PRESIDENT'S MESSAGE (DR DAVID V K CHAO)

(July 2021 to June 2022)

It has been another year like no other again as we continued to fight the SARS-CoV-2 virus in the pandemic which affected our daily activities in many different ways. The fifth wave of the pandemic had great impacts upon the College activities as well as the primary care services in general. The strict adherence to the early detection, early isolation and early treatment direction undertaken by the authorities together with the collaborative work across all sectors, including our College, have led us to safer grounds. Our College members have demonstrated great determination and resilience to combat the effects of the pandemic by actively participating in COVID-19 vaccination programme, in the management of people who have contracted the virus, as well as in looking after their acute and ongoing problems in the meantime. The Hong Kong College of Family Physicians has also held a joint webinar and issued a joint press statement in July in conjunction with the Hong Kong Academy of Medicine, the Hong Kong College of Physicians and Hong Kong College of Community Medicine to reiterate the principles on COVID-19 vaccination, and all clinicians were encouraged to bring up the topic with elderly patients to enhance their vaccination rate for their protection. Despite the ongoing pandemic, our College has maintained our Family Medicine vocational training programmes, continuing medical education activities, and professional examinations throughout this year by making use of online platforms, carefully selected venues and stringent infection control measures according to prevailing guidelines. I would like to take this opportunity to express my heartfelt thanks to our College members, our secretariat, the Boards and Committees, our Censors, and our Council, for their tremendous dedication and support in making all these possible.

Please keep well and stay safe.

HONORARY SECRETARY'S MESSAGE (DR WILLIAM C W WONG)

(July 2021 to June 2022)

The COVID-19 pandemic stretches into a third year, which has upended many of our day-to-day personal and professional life. Hopefully, the end of the pandemic is now in sight and we would return to normal “business” soon.

Looking back, in the early months of 2022, the 5th wave of the pandemic took a rapidly surge in Hong Kong. Our family doctors in the community contribute a great deal towards fighting against the virus in the pandemic. Many members, especially those work in private sector, joined as Locum Doctors in Hospital Authority (HA) providing on-site medical support in the community facilities or in the hospital settings. In response to the appeal made by our President Dr David Chao in March this year, College members have been making significant contributions to provide urgent support in fighting against COVID-19, including clinical support in Community Isolation Facilities, medical hotlines, COVID-19 vaccination at RCHes and as outreach team, etc. The College launched the “HKCFP Together We Fight the Virus Campaign 2022”, which serves as an appreciation of the great work being done by our College members during the 5th wave of the pandemic.

Riding on the success of our first ever Hong Kong Primary Care ‘Digital’ Conference in 2020, HKPCC 2021 took place from 30 July – 1 August via an online platform. The Conference brought together international and local experts, family doctors, nurses, allied health professionals and other primary care providers in sharing clinical knowledge, expertise and experiences. It provided a platform for potential collaborations and networking opportunities. We had an overwhelming participation of over 700 delegates. Within the HKPCC 2021, we had a joint webinar organised by the Hong Kong Academy of Medicine (HKAM) in conjunction with the Hong Kong College of Physicians (HKCP), Hong Kong College of Community Medicine (HKCM) and our College (HKCFP), reiterating the principles on COVID-19 vaccination for the elderly. A joint press statement by HKAM, HKCP, HKCFP and HKCM had been issued to the public encouraging early COVID-19 vaccination uptake by the elderly population if no contraindications are identified and that clinicians should proactively bring up the topic with the elderly patients when they are seen in the consultation.

The Government has been setting up District Health Centres (DHCs) across Hong Kong. The latest centre was set up in October 2021 at Shek Kip Mei Estate, Sham Shui Po with St James' Settlement as the DHC operator. The College support the setup of DHCs as a good channel to strengthen district-based primary healthcare services. Family doctors in Shum Shui Po and surrounding areas are highly recommend to consider joining the DHC's network of doctors to make use of the service.

Amidst the COVID-19 challenges with the issues of social distancing and infection control concerns, the College Secretariat has been well equipped and overcame these difficulties and barriers with some special arrangements of infection control measurements enforced enabling some events which required face-to-face participation, such as Advanced Primary Care Life Support workshops for GPs, Diploma in Family Medicine, fellowship examination(s) were successful held in 2021 and 2022.

I would take the opportunity to thank all the contributions from our dedicated Fellows, Boards and Committee Members, particularly my sincere gratitude to the Secretariat and Ms Erica So, our General Manager, for their hard work to make all these events run smoothly throughout the difficult time of the pandemic in the past year.

The Examination

The format of the 35th Conjoint Examination 2021 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our case writers and all our examiners.

Workshops for Examiners

- 1st Examiner Training Workshop for OSCE (by ZOOM Webinar) 18 July 2021 (Sunday)
- 2nd Examiner Training Workshop for OSCE (by ZOOM Webinar) 15 August 2021 (Sunday)
- Workshops on 1st Standard Setting for KFP exam paper 15 & 18 August 2021 (Sunday, Wednesday)
- Workshops on 2nd Standard Setting for KFP exam paper 4, 5 & 7 September 2021 (Saturday, Sunday, Tuesday)
- Workshop on Standard Setting for AKT exam paper 22 - 23 August 2021 (Sunday - Monday)
- KFP Marking Sessions 20 - 22 August 2021 (Friday - Sunday)
- Information Seminar for KFP 5 February 2021 (Friday)
- Case-writing Meeting for AKT 17 January 2021 (Sunday)
- Case-writing Group Meetings for OSCE February, May - June 2021

Information Seminar for Candidates (by ZOOM Webinar)

