can facilitate the return to normalcy. Vaccination against COVID-19 will not only protect oneself, but also one's family and friends, as well as the community.

RACGP GP20

The Annual Conference of the Royal Australian College of General Practitioners (RACGP) was held from the 21-29 November 2020. For the first time, the RACGP delivered its conference virtually due to COVID-19. GP20 focused on how the profession had managed with COVID-19, learning from the pandemic and other disasters, what GPs needed to know post-pandemic, as well as embracing new technologies and innovations in the digital health era. On behalf of the College, the President Dr David Chao was invited to present on the topic of "COVID-19 and Primary Care in Hong Kong" in the Global Health series, and participated in the Presidential Round

Table discussion to meet with the RACGP Board members and international college leaders to discuss how we could engage with each other more effectively and efficiently to enhance global education standards and competence in general practice.

WONCA World Conference

As the COVID-19 pandemic continued to develop globally, WONCA postponed the World Council and Conference planned for Abu Dhabi from November 2020 to November 2021.

World Family Doctor Day 2021

In order to celebrate the World Family Doctor Day 2021 and recognise the great contributions of Family Doctors in Hong Kong in the combat against the virus during the COVID-19 pandemic, our College has prepared a short video and shared it at the College website, Facebook, and through our YouTube channel at:

第七屆海峽兩岸全科醫學大會暨海醫會全科醫學分會第七屆學術年會: 居民健康, 家醫守護

The 7th Cross-Strait Congress of General Practitioners (第七屆海峽兩岸全科醫學大會暨海醫會全科醫學分會第七屆學術年會) was postponed from 28 March 2020 to 8 August 2020 in Shanghai using both online and face-to-face platforms simultaneously. Dr Emily Tse, Clinical Assistant Professor of the Department of Family Medicine & Primary Care, University of Hong Kong, was nominated by Professor Cindy Lam and Dr David Chao, to deliver the plenary speech “以人為本的基層醫療服務量表在香港的適應性研究” on behalf of the College in the Congress.

Dr David Chao, President of the Hong Kong College of Family Physicians, is shown in a video recording. He is wearing a dark suit and glasses, sitting in a black leather chair. The background features indoor plants and a wooden wall. A logo for 'WONCA' and 'GP20' is visible in the top left corner of the video frame. Text overlaid on the bottom of the video reads: 'Dr David Chao, President, The Hong Kong College of Family Physicians. Hi, I am David Chao, President of the Hong Kong College of Family Physicians.'

2020 世界華人醫師年會: 新冠無情人間有愛, 華醫攜手眾志成城

The World Association of Chinese GP held the annual conference (2020 世界華人醫師年會) on 20-22 September 2020 in 山東青島 via both online and face-to-face platforms simultaneously. Professor Samuel Wong was nominated to represent the HKCFP to speak in the session of “世界華人全科醫師協會論壇” in the conference.

Hong Kong Convention Ambassador

The Hong Kong Convention Ambassador programme is a new initiative launched by the Hong Kong Tourism Board to draw support from influential leaders from a range of sectors to attract global business and professional events to choose Hong Kong as their host destination, and to help speed up the pace of recovery of our economy post the pandemic. The President, Dr David Chao, was appointed by the Hong Kong Tourism Board in January 2021 to be one of the Hong Kong Convention Ambassadors to work with leaders from other professional bodies in promoting Hong Kong as one of the world's leading cities for Meetings, Incentives, Conventions and Exhibitions.

With careful monitoring by the Finance Committee, the financial situation of the College in 2020-2021 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$16 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. We have about 22% of our portfolio in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr David Chao, our President, Dr Cecilia Fan, our Vice-President (Education & Examinations), Dr Lau Ho Lim, our Vice-President (General Affairs), Dr William Wong, our Honorary Secretary, Ms Erica So, our General Manager and Ms Priscilla Li, our Administrative Executive, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services.

CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 24 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work closely to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, from photo gallery and highlights of college events, WONCA news, Family Medicine related activities and development, clinical practice sharing, to latest medical updates and health related news, and sharing of colleagues, young and experienced, about their life and reflections as a family doctor, both locally and cross the sea. There is also support from other Boards, e.g. the Board of Education who contribute the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting. We also promote "Go Green" that members could opt for only receiving electronic copies of FP Links.

CHAIRLADY'S MESSAGE

Our first ever digital conference was successfully held from 11th to 13th of September 2020, with an overwhelming response of over 700 registered online delegates. This annual hallmark conference has again proven its important role as a platform for bringing together the primary care community amidst the daunting challenges of the COVID-19 pandemic, even while it has moved online under social distancing.

This year's theme, "2020 Vision: Health for All," kick-started useful discussions around our joint efforts to raise the standard of healthcare despite these trying times for the world. As family physicians and healthcare providers, we will continue to exchange strategies to maintain our own physical and mental health in face of novel workplace challenges in order to help our patients and community stay healthy.

This conference was graced with the presence of eminent icons in Primary Care, including Prof Sophia Chan (Secretary for Food and Health, Food and Health Bureau, HKSAR) and Prof Donald Li (President, World Organization of Family Doctors), among many others. We were honoured to have three distinguished Plenary speakers, namely Prof David Hui, Prof Cindy Lam and Prof Terry Lum, all of whom have broadened our perspectives with presentations on diverse yet relevant topics, ranging from updates on COVID-19 to promotion of mental health and wellness among individuals and the community. Furthermore, a timely discussion panel on a united front in tackling the global COVID-19 pandemic, consisting of Prof David Hui, Prof Donald Li and Dr David Chao, was added to the programme. Once again, the wide array of interesting yet relevant topics of our scientific programme have consistently enthralled our conference participants.

EXPERTISE AND PROFESSIONALISM OF THE SECRETARIAT

Because of the COVID-19 pandemic, all College events or educational activities were held online. A notable example was our annual Primary Care Conference which became our first ever digital conference. Credit must be given to our Secretariat team who proactively learned and continually updated their IT skills for the smooth running of the many in-house web-based events.

Another difficult issue was the arrangement of the College's examinations, in which the challenging decision has to be made, of whether to hold them as scheduled or to cancel them in view of the risks of infection during the COVID-19 pandemic. The planning process has met with many obstacles and uncertainties. However, despite the tremendous workload in preparation and execution amid the complexities in infection control and social distancing measures, our Secretariat staff invariably demonstrated strong professionalism and adaptability, resulting in the successful running of all scheduled examinations.

COVID-19-RELATED WORK ARRANGEMENT

As the COVID-19 situation in Hong Kong was evolving, the Committee decided to adopt appropriate corresponding work arrangements in the Secretariat which aimed at striking a fine balance between maintaining the functioning of the Secretariat and ensuring the health and well-being of our staff. These flexible work arrangements included many different forms, from shortened working hours, alternate-day work from home with two separate teams, to full-time work from home.

The Committee reviewed these work arrangements regularly and made adjustment from time to time according to the development of the pandemic.

STAFF CHANGES

Ms Charlotte CHEUNG (Administrative Executive), Ms Anna Ho (Administrative Executive) and Ms Angel FUNG (Administrative Assistant) resigned from the College. We welcome Ms Mavis Law, Ms Iris Ip and Ms Tina Fung who joined the Secretariat in the past year.

Last but not least, the Committee Chairman would like to thank Ms Erica So, General Manager, for her excellent leadership and contribution, and all staff for their committed support throughout the years.

43rd Annual Dinner

The 43rd Annual Dinner previously scheduled on 6 December 2020 (Sunday) was cancelled in view of on-going situation of COVID-19 pandemic and to uphold the vigilant infection control measures as well as maintaining the social distancing.

The decision to cancel the Annual Dinner, which is one of the most important events of the College was not an easy one, but the well beings of our members and guests always comes first. We look forward to welcoming you in the Annual Dinner again in the future.

