PRESIDENT'S MESSAGE (DR. RUBY S. Y. LEE)

This is our second paperless annual report.

This year, the Specialty Board under Dr. Wendy Tsui and her board members have developed changes in the Clinical Audit and Consultation Skill Assessment segments of the Exit Examination. Trainees can submit either a clinical audit or a research paper this year. The purpose is to encourage our future fellows to develop skills and interest in research. The on-site Consultation Skill Assessment has also been changed into video-tape assessment. The change aims for better assessment of the actual daily practice of candidates.

This is the 26th year of our Conjoint Fellowship Examination with the Royal Australia College of General Practitioners. I would like to thank the RACGP for the continued advice and support. I would also like to congratulate the Board of Conjoint Examination under Dr. Peter Chan and his board members to have run the Examination flawlessly with their hard work, experience and wisdom. On the day of the OSCE Examination, examiners, candidates and staff worked together as a team whole-heartedly to this very important event which allows no mistake.

The Board of Education led by Dr. Mary Kwong and her board members has organized a great number of educational activities with good varieties. Thank you for their excellent work which represented the good tradition of our College.

The Board of Diploma in Family Medicine (DFM) under Dr. Simon Au and his board members have worked hard not only to provide an intermediate step to fellowship qualifications in Family Medicine so as improve standards and quality in the practice of Family Medicine. With the support from the Macau Health Bureau, our DFM course has a record high number of students this year. I would like to express my most sincere gratitude to the DFM team for their hard work and the Macau Health Bureau for their support and promotion of Family Medicine.

The new Board of Professional Development and Services (BPDS), was established to organize and develop educational activities for medical and health professionals outside Hong Kong in relation to family medicine as well as liaise and coordinate with other boards of the College for activities of the Board. Dr. Lau Ho Lim, Deputy Chairman of the Board and the board members have worked hard to organize and provide educational activities for colleagues in various parts of China.

There is evidence that countries with more trained generalist family doctors are more likely to have better health outcomes, lower costs and greater satisfaction. Not only will financial resources be saved but also effective efficient use of high technology. Primary health care is the best route to universal access, the best way to ensure sustainable improvements in health outcomes, and the best guarantee that access to care will be fair. Prof. Chen Zhu, Minister of Health, and his delegates visited us this year to discuss the development of primary care in China. We were also visited by the Department of Health of Guangdong Province led by the Deputy Director Mr. Geng Qingshan and his delegates to explore the possibility of organizing training programme in some selected cities in Guangdong. The growing demand for our Family Medicine education indicated an increasing emphasis on Family Medicine in our country. With increasing common values among us, we should strive to improve the status of Family Medicine to thrive together.

The Public Education Committee led by Dr. Ngan Po Lun and his committee members have continued to deliver health education to the public through various channels including regular publications in various newspapers. Dr. Ngan has also led publicity campaign to promote the concept of family doctor in collaboration with Primary Care Office of Department of Health.

The 2nd Hong Kong Primary Care Conference (HKPCC) was successfully held on June 2-3, 2012 with the theme “United We Care – Forging Partnerships in Health”. There were newly added events and awards including “Best Programme Book Cover Page Design”, “Best Clinical Case Presentation” and team with the “Largest Fans Club”. The HKPCC 2012 has actualized its role as a fertile platform for all primary healthcare providers to share latest scientific updates, exchange views and promote networking opportunities among the primary care communities.

I am most delighted to find that many of our trainees are interested in research. Primary care is now a WHO priority with tremendous potential in research and publications. Besides our unique experience in health care, we are also part of China, a nation with an important role in world's health with emerging primary care. Hong Kong is also part of Southeast Asia, a global microsome with huge diversity. Primary care research can provide answers to many common clinical questions. The Research Committee under Prof. Samuel Wong and his committee members will continue to promote primary care research.

The Editorial Board under Prof. Samuel Wong and his board members, and the FP Links Committee under the Chairlady Dr. Wendy Tsui and the Chief Editor Dr. Catherine Ng have worked hard to enable the quarterly publications of our journal the Hong Kong Practitioners and the monthly publications of our FP Links respectively.

