PRESIDENT'S MESSAGE (DR DAVID V K CHAO)

(July 2022 to June 2023)

After over three years of fighting the COVID-19 pandemic, we witnessed the resumption of normalcy in Hong Kong SAR since the beginning of this financial year. We must not let our guards down despite seeing the downward trend of COVID-19 infection rate. Personal hygiene, high vigilance, and evidence based public health measures must be maintained to keep us at a safe distance from the virus.

The Hong Kong College of Family Physicians (HKCFP) welcomed the Chief Executive's Policy Address 2022 in which the Government has expressed strong determination and commitment to revamp the healthcare system from a treatment-oriented, hospital-based structure to a prevention-focused, community-based system, by investing additional resources to promote primary healthcare and the important concept of "Family Doctor for All". In addition, a Primary Healthcare Blueprint has been issued by the Government mapping the way forward on how to establish a new primary healthcare system that can improve the overall health and quality of life for population in a sustainable manner, under the challenges brought on by an ageing population and increasing chronic disease prevalence. We have issued a press release to fully support the Government's reform initiatives and we look forward to closer collaboration among family doctors in support of the reform.

Further to the media attention raised by mental health issues, the College published a press release to recognise the important role of family doctors in providing easily accessible, timely and whole-person care to their patients with emotional disturbances or mental health problems in the community. We would continue to care for our patients in the community, come what may.

In support for the World Family Doctor Day this year, the Health Bureau of Hong Kong SAR and the HKCFP had jointly organised the Family Doctor Promotion Day on 19 May to promote the important concepts of disease prevention and "Family Doctor For All" at the community level. This event also recognised the significant contributions made by family doctors in tackling public health crisis and promoting primary healthcare.

Our College has participated in The Hong Kong Academy of Medicine (HKAM) media tea reception to celebrate the Chinese New Year and to share on the training perspectives of family doctors in relation to the Government's recent launching of the Primary Healthcare Blueprint. And we continued to actively participate in international conferences like The Annual Conference of the Royal Australian College of General Practitioners (RACGP) and The WONCA Asia Pacific Region (APR) Conference and The 10th Cross-Strait Congress of General Practitioners, just to name a few.

HONORARY SECRETARY'S MESSAGE (DR CECILIA Y M FAN)

(July 2022 to June 2023)

Thanks to the nomination of the College, I took up the role of the Honorary Secretary from December 2022. In the midst of the COVID-19 pandemic which posed serious threats to public health and safety, the work of HKCFP has continued. We have to face the challenge to adopt the new normal, in coping with online in addition to offline business.

The Hong Kong Primary Care Conference 2022 was successfully held from 17 to 19 June 2022 via the online platform. We have received a total of over 800 delegates registrations this year, including local and overseas colleagues. We are grateful to your participation and support, and the tremendous work of the Organising Committee, the Scientific Committee, Publication Subcommittee, Business Manager, Information Technology Subcommittee, Nurse and Allied Health planners and the College Secretariat. I believe our next HKPCC may resume at least some sessions of its programme to the face-to-face mode.

HKCFP's 35th Fellowship Conferment Ceremony and the 32nd Dr Sun Yat Sen Oration were successfully held on the 14 August 2022 (Sunday) at the Hong Kong Academy of Medicine Building in Wong Chuk Hang. This year, there were 27 and 28 doctors conferred as HKCFP Fellows and RACGP Fellows respectively; 16 and 25 doctors awarded the Exit Examination Certificate and Diploma in Family Medicine correspondingly. The Honorary Fellowship of the HKCFP went to Dr Angus Chan, Immediate Past President of HKCFP for his tremendous support and contribution towards the development of primary care over the years.

In celebration of the 45th Anniversary of our College, the College had ordered a set of surgical masks with College logos. Members received a complimentary set of masks with a mask folder in September with FP Links.

This year, we had our first online livestream 'concert' conducted by the College's band - FM2. Doctors including family physicians had worked hard to combat against the COVID-19 pandemic. To support our fellow colleagues mentally, FM2 reunited. The theme of our show was Love and Care. It aimed to provide our fellow members a social outlet to relieve the stress of the pandemic.

The 2022 Policy Address was delivered by the Chief Executive of HKSAR. HKCFP welcomed the Government's determination and commitment to revamp the healthcare system from a treatment oriented, hospital-based structure to a prevention focused community-based system, by investing additional resources to promote primary healthcare.

Primary Healthcare Blueprint was released by the end of December 2022. In this document, the Government formulated the direction of development and strategies for strengthening Hong Kong's primary healthcare system in order to address the many challenges in the wake of an ageing population and the increasing prevalence of chronic diseases, and to enhance the overall health and quality of life of citizens in Hong Kong.

We look forward to working closely with the Government, the Health Bureau, the Primary Healthcare Commission and the relevant stakeholders to build a future quality primary healthcare system which can meet the service needs appropriately in a sustainable manner.

As one of the full member-organisations of WONCA since 1978, HKCFP have extensive experience and excellent track records in organising successful international conferences and events, including WONCA Regional Conferences in 1987 & 2009, and WONCA World Conference in 1995. Council decided in March this year to participate to bid for hosting the 26th WONCA World Conference in 2027. A bidding committee would be formed to prepare for the bidding proposal. Also, Council decided to nominate a representative from the Young Doctors Committee for running the election of the World Young Doctor Representation for the Biennium 2023-2025. Let's

give our full support and best wish of luck in the bidding and election!

I would take the opportunity to thank all the contributions from our dedicated fellows, boards and committee members, particularly my sincere gratitude to the Secretariat and Ms Erica So, our General Manager, for their hard work to make all these events run smoothly throughout the difficult time of the pandemic in the past year.

The Examination

The format of the 36th Conjoint Examination 2022 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our case writers and all our examiners.

