PRESIDENT'S MESSAGE (DR. GENE W. W. TSOI)

This is the second Annual Report in my term as President of HKCFP. I started in December 2008 which I have promised to bring in much needed changes in some areas of our activities, such as the Exit Examination, the Vocational Training Programme etc.

The Specialty Board under Dr. Angus Chan and his Board members has been working very hard to develop details of changes in the Clinical Audit segment as well as the Consultation Skill Assessment. Trainees can submit either a clinical audit or a research paper for assessment in 2013. The purpose is to encourage our future Fellows to develop skills and interest in research. The on-site Consultation Skill Assessment will be changed into video-tape assessment in 2012. Video-taping consultation is mandatory in our Basic and Higher training. Trainees should be well acquainted with the method. The Board has been finalizing the details of the requirements in the submission of the video tapes. The change will allow candidates to show more case varieties instead of just six cases in the current format. Examiners can assess better and with more confidence as what the candidates are actually doing in their everyday practice--- the ultimate purpose of the CSA in the Exit examination to qualify them as specialists in Family Medicine. Of course, examiners in the new format of CSA must undergo training to make sure the standard of assessment is uniform and reliable.

The next one on the move is the Board of Vocational Training & Standards under Dr. Quincy Yuen and his Board members. They have conducted a comprehensive review of the training requirements and contents of the current four years Basic training programme. The direction of change is heading for more community-based training rather than a strict two years rotation of hospital-based training through the four mandatory training modules in Medicine, Surgery, Paediatrics, Obstetrics & Gynaecology. Time has changed compared with 30 years ago when primary care mostly in private practice meant "fee for service". The services were mainly symptomatic and people were looking for "quick fix". Most general practitioners were equipped with the skills and knowledge acquired in the hospital working experience. They could perform simple obstetrics to deliver babies, minor gynaecological or surgical procedures such as D&C, marsupialization, ingrowing toe-nails, circumcision and acute appendix, just to name a few. Nowadays, we read advertisement in the newspaper to tell parents to seek advice from Paediatric Surgeon about circumcision. I strongly believe that our basic training programme must change to maximize the training outcome to meet the needs of present society. BVTS deserves the biggest applause and support from all of us.

Other regular College activities by the Boards of Conjoint Examination and Education were carried out smoothly. Please do not take this statement lightly because as President of the HKCFP, I take pride in making this plain statement. If you take our College as a 33 years old tree, our founding members and Fellows are the roots of this growing and thriving tree. Board of Education is the main trunk, both Boards of Vocational Training & Standards and Conjoint Examination are the first generation primary branches. This is the 24th year of our Conjoint Examination with the Royal Australia College of General Practitioners. At the time of writing, all the Secretariat staffs are working over-time to prepare the OSCE materials and the whole Board under Dr. Peter Chan is on "red alert". More than 100 examiners will turn up at the examination venue on the day of OSCE at 8:30am to execute their various duties. The atmosphere always gives me a feel of fraternity when so many of our Fellows, members and staffs contribute together as a team whole-heartedly to this most important event which allows no mistake. It reflects the solidarity of our College towards our goal to promote and upgrade the standard of family practice to our community.

Board of Education is a different story. It was born at the same time with the foundation of our College. The long list and varieties of educational activities throughout the year can be found in this annual report. The Chairlady Dr. Mary Kwong and her large team of Board members are the prime moving

force behind and they deserve our gratitude from the bottom of our hearts. It has struck my mind as how can we better co-ordinate and organize these precious experiences, expertise and manpower to promote professional development for Family Medicine in the Asia Pacific region. Perhaps we may have a new bud sprouting on this tree of HKCFP in the name of Board of Professional Development and Services.

Redecoration of the Wan Chai office will be completed in mid-November. Computers and AV equipments were upgraded to facilitate office work for our staffs and education activities. Thanks to the House Management Committee under Dr. Dorothy Law and Executive Manager Ms. Erica So for their diligent supervision, especially our Hon. Treasurer Dr. Lau Ho Lim who has proven as the most prudent Treasurer I have ever known. I shall encourage Boards and Committee to make better use of the venue which a lot of members enjoyed the convenience as well as the history.

I was invited to Cairns to join the Academic Session of the RACGP in October. It is the most important event of RACGP to admit new Fellows and presents awards and honour to College members and fellows. Professor Clair Jackson was elected as the new President while Dr. Chris Mitchell retired after two years term. I have to attend the occasion to send them our congratulations in person as a lot of friendship and work relationships have been fostered amongst members and fellows of the two Colleges over the past quarter of a century. It is a happy and simple ceremony which everyone shared some personal feeling to all the names mentioned at the presentation. I hope our College can also establish more awards and honour in recognition of members and fellows contribution to College work. In term of membership and manpower, we are only a fraction of RACGP. However, I will never have any doubt in the passion and dedication of our members and fellows who are involved with organizing and planning of College activities.

HKCFP is a tree which will continue to grow and flourish provided it gets sunshine and water which are the blessing from heaven one could have no control. It is analogous to the support shown by the Government and policy-makers to the development of Family Medicine and quality primary care. Water is essential for all living creatures but for Chinese it also means financial backing. The most essential resource of equal importance is "new blood" from our members and fellows who are willing to contribute their time and energy in major activities of our College. It is the equivalent of fertilizer to strengthen the root of the tree so that the foundation is solid enough to support the growth on top. When I took over the Presidency two years ago, one of the missions is to cultivate a new generation of College members and fellows who can help the continuous growth of this tree of HKCFP. I am glad to say that I have found quite a few in the current Council, Boards and Committees. Perhaps they are still a bit green but their enthusiasm is very encouraging. It is like wines mature and become mellow with time if they are provided with the best available environment.