33rd and 34th Conferment Ceremony and the 31st Dr Sun Yat Sen Oration

This year, with all infection control measures in place and the availability of COVID-19 vaccines, the 33rd and 34th Fellowship Conferment Ceremony and the 31st Dr Sun Yat Sen Oration was held on 1 August 2021 (Sunday) as scheduled at the Run Run Shaw Hall, Hong Kong Academy of Medicine Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong, accommodating successful candidates and awardees of 2020 and those of 2021 together.

This year, the Ceremony was well attended by 290 participants, including the successful candidates of Exit Assessment, Conjoint Fellowship Examination, Diploma in Family Medicine and their families and friends, as well as invited guests and dignitaries from the Food and Health Bureau, the Department of Health, the Hospital Authority, the universities and representatives of local and overseas academic colleges.

Dr Mark MILLER, Chairman of RACGP International and also the Honorary Fellow of HKCFP 2020, delivered the 31st Dr Sun Yat Sen Oration titled "The Golden Journey" remotely.

The successful candidates were listed as follows:

The QA&A program aims to promote participation in Continuing Medical Education (CME) and Continuing Professional Development (CPD) activities for General Practitioner (GP) and Family Physician (FP). With end in mind to promote best practices, educational activities proposed to our College are assessed by the QA&A committee to identify relevant and high quality ones for members' attendance. Participation in these learning activities towards best practices are acknowledged by CME/CPD points, with issuing of CME certificate to those fulfilling the College's requirement as a token recognition and encouragement.

In order to further enhance an effective and efficient QA&A program for GP/FP, the QA&A committee has conducted a review on prevailing operation since 2Q 2016. An Active Learning Mode (ALM) has been endorsed in Hong Kong Primary Care Conference since 2016. In this regard, active participation in prescribed learning of a prior-accredited activity may earn CPD points upon successful submission of both pre- and post- MCQs. Through innovative learning mode as such, learning may be facilitated efficiently and effectively in this era of rapid knowledge and technology expansion. ALM has also implemented in the Annual Refresher Training Course held by Specialty Board since 2018.

An enhanced CPR course was introduced in 2017 in response to the amended CPR requirement of RACGP QI & CPD Programme in 2017-19 to attain reciprocal recognition with RACGP and our College QA Programme. The 'Advanced Primary Care Life Support Course' has been promoted alongside with CPR Subcommittee of the Board of Education starting from 2017.

Regarding CME, for HKCFP Members who have chosen Hong Kong Academy of Medicine (HKAM) as their CME Administrator under "MCHK CME Programme for Non-specialists" category, we would administer their MCHK CME with waiving of fee charged by HKAM starting January 2017. In addition, arrangement was made to recognise unexpected difficulties faced by members due to social events and COVID-19 in late 2019.

In order to set proper standard for awarding CME for the rapidly rising trend of on-line webinars, the Committee has discussed and agreed on setting a minimal requirement of 75% attendance time plus passing post-event quiz/survey, starting from August 2020. To strengthen continuity of the committee, kindly note that we have introduced 2 vice chairmen posts with interposing terms since 2018.

Kindly note that the electronic copy of and CME Certificate 2020 is available on the College's homepage <http://www.hkcfp.org.hk>, members can login to their own account to download the certificates anytime. Request for hardcopy certificate can be made in writing to the college secretariat, an administrative fee of \$50 per copy will be charged starting from July 2016. Please find list of active fellows/members who have fulfilled the College's requirement for awarding certificate as below.

Nine submissions had been received for the Best Research Award 2020 and the Best Trainee Research Award 2020, the selection panel consisted of three assessors. The winning papers were:

- Best Research Award 2020: "Parental depression mediates the relationship between parental stress and child health among low-income families" by Dr Esther Y T YU.
- Best Trainee Research Award 2020: "Patients' barriers to non-vitamin K antagonist oral anticoagulant in atrial fibrillation: qualitative interview analysis" by Dr YAU King Sun.