Workshops for Examiners

- 1st Examiner Training Workshop for OSCE (by ZOOM Webinar) 17 July 2022 (Sunday)
- 2nd Examiner Training Workshop for OSCE (by ZOOM Webinar) 21 August 2022 (Sunday)
- Workshops on 1st Standard Setting for KFP examination paper 21 - 22 August 2022 (Sunday - Monday)
- Workshops on 2nd Standard Setting for KFP examination paper 31 August - 1 September 2022 (Wednesday - Thursday)
- Workshop on Standard Setting for AKT examination paper 28 August & 2 September 2022 (Sunday & Friday)
- KFP Marking Sessions 26 - 28 August 2022 (Friday - Sunday)
- Information Seminar for KFP 11 February 2022 (Friday)
- Case-writing Meeting for AKT 11 January 2022 (Tuesday)
- Case-writing Group Meetings for OSCE February, April – May 2022

Information Seminar for Candidates (by ZOOM Webinar)

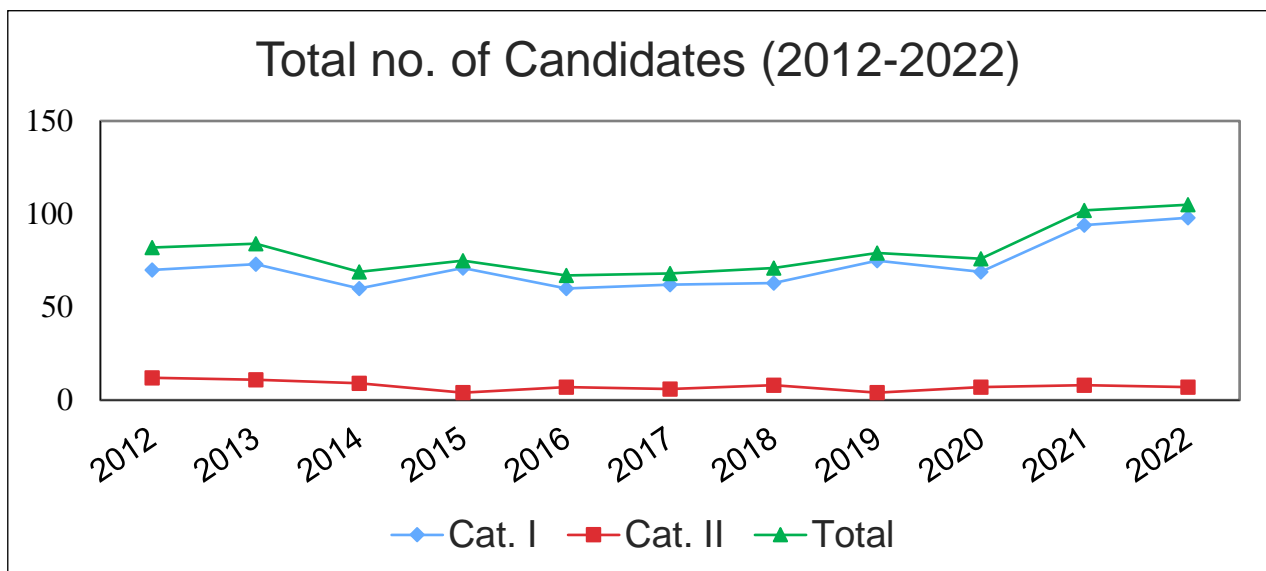

An information seminar for candidates sitting the clinical segment was organized on 12 June 2022. 42 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

Number of candidates

There was altogether a total of 105 candidates sitting for this year’s examination, with 98 candidates of Category I and 7 Category II respectively.

66 candidates sat for the Written Segments (62 Cat I and 4 Cat II candidates), while 46 candidates sat for the Clinical Examination (41 Cat I and 5 Cat II candidates).

The passing rates of the OSCE Examination for the years 2012 - 2022:

Extra measures for infection control

To minimise the number of people gathering together and moving around in the examination venue, the Board had adopted the following measures:

- Except the station 12 (Physical Examination Case) that 1 extra role player was assigned to share the role in order to accommodate best possible performance delivered, the minimal required number of examiners (i.e. 2 marking examiners, and 1 role player), without any extra trainee or observing examiners were assigned inside each station.
- Each examiner, upon arrival and after necessary infection control measures was directed to their respective station immediately without mass gathering.
- In both of the morning and afternoon sessions on both Saturday and Sunday, briefings and reminders by the Board Chairman and OSCE Coordinator were delivered via Zoom online platform while all the examiners stayed inside their own respective designated stations.
- Examiners would use their own private restroom inside each station, while the candidates would use the common restrooms in that particular floor.
- No food or refreshment was provided to the examiners and no long break for examiners gathering was arranged during the entire examination period.
- During rest periods, all candidates were arranged to be seated with at least 1.5 metres apart.

External Examiners from RACGP

Due to the ongoing COVID-19 pandemic, there were again no QA examiners coming from the RACGP this year. However, they were expected to provide distance based approaches to support the 2022 clinical examination. The measures used, as similar to those of last year, were:

1. During the standardization meeting on the OSCE days, videotaping of two cases per session was made, so that they could be reviewed by the RACGP representatives.
2. During the OSCE cases live examinations, videotaping of four designated cases per session was made, so that the marking across a number of candidates could be reviewed by the RACGP representatives.

All the videotaping recordings will be treated as strictly confidential materials. They will only be used for quality assurance purposes of the 2022 HKCFP/RACGP Conjoint Fellowship Exam and will be destroyed after the announcement of the 2022 Exam results. They will not be used for any future training purpose, or any individual candidate's marking or any individual candidate's result review purposes.

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the working protocol by staff handling all the examination materials.
2. Use of designated Case-Writing Subcommittee, consisting of Examiners, led by our Chief Examiner, to be responsible for the preparation of all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to a minimal number of persons.
4. Strict adherence to the security protocol for the OSCE examination by all examiners (including strict prohibition of electronic transference of exam materials).
5. Transmission of confidential examination materials through the secured sharing platform as suggested by RACGP.
6. Presentation of OSCE examination materials to examiners only on the day of examination.
7. Continual appeal to the professional integrity of all involved in the examination.
8. Forbiddance of use of any electronic devices by candidates inside examination venue.
9. Prompt data entry of candidates' scores on the same day of examination.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our local QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

Comments on individual examiner by various QA Examiners were grouped and sent to each examiner for reference.