Lastly, I must thank my Chief Censor Prof. Cindy Lam, Censors Dr. Stephen Foo and Prof. Donald Li to give me their valuable advice. My Executives Drs. Peter Chan, Mary Kwong, Dorothy Law and Lau Ho Lim who shared a lot of the duties and assignments. I have to thank all the Secretariat staffs under Ms. Erica So to serve me and the College in the past two years. They have been very tolerant to my pressing style to complete the jobs in hand and yet managed to bear with me the occasional outburst of temper when I was under stress. As always, my heart is with our College.

Dr. Gene W. W. Tsoi
President

HONORARY SECRETARY'S MESSAGE (DR. LAW TUNG CHI)

In 2009, WONCAAPR conference is the biggest event for our college. This year in 2010, we have put the focus back onto college's business.

The routine activities of our college keep running smoothly. We have regular education activities (updates, workshops and interest groups) held by Broad of Education. We received College news monthly by FP link and Hong Kong practitioner quarterly. Conjoint examination held in autumn as usual. Exit examination held twice in spring and autumn. Insistence in promotion of family medicine to primary care physician, Diploma of Family medicine 2010 started in summer. One more new book, 家庭醫學手冊之三: 家庭醫生—家人的好朋友 was published this year.

This year, our College's Annual Scientific Meeting was successfully held on 29-30 May, 2010. This meeting focused on non-communicable diseases and there were 250 participants. The record-high attendance and abstract submissions is encouraging and we are hoping to have bigger academic meeting in coming years with invitation to other primary health care provider.

Review and update training program and examination content to match the advance in medicine were undertaken in 2010. New basic training program was discussed and modified over and over again at meetings of BVTS. Research was introduced as alternative part of academic component of exit examination in coming years. We are hoping to have a new training logbook and exit examination formats which would be endorsed at council meeting and HKAM in 2011.

We cannot visualize all these new changes at this moment but we can come to visit our newly renovated College Office at Wan Chi. You may not be aware the old carpet laid in Wan Chai Office was there for more than 20 years. You may wonder why so many boxes were placed inside Council Chamber and corridor. After renovation, more space was created for storage. Secretaries were not kept at individual rooms but a big open office with better lighting and ventilation. Computer and Audio-visual system were updated. I hope all members could enjoy meeting and education activities at our new office.

Last but not the least, I have to send my sincere thanks to secretary staffs of our college. As all broad and committee chairmen and chairladies work part-time and unpaid for college, the secretary staffs are the one to support smooth running of college. We have staffs left our college and new staff employed. I would like to wish a bright future to old friends and welcome to join college's big events, the first one, annual dinner.

Candidates Information Seminar

An information seminar for candidates sitting the clinical segment was organized on 12 July 2009. 61 candidates attended. The purpose was to provide first-hand information on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help our candidates to better prepare for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with videotaped scenarios were also conducted.

The Conjoint Fellowship Examination

Written Segments:	MCQ	12 September 2009 (Saturday)	HKAM Jockey Club Bldg
	KFP	13 September 2009 (Sunday)	HKAM Jockey Club Bldg
Clinical Segment:	OSCE	25 October & 1 November 2009 (Sundays)	Princess Margaret Hospital

External Examiners from RACGP

Associate Professor Jan Radford (Censor in Chief) and Dr. Jennie Kendrick (Censor) were the visiting External Examiners from RACGP this year for the OSCE Examinations on 25 October and 1 November 2009 respectively.

Number of candidates

There were altogether a total of 137 candidates sitting for this year's examination, with 119 and 18 candidates of Category I and Category II respectively.

52 candidates sat for the Written Segments (43 Cat I and 9 Cat II candidates), while 100* candidates sat for the Clinical Examination (86 Cat I and 14 Cat II candidates).

<*REMARKS: 101 candidates attended the first day of the Clinical Examination but one Cat I candidate did not attend the second day of the examination, making a total of 100 candidates actually sitting for the whole Clinical Examination.>

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Group, consisting of Examiners, led by our Chief Examiner, to be responsible for all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to the minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).
5. Sharing cases with RACGP to widen our exam case bank.
6. Presentation of OSCE exam materials to examiners only on the day of exam.
7. Continual appeal to the professional integrity of all involved in running the exam.
8. Proper "quarantine" of candidates of the morning and afternoon sessions respectively on the days of exam.
9. Forbiddance of use of any electronic devices by candidate inside exam venue.
10. Prompt data entry of candidates' scores on the same day of exam.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experience examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiner in our three Cantonese speaking stations, instant translation (in writing) had been arranged this year on the 2nd OSCE Sunday (1 November 2009).

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

CHAIRMAN'S MESSAGE

The DFM course entered her eighth year in 2010. This was a fruitful year as seventeen candidates fulfilled all the requirements of DFM Course and passed all the assessments and the Final Examination in 2010. The Board appreciated their commitment to strengthen the knowledge and skill in Family Medicine and congratulated them on their achievement.

Besides, two candidates fulfilled all the requirements of CFM Course and passed all the assessments. Graduates could pursue a further six-month study to Diploma level if they pass the final examination.

This year, the DFM board organized a consultation workshop to promote DFM course. The workshop attracted more than one hundred doctors to enroll. The Board also adjusted the admission regulation to extend our DFM training programme to doctors outside Hong Kong. For the first time, the Board received application from our Macau colleague. In future, the Board hopes to promote DFM course to doctors in Mainland China.

As a Chairman, I would like to give my warmest welcome to our new members, Dr. Loretta W. Y. Chan and Dr. Chan Man Li who joined our family this year. These energetic and enthusiastic young doctors will certainly contribute lots of valuable ideas to the Board.