The hard work of our secretarial staff led by Ms. Erica So, External Affairs Committee under Dr. Gene Tsoi, Business Manager Dr. Mary Kwong, House Management, Quality Assurance & Accreditation Committee under Dr. Billy Chiu, Finance Committee under Dr. Quincy Yuen, Council Member on Duty System under Dr. Tony Lee, Web & Computer Committee under Dr. Mark Chan, and Internal Affairs Committee under Dr. David Chao, Membership Committee under Dr. Cheung Man Kuen has enabled the daily operation of our College.

Many council members have also contributed through representation of our College in various professional committees including Dr. Angus Chan in the Education Committee of the Hong Kong Academy of Medicine, CAG of Hong Kong Reference Framework for Preventive Care for Children in Primary Care Settings; Dr. Gene Tsoi in three Task Forces on Conceptual Model and Preventive Protocols, Primary Care Directory, Task Force on Primary Care, and Delivery Models, Working Group on Primary Care, WONCA International Classification Committee; Dr. Peter Chan in Working Group on Alcohol and Health, Steering Committee on Prevention and Control of Non-communicable Diseases; Dr. Lau Ho Lim in Task Force on Hong Kong Code of Marketing of Breastmilk Substitutes, Self Learning Kit on Breastfeeding for Medical Professionals, Project Planning Committee, CAG of Hong Kong Reference Framework for Preventive Care for Older Adults in Primary Care Settings, and University of Hong Kong Health Services Committee; Dr. Billy Chiu in Subgroup on Professional Development for Primary Care Directory Enrolled Doctors and Dentists; Dr. Tony Lee in Working Group for Revision of Teaching Kit for the Exercise Prescription Project; Dr. David Chao in the Scientific Committee of Hong Kong International Cancer Congress; Dr. Mary Kwong in the Resuscitation Council of Hong Kong, etc.

This year we have Professor Sum-ping Lee, Dean of the Li Ka Shing Faculty of Medicine, The University of Hong Kong, as our Sun Yat Sen Orator on 3rd June 2012. Professor Lee examined the direction and the future of healthcare in Hong Kong, in view of the phenomenal speed of technological advances in Medicine, cost-effectiveness of newer interventions, increasing expectations from the public and fragmentation of healthcare services. When summarizing his speech, Professor Lee concluded that “Family Medicine must rise to the call, step up to the plate and play the role of the hero in Hong Kong’s healthcare reform. We must educate both the public and the medical profession, and bring to focus our disparate and fragmented way of providing care to focus. Family Medicine must position itself to be the foundation of healthcare delivery and healthcare reform in Hong Kong. It must foster a better doctor-patient relationship with the sick; and doctor-doctor relationship within the medical profession. To do so, the College is in a unique position to educate and to generate primary data on healthcare needs and

outcomes. The College is also well situated to co-ordinate with academic institutions, government and non-government institutions. This would result in original scientific information from which will mould our own healthcare policy. This would be, in this diverse and metastable milieu, a guiding light for our social transformation. With that vision in mind, the direction and future of healthcare in Hong Kong is positive and bright.”

Last but not least, I must thank my Chief Censor Prof. Cindy L. K. Lam, Censors Dr. Stephen K. S. Foo and Prof. Donald K. T. Li, and Immediate Past President Dr. Gene Tsoi for their valuable advice and guidance; my Executives Drs. Angus Chan, Lau Ho Lim, Billy Chiu, Quincy Yuen, and all council members who shared a lot of the duties and assignments. I have to thank all the secretariat staffs under Ms. Erica So for their dedication and hard work.

HONORARY SECRETARY'S MESSAGE (DR. BILLY C. F. CHIU)

It is my first year as the Honorary Secretary of the College. I am glad to take up this crucial duty as nominated by Ms. President Dr. Ruby Lee.

The College's membership grows steadily, now reaching 1600, with the number of College Fellows going up to 621. The total number of basic trainees and higher trainees are 141 and 71 respectively; amongst them are 37 newly enrolled trainees in Basic Training, and 25 in Higher Training. The Board of Vocational Training and Standards has planned to revise the training programme to meet the changing needs.

The 25th Conjoint HKCFP/RACGP fellowship examination was carried out smoothly, with 47 candidates sat for the Written Segments and 45 candidates sat for the Clinical Segments. For the Exit Examination (Supplementary) 2011 held in March, there were 39 candidates, and there were 66 candidates sat for the Exit Examination (Full) 2012 in September.