Examination Prize: "Dr Peter C Y Lee Best Candidate Award 2022"

It was the eighteenth year that the College offered this prize. From the year 2013, this award was renamed "Dr Peter C Y Lee Best Candidate Award" for commemorating Dr Peter Lee's contribution to the discipline of family medicine. The "Dr Peter C Y Lee Best Candidate Award 2022" was presented to Dr WONG Hiu Yeung, who had passed the Conjoint Examination at one setting and achieved the best performance in the examination.

Acknowledgement

The Board of Conjoint Examination would like to thank our Chief Examiner, segment Coordinators and segment Deputy Coordinators for contributing so much of their time and effort throughout the entire examination, all the Board members for their active participation, the External Examiners from RACGP for their continual advice and support, all our QA Examiners, Case-writing and Marking Examiners, Trainee Examiners, and Role Players for their time and contributions before and during the examination, and all our College secretarial staff and helpers for their excellent administrative and supportive works.

CHAIRMAN'S MESSAGE

With the introduction of primary healthcare blueprint in 2023, the new CPD program of RACGP in 2023, and an inevitable shift to the digital platform over issuing years of COVID pandemic, the Board of Education is restructured after the arrival of our new Chairman in 2023. The Board of Education now operates under 7 work groups to cater for the rapid changing and evolving primary healthcare landscape in Hong Kong. The various work groups are:

- Advance Knowledge & Skill (AKS): Physical classroom, annual events and courses; practical classroom and CPR; small groups and special interest groups
- Web-based learning (WBL): Virtual classroom development
- Measure outcome activities (MOA): new user-friendly routes to CME/CPD development
- Review performance, standard & feedback (RP&S): QC
- Strategies and collaboration (S&C): Steering amidst change
- Primary HC Blueprint commissioned teaching (PHCBPCT) & "FM mindset"
- Record & Business Support (R&BS)

During the year 2022-2023, the Board continued to organize a series of different educational activities for our members and doctors in Hong Kong. Excluding the meeting of individual small discussion groups, the Board had provided a total of 87 sessions of CME activities contributing 113 learning hours for our members in the whole year. These abundant activities were outlined below.

Cardiopulmonary Resuscitation (CPR) Training: Advanced Primary Care Life Support

The Advanced Primary Care Life Support (APCLS) organized by the CPR Work Group was launched in 2017 in order to align with our Sister College (RACGP) requirement of Advanced Life Support components, namely the airway management, neck support and automated external defibrillation (AED) on top of basic life support.

Due to COVID-19 pandemic, the course venue was relocated to the Hong Kong Academy of Medicine in order to enhance the infection control measures. The 1-day course were held successfully and the arrangement was well-received by the participants and instructors.

This year, we had 113 members who passed the APCLS Examination and were awarded the Certificate of Competency in Advanced Primary Care Life Support, which is also endorsed by the Resuscitation Council of Hong Kong.

The Board would like to express our deepest appreciation to our external examiner from RCHK, namely Dr LAM Kin Kwan and LEUNG Chin San in the instructor and examination workshops. Furthermore, sincere thanks must be given to Dr David S L CHAN, Dr AU-YEUNG Shiu Hing, Dr KONG Che Wan, Dr Mary B L KWONG and Dr WONG Pak Hoi in coordinating the training manuals, various workshops;

and all instructors and trainee instructors as listed below for their time and effort in helping out the CPR training and examination for our members.

Instructors: Dr AU-YEUNG Shiu Hing, Dr Patrick H W CHAN, Dr David S L CHAN, Dr CHEUNG Ying Man, Dr HUI Lai Chi, Dr KO Siu Hin, Dr KONG Che Wan, Dr Michael C H KWOK, KWONG Hon Kei, Dr Millicent L K LEUNG, Dr Selina S W LEUNG, Dr Danny P K MA, Dr MO Kam Chuen, Dr TAM Wah Kit, Dr Keith TSE, Dr Amy O Y WONG and Dr WONG Pak Hoi.

Assessment Enhancement Course

Assessment Enhancement Course remained one of the most welcome courses in her 23rd year of establishment. I would like to thank all the tutors in contributing their time and effort in this course. The course has proven to help tremendously in improving the skills on consultation, physical examination and other various aspects of the participating doctors. Furthermore, a mock examination on OSCE was arranged at the end of the course, which is very useful to our members in preparing the Conjoint Fellowship Examination. The Board would like to express our sincere thanks to Dr Florence S S LAI in coordinating the course and all tutors for their hard work as follows: Dr CHAN Man Li, Dr CHAN Wing Yi, Dr CHAN Yuen Ching, Dr Peter Anthony FOK, Dr Candy Y T HUI, Dr LUK Chun Wa, Dr NG Kai Man, Dr NG Tsz Chung, Dr SO Lok Ping, Dr. TSAI Hung Yu, Dr YEUNG Lok Ki, Dr WONG Chiu Lun, Dr WONG Chun Fai and Dr WONG Kwok Hoi.

Annual Refresher Course

Annual Refresher Course has been the traditional major year-end event for 42 years. Due to COVID-19 pandemic, ARC 2022 was held online in order to uphold the infection control measures. We had 6 weekday lectures and 3 Sunday workshops and over 258 members attended the course. We would like to thank all those participants who returned their evaluation questionnaires. Their comments and suggestions are invaluable in helping us to plan for the next ARC.