On behalf of the College and the Board, I would like to express our heartfelt gratitude to Dr. Raymond Lo who retired from his service as Chairman. He acts currently as our Board Advisor. Dr. Lo was the founder member of the course. I have learnt a great deal from him over the years. His dedication to the College is highly appraised by Board and College members.

Lastly, I would like to take this opportunity to thank Professor Lam Tai Pong for being our External Examiner and his generous donation to the Board. I wished to thank Professor Cindy Lam, Professor Donald Li, Dr. Gene Tsoi and Dr. Stephen Foo for their continuous advice, Dr. Chan Chi Wai for being our Chairman of assessment and examination subcommittee and accepting the new post as Deputy Chairman, and all the Board members, our teachers, examiners, and mentors for their unfailing support. I also wished to thank our secretarial staff Ms. Charlotte Sham and Ms. Winnie Lee for their diligent work.

CHAIRLADY'S MESSAGE

During the year 2009-2010, the Board, as in the previous years, has organized the following educational activities for our College members. All the CME and CPD programmes have been running smoothly and accredited.

Video-Library and Video Viewing Session

For the period of 2009-2010 we had arranged 12 video sessions in our Wanchai College premises on a monthly basis. Video viewing session and Video Library have been practiced since July 2005. The viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon, Evening and Annual Refresher Course CME activities. These viewing sessions are open only to our members. 1 CME point, HKCFP or MCHK, is accredited to one who attends the viewing session. Up to a maximum of 2 CPD points may be accredited to one who submits a satisfactory report of Professional Development Log. It is encouraging that the number of attendance is increasing. The topics of the 12 sessions presented were:

- Genital Lesion – Sexually Transmitted or not?
- Understanding Fats Good vs Bad
- Latest Treatment on Cardiovascular Disease
- A Tour in Current Glaucoma-Diagnosis & Management
- Common Disease in Ophthalmology - Cataract
- Psychiatric Disorder in Youth : ADHA and Youth Depression
- The Role of Family Physicians in Liver Transplant
- Liver Transplantation
- Neurobiology & New Treatment Option for Insomnia
- Sports Medicine, Sports Science-Current Practice
- Vitreo-retinal Diseases
- Acne Management
- Ketemine (Kif) Associated Ulcerative Cystitis
- Use of topical Agents in Dermatology

Small Discussion Group

It is good news that the number of Small Discussion Groups has increased to 121. Participant members will gain 1 CME point and the speaker will gain an extra 1 CPD point. Members who are actively participating in writing up local management protocols of common diseases can also earn extra CPD points. Well-written synopses will be published in our College Journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups. However, synopses not up to standard are requested to be re-written again.

Cardiopulmonary Resuscitation (CPR) Training

The Board would like to thank the Hong Kong College of Cardiology, especially Dr. Cheng Chun Ho and Dr. Pun Chiu On for their continuous support. Our CPR training workshops and examinations were running successfully and the Instructor workshops for up-keeping standards and recruiting new instructors were well organized. We held two CPR training workshops in 2009-2010. We have 81 members who passed the CPR Examination and were awarded the Certificate of Competency CPR in Basic Life Support this year. The Board would like to express our sincere thanks to all examiners as follows:

Dr. Au-yeung Shiu Hing	Dr. Winson W. Y. Hung	Dr. Mo Kam Chuen
Dr. Patrick H. W. Chan	Dr. Kong Che Wan	Dr. David T. W. Hoi
Dr. David S. L. Chan	Dr. Kwan Man Woo	Dr. Wong Hung Wai
Dr. Dickson Y. S. Chan	Dr. Michael C. H. Kwok	Dr. Wong Ka Wah
Dr. Cheung Ying Man	Dr. Daniel C. Y. Leung	Dr. Wong Pak Hoi
Dr. Chow Shun Wai	Dr. Danny P. K. Ma	

Clinical Attachment

We have three clinical attachments this year with the support from our hospital colleagues.

Diabetes Attachment - United Christian Hospital

ENT Attachment - Division of Otorhinolaryngology, Department of Surgery, CUHK
 Infectious Disease Attachment - Department of Medicine and Geriatrics, Princess Margaret Hospital

The Board would like to express our sincere thanks to Dr. Tsang Man Wo, Dr. Grace Kam, Professor C. A. van Hasselt, Professor Michael Tong, Dr. John Woo, Dr. Chow Chun Bong, Dr. Thomas So and the staffs of their departments for organizing our clinical attachments. The clinical attachments are aimed at in-depth and structural teaching of our members in the specialties that they are interested in.

Assessment Enhancement Course

Assessment Enhancement Course remained the most welcome course in her tenth year of establishment. I would like to thank all the tutors in donating their time and effort in this course. They help tremendously in upgrading the standard on family medicine in the consultation skills, physical examination and other various aspects. These are very useful to our members in preparing the Conjoint Fellowship Examination.

Category II Focus Study Group

Category II Focus Study Group was first launched in 2009 for Category II Candidates are working in private practice without formal group support and in preparing for the Fellowship examination. I would like to thank all the tutors in donating their time and effort in this course. The Board would like to express our sincere thanks to Dr. Chan Chi Wai, Dr. Alvin C. Y. Chan, Dr. Mark S. H. Chan, Dr. David S. L. Chan, Dr. Chan Wing Yan, Dr. Fok Peter Anthony, Dr. Kwan Ho Yin, Dr. Lam Wing Wo, Dr. Peter K. Y. Lee, Dr. Francis W. T. Lee, Dr. Law Tung Chi and Dr. Wong Nai Ming.

Post AEC Training Course

The Post AEC Training Course will be established for the Category II candidates to provide the platform to facilitate for Category II candidates preparing the Conjoint Fellowship Examination with formal group support.

Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 29 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 240 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in her 30th anniversary in year 2010.

Professional Development Subcommittee

Since 2005, six Interest Groups have been formed under this Subcommittee: namely Clinical Family Medicine, Dermatology, Geriatric, Medico-legal, Mental Health, and Neuro-musculoskeletal.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix and bridging the professional gap. This will upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

Medico-legal Alert Interest Group alerts our members on medical legal importance of various aspects of our discipline. This year, we have co-organized a seminar with Medical Protection Society (MPS), The Hong Kong College of Family Physicians (Interest Group in Medico-legal Alert) and The Hong Kong Society of Psychiatry.

Interpractice Visit

Interpractice visit is a mean of continuous medical education through practice visits by peer group. Participants may share their experience and improve their skills on clinic and practice management, thereby achieving a high standard of service. The details were published in the College Journal since May 1998.

Community Education Programmes

I would like to thank the following hospitals, societies and associations in helping our Board in organizing the various Community Education Programmes:

- Caritas Medical Centre, Kowloon West Cluster, Hospital Authority
- Family Medicine & Primary Healthcare, Hong Kong West Cluster, Hospital Authority
- Hong Kong Medical Association
- Our Lady of Maryknoll Hospital, Kowloon West Cluster, Hospital Authority
- Professional Development & Quality Assurance, Department of Health
- United Christian Hospital, Kowloon East & Kowloon West Cluster, Hospital Authority

College members were welcomed to attend these programmes and CME points were accredited.

Structured Education Programme

The Structured Educational Programme (SEP) is the mandatory training programme in basic training. It's divided into 14 module and trainees should be attended at least 15 hrs for each module. It is opened to all College members and will be awarded CME credit points when attending the programme.

Self-Assessment Correspondent Programme

1) MCQ papers

MCQ papers were sent out quarterly with our College Journal. Members will only be accredited if over 50% of the answers are correct and will be awarded maximum 12 CME credit points per year.

2) Hong Kong Check

The Hong Kong College of Family Physicians, in collaboration with the Royal Australian College of General Practitioners, runs a Hong Kong version of the Check program. Members who subscribe to the Hong Kong Check will be awarded 12 CME credit points for satisfactory completion (at least 75% of the questions) of the HKCFP "Check on Check" program issued at the end of the year for the "CHECK" Programme.

Acknowledgement

Stepping into the sixth year of chairperson of the Board of Education, I would like to take this opportunity to express my most sincere thanks to all members of the Board of Education for their unlimited support and contributions in serving the College. They are the capable and supportive team to back me up in organizing the various types of educational activities for our College members. I am indebted to them, and our secretarial staffs, Ms. Charlotte Sham and Ms. Winnie Lee for their enormous support. I would also like to take this opportunity to thank all sister Colleges, Universities, Hospital Authority, Department of Health for their support in our various educational activities. We are also thankful to the various pharmaceutical companies who generously sponsored many of our functions.

CHAIRMAN'S MESSAGE

Year 2010 is a year of change. In this year, our main task is to revise our vocational training. In January 2010, the College had held an Open Forum, discussing with College members about the direction of Family Medicine training in Hong Kong. It's glad to have valuable ideas and suggestions received from other College members including current trainees. The College responded rapidly by holding an ad hoc meeting to discuss about the revision of the vocational training in February. Afterwards, our Board was appointed to revise it. In the past few months, the Board worked hard in attaining this task. And once the revision finished and approved by the Council and the Academy of Medicine, we will give the detail to all the clinical supervisors and trainees.

Apart from setting up training requirement and standards, our Board always supports our trainees in all kinds of activities that can help in consolidation of their knowledge in Family Medicine. In the past year, we have sponsored the trainees in the 19th WONCA World Conference of Family Doctors hold in Cancun, Mexico in May 2010, and the Four Parties Conference on Family Medicine hold in Beijing in June 2010. Their reports submitted afterward show that the trainees gain a lot from the activities supported. We will continue to support such activities in the future, and please pay attention to our monthly announcement in FP Link.

The usual statistics up to 31st March 2010 are as follows:	
New enrolled Basic trainees	: 21
New enrolled Higher trainees	: 68
Total Basic trainees	: 115
Total Higher trainees	: 163

I am happy to be appointed as the Chairman of BVTs. Before being appointed, I have realized that this is not an easy job. I would like to take this opportunity to express my gratitude to the immediate past Board Chairman Dr. Gene Tsoi, the Deputy Chairman Dr. Chan Kin Ling, Dr. Benny Lui, and Dr. Law Tung Chi for their support and guidance. Of course, I would also like to say thank you to other Board members and both of our enthusiastic secretaries for their support and assistance in the past year.

Output

Congratulations to our trainees for passing the *HKCFP/RACGP* Conjoint Examination in 2009 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

Appreciation

I welcome Drs. Poon Shun Bong and Pang Siu Leung to join BVTS as member. Their participation are definitely valuable to our Board. I also welcome all other new members to join the various subcommittees of the Board.

On the other hand, I would like to express my gratitude to our Secretaries, Miss Carmen Cheng and Mr. Patrick Wu, their effort is highly appreciated.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster co-ordinators for their contributions in the training programme.

Chairman's Message

This year, we continued our quarterly publications of the Hong Kong Practitioner with 25 manuscripts published over the year. Among the published manuscripts, 40% were original research articles, 12% were discussion papers and 16% were update articles. The rest were editorials (16%) and case reports (16%). Prof. Samuel Wong and Dr. Wendy Tsui continued their roles as editors for the Hong Kong Practitioner and the FP Links respectively.