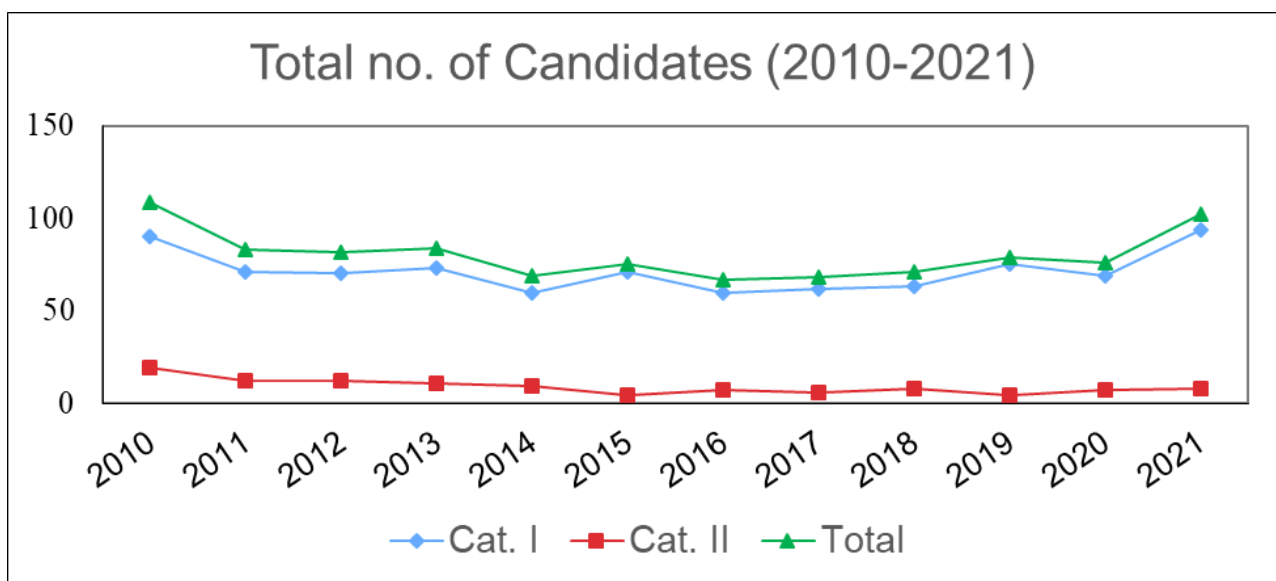

An information seminar for candidates sitting the clinical segment was organized on 13 June 2021. 45 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

Number of candidates

There was altogether a total of 102 candidates sitting for this year’s examination, with 94 candidates of Category I and 8 Category II respectively.

63 candidates sat for the Written Segments (56 Cat I and 7 Cat II candidates), while 46 candidates sat for the Clinical Examination (40 Cat I and 6 Cat II candidates).

The passing rates of the OSCE Examination for the years 2010 - 2021:

Extra measures for infection control

To minimise the number of people gathering together and moving around in the examination venue, the Board had adopted the following measures:

- Except the station 4/5 (Long Clinical Case) that 1 extra role player was assigned to share the role in order to accommodate the best possible performance delivered, the minimal required number of examiners (i.e. 2 marking examiners, and 1 role player), without any extra trainee or observing examiners were assigned inside each station..
- Each examiner, upon arrival and after necessary infection control measures, was directed to their respective station immediately without gathering.
- In both of the Saturday and Sunday sessions, briefings and reminders by the Board Chairman and OSCE Deputy Coordinator were delivered via Zoom online platform while all the examiners stayed inside their own respective designated stations.
- Examiners would use their private restroom inside each station, while only the candidates would use the common restrooms in that particular floor.
- No food or refreshment was provided to the examiners and no long break was arranged during the entire examination period.
- During rest periods, all candidates were arranged to be seated with 1.5 metres apart.

External Examiners from RACGP

Due to the ongoing COVID-19 pandemic, there were again no QA examiners coming from the RACGP this year. However, they were expected to provide distance based approaches to support the 2021 clinical examination. The measures used, as similar to those of last year, were:

1. During the standardization meeting on the OSCE day, videotaping of two cases per session was made, so that they could be reviewed by the RACGP representatives.
2. During the OSCE cases live examinations, videotaping of four cases per session was made, so that the marking across a number of candidates could be reviewed by the RACGP representatives.

All the videotaping recordings will be treated as strictly confidential materials. They will only be used for quality assurance purposes of the 2021 HKCFP/RACGP Conjoint Fellowship Examination and will be destroyed after the announcement of the 2021 examination results. They will not be used for any future training purpose, or any individual candidate's marking or any individual candidate's result review purposes.

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Subcommittee, consisting of Examiners, led by our Chief Examiner, to be responsible for the preparation of all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to a minimal number of persons.
4. Strict adherence to the security protocol for the OSCE examination by all examiners (including strict prohibition of electronic transference of exam materials).
5. Sharing cases with RACGP, if necessary, to widen our examination case bank.
6. Transmission of confidential examination materials through the secured sharing platform as suggested by RACGP.
7. Presentation of OSCE examination materials to examiners only on the day of examination.
8. Continual appeal to the professional integrity of all involved in the examination.
9. Forbiddance of use of any electronic devices by candidates inside examination venue.
10. Prompt data entry of candidates' scores on the same day of examination.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

Examination Prize: "Dr Peter C Y Lee Best Candidate Award 2021"

It was the seventeenth year that the College offered this prize. From the year 2013, this award was renamed "**Dr Peter C Y Lee Best Candidate Award**" for commemorating Dr Peter Lee's contribution to the discipline of family medicine. The "Dr Peter C Y Lee Best Candidate Award 2021" was presented to Dr CHANG Hsu Wei, who had passed the Conjoint Examination at one setting and achieved the best performance in the Examination.

Acknowledgement

The Board of Conjoint Examination would like to thank our Chief Examiner, segment Coordinators and segment Deputy Coordinators for contributing so much of their time and effort throughout the entire examination, all the Board members for their active participation, the External Examiners from RACGP for their continual advice and support, all our QA Examiners, Case-writing and Marking Examiners, Trainee Examiners, and Role Players for their time and contributions before and during the examination, and all our College secretarial staff and helpers for their excellent administrative and supportive works.

CHAIRMAN'S MESSAGE

The DFM course entered her twentieth year. This was a successful year as twenty five candidates graduated in the DFM course 2021 - 2022. The Board praised the candidates for their hard work and commitment in learning new knowledge and skill in Family Medicine and congratulated them on their wonderful accomplishment.