Professional Development Work Group

Since 2005, 10 Interest Groups have been formed under Professional Development Work Group Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, Medical Humanities, Neuro-Musculoskeletal and Point-of-care Ultrasound (POCUS) Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

CHAIRLADY'S MESSAGE

This year has passed smoothly with running of the Board's regular activities under the COVID-19 pandemic. All Board members, coordinators and subcommittee members had helped on various BVTS's activities which include handling trainees' enquiries, checking new applications for enrollment, reviewing feedback from trainees and supervisors to monitor the quality of training, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees and reviewing the Structured Educational Programme for pre-approval and holding the quarterly board meetings. The impact on training from COVID pandemic are reviewed closely. The Board had taken due consideration balancing training need, the infection control recommendation and the indispensable role of FM doctor in supporting the community through the crisis. Flexibility and recommendations were given to the process of training, mode of running SEP, duration of maximal training accreditation if being deployed for COVID related service, training center accreditation and reaccreditation and also endorsing a number of related fine adjustment on training matters. Most of the Board's meeting were changed to online mode during the COVID-19 pandemic. Regular activities of the Board are ongoing all through the year to ensure the standard of vocational training.

The usual statistics up to 31st March 2023 are as follows:

New enrolled Basic trainees	: 46
New enrolled Higher trainees	: 33
Total Basic trainees	: 156
Total Higher trainees	: 59

RACGP International Training Organization Re-Accreditation on our College's training program was performed in 2022. This included Accreditation Submission according to the accreditation criteria required together with respective supporting documents, Stakeholder survey, Remote site visit by zoom and Stakeholder interview.

1. RACGP stakeholder survey for HKCFP Training programme re-accreditation was distributed in August 2022. The response was positive with overall satisfaction rating on the quality of training from HKCFP.
2. Related Accreditation Submission according to criteria and respective supporting documentation was consolidated from August onwards and completed for submission in October 2022.
3. The RACGP Remote site Accreditation visit was carried out on 2 December 2022 via ZOOM. The representatives from RACGP, Dr. Mark Miller (Lead GP Assessor) and Dr. Chris Hughes (GP Assessor), Ms Cecilia Nesci (Accreditation Program Coordinator, RACGP National) and Ms Sita Srinivas (Accreditation Officer, RACGP National) met with HKCFP representatives. The purpose of the meeting was to provide an opportunity for HKCFP team to have showcase on systems for management of GP registrar training and education and to enable the RACGP GP Assessors to clarify information presented in the HKCFP Accreditation Submission documentation.
4. Confidential stakeholder interview session was held after the above meeting, in which RACGP accreditation team met with Trainees, Clinical Supervisors, and Training coordinators.

HKCFP vocational training programme was re-accreditation by RACGP according to the RACGP Standards for General Practice Training 3rd Edition to deliver the icFRACGP program for trainees for 3 years tentatively.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, training coordinators, training unit head for their contributions in the training programme. I would also like to express my sincere gratitude to our administrative executives Ms. Maggie Cheung and Ms. Kathy Lai who are highly committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

Output

Congratulations to our trainees for passing the HKCFP/RACGP Conjoint Examination in 2022 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

CHAIRMAN'S MESSAGE

The Editorial Board would like to express our heartfelt gratitude towards all contributing authors, Editorial Board members, business manager, reviewers, advisers, ex-officio, and our secretariat staff for their expert support and tremendous dedication over the previous year. Our deepest appreciation also goes to the journal's readership for their ongoing encouragement and support. The Editorial Board would continue to consider means to enhance the contents of the Hong Kong Practitioner in order act as a useful platform for supplying quality academic articles to the busy family doctors.

As the official journal of the Hong Kong College of Family Physicians, The Hong Kong Practitioner continued to provide updated information on Family Medicine related topics to our College Fellows, members, and colleagues both locally and overseas. Over the course of the year, we have published original research articles, update articles, case reports, discussion papers, editorials, clinical quizzes and internet updates, as well as Dr Sun Yat Sen Oration. With the help of the Editorial Board members and the expanded Panel of Reviewers, the Board's peer review capacity has been further strengthened. Thank you all once again.

This year the CME activities/lectures were mainly held in digital online platform also for providing different types of lectures/seminars to our members continuously. The regular Dermatology seminar, Mental Health Interest Groups, Medical Humanities and Medico-legal Interest Group are most welcome by our members. Certificate Courses on Ophthalmology for Primary Care Doctors, Certificate Course on Bringing Better Health to Our Community co-organized with Queen Elizabeth Hospital, Our Lady of Maryknoll Hospital. The CME Course for General Practitioners co-organized with the United Christian Hospital and the Hong Kong Medical Association from March to November 2022 and the course for Health Personnel organized by United Christian Hospital from April to October 2022 were well-attended by members.

With the observation of various infection control measures, the Advanced Primary Care Life Support (APCLS) Training and Examination Workshops and Assessment Enhancement Course (AEC) were held successfully with physical attendance. Annual Refresher Course (ARC) were also successfully held online via Zoom webinar platform by Board of Education. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Conjoint Examination and Specialty Board.

The 2022 Hong Kong Primary Care Digital Conference with the theme "Committed. Versatile. Ever-growing: Primary Health Care in the time of COVID", was successful held on 17 to 19 July 2022 with more than 800 local and overseas participants. These valuable activities, some are generously sponsored by pharmaceutical companies, can effectively enhance and update a broad range of medical knowledge for our members.

The 45th Annual Dinner was also cancelled this year due to the on-going COVID-19 pandemic.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The FP Links, The College's bulk e-mail mailing and circulating services from members and other institutions remain very popular.

I would like to take this opportunity to thank the Committee members for their contributions.

On behalf of the College, I would also like to express my gratitude to all the following companies and organizations for their generous support for the College's functions in the past one year:

A. Menarini Hong Kong Limited	Medical Protection Society
Abbott Laboratories Ltd	Merck Pharmaceutical Co Ltd
AstraZeneca Hong Kong Limited	Novartis Pharmaceuticals (HK) Ltd
Bayer Healthcare Ltd	Novo Nordisk Hong Kong Limited

Staff: Ms Erica M SO (General Manager)

College Statistics – Trainer to Trainee Ratio and College Intermediate / Exit Examination Passing Rate (2021)

EC noted that annual returns of the Trainer to Trainee Ratio and College Intermediate and Exit Examination Passing Rate in 2021. For the trainer to trainee ratio, all Colleges and respective specialties were able to provide a ratio better than the basic requirement of 1:3.