For the Hong Kong Practitioner, we were fortunate to have our editorials written by international and local academics to share their views on "hot" topics in family medicine and primary healthcare over the year. Efforts have also been made to develop theme issues, for example, an issue on musculoskeletal medicine was published in June this year.

We hope that our journal will continue to provide up-to-date knowledge and information that is relevant to the practice of family medicine and hope that our readers will continue to show their support.

This year, we have quite a number of College activities including Certificate Courses on Asthma, Diabetes & Dementia, Practice Management; Annual Scientific Meeting, Annual Medical Updates, Annual Refresher Courses, monthly interest groups meetings on Mental Health and Dermatology, regular meetings on Neuro-musculoskeletal, Medico-legal Alert, Clinical Family Medicine, lecture given by Visiting Professor of the University of Hong Kong, and other educational luncheon scientific meetings organized by the Board of Education. These activities were generously sponsored by various pharmaceutical companies which help to bring the update medical knowledge to our members.

Advertisement from various pharmaceutical companies has been published in our Journal which remains one of the most popular and widely circulated medical literatures locally. Our Journal provides a very valuable channel for our members to update themselves on medical knowledge. The Family Physicians Links continue to have some advertisement supported from other organisations and College's members.

On behalf of the College, I would like to express my gratitude to all of the following companies for their generous support:

Abbott Laboratories Ltd	Merck Sharp & Dohme (Asia) Ltd
AstraZeneca Hong Kong Limited	Novartis Pharmaceuticals (HK) Ltd
Bristol-Myers Squibb Pharma (HK) Ltd	Novo Nordisk Hong Kong Ltd
Eli Lilly Asia Inc (Hong Kong)	Pfizer Corporation Hong Kong Ltd

COUNCIL MEMBER-ON-DUTY (CMOD) SYSTEM

Coordinator : Dr. Tony C.K. Lee

Secretaries : Ms. Erica M. So (Executive Manager)
Ms. Teresa D.F. Liu (Administrative Executive)

From April 2009 to March 2010, we have received 6 enquiries from our members concerning matters related to training, examination and other aspects related to Family Medicine. All the enquiries were handled immediately and directed to the respective Boards or Committees for any necessary follow-up actions. The CMOD remained as an important and effective communication between the Council and the members.

I would like to express my sincere gratitude to all Council members who act as on-duty members in the roster in answering the enquiries and giving their invaluable advice. I would also like to thank the secretarial staff for their hardwork.

Table 1: Summary of CMOD Cases (April 2009 to March 2010)

Area of Inquiries	Case Number	Action Taken by CMOD	Board / Committee involved
Complaint about the list of registered pharmaceutical from "DH's Online Pharmaceutical Service" was not updated.	03/2009	(Replied by phone) As the area of inquiry was not the boundary of HKCFP, CMOD suggested the inquirer to contact DH directly for further assistance.	N/A
Inquiry about the medical insurance service, whether the employers were allowed to request their employees to pay his/her drugs fee on their own.	04/2009	(Replied by phone) The area of inquiry was not the boundary of HKCFP.	N/A
Failure to apply for the Conjoint Part II Exam in 2009 due to invalid CPR certificate.	05/2009	(Replied by email) CMOD clarified that this is a channel for College members to raise their queries and concerns instead of a channel for appeal. The inquiry was forwarded to the Board of Conjoint Examination and College Council for further discussion.	Council and Board of Conjoint Examination
Inquiry about how to prepare the Conjoint Examination	06/2009	(Replied by phone) CMOD gave general advice to inquirer in preparing the Conjoint Examination.	N/A
1) Inquiry about the training opportunities for Category II candidate after passing the Conjoint Examination 2) Inquiry about using the term "Specialist in Family Medicine".	07/2009	(Replied by email) 1) Any alternative higher training pathways for Category II candidates will be included in the overall review of postgraduate training in Family Medicine. 2) CMOD clarified the use of terminology of "Specialist in Family Medicine". It should be used by doctor who is a fellow of HKAM (Family Medicine) and is registered with the Medical Council of Hong Kong as Specialist.	N/A
Inquiry about how to handle suspected case of pandemic flu in private clinic.	08/2009	(Replied by email) CMOD suggested the inquirer to refer to the guideline from Centre for Health Protection for private clinic.	N/A

EDUCATION COMMITTEE (AM AFFAIRS)

Dr. Mary B. L. Kwong

The HKAM Guidelines on Procedural Sedation were approved by Education Committee and endorsed by AM Council in December 2009. A copy has also been sent to Medical Council and uploaded to the Academy website. The Working Group will then discuss with Colleges on organizing courses about the competencies needed for doctors, dentists, dental surgery assistants and nurses when carrying out the procedures.

At present, the Exit Examination of the College of Family Physicians is divided into 3 segments, namely (a) Clinical Audit Report; (b) Practice Assessment, and (c) Consultation Skills Assessment. Our College proposed to add "Research" segment, and the proposal had been endorsed in September 2010 by Education Committee, Hong Kong Academy of Medicine as an alternative option to Audit Segment in year 2013. The new guidelines would only affect the higher trainees enrolled after January 2011.

Education Committee, Hong Kong Academy of Medicine has advised all Fellows of 15 Colleges to maintain a balanced CME / CPD profile with a mix of different activities, including 5 points in a cycle from activities in Category 6.11 (Quality Assurance, Audits and Activities for Improvement of Patient / Medical Care) in order to capture the full benefit of different types of CME / CPD activities. The existing guideline of HKCFP has been in line with the above requirements, and was approved for the new three-year cycle (2011-2013) by Education Committee, Hong Kong Academy of Medicine in October accordingly.