On behalf of the Board, I would also like to take this opportunity to thank Professor Cindy L K LAM, Professor Donald K T LI, Dr Stephen K S FOO and our President, Dr David V K CHAO for their continuous support and guidance. Lastly, I like to express my deepest appreciation to Dr Edmond C W CHAN for leading his team in organizing the final examinations, Dr CHAN Man Li for his dedication in clinical examination, Dr Bobo H Y TSUI for her dedication in written examination and all the hardworking Board members, teachers, examiners and trainee examiners for their unfailing support and selfless contribution. I also wished to thank our secretarial staff Ms Alky H K YU for her diligent work.

CHAIRMAN'S MESSAGE

During the year 2021-2022, the Board continued to organize a series of different educational activities for our members and doctors in Hong Kong. Altogether, the Board had provided a total of 148 learning hours for our members in the whole year. These abundant activities are outlined below.

Video-Library and Video-Viewing Session

For the year 2021 we arranged 11 online video sessions on a monthly basis. Video Library has been set up since July 2005. Video viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon CME activities, various Interest Groups and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point per session is accredited to colleagues who attend the viewing session. A maximum of 2 CPD points may be accredited (subject to submission of satisfactory report of Professional Development Log). It is encouraging that the number of attendance is increasing. The topics presented were as follows:

- Prediabetes: Why & How Should We Treat?
- Approach to a Snoring Child in Primary Care Setting
- How Family Physicians can co-manage with Oncologists in Patient with Breast and Prostate Cancer
- How Family Physicians can co-manage with Oncologists in Patient with Colorectal and Lung Cancer
- Management of Atrial Fibrillation in Primary Care
- Update on the Management of Diabetes
- Update on Management of Influenza
- Holistic Diabetes Management – Is it all about Glycaemic Control Only?
- To Treat or Not to Treat - What is the cut-off for treatment in the era of prediabetes?
- Common Neurological Problems in Primary Care
- Management in "Difficult Hypertension"

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video. With Dr Cheung's works, the participants will feel like attending the luncheon meeting live while watching the video.

Small Discussion Group

There was 83 active Small Discussion Groups in 2021. Participants will gain 1 CME point per session. In addition, speaker or moderator will be accredited 1 CPD point.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

Cardiopulmonary Resuscitation (CPR) Training: Advanced Primary Care Life Support

The Advanced Primary Care Life Support (APCLS) organized by the CPR Subcommittee was launched in 2017 in order to align with our Sister College (RACGP) requirement of Advanced Life Support components, namely the airway management, neck support and automated external defibrillation (AED) on top of basic life support.

In association with the outbreak of the COVID-19 pandemic, in order to reduce the risk of spreading of the coronavirus in the community, the February and March 2022 session of the APCLS Training Workshop have been postponed. The 1st Training Workshop was held in July 2022, the 2nd Training Workshop would be arranged later and details would be further announced.

Due to COVID-19 pandemic, the course venue was relocated to the Hong Kong Academy of Medicine in order to enhance the infection control measures. The 1-day course was held successfully and the arrangement was well-received by the participants and instructors.

This year, we had 29 members who passed the 1st APCLS Examination and were awarded the Certificate of Competency in Advanced Primary Care Life Support, which is also endorsed by the Resuscitation Council of Hong Kong.

The Board would like to express our deepest appreciation to our external examiner from RCHK, namely Dr LEUNG Chin San in the instructor and examination workshops. Furthermore, sincere thanks must be given to Dr David S L CHAN, Dr AU-YEUNG Shiu Hing, Dr KONG Che Wan, Dr Mary B L KWONG and Dr WONG Pak Hoi in coordinating the training manuals, various workshops; and all instructors and trainee instructors as listed below for their time and effort in helping out the CPR training and examination for our members.

Instructors: Dr AU-YEUNG Shiu Hing, Dr Patrick H W CHAN, Dr David S L CHAN, Dr CHEUNG Ying Man, Dr HUI Lai Chi, Dr KO Siu Hin, Dr KONG Che Wan, Dr Michael C H KWOK, Dr Stanley K H LAM, Dr Selina S W LEUNG, Dr Danny P K MA, Dr MO Kam Chuen, Dr Keith TSE, Dr WONG Pak Hoi and Dr WONG Wai Man.

Clinical Attachment

Due to COVID-19 pandemic, the clinical attachment has suspended for the time being. We will try to resume to attachment as soon as the pandemic is stabilized. The Board would like to express our sincere thanks to Department of Otorhinolaryngology, Head and Neck Surgery, CUHK and especially Prof Michael TONG, Prof C A van HASSELT, Dr John WOO and the staff of their department for organizing the ENT clinical attachments in the Prince of Wales Hospital in the past.

Assessment Enhancement Course

Assessment Enhancement Course remained one of the most welcome course in her 22nd year of establishment. I would like to thank all the tutors in contributing their time and effort in this course. They help tremendously in improving the skills on consultation, physical examination and other various aspects of the participating doctors. Furthermore, a mock examination on OSCE was arranged at the end of the Course. These are very useful to our members in preparing the Conjoint Fellowship Examination. The Board would like to

express our sincere thanks to Dr Florence S S LAI in coordinating the course and all tutors for their hard work as follows: Dr CHAN Man Li, Dr CHAN Yuen Ching, Dr DAO Man Chi, Dr FOK Peter Anthony, Dr Kevin K F FUNG, Dr Candy Y T HUI, Dr LUK Chun Wa, Dr MAURELLET Juan-Domingo, Dr NG Kai Man, Dr TSAI Hung Yu, Dr WONG Chiu Lun, Dr WONG Chun Fai and Dr WONG Kwok Hoi.

Annual Refresher Course

Annual Refresher Course has been the traditional major year-end event for 41 years. Due to COVID-19 pandemic, ARC 2021 was held online in order to uphold the infection control measures. We had 6 weekday lectures and 4 Sunday workshops and over 263 members attended the course. We would like to thank all those participants who returned their evaluation questionnaires. Their comments and suggestions are invaluable in helping us to plan for the next ARC.

Professional Development Subcommittee

Since 2005, 10 Interest Groups have been formed under Professional Development Subcommittee Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, Medical Humanities, Neuro-Musculoskeletal and Point-of-Care Ultrasound (POCUS) Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

The Online Dermatology Seminar (Organized by Interest Group in Dermatology) scheduled to have regular bimonthly meeting on the first Saturday afternoon of odd months (except public holidays) in the year 2021. We had 4 meetings in 2021.