Conduction of College Examinations for Specialist Training at HA Hospitals in Light of COVID-19 Situation

Further to the special arrangement for central coordination of College examinations in adjusted formats at HA hospitals with adherence to the infection control precautions since June 2020, HA had revived the approval process at the cluster level with immediate effect in consideration of the development of the COVID-19 situations, the previous experience in conducting College examinations under COVID-19 situations as well as the established infection control guidelines by Chief Infection Control Officer Office (CICO). Colleges could approach respective clinical departments to seek support, in consultation with local Infection Control Officer, for final approval from Cluster Chief Executive or Hospital Chief Executive at cluster level on conducting Colleges examination at HA hospitals.

Review of Certification for Specialist Registration (CSR) / Certification for Specialist Qualification (CSQ)

CSQ was proposed to cater for the group of non-locally trained doctors who were not necessarily registered with MCHK (but with medical registration outside Hong Kong only) and aimed to obtain Special Registration according to the Medical Registration (Amendment) Ordinance 2021 gazetted in October 2021. Currently, an applicant for CSR is required to be a registered medical practitioner (e.g. Limited Registration), while under the new pathway, applicants do not necessarily have MCHK registration but intend to be certified by the Academy on their specialist qualifications (in order to go into the new pathway) and the prevailing CSR mechanism is not applicable.

In association with the change of the Academy's Guidance Notes, Colleges were also requested to review their respective vetting mechanism / practice in assessing the prevailing CSR applications (or the CSQ applications in future).

Summary of Fellows' Total Number of CME/CPD Points and Compliance Status for Cycle 2020-2022

EC noted and endorsed the list of Fellows' total number of CME/CPD points and compliance status for cycle 2020-2022, with 90% Fellows complied.

Given that the disruption of COVID-19 pandemic to Fellows could be significant in the past few years which might adversely affect their completion of CME/CPD activities in the cycle 2020-2022, Chairman supplemented and members agreed that flexibility could be given to Fellows who could not obtain 2/3 required points to engage in the CME/CPD remedial program if the concerned College(s) could give relevant justifications and make recommendations to the EC for further consideration.

Strategic Planning Retreat on Education and Training

The aims of the Retreat are to discuss and set the directions/roadmap for future development of the Academy's fundamental roles in postgraduate medical education/training and assessment of specialist trainees and Fellows. Young Fellows Chapter members in the EC would be invited to participate in the Retreat.

Implications of the Use of ChatGPT or Any Other AI-based tools

Members noted that the potential use of ChatGPT or any other AI-based tools might have implications on Colleges' specialist training programmes including examinations, research paper, home assignments, etc. There are certain policies have been adopted in the teaching and learning of the local universities

The Colleges would consider the impacts on its specialist training programmes with the use of ChatGPT or any other AI-based tools and the respective measures including the use of effective technical solution on detection of AI-plagiarism. The matter would be further discussed in the subsequent EC meetings.

RACGP GP22

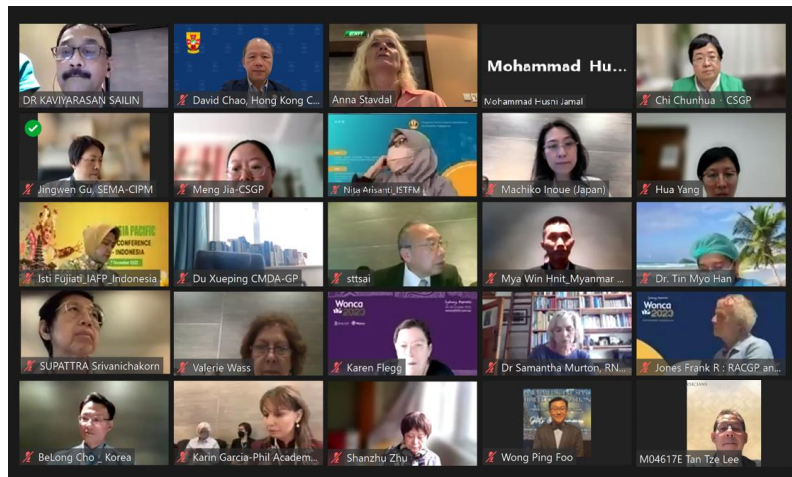

The Annual Conference of the Royal Australian College of General Practitioners (RACGP) was held from the 25–27 November in Melbourne. While GP22 was an in-person event, RACGP also set to curate a program specifically for digital attendees, which included access to a specially designed platform from December.

WONCA APR Conference 2022

The WONCA Asia Pacific Region (APR) Conference took place from 5-7 December 2022 in Bali, Indonesia. This year, the conference theme was entitled, “Primary Health Care Transformation: Challenges and Opportunities for Family Medicine”. The WONCA APR Council Meeting was held on 5 December in a hybrid meeting format.

HKAM's Media Tea Reception

The Hong Kong Academy of Medicine (HKAM) held a media tea reception on 3 February 2023 to celebrate the Chinese New Year and to share the Academy's latest developments and plans with media guests. It was commenced by Prof. Gilberto Ka-Kit Leung, the President of the Academy, highlighting the various ways that the HKAM has been actively supporting the development of Hong Kong's healthcare system and implementing measures to help alleviate the challenge of manpower shortage. After that it was my turn as the President of the Hong Kong College of Family Physicians (HKCFP) to share on the training perspectives of family doctors in relation to the Government's recent launching of the Primary Healthcare Blueprint.

Bid for Hosting the 26th WONCA World Conference in 2027

Council decided in March this year to participate to bid for hosting the 26th WONCA World Conference in 2027. A bidding committee was formed to prepare for the bidding proposal. As one of the full member-organisations of WONCA since 1978, HKCFP has extensive experience and excellent track records in organising successful international conferences and events, including WONCA Regional Conferences in 1987 and 2009, and WONCA World Conference in 1995. The bid presentation would be conducted in the coming WONCA World Conference 2023 in October in Sydney. Let's give the bidding team our full support and wish us the best of luck in the bidding!