The Position Paper on Postgraduate Medical Education has been arranged for a series of discussion, starting from the Post-graduate Medical Education Workshop organized by Academy in June 2009. It serves to highlight the proposed key reforms to postgraduate medical education that are required to modernize the Fellowship training system such that the Academy will produce Fellows meeting the needs of the society in a sustainable manner. Colleges have concerns about the part of paper relating to the establishment of Department of Education. Education Committee, Hong Kong Academy of Medicine agreed to call more meetings or Forums to deliberate the issue.

This year I have represented our College to attend the World Conference of WONCA in Cancun in May. The event has important implications to the future development of Family Medicine, in education, training and research. The minutes and reports added up to several thousand pages are available in electronic format, members and fellows interested to know in more details, can contact the Secretariat for assistance.

I also attended the biennial Four Parties Conference on Family Medicine which was held in Beijing this year at the end of May. Dr. Donald Li, President of WONCAAPR gave a speech at the opening ceremony. College was represented by Drs. Daniel Chu, Mark Chan, Lau Ho Lim, Catherine Chen and they have made presentations in the Conference.

In September, our College was invited by the Shunde Health Bureau and Min Yuen Tong to join a Symposium about the development of training in Family Medicine in Guangdong province. Dr. Cheung Man Kuen and I each gave a talk at the symposium. Dr. Cheung shared with the audience her own training experience and they were very interested as how this can be done in their locality. We have learnt how the primary care service was delivered to the people and what the problems they are facing in terms of training.

In May 2009, the "Family Medicine Ensemble" has made a very impressive performance in the Opening Ceremony of WONCAAPR Conference. Thanks to Dr. Kenny Kung to be the conductor and organizer with his team of talented singers recruited from members and fellows. They are so good that they have been invited by the Hong Kong Academy of Medicine to perform again in the Opening Ceremony of 1st AMM-AMS-HKAM Tripartite Congress in November 2010. They have regular practices for this very special occasion. I am sure that they will give an excellent performance to entertain all the Congress delegates.

FINANCE COMMITTEE

Chairman	: Dr. Lau Ho Lim	
Committee Members	: Dr. Gene W. W. Tsoi	(President)
	Dr. Chan Hung Chiu	(Vice-President)
	Dr. Mary B. L. Kwong	(Vice-President & Business Manager)
	Dr. Law Tung Chi	(Hon. Secretary)
Secretary	: Ms. Angel Cheung	(Administrative Executive)

With careful monitoring by the Finance Committee, the financial situation of the College in 2008 continued to remain stable and healthy as before. We have always adopted a very conservative investment strategy, and we will continue to stay away from medium- to high-risk investments. There is currently a deposit of equivalent of over HK\$16 million in our accounts. Only 5.6% of our portfolio is in securities, bought when these were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr. Gene Tsoi, our President, Dr. Raymond Lo and Dr. Mary Kwong, our Vice President (General Affairs), Dr. Chan Hung Chiu, our Vice President (Education and Examinations), Dr. Law Tung Chi, our Honorary Secretary, Dr. Mary Kwong, our Business Manager, and Ms. Erica So, our Executive Manager, for their continuous support and service. I would also like to thank Mr. CF Cheung, our Honorary Auditor, for his professional advice and service.

Chairlady's Message

The inaugural edition of FP Links was published in March 2004. It serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College.

The founding Editorial Board started off with three members under Dr. John Chung's leadership. As time goes by, the membership lists have significantly expanded and contents of FP Links have also enriched. Our committee is now comprised of 19 members coming from different sectors: public and private; universities and different clusters of Hospital Authority. We work as a cohesive team sharing the same passion for our disciple of Family Medicine.

The current membership of HKCFP is as follows: - (as in June 2010)

Fellows*	574 (HKAM Fellows: 247)
Full Members	231
Associate Members	664
Others **	51
Total:	1520

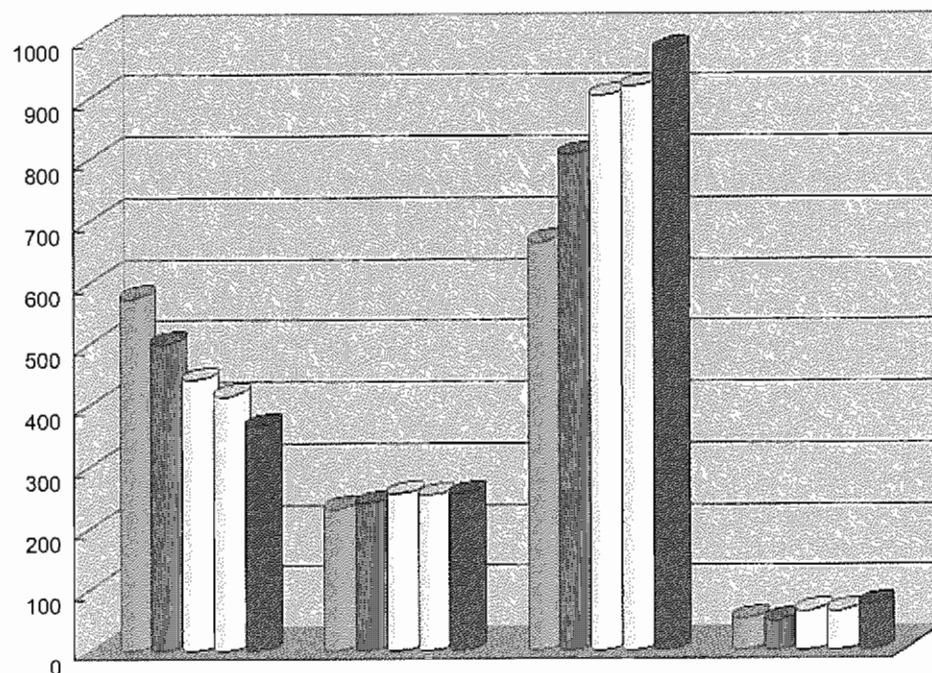

* Fellows include Fellows, Foundation Fellows, Hon. Fellows and Non-HKSAR Fellows.