OVERVIEW

Family Medicine educational activities provided for doctors in mainland China and Macau were planned in advance as in the last few years. However, faced with the COVID-19 epidemic, these educational activities have to be either cancelled or postponed. Regular communications with the parties concerned were made and it was agreed that these educational activities would resume when appropriate.

We were invited to deliver web-based lectures in training courses organised by General Practice Branch of Cross-Straits Medicine Exchange Association (海峽兩岸醫藥衛生交流協會).

CHAIRLADY'S MESSAGE

This year has passed smoothly in the running of the Board's regular activities under the COVID-19 pandemic. All Board members, coordinators and subcommittee members had helped on various BVTS's activities such as handling trainees' enquiries, checking new applications for enrollment, reviewing feedback from trainees and supervisors to monitor the quality of training, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees and reviewing the Structured Educational

Programme for pre-approval and holding the quarterly board meeting. With peak of COVID-19 pandemic, the impact on training are reviewed closely. The Board had taken due consideration balancing training need, the infection control recommendation and the indispensable role of FM doctor in supporting the community through the crisis. Flexibility and recommendations were given to the process of training, mode of running SEP, duration of maximal training accreditation if being deployed for COVID related service, training center accreditation and reaccreditation and also endorsing a number of related fine adjustment on training matters. Most of the Board's meeting were changed to online mode during the peak of COVID-19 pandemic. Regular activities of the Board are ongoing all through the year to ensure the standard of vocational training.

The usual statistics up to 31st March 2022 are as follows:

New enrolled Basic trainees	:	41
New enrolled Higher trainees	:	27
Total Basic trainees	:	179
Total Higher trainees	:	50

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster coordinators for their contributions in the training programme. I would also like to express my sincere gratitude to our administrative executives Ms. Maggie Cheung, Ms. Kathy Lai and Ms. Tina Fung who are highly committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

Output

Congratulations to our trainees for passing the HKCFP/RACGP Conjoint Examination in 2021 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

CHAIRMAN'S MESSAGE

The Hong Kong Practitioner, as the official journal of the Hong Kong College of Family Physicians, continued to serve as a convenient and useful platform in providing updated information on Family Medicine related topics to our College Fellows, members, and colleagues both locally and overseas. Over the course of the year, we have published 5 original research articles (20%), 4 update articles (16%), 2 case reports (8%), 4 editorials (16%), 4 clinical quizzes (16%), 4 internet update topics (16%), 1 letter to the editor (4%) and 1 Dr Sun Yat Sen Oration (4%). With the help of the Editorial Board members and the 'Panel of Reviewers', the Board's peer review capacity has been strengthened.

We would like to thank Dr LAM Tai Kwan who had retired from the Board in January 2022 after years of dedicated service to the Hong Kong Practitioner.

Our Board also mourned the sudden passing away of our Statistical Consultant, Professor William GOGGINS. We were most grateful towards Professor GOGGINS for his contribution to the Board over the years.

The Editorial Board would like to take this opportunity to thank all the contributing authors, Editorial Board members, business manager, reviewers, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their expert input, tremendous support and dedication over the previous twelve months. Our deepest appreciation also goes to the journal's readership for their ongoing support. The Editorial Board would continue to strive to enhance the contents of the Hong Kong Practitioner in order to bring a wider spectrum of articles relevant to the busy family doctors working in the community

This year the CME activities/lectures were mainly held in digital online platform also for providing different types of lectures/seminars to our members continuously. The regular Dermatology seminar, Mental Health Interest Groups, Medical Humanities Interest Group, MSK Interest Group, POCUS Interest Group and Counselling Interest Group are most welcome by our members. Certificate Courses on Management of Common Mental Health Problems for Primary Care, Ophthalmology, Palliative Care for Primary Care Doctors, Certificate Course on Bringing Better Health to Our Community co-organized with Queen Elizabeth Hospital and the CME Course for General Practitioners, Health Personnel co-organized with the United Christian Hospital and the Hong Kong Medical Association were well-attended by members.

With the observation of various infection control measures, the Advanced Primary Care Life Support (APCLS) Training and Examination Workshops were held successfully with physical attendance. Assessment Enhancement Course (AEC) and Annual Refresher Course (ARC) are also successfully arranged by Board of Education. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Conjoint Examination and Specialty Board.

The 2021 Hong Kong Primary Care Digital Conference with the theme "Our Finest Hour-Striding through the Storm", was successful held on 30 July to 1 August 2021 with more than 700 participants. These valuable activities, some are generously sponsored by pharmaceutical companies, can effectively enhance and update a broad range of medical knowledge for our members.

The 44th Annual Dinner was also cancelled this year due to the on-going COVID-19 pandemic.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The FP Links, the College's bulk e-mail mailing and circulating services from members and other institutions remain very popular.

I would like to take this opportunity to thank the Committee members for their contributions.

On behalf of the College, I would also like to express my gratitude to all the following companies and organizations for their generous support for the College's functions in the past one year:

A. Menarini Hong Kong Limited	Main Life Corporation Limited
Abbott Laboratories Ltd	Medical Protection Society
Allergan (Hong Kong) Limited	Merck Pharmaceutical Co Ltd
Amgen Hong Kong Limited	Novartis Pharmaceuticals (HK) Ltd

Measures in Support of Trainee Rotation to combat COVID-19 pandemic amid the 5th wave of COVID-19 pandemic

Some Colleges shared their current measures and supplemented that the trainees would be required to make up for the deficiency in some required training later if they were deployed to combat COVID-19 pandemic or unable to rotate to certain designated units.

That flexibility would be exercised to make necessary adjustments to the training, assessment and examination arrangement of trainees of its constituent Colleges, who were required to be rotated to perform duties to help combat COVID-19 epidemic, without compromising the training standards, provided that the standard of training would be upheld and not be jeopardized by the measures being exercised by Colleges..