第十屆海峽兩岸全科醫學大會暨海醫會全科醫學分會第十屆學術年會:

The 10th Cross-Strait Congress of General Practitioners (第10屆海峽兩岸全科醫學大會暨海醫會全科醫學分會第七屆學術年會) was held in Chengdu from 13-16 April 2023. Our College's delegation, led by Dr Lau Ho Lim, Vice-President (General Affairs), includes Dr Chan Chi Wai, Dr Ngai Ming and Dr Thomas Dao. Each one of them gave a presentation upon invitation by the organiser of the Conference. It was a fruitful trip for our College as we were able to meet up with our old friends and have very useful exchanges in the lectures and seminars. It was also a time when our Censor, Prof. Donald Li, received a Special Contribution Award as a recognition of his long-standing dedicated work and contribution to the development of General Practice/Family Medicine in China.

HKCFP Press Releases

A press release was issued on 31 October 2022. The College welcomed the Chief Executive's Policy Address 2022 in which the Government has expressed strong determination and commitment to revamp the healthcare system from a treatment-oriented, hospital-based structure to a prevention-focused, community-based system, by investing additional resources to promote primary healthcare and the important concept of "Family Doctor for All".

In response to the media attention raised by mental health issues, the College published a press release on 18 June 2023. This press release recognised the important role of family doctors in providing easily accessible, timely and whole-person care to their patients with emotional disturbances or mental health problems in the community.

World Family Doctor Day 2023

In support for the World Family Doctor Day this year, the Hong Kong College of Family Physicians (HKCFP) and the Health Bureau of Hong Kong SAR had jointly organised the Family Doctor Promotion Day on 19 May to promote the important concepts of disease prevention and "Family Doctor for All" at the community level. The event also recognised the significant contributions made by family doctors in tackling public health crisis and promoting primary healthcare.

Nearly 100 guests from diverse backgrounds comprising stakeholders from public and private healthcare sectors, patient groups leaders, and representatives from the Department of Health, the Hospital Authority, and District Health Centres (DHCs)/DHC Expresses attended the event. The video of the event highlights is available at <https://youtu.be/LnDNPZBnopQ>.

Secretary for Health, Prof Chong-mau LO introduced the role of Family Doctors in the primary healthcare setting.

Opening remarks made by (from left to right) Dr Libby LEE, Under Secretary for Health, HKSAR China; Dr David CHAO, President of HKCFP; Dr Fei-chau PANG, Commissioner for Primary Healthcare, HKSAR China

Opening remark made by WONCA President Dr Anna Stavdal.

The Under Secretary for Health, Dr Libby Lee; the President of the HKCFP, Dr David Chao; Deputy Secretary for Health, Mr Eddie Lee; the Commissioner for Primary Healthcare, Dr Pang Fei-chau; the Deputy Director of Health, Dr Teresa Li; Assistant Commissioner for Primary Healthcare, Dr Tony Ha; and the Chairman of the Hospital Authority (HA), Mr Henry Fan, officiated at the event.

About 100 participants who from public and private healthcare sectors, patient groups leaders, etc, celebrated the WFDD 2023 together.

Same as previous years, an article composed by HKCFP representative was published in a local newspaper Hong Kong Economic Journal to highlight this year's theme Family Doctor. The article is available at HKCFP Facebook Fan page at <https://www.facebook.com/photo/?fbid=713435320792909&set=a.495202922616151>.

HKCFP representatives attended the live Radio Programme 'Healthpedia' of Radio Television Hong Kong on 16 May 2023, Monday, to promote the WFDD and talk about the Role of Family Doctor. The programme can be reviewed at <https://www.rthk.hk/radio/radio1/programme/healthpedia/episode/882644/autoplay/contentindex/3>.

CHAIRLADY’S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung’s leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 24 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work closely to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, from photo gallery and highlights of college events, WONCA news, Family Medicine related activities and development, clinical practice sharing, to latest medical updates and health related news, and sharing of colleagues, young and experienced, about their life and reflections as a family doctor, both locally and cross the sea. There is also support from other Boards, e.g. the Board of Education who contribute the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting. “To promote environmentalism, we are committed to implementing the “Go Green” campaign and encourage more members to opt for receiving electronic version of FP Links. The “Go Green” initiative would continue to be promoted.

CHAIRLADY'S MESSAGE

The 2022 Digital Hong Kong Primary Care Conference was successfully held from 17th to 19th of July 2022. This year's hallmark conference has not only attracted local family physicians and primary care professionals but also international delegates reaching a record high of over 800 online participants.

This year's theme "Committed. Versatile. Ever-growing: Primary Health Care in the time of COVID" reflects the dedicated commitment, timely versatility and tremendous contributions of the primary care community in fighting against COVID pandemic both locally and globally.

Our conference was graced with three distinguished plenary speakers namely Australian Department of health Deputy Chief Medical Officer, Professor Michael Kidd; WONCA Immediate Past President, Professor Donald Li and Senior Lecturer in General Practice at the University of Queensland, Dr Margaret Kay. Their stimulating topics included Long COVID Syndrome, Family Medicine development and Primary Care Reforms and Prevention of Burnout in Primary Care Professionals. Furthermore, our well-curated scientific program with its diverse and interesting seminars, workshops, discussion forum, signature clinical case competition and many other activities have always enthralled our participants.

Our annual conference has continuously provided a rich platform for collaboration among local and international primary care professionals. I am inspired and I quote Dr Mark Miller, Chair of the RACGP International Committee, in his message to promote this conference to RACGP members, 'Given many of our problems are shared, GPs can strengthen international efforts to address healthcare challenges, and to collaborate in global conference'.