** Others include Non-HKSAR Members, Student Members and Affiliate Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care.

We recommend and implement policies, procedures and initiatives to promote a healthy growth of membership at HKCFP. We expect to see a constant growth in membership with increase in proportion of fellowship.

The Professional Performance Committee is established to provide advice on professional performance to medical doctors who require peer review, supervision or audit.

Objectives:

1. To provide professional advice from the view point of family medicine.
2. To assist medical practitioners to meet the standard of professional performance.
3. To enhance the standard of the professional performance by peer supervision
4. To co-ordinate and appoint professional performance supervisors to provide professional advice upon application from individual medical doctor.
5. To co-ordinate clinic audit on professional performance upon request from individual medical doctor.
6. To maintain the accountability of professional advice by regular review of the current regulations and standards.

Individual doctor can approach our College to seek assistance to supervise and to audit his / her practice standard under the instruction of the Medical Council of Hong Kong. In 2009, there are 2 doctors seeking our advice on professional performance.

I would like to thank our College Secretariat for their constant support.

The Quality Assurance and Accreditation Committee aims to promote doctors' participation in effective and efficient quality assurance programs and to demonstrate their accountability to the community by documenting their participation in our Quality Assurance (QA) program. Our QA Programme is open to all registered doctors in Hong Kong and is reciprocally recognized by The Royal Australian College of General Practitioners (RACGP). Accreditation will be recorded throughout the years in the form of "credit points" according to our regulations for award of Certificate of Quality Assurance.

Starting from Year 2009, our CME/CPD credit point reports have gone paperless and members can check their updated reports in the College Website.

The list of the fellows, members who have obtained the CME certificate 2009 were listed below. I would like to take this opportunity to thank all the committee members for their contribution and unfailing support.

Five submissions were received for the Annual Research Award 2009 and the selection panel consisted of one internal assessor and two external assessors. The winning project was "Nomogram of Peak Expiratory Flow Rates (PEFR) for Hong Kong Chinese" by Dr. Mark S.H. Chan, Dr. Albert Y.F. Kong, Prof. Tai-pong Lam, Dr. Wilson W.S. Tam, Dr. Nai-ming Wong and Dr. Yuk-tsan Wun.

The 2010 HKCFP Research Fellowship have received three applications this year, all of good quality. The selection panel which consisted of one internal and two external assessors has selected the winner to be Dr. Yu Sze Kai, Frances. Her research project is "Does specialist training in Family Medicine in Hong Kong helps in the quality of care and empowerment for patients with chronic illness?".

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

The year of 2009-2010 has been a year of gearing in and of generally satisfactory service. The web page was well received by members and suggestions for improvements were attended to. Computer hardware is undergoing renewal to meet demands in supporting the daily College secretarial tasks. The web is designed to support further developmental need and potential new functions can be explored.

I would like to welcome the new members and also take the opportunity to thank our retiring committee members.

I would also like to thank Ms. Erica So, Ms. Crystal Yung and the rest of the Secretarial team, for delivering the high quality assistance.

We look forward to another year of service.

HONORARY TREASURER

Honorary Treasurer : Dr. Lau Ho Lim
Secretary : Ms. Angel Cheung (Administrative Executive)

The financial situation of our College remains stable for the financial year 2009-2010, with a current reserve valued in excess of HK\$16 million, thanks to the very conservative investment strategy of the Finance Committee. Only 5.8% of our portfolio is in securities (as on 31 Mar 2010), bought when these were first issued, and the great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's reports.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Conjoint Examination, Board of Vocational Training and Standards, and Specialty Board. Membership subscriptions generated an income of HK\$1.24 million (a 15.5% reduction compared with 2009). From the Board of Conjoint Examination we saw a surplus of HK\$745K (a 54.5% decrease). This was in line with our anticipation in last year's report. We expected a further reduction in this source of income as the number of candidates in the coming years would most likely drop. The Board of Vocational Training and Standards recorded a surplus of HK\$368K (a 49.8% decrease), but as this figure reflected the number of trainees, which according to current estimates might decrease, this source of income might reduce in the near future. The Specialty Board welcomed a surplus of HK\$229K (a 61.7% decrease), and this figure would be expected to increase when more trainees are expected to complete their Higher Training and sit the Exit Examination.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$3.15 million (a 6.3% increase). The Board of Education saw a deficit of HK\$102K (a 63% decrease). We managed to reduce our printing and stationery, postage and sundry expenses as we went "green" and strived to achieve paperless meetings. The overall total cumulative expenses have been managed carefully and we saw a reduction of 1.1% compared with the previous financial year.

The consolidated net deficit before tax computation for the financial year was HK\$1,007,335.

On behalf of the board

Chairman
HONG KONG, 26 October 2010

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS (Incorporated in Hong Kong with limited liability)

I have audited the financial statements of The Hong Kong College Of Family Physicians set out on pages 4 to 11, which comprise the balance sheet as at 31 March 2010, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Council's responsibility for the financial statements

The Council is responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

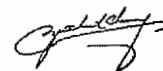

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2010 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 SIGNIFICANT ACCOUNTING POLICIES

- (a) Property, plant and equipment
Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the income statement in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the income statement is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rates to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

- (b) Related company
A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

- (c) Revenue recognition
Entrance fees from members are recognised in the financial year of receipt.

Annual subscription fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (d) Foreign currencies
Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the balance sheet date. All exchange differences are dealt with in the income statement.