Draft Principles and Guidelines on CME/CPD of HKAM (2023-25)

Members shared the views on whether activities for enhancing Fellows' well-being should be added in the Guidelines. Members unanimously agreed on the importance of enhancing Fellows' and Trainees' well-being. However, concerns were raised on whether providing CME/CPD points to related activities would be the appropriate means to achieve the purpose of enhancing Fellows' well-being, which might also cause misperception from other stakeholders. After deliberation, Chairman proposed and agreed by members that no revisions for Fellows' well-being would be made in the Guidelines, while Colleges would still be able to accredit such activities under 6.16 or 6.12 in the Guidelines wherever considered justifiable. The revised Guidelines would be submitted to the Council for endorsement.

IACPDA Substantive Equivalency Application

The International Academy for Continuing Professional Development Accreditation (IACPDA) was inviting the Academy to apply for the pilot batch of this substantive equivalency. Some concerns were raised:

1. The autonomy on our own CME/CPD accrediting systems would be impaired upon joining the scheme, as the Academy and Colleges would be expected to follow the requirements set by the IACPDA.
2. It was noted that Substantive Equivalency could give the accrediting system benchmarking with the international standards, however, the additional workload incurred to the Academy and Colleges might outweigh the potential benefit.
3. In addition, the "Outcomes from Accredited Education", which was one of their assessment attributes, might also add extra work to individual Fellows.

In light of the current COVID-19 pandemic, the application for IACPDA Substantive Equivalency would not be considered at this stage. The Academy might consider it when the system has become more mature in some years' time after the pilot stage

Task Force on Professional Development of Trainers

The first Task Force meeting was held on 18 Aug 2021 with representatives from 10 Colleges. The proposed terms of reference of the Task Force which included the below:

1. To share the experiences and practices among Colleges and look into the matters relating to the professional development of trainers for specialist training, including but not limited to issues such as governance of trainer, "train-the trainer", trainer engagement and trainer recognition, and make recommendations to the Academy's Education Committee for its further deliberation.
2. To explore and make recommendations to the Academy's Education Committee on setting of criteria and establishment of a list of recognized trainers, so as to help to demonstrate the creditability of the Academy in safeguarding the professional standards of specialist training.

Development of Online Learning Management System

The Academy was going to develop an online learning management system for Colleges and relevant stakeholders including ILCM. The Academy would arrange to lead a Task Force with representatives from all 15 Colleges and Young Fellows Chapter to collect users' inputs in the development and future implementation.

Joint webinar and joint press statement

During this year's Hong Kong Primary Care Conference (HKPCC) in July, we had a joint webinar organised by the Hong Kong Academy of Medicine (HKAM), in conjunction with Hong Kong College of Physicians (HKCP), Hong Kong College of Community Medicine (HKCM) and our College (HKCFP), reiterating the principles on COVID-19 vaccination for the elderly. And a joint press statement by HKAM, HKCP, HKCFP, and HKCM has been issued to the public encouraging early COVID-19 vaccination uptake by the elderly population if no contraindications were identified, and that clinicians should proactively bring up the topic with the elderly patients when they saw them in the consultation.

RACGP GP21

Owing to the ongoing effects of COVID-19 lockdowns, the RACGP has decided to cancel GP21. We look forward to GP22 in the coming year.

The 9th Global Conference of the Alliance for Healthy Cities

The 9th Global Conference of the Alliance for Healthy Cities was held in Hong Kong from 3 – 5 November, 2021. Our College was invited to participate as a supporting organisation. This conference aimed at providing opportunities to facilitate sharing of wisdom and ideas while fighting against the COVID-19 pandemic, building collaboration platforms and strengthening local and international networking, and allowing participants to look beyond COVID-19. The Conference programme was comprised of themes including Development of Smarter Healthy Cities, Risk Communications in Emergencies, Mental Health Under and Beyond COVID-19, and Age-Friendly Communities Beyond COVID-19, which were highly relevant to our local situations in Hong Kong.

WONCA World Conference

After being postponed for a year due to the COVID-19 pandemic, the 23rd World Conference of Family Doctors (WONCA World Conference) took place online from 22nd – 27th November 2021. With the theme, 'Together, We Own the Future,' the conference offered a variety of live keynote sessions, plenary session, Special Session and workshops which focused on topics that prepared practitioners and researchers alike to face, address and solve issues and challenges that the future would hold.

I attended the WONCA Asia Pacific Regional Council Meeting 2021 with another College representative Dr Lau Ho Lim. A new council of WONCA Asia Pacific Regional was elected. Congratulations to the newly elected President Associate Professor Mohammad Husni Jamal and his new council.

World Family Doctor Day 2022

The WFDD 2022 theme was "Family Doctors, Always There to Care!". In order to celebrate the World Family Doctor Day 2022 and awake the public's recognition on the importance of Family Doctors in the combat against the virus during the COVID-19 pandemic, our Council Members had helped to contribute towards compilations of photos and a short video, and shared them at the College website, Facebook, and through our YouTube channel.

With careful monitoring by the Finance Committee, the financial situation of the College in 2021-2022 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$16 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. We have about 21% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr David Chao, our President, Dr Cecilia Fan, our Vice-President (Education & Examinations), Dr Lau Ho Lim, our Vice-President (General Affairs), Dr William Wong, our Honorary Secretary, Ms Erica So, our General Manager and Ms Priscilla Li, our Administrative Executive, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services.

CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 24 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work closely to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, from photo gallery and highlights of college events, WONCA news, Family Medicine related activities and development, clinical practice sharing, to latest medical updates and health related news, and sharing of colleagues, young and experienced, about their life and reflections as a family doctor, both locally and cross the sea. There is also support from other Boards, e.g. the Board of Education who contribute the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting. We also promote "Go Green" that members could opt for only receiving electronic copies of FP Links.

CHAIRLADY'S MESSAGE

The 2021 digital Hong Kong Primary Care Conference was successfully held from July 30 to August 1, 2021 amidst the ongoing challenges of COVID 19 pandemic. This annual signature conference has consistently attracted the primary care community with immense response of over 700 registered online delegates

This year's theme "Our Finest Hour-Striding through the Storm" highlights the resurgence of an even stronger primary health care from this COVID-19 pandemic that continues to threaten health with devastating impact on people's well-being worldwide. This pandemic has reminded us not only of the importance of infection control measures, development and implementation of anti-viral vaccines, but it has also recognized the flexibility and adaptability of primary care professionals in rising to help deal with the pandemic of the century.