I would like to take this opportunity to express my sincere appreciation to our local and international judges for full research paper, oral, poster and clinical case competitions. Our special thanks to WONCA Past President Professor Amanda Howe, who proactively offered her valuable assistance as one of the judges for full research paper competition. My heartfelt gratitude to all speakers and moderators for their valuable support, sponsors for their generosity, all members of our conference organizing committee and secretariat for their dedicated efforts. Last but not least, my utmost appreciation to all delegates for their continuing avid participation in making this signature conference an annual success

EXPERTISE AND PROFESSIONALISM OF THE SECRETARIAT

With the continuation of the covid-19 pandemic, staff in the College Secretariat have adapted expertly to the ubiquitous online format in the delivery of our CME activities and conferences in the past year. Thanks are due to the Secretariat team who have proactively learned and been updating their IT skills for the smooth running of our in-house web-based events.

As in last year, the arrangements of the College's examinations were faced with a lot of hurdles and uncertainties owing to the covid-19 pandemic. Despite the tremendous preparatory workload and the tedious and complex responsibilities for planning the examinations under strict infection control measures and social distancing policies, the Secretariat has continued to demonstrate their professionalism and strong adaptability outstandingly.

COVID-19-RELATED WORK ARRANGEMENT

The Secretariat has resumed normal working hours gradually since late April 2022. In line with the work arrangement for staff in the Hong Kong Academy of Medicine, we have a schedule of work-from-home for staff, and the arrangement was a success both in staff's job satisfaction and in work efficiency.

WORKPLACE INNOVATION FOR COLLEGE'S PAYMENT COLLECTION SERVICE

To address the increasing needs for more efficient payment services, especially for staff and College members handling payments and charges about Examinations, Training, HKPCC, CME Lectures etc., the House Management Committee decided to apply for e-banking service for collecting payments. In this regard, The Faster Payment System (FPS) has been successfully set up for receiving cross-bank/e-wallet payments in a faster, easier, and more secure way.

This FPS account is available for receiving all payments under the company "HKCFP Education Limited" except for Membership annual subscriptions which are receivable under another Company, "The Hong Kong College of Family Physicians".

It is a small yet significant step forward for the modernisation of the College's payment collection service, which has been considered for many years. We hope we can set up e-banking services for "The Hong Kong College of Family Physicians" as soon as possible to facilitate the membership annual subscription collection for 2023.

The limitation of FPS is its district boundary. It cannot be used for collecting cross-country payment. For receiving cross-country payments, we still have to rely on PayPal (through the 3rd party vendor) or Telegraphic Transfer.

STAFF CHANGES AND SALARY REVIEW

We welcomed Ms Nana Choy and Ms Carol Pang who joined the Secretariat this year.

The House Management Committee reviewed the staff's work performance annually in order to propose proper salary adjustment and possible promotion. The Committee would like to thank the Chairmen and Chairladies of all Boards and Committees for their feedback on the recent appraisals through Google Form. In addition to the performance review, the salary packages of our staff were reviewed, in consideration of the current job market situation, in the House Committee and with the Executives, and all agreed that a more competitive salary package for our staff will be conducive to the morale of our staff and the attractiveness of our job posts.

Last but not the least, I would like to thank Ms Erica So, General Manager, for her excellent leadership and contribution, and all staff for their committed support throughout the years.

45th Annual Dinner

The 45th Annual Dinner previously scheduled on 4 December 2022 (Sunday) was cancelled in view of on-going situation of COVID-19 pandemic and to uphold the vigilant infection control measures as well as maintaining the social distancing.

The decision to cancel the Annual Dinner, which is one of the most important events of the College was not an easy one, but the well beings of our members and guests always comes first. We look forward to welcoming you in the Annual Dinner again in the future.

36th Conferment Ceremony and the 33rd Dr Sun Yat Sen Oration

The 36th Fellowship Conferment Ceremony and the 33rd Dr Sun Yat Sen Oration was held on 25 June 2023 (Sunday) as scheduled at the Run Run Shaw Hall, Hong Kong Academy of Medicine Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

This year, the Ceremony was well attended by 363 guests, including the successful candidates of Exit Assessment, Conjoint Fellowship Examination, Diploma in Family Medicine and their families and friends, as well as invited guests and dignitaries from the Food and Health Bureau, the Legislative Council, the Department of Health, the Hospital Authority, the universities and representatives of local academic colleges.

The current membership of HKCFP is as follows: - (as at end of June 2023)

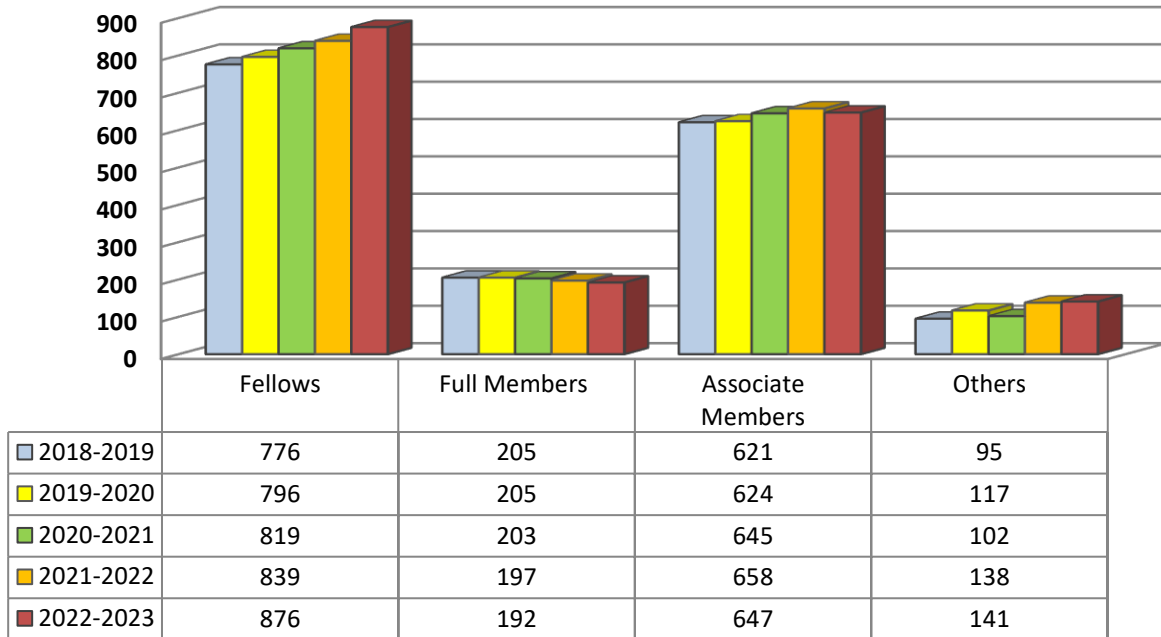

Fellows*	876 (HKAM Fellows: 551)
Full Members	192
Associate Members	647
Others **	141
Total:	1,856

* Fellows include Fellows, Foundation Fellows, Honorary Fellows and Non-HKSAR Fellows.