The 2021 HKCFP Research Fellowship had received three applications this year. The selection panel which consisted of two assessors had selected the winner to be Dr JIAO Fangfang. Her research project was "Evolution of Diabetes Mellitus Care in Hong Kong Public Primary Care Setting: Changes after 10-year Implementation of Risk Assessment and Management Program in Diabetes Mellitus (RAMP-DM)".

The Committee has established two new funding awards over the last eight years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector.

Highlights of projects by HKCFP Research Committee:

- A survey on "Family Doctors' Perception of the District Health Centre in Hong Kong" was conducted in January 2021 to explore Family Doctors' understanding of the District Health Centre (DHC) and to collect opinions from family doctors to enable the DHC and the primary healthcare team to fulfill their mission and vision. A summary of the related findings was published in May 2021 issue of the FP Links of The Hong Kong College of Family Physicians. The findings will also be shared with the Food and Health Bureau and a manuscript will be published in September 2021 issue of the Hong Kong Practitioner
- A survey on "HKCFP-HKU Primary Care Morbidity Survey in Hong Kong" was being conducted since March 2021 to investigate the scope of problems encountered by primary care doctors in Hong Kong. Due to the COVID-19 pandemic, the study had been postponed for one-year extension till December 2022.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

In the year 2020-21, we are delighted to serve our College members.

Computer software and hardware are being updated and renewed to tackle the increasing demand. Thanks to our secretarial support and input from the Committee, the registration system for educational activities, members MCQs and Clinical Quizzes function in our college website are maintained smoothly. The Web and Computer Committee is also responsible to manage our College Facebook, which provides a platform for sharing timely information to our College members, our community friends and the public. Paypal payment has also been launched to facilitate transactions of Membership Subscription Fee and registration fee of HKPCC Conference 2020. In addition posters of HKPCC conference 2020 Free Paper competition (Poster) were uploaded on college website for member's peruse.

We welcome all suggestions from our College members. The web and computer daily operations are being monitored by our secretarial staff, and we are thankful for their dedicated work.

I would like to once again express my appreciations to the members of the Web and Computer Committee for their support in the past year. We look forward to serving our College in the coming year.

CO-CHAIRMEN'S MESSAGE:

The HKCFP Young Doctors Committee was formed by our College in May 2017. We aim to engage our young doctors joining the College activities and nurture young leaders. We would connect the medical students, medical interns and young members of our College to enhance our communication with each other. We also promote our younger leaders to represent our College in the participation of local, national and international meetings. The composition of our membership were enthusiastic young doctors coming from public and private sectors in order to keep up the momentum.

The financial situation of our College remains stable for the year 2020-2021.

With a current reserve valued in excess of HK\$20 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Conjoint Examination, Board of Diploma in Family Medicine (DFM), Board of Vocational Training and Standards and Specialty Board. When compared with 2019-2020 income, the Membership Committee, membership subscriptions obtained HK\$1.59 million (10% increase). The Board of Conjoint Examination obtained HK\$1.04 million (4% decrease). The Board of DFM obtained HK\$765K (18% decrease). The Specialty Board obtained HK\$656K (16% decrease). The Board of Vocational Training and Standards obtained HK\$497K (20% increase). All these Boards were have surplus in last year. However, the revenue of Board of Conjoint Examination, the Board of DFM and Specialty Board were decreased when compared with 2019-2020.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$4 million. The total cumulative expenses is well controlled and had decreased by 25% when compared with 2019-2020 as the lectures and conference were transformed to online platform.