This conference was graced with distinguished overseas and local healthcare speakers including Prof Sophia Chan [Secretary for Food and Health, Food and Health Bureau, HKSAR], Prof Wu Hao [Chief Physician, Department of General Practice, Capital Medical University], Prof Ivan FN Hung [Chief of the Division of Infectious Diseases, Department of Medicine, LKS Faculty of Medicine, HKU], Prof Philip Evans [Associate Professor of General Practice and Primary Care, College of Medicine and Health, University of Exeter] and Prof Karen Tu [Professor, Department of Family and Community Medicine, Temerty Faculty of Medicine, University of Toronto]. Furthermore, this conference had the honor of successfully organizing a joint HKCFP-HKCP Forum on COVID-19 vaccination in elderly led by 3 prominent speakers, namely Prof Lau Chak Sing [Immediate Past President, Hong Kong Academy of Medicine], Prof Philip KT Li [President, Hong Kong College of Physicians] and Dr David VK Chao [President, Hong Kong College of Family Physicians]. As always, our scientific program with its wide array of interesting yet relevant topics have enthralled our participants.

I would like to express my sincere appreciation to all speakers and facilitators for their valuable support, sponsors for their generosity, all members of our conference organizing committee and secretariat for their dedicated efforts. Last but not least, my utmost gratitude to all delegates for their continuing avid participation in making this hallmark conference an annual success

EXPERTISE AND PROFESSIONALISM OF THE SECRETARIAT

With the continuation of the COVID-19 pandemic, staff in the College Secretariat rely heavily on setting up events, such as our weekend CME lectures, digital conference etc., in the online format with which they have learned to be familiar over the last 2 years. Thanks are due to the Secretariat team who have proactively learned and been updating their IT skills for the smooth running of our in-house web-based events.

As in last year, the arrangement of the College's examinations were faced with a lot of hurdles and uncertainties owing to the covid-19 pandemic. Despite the tremendous preparatory workload and the tedious and complex responsibilities for planning the examinations under strict infection control measures and social distancing policies, the Secretariat have continued to demonstrate their professionalism and strong adaptability outstandingly.

COVID-19-RELATED WORK ARRANGEMENT

As the COVID-19 pandemic continued, especially during the 5th wave in Hong Kong earlier this year, Secretariat staff adopted a work-from-home working arrangement, either wholly or partially depending on the local epidemic status. It was supplemented by a shortened working-hours from 10am to 5pm to avoid peak traffic and crowds when necessary.

The Committee reviewed the above arrangement monthly and made adjustments from time by time according to the local status.

STAFF CHANGES

Ms Tina Fung (Administrative Executive), Ms Suki Lung (Administrative Executive) and Ms Mavis Law (Administrative Assistant) resigned from the College. As Ms Iris Ip has demonstrated outstanding working performance in the past year, she was promoted from Administrative Assistant to Administrative Executive. Furthermore, we welcomed Ms Maggie Cheung and Ms Minny Fung who joined the Secretariat in the past year.

Last but not least, the Committee Chairman would like to thank Ms Erica So, General Manager, for her excellent leadership and contribution, and all staff for their committed support throughout the years.

The current membership of HKCFP is as follows: - (as at end of June 2022)

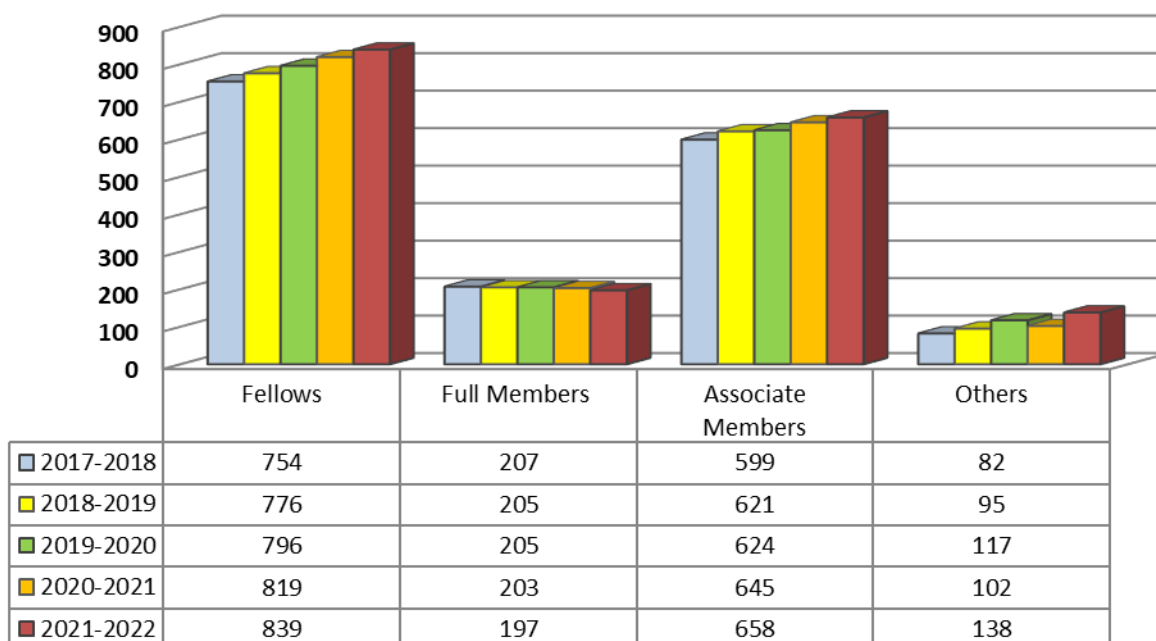

Fellows*	839 (HKAM Fellows: (533)
Full Members	197
Associate Members	658
<u>Others **</u>	<u>138</u>
Total:	1,832

* Fellows include Fellows, Foundation Fellows Honorary Fellows and Non-HKSAR Fellows.

** Others include Affiliate Members, Non-HKSAR Members and Student Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care. We expect to see a constant growth in membership with increase in proportion of fellowship.