** Others include Affiliate Members, Non-HKSAR Members and Student Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care. We expect to see a constant growth in membership with increase in proportion of fellowship.

The QA&A program aims to promote participation in Continuing Medical Education (CME) and Continuing Professional Development (CPD) activities for General Practitioner (GP) and Family Physician (FP). With end in mind to promote best practices, educational activities proposed to our College are assessed by the QA&A committee to identify relevant and high quality ones for members' attendance. Participation in these learning activities towards best practices are acknowledges by CME/CPD points, with issuing of

CME certificate to those fulfilling the College's requirement as a token recognition and encouragement.

In order to further enhance an effective and efficient QA&A program for GP/FP, the QA&A committee has conducted a review on prevailing operation since 2Q2016. An Active Learning Mode (ALM) has been endorsed in Hong Kong Primary Care Conference since 2016. In this regard, active participation in prescribed learning of a prior-accredited activity may earn CPD points upon successful submission of both pre- and post- MCQs. Through innovative learning mode as such, learning may be facilitated efficiently and effectively in this era of rapid knowledge and technology expansion. ALM has also implemented in the Annual Refresher Training Course held by Specialty Board since 2018.

An enhanced CPR course was introduced in 2017 in response to the amended CPR requirement of RACGP QI & CPD Programme in 2017-19 to attain reciprocal recognition with RACGP and our College QA Programme. The 'Advanced Primary Care Life Support Course' has been promoted alongside with CPR Subcommittee of the Board of Education starting from 2017.

Regarding CME, for HKCFP Members who have chosen Hong Kong Academy of Medicine (HKAM) as their CME Administrator under "MCHK CME Programme for Non-specialists" category, we would administer their MCHK CME with waiving of fee charged by HKAM starting January 2017.

In order to set proper standard for awarding CME for the rapidly rising trend of on-line webinars, the committee has discussed and agreed on setting a minimal requirement of 75% attendance time plus passing post-event quiz/survey, starting from August 2020. Also attending two webinars with 15 minutes or above overlap time would be counted as 'duplicate attendance', no CME points shall be awarded.

To strengthen continuity of the committee, kindly note that we have introduced 2 vice chairmen posts with interposing terms since 2018.

Kindly note that the electronic copy of and CME Certificate 2022 and QA Certificate 2020-22 is available on the College's homepage <http://www.hkcfp.org.hk>, members can login to their own account to download the certificates anytime. Request for hardcopy certificate can be made in writing to the college secretariat, an administrative fee of \$50 per copy would be charged. Please find list of active fellows/members who have fulfilled the College's requirement for awarding certificate as below.

Eleven submissions had been received for the Best Research Award 2022 and the Best Trainee Research Award 2022, the selection panel consisted of two assessors. The winning papers were:

- Best Research Award 2022: "Ten-Year Effectiveness of the Multidisciplinary Risk Assessment and Management

Programme-Diabetes Mellitus (RAMP-DM) on Macrovascular and Microvascular Complications and All-cause Mortality: A Population-Based Cohort Study” by Dr Emily T Y TSE.

- Best Trainee Research Award 2022: “Factors Affecting Prescription of Sodium-glucose Co-transporter 2 Inhibitors in Patients with Type 2 Diabetes Mellitus with Established Cardiovascular Disease/ Chronic Kidney Disease in Hong Kong: a Qualitative Study” by Dr NG Ngai Mui.
- Trainee Research Award 2022 – 1st Runner Up: “Targeted Screening of Asymptomatic Atrial Fibrillation Using Automated Blood Pressure Measurement Device with Atrial Fibrillation Detection Function, in Patients with Type 2 Diabetes Mellitus in Primary Care Setting” by Dr WONG Yu Man.

The 2023 HKCFP Research Fellowship had received six applications this year. The selection panel which consisted of two assessors had selected the winner to be Dr WONG Ching Keung. His research project was “Continuous Glucose Monitoring Helps Reduce Hypoglycemia and Improve Control in Insulin Treated Diabetic Patients Managed in Primary Care”.

The Committee has established two new funding awards over the last ten years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

In the year 2022-23, we are delighted to serve our College members.

Computer software and hardware are being updated and renewed to tackle the increasing demand. Thanks to our secretarial support and input from the Committee, the registration system for educational activities, members MCQs and Clinical Quizzes function in our College website are maintained smoothly. The Web and Computer Committee is also responsible to manage our College Facebook, which provides a platform for sharing timely information to our College members, our community friends and the public. Paypal payment has also been launched to facilitate transactions of Membership Subscription Fee and registration fee of HKPCC Conference 2022.

We welcome all suggestions from our College members. The web and computer daily operations are being monitored by our secretarial staff, and we are thankful for their dedicated work.

I would like to once again express my appreciations to the members of the Web and Computer Committee for their support in the past year. We look forward to serving our College in the coming year.

CO-CHAIRMEN'S MESSAGE:

The HKCFP Young Doctors Committee was formed by our College in May 2017. We aim to engage our young doctors joining the College activities and nurture young leaders. We would connect the medical students, medical interns and young members of our College to enhance our communication with each other. We also promote our younger leaders to represent our College in the participation of local, national and international meetings. The composition of our membership were enthusiastic young doctors coming from public and private sectors in order to keep up the momentum.