On behalf of the board

Chairman

HONG KONG, 9 November 2021

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

Opinion

I have audited the financial statements of Hong Kong College of Family Physicians ("the Company") set out on pages 5 to 13, which comprise the statement of financial position as at 31 March 2021, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2021, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Council of the Company are responsible for the other information. The other information comprises all information included in the Council's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Council and Those Charged with Governance for the Financial Statements

The Council are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Council determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Council are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform

audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council.
- Conclude on the appropriateness of the Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a matter that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

3 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment, except investment properties, are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rate to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Group and the Company if that person:
- (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
 - (ii) has control over the Group and the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
- (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.
 - (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
 - (vi) the entity is controlled or jointly controlled by a person identified in (1).
 - (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Entrance fee from members are recognised in the financial year of receipt.

Annual subscriptions fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the period end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

(f) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2021.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

Chairman
Hong Kong, 9 November 2021

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP EDUCATION LIMITED
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

Qualified Opinion

I have audited the financial statements of HKCFP Education Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2021, and the statement of comprehensive income and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2021, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Qualified Opinion

As explained in note 6 to the financial statements, the company has not prepared consolidated statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the members. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit

HKCFP EDUCATION LIMITED
(Limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

3. BASIS OF PREPARATION AND ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Group and the Company if that person:
 - (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
 - (ii) has control over the Group and the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
 - (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.

- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (viii) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
- (vi) the entity is controlled or jointly controlled by a person identified in (1).
- (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2020:Nil).

The company had no significant unprovided deferred taxation at 31 March 2021 and 2020 and for the years then ended.

At 31 March 2021, the company has unused tax losses of HK\$17,324,962 (2020:HK\$17,322,643) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely..

5 DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2020:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2021.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2012, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

Chairman

Hong Kong, 9 November 2021

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

Opinion

I have audited the financial statements of HKCFP Foundation Fund ("the Foundation") set out on pages 5 to 11, which comprise the statement of financial position as at 31 March 2021, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Foundation as at 31 March 2021, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Foundation in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Executive Board of the Foundation is responsible for the other information. The other information comprises all information included in the Executive Board's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Executive Board and Those Charged with Governance for the Financial Statements

The Executive Board is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Board is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Board either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Board.
- Conclude on the appropriateness of the Executive Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

HKCFP FOUNDATION FUND
(Limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

2. GENERAL INFORMATION

The Foundation is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the Foundation is to promote, encourage and assist, for the public benefit, research and education on family medicine.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related parties

For the purpose of these financial statements, related party includes a person and entity as defined below:

(1) A person or a close member of that person's family is related to the Foundation if that person:

- (i) is a member of the key management personnel of the Foundation or of a parent of the Foundation;
- (ii) has control over the Foundation; or
- (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.

(2) An entity is related to the Foundation if any of the following conditions applies:

- (i) the entity and the Foundation are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
- (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
- (iii) both entities are joint ventures of a third entity.
- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (v) the entity is a post-employment benefit plan for the benefit of employees of either the Foundation or an entity related to the Foundation. If the reporting entity is itself such a plan, the sponsoring employers are

also related to the plan.

- (vi) the entity is controlled or jointly controlled by a person identified in (1).
- (vii) a person identified in (1)(i) has significant voting power in the entity

- (d) Revenue recognition
Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (e) Foreign currencies
Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

5. EXECUTIVE BOARD MEMBERS' REMUNERATION

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2020:Nil)

On behalf of the Board

Chairman

HONG KONG, 9 November 2021

INDEPENDENT AUDITOR'S REPORT
TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED
(Incorporated in Hong Kong with limited liability)

Opinion

I have audited the financial statements of HKCFP Holdings and Development Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2021, and the statement of income and retained earnings and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2021, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic

decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

HKCFP HOLDINGS AND DEVELOPMENT LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activity of the Company is to act as an Educational Organization in respect of the development of Family Medicine.

2 BASIS OF PREPARATION AND ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention.

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of income and retained earnings in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of income and retained earnings is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Turnover

Turnover represents course fees received.

(d) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (e) Income tax
Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

- (f) Going concern
The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

3 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements in view of the excess of the allowable losses brought forward over the estimated assessable profits for the year. (2020:Nil)

The taxation charges is made up as follows:

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2021.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf
of the Board of Directors