In addition, the Committee collaborated with Hong Kong Baptist University (HKBU) Department of Communication Studies and Boys and Girls Club Associations (BGCA) for the project with the purpose of promoting the important role of family doctor for parents and family with young children.

This project included 6 Parent Health Education Seminars and HKBU has produced two videos, one in animation and one in drama with support from our Committee. The animation video, using very interesting mean and vivid examples, gives audiences a very good and strong impression on the special role of family doctors for parents with young children. The drama video, featuring Dr. Loretta Chan as our family doctor, demonstrates how the family doctor truly helps the whole family at their hard time. The videos could be viewed by scanning the QR Codes below.

Our Committee members also participated in series of radio programs in the RTHK Radio 1 “精靈一點”(Healthpedia), with online and onsite interviews to discuss various issues concerning COVID-19, again illustrating the important and unique role of family doctors for all during the pandemic.

Various public education activities and events in 2021 to 2022 was listed at the end of the report. I would like to thank all the colleagues who had offered their valuable assistance in the past year, and our excellent administrative support from the secretaries.

The QA&A program aims to promote participation in Continuing Medical Education (CME) and Continuing Professional Development (CPD) activities for General Practitioner (GP) and Family Physician (FP). With end in mind to promote best practices, educational activities proposed to our College are assessed by the QA&A committee to identify relevant and high quality ones for members' attendance. Participation in these learning activities towards best practices are acknowledges by CME/CPD points, with issuing of CME certificate to those fulfilling the College's requirement as a token recognition and encouragement.

In order to further enhance an effective and efficient QA&A program for GP/FP, the QA&A committee has conducted a review on prevailing operation since 2Q2016. An Active Learning Mode (ALM) has been endorsed in Hong Kong Primary Care Conference since 2016. In this regard, active participation in prescribed learning of a prior-accredited activity may earn CPD points upon successful submission of both pre- and post- MCQs. Through innovative learning mode as such, learning may be facilitated efficiently and effectively in this era of rapid knowledge and technology expansion. ALM has also implemented in the Annual Refresher Training Course held by Specialty Board since 2018.

An enhanced CPR course was introduced in 2017 in response to the amended CPR requirement of RACGP QI & CPD Programme in 2017-19 to attain reciprocal recognition with RACGP and our College QA Programme. The 'Advanced Primary Care Life Support Course' has been promoted alongside with CPR Subcommittee of The Board of Education starting from 2017.

Regarding CME, for HKCFP Members who have chosen Hong Kong Academy of Medicine (HKAM) as their CME Administrator under "MCHK CME Programme for Non-specialists" category, we would administer their MCHK CME with waiving of fee charged by HKAM starting January 2017. In addition, arrangement was made to recognise unexpected difficulties faced by members due to social events and COVID-19 in late 2019.

In order to set proper standard for awarding CME for the rapidly rising trend of on-line webinars, the committee has discussed and agreed on setting a minimal requirement of 75% attendance time plus passing post-event quiz/survey, starting from August 2020. Also

attending two webinars with 15 Minutes or above overlap time would be counted as 'duplicate attendance', no CME points shall be awarded.

To strengthen continuity of the committee, kindly note that we have introduced 2 Vice Chairmen posts with interposing terms since 2018.

Kindly note that the electronic copy of and CME Certificate 2021 is available on the College's homepage <http://www.hkcfp.org.hk>, members can login to their own account to download the certificates anytime. Request for hardcopy certificate can be made in writing to the college secretariat, an administrative fee of \$50 per copy will be charged starting from July 2016. Please find list of active fellows/members who have fulfilled the College's requirement for awarding certificate as below.

Four submissions had been received for the Best Research Award 2021 and the Best Trainee Research Award 2021, the selection panel consisted of two assessors. The winning papers were:

- Best Research Award 2021: “Non-laboratory-based Risk Assessment Model for Case Detection of Diabetes Mellitus and Pre-diabetes in Primary Care” by Dr Emily T Y TSE.
- Best Trainee Research Award 2021: “Influenza vaccine uptake and associated factors in adult Type 2 diabetic patients in General Out-patient Clinic” by Dr Rita W K CHAN.

The 2022 HKCFP Research Fellowship had received three applications this year. The selection panel which consisted of three assessors had selected the winner to be Dr CHUANG Chi Kit. His research project was “Severe Hypoglycaemia Requiring Medical Assistance among Type 2 Diabetes Patients Managed in Primary Care: Incidence and Risk Factors”.

The Committee has established two new funding awards over the last nine years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

In the year 2021-22, we are delighted to serve our College members.

Computer software and hardware are being updated and renewed to tackle the increasing demand. Thanks to our secretarial support and input from the Committee, the registration system for educational activities, members MCQs and Clinical Quizzes function in our College website are maintained smoothly. The Web and Computer Committee is also responsible to manage our College Facebook, which provides a platform for sharing timely information to our College members, our community friends and the public. Paypal payment has also been launched to facilitate transactions of Membership Subscription Fee and registration fee of HKPCC Conference 2021.

We welcome all suggestions from our College members. The web and computer daily operations are being monitored by our secretarial staff, and we are thankful for their dedicated work.

I would like to once again express my appreciations to the members of the Web and Computer Committee for their support in the past year. We look forward to serving our College in the coming year.

CO-CHAIRMEN'S MESSAGE:

The HKCFP Young Doctors Committee was formed by our College in May 2017. We aim to engage our young doctors joining the College activities and nurture young leaders. We would connect the medical students, medical interns and young members of our College to enhance our communication with each other. We also promote our younger leaders to represent our College in the participation of local, national and international meetings. The composition of our membership were enthusiastic young doctors coming from public and private sectors in order to keep up the momentum.

Honorary Treasurer: Dr Billy C F CHIU

Staff:

Ms Erica M SO (General Manager)
Ms Priscilla S M LI (Administrative Executive)

The financial situation of our College remains stable for the year 2021-2022. With a current reserve valued in excess of HK\$20 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, Board of Conjoint Examination, Membership Committee, Specialty Board, Board of Diploma in Family Medicine and Board of Vocational Training & Standards. When compared with 2020-2021 income, the Board of Conjoint Examination obtained HK\$1.66 million (59% increase). Membership Committee, membership subscriptions obtained HK\$1.53 million (3.7% decrease). The Specialty Board obtained HK\$814K (48% increase). The Board of DFM obtained HK\$796K (4% increase). The Board of Vocational Training & Standards obtained HK\$617K (4% increase). All these Boards were having surplus in last year. However, the revenue of Membership Committee was decreased few percentages as discount was offered to members when compared with 2020-2021.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$4 million. The total cumulative expenses were still controlled and had increased by 1% only when compared with 2020-2021.