- (e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

3 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2009:Nil)

	2009 HK\$	2009 HK\$
The taxation charge/(credit) is made up as follows:		
Deferred tax		
Current year	6,054	(22,218)

The taxation on the company's surplus/(deficit) before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Surplus/(Deficit) before taxation	(152,796)	352,092

Calculated at a taxation rate of 16.5% (2009:16.5%)	(25,211)	58,095
Tax effect of non-deductible expenses	2,080	(2,501)
Tax effect of non-chargeable income	(6,054)	(10,939)
Additions to unrecognized tax losses	15,239	(66,873)
Taxation charge/(credit)	6,054	(22,218)

4 COUNCIL MEMBERS' REMUNERATION

None of the Council members received any remuneration for their services rendered to the College during the year. (2009:Nil)

6 AMOUNT DUE FROM/(TO) RELATED COMPANIES

The advance is unsecured, interest free and repayable on demand.

7 DEFERRED TAX

Deferred taxation are calculated in full on temporary differences under the liability method using a principal taxation rate of 16.5% (2009:16.5%).

The movement on the deferred tax liabilities account is as follows:

	2009	
	HK\$	HK\$
At 1 April	558,029	580,247
Charge/(Credit) to income statement during the year	<u>6,054</u>	<u>(22,218)</u>
At 31 March	<u>564,083</u>	<u>558,029</u>

At the balance sheet date, the company has unused tax losses of HK\$188,640 (2009:HK\$96,285) available for offset against future profits. No deferred tax asset has been recognized due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

8 RELATED PARTY TRANSACTIONS

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2010.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results of the College for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong; and
 - d. prepared the financial statements on the going concern basis.
2. We are responsible for ensuring that the College maintains proper books of account which disclose with reasonable accuracy at any time the financial position of the College and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the College and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
3. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the College have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and members' meeting, have been made available to you.
4. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
5. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

On behalf of the Board

Chairman
HONG KONG, 26 October 2010

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HKCFP EDUCATION LIMITED (Limited by guarantee) (Incorporated in Hong Kong with limited liability)

I have audited the financial statements of HKCFP Education Limited (Limited by guarantee) set out on pages 4 to 10, which comprise the balance sheet as at 31 March 2010, and the income statement and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' responsibility for the financial statements

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

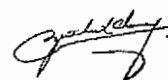

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2010 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

(Limited by guarantee)
NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) **Subsidiaries**

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) **Related companies**

A related company is a company in which one or more of the directors has a beneficial interest or is in a position to exercise significant influence over the company.

(c) **Revenue recognition**

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) **Taxation**

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2009:Nil).

The company had no significant unprovided deferred taxation at 31 March 2010 and 2009 and for the years then ended.

At the balance sheet date, the company has unused tax losses of HK\$2,734,039 (2009:HK\$2,217,312) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

4. DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2009:Nil)

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements of HKCFP Foundation Fund (Limited by guarantee) set out on pages 4 to 9, which comprise the balance sheet as at 31 March 2010, and the income statement and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Executive board's responsibility for the financial statements

The executive board is responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

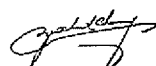

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the executive board, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2010 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the income statement.

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the balance sheet date. All exchange differences are dealt with in the income statement.

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

4. EXECUTIVE BOARD MEMBERS' REMUNERATION

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2009:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other board members and officials of the Foundation, the following representations given to you in connection with your audit of the Foundation's financial statements for the year ended 31 March 2010.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Foundation and of the results of the Foundation for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong; and
 - d. prepared the financial statements on the going concern basis.
2. We are responsible for ensuring that the Foundation maintains proper books of account which disclose with reasonable accuracy at any time the financial position of the Foundation and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
3. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the Foundation have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and members' meeting, have been made available to you.
4. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
5. We confirm that none of the Executive Board members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.
6. We confirm that the market value of the investment securities held by the company as at the balance sheet date amounted to HK\$901,267.

On behalf of the Board

Chairman
HONG KONG, 26 October 2010

**INDEPENDENT AUDITOR'S REPORT
TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements of HKCFP Holdings And Development Limited set out on pages 4 to 11, which comprise the balance sheet as at 31 March 2010, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' responsibility for the financial statements

The directors are responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and Hong Kong Companies Ordinance. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report. I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2010 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the income statement in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the income statement is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives :

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Turnover

Turnover represents course fees received.

(c) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

(e) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

2. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2009:Nil)

The taxation charges is made up as follows:

	2009 HK\$	2009 HK\$
Deferred tax		
Current year	2,972	7,803

The taxation on the company's loss before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Loss before taxation	(196,635)	(565,976)
Tax at the income tax rate of 16.5% (2009:16.5%)	(32,445)	(93,386)
Tax effect of non-deductible expenses	13,740	19,773
Tax effect of non-chargeable income	(2,972)	(11,084)
Additions of unrecognised tax losses	24,649	92,500
Taxation charge	2,972	7,803

3. DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2009:Nil)

4. PROPERTY, PLANT AND EQUIPMENT

The advance is unsecured, interest free and payable on demand.

6. DEFERRED TAX

Deferred taxation are calculated in full on temporary differences under the liability method using a principal taxation rate of 16.5%. (2009:16.5%)

The deferred tax liabilities account is as follows:

	2009 HK\$	2009 HK\$
At 1 April	65,148	57,345
Charge to income statement for the year	2,972	7,803
At 31 March	68,120	65,148

At the balance sheet date, the company has unused tax losses of HK\$1,462,803 (2009:HK\$1,313,415) available for offset against future profits. No deferred tax asset has been recognised due to unpredictability of future profit streams.

7. SHARE CAPITAL

	2009 HK\$	2009 HK\$