On behalf of the board

Chairman

HONG KONG, 31 October 2022

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

Opinion

I have audited the financial statements of Hong Kong College of Family Physicians ("the Company") set out on pages 5 to 13, which comprise the statement of financial position as at 31 March 2022, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2022, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Council of the Company are responsible for the other information. The other information comprises all information included in the Council's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Council and Those Charged with Governance for the Financial Statements

The Council are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Council determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Council are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform

audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council.
- Conclude on the appropriateness of the Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a matter that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

3 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment, except investment properties, are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rate to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Group and the Company if that person:
- (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
 - (ii) has control over the Group and the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
- (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.
 - (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
 - (vi) the entity is controlled or jointly controlled by a person identified in (1).
 - (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Entrance fee from members are recognised in the financial year of receipt.

Annual subscriptions fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the period end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

(f) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2021:Nil)

 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

Dr. Chiu Chi Fai	(Hon. Treasurer)
Dr. Wong Chi Wai, William	(Hon. Secretary)

In accordance with Articles 38 and 39 of the company's Articles of Association, Dr Chao Vai Kiong, David shall retire from the Board and, being eligible, offers himself for re-election.

DIRECTORS' INTERESTS IN CONTRACTS

Saved as disclosed in note 10 to the financial statements, no contracts of significance to which the company was a party and in which a director had a material interest, whether directly or indirectly, subsisted at the end of the year or at any time during the year.

DIRECTORS' RIGHTS TO ACQUIRE DEBT SECURITIES

At no time during the year was the company a party to any arrangements to enable the directors of the company to acquire benefits by means of the acquisition of debt securities (including debentures) of the company or any other body corporate.

MANAGEMENT CONTRACTS

No substantial contracts concerning the management and administration of the company were entered into or existed during the year.

AUDITOR

A resolution will be submitted to the annual general meeting to re-appoint Messrs W. M. Moo Certified Public Accountant, as auditor of the Company.

On behalf of the Board

Chairman
Hong Kong, 31 October 2022

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP EDUCATION LIMITED
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

Qualified Opinion

I have audited the financial statements of HKCFP Education Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2022, and the statement of comprehensive income and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2022, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Qualified Opinion

As explained in note 6 to the financial statements, the company has not prepared consolidated statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the members. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a matter that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

3. BASIS OF PREPARATION AND ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of income and retained earnings in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of income and retained earnings is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Office equipment	15% p.a
------------------	---------

(c) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(d) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Group and the Company if that person:
 - (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
 - (ii) has control over the Group and the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
 - (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.
 - (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
 - (vi) the entity is controlled or jointly controlled by a person identified in (1).
 - (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2021:Nil).

The company had no significant unprovided deferred taxation at 31 March 2022 and 2021 and for the years then ended.

At 31 March 2022, the company has unused tax losses of HK\$17,385,096 (2021:HK\$17,324,962) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

5 DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2021:Nil)

Chairman
Hong Kong, 31 October 2022

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

Opinion

I have audited the financial statements of HKCFP Foundation Fund ("the Foundation") set out on pages 5 to 11, which comprise the statement of financial position as at 31 March 2022, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Foundation as at 31 March 2022, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Foundation in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Executive Board of the Foundation is responsible for the other information. The other information comprises all information included in the Executive Board's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Executive Board and Those Charged with Governance for the Financial Statements

The Executive Board is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Board is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Board either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Board.
- Conclude on the appropriateness of the Executive Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

HKCFP FOUNDATION FUND
(Limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

2. GENERAL INFORMATION

The Foundation is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the Foundation is to promote, encourage and assist, for the public benefit, research and education on family medicine.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related parties

For the purpose of these financial statements, related party includes a person and entity as defined below:

(1) A person or a close member of that person's family is related to the Foundation if that person:

- (i) is a member of the key management personnel of the Foundation or of a parent of the Foundation;
- (ii) has control over the Foundation; or
- (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.

(2) An entity is related to the Foundation if any of the following conditions applies:

- (i) the entity and the Foundation are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
- (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
- (iii) both entities are joint ventures of a third entity.
- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (v) the entity is a post-employment benefit plan for the benefit of employees of either the Foundation or an entity related to the Foundation. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
- (vi) the entity is controlled or jointly controlled by a person identified in (1).

(vii) a person identified in (1)(i) has significant voting power in the entity

- (d) Revenue recognition
Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (e) Foreign currencies
Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

5. EXECUTIVE BOARD MEMBERS' REMUNERATION

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2021:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other board members and officials of the Foundation, the following representations given to you in connection with your audit of the Foundation's financial statements for the year ended 31 March 2022.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Foundation and of the results and cash flows of the Foundation for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith..
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Executive Board members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.
9. We confirm that the market value of the investment securities held by the company as at the statement of financial position date amounted to HK\$4,406,915.

On behalf of the Board

Chairman

HONG KONG, 31 October 2022

INDEPENDENT AUDITOR'S REPORT
TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED
(Incorporated in Hong Kong with limited liability)

Opinion

I have audited the financial statements of HKCFP Holdings and Development Limited ("the Company") set out on pages 5 to 13, which comprise the statement of financial position as at 31 March 2022, and the statement of income and retained earnings and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2022, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic

decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention.

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of income and retained earnings in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of income and retained earnings is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Turnover

Turnover represents course fees received.

(d) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Group and the Company if that person:
 - (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
 - (ii) has control over the Group and the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
 - (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.
 - (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
 - (vi) the entity is controlled or jointly controlled by a person identified in (1).
 - (vii) a person identified in (1)(i) has significant voting power in the entity.

(f) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

(g) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

3 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements in view of the excess of the allowable losses brought forward over the estimated assessable profits for the year. (2021:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2022.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf
of the Board of Directors