In the 25th Fellowship Conferment Ceremony held in June 2012, there were 26 members conferred for Fellowships of our College and 22 members conferred for Fellowships of the Royal Australian College of General Practitioners (RACGP), and 42 members awarded the Certificate of Exit Examination.

The DFM course entered her ninth year in 2012. 7 candidates completed the Course and 21 candidates enrolled into the Course. Meanwhile, it is a meaningful year to the DFM Board, as the Board has successfully introduced the Course to the Health Department of Macau. The response was encouraging and rewarding after the introductory session.

The Board of Professional Development and Services (BPDS) was invited by Beijing medical group and Macau Health Bureau to tailor-made some short courses in relation to Family Medicine. We received very positive feedback afterwards.

The 2nd Hong Kong Primary Care Conference was successfully held on 2 & 3 June at Academy Building with the theme "United We Care : Forging Partnerships in Health" which focused on strengthening collaborations among health care professionals across different sectors to enhance primary care provision to the Community. The conference had an overwhelming response which is more than 400 attendances.

In order to promote primary health care, on 19th May 2012, in the World Family Doctor Day this year, the Primary Care Office of the Department of Health, together with the Education Bureau and our Public Education Committee, had organized a themed competition entitled "Primary Care – Family Doctor as Your Health Partner" aiming to raise awareness on the importance of Primary Care and the Family Doctor concept with the general public.

Internationally, the College had organized a delegation with 34 members to participate the conference of the WONCA Asia Pacific Region 2012 in Jeju South Korea from 24 -27 May. 14 delegates had submitted and got approved to deliver their presentations in conference.

Prof. Donald Li, our Censor and Past President, was awarded the Silver Bauhinia Star on 1st July 2011 for his Distinguished Public Service, and contribution to the Medical Profession and to the Development of Community based care in Hong Kong. It is indeed an honor of the College to have Prof. Donald Li leading the profession in the new directions toward to all challenges.

My heartiest congratulations to Professor Cindy Lam and her team in the establishment of the first independent Department of Family medicine and Primary Care in Hong Kong since 26th November 2012. As the first Head of the Department, she has been awarded a new Endowed Professorship entitled "Danny D B HO Professorship in Family Medicine" by the University of Hong Kong, which is also the first local medical graduate to become professor of Family Medicine in Hong Kong

There is a plenty of fumbling in the years to come, I am learning day by day and still on the way to figure out my duties and missions. I hope to work with every of you to offer our effort to strengthen the communication among this family, facilitate the professional development of the members of the family and assist to promote the spirit comes from this family.

Last but not least, the smooth running of our college depends on numerous diligent member and staff of college. I would like to thank the dedicated Secretariat team and in particular the Executive Manager, Ms. Erica So, for their hard work all through.

THE EXAMINATION

The format of the 25th Conjoint Examination 2011 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our Case Writers and all our examiners.

Workshops for Examiners

- 1st Examiner Training Workshop for OSCE
- 2nd Examiner Training Workshop for OSCE

3 July 2011
(Sunday)

14 August 2011
(Sunday)

- Workshop on Standard Setting for KFP exam paper 18 September 2011 (Sunday)
- Workshops on Standard Setting for MCQ exam paper 25 & 26 September 2011 (Sunday & Monday)
- KFP Marking Sessions 23, 24 & 25 September 2011 (Friday, Saturday & Sunday)
- Case-writing Group Meetings for OSCE 15 April and July - August 2011
- 3rd Examiner Training Workshop and On-site Examiners' Rehearsal for OSCE 16 October 2011 (Sunday)

Candidates Information Seminar

An information seminar for candidates sitting the clinical segment was organized on 26 June 2011. 25 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them better prepare for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

The Conjoint Fellowship Examination

Written Segments:

KFP	18 September 2011 (Sunday)	HKAM Jockey Club Building
MCQ	25 September 2011 (Sunday)	HKAM Jockey Club Building

Clinical Segment:

OSCE	30 October 2011 (Sunday)	Princess Margaret Hospital
------	--------------------------	----------------------------

External Examiners from RACGP

Dr. Jennie Kendrick (Censor-in-Chief) and Dr. Chris Hughes (Censor) were the visiting External Examiners from RACGP this year for the OSCE Examination on 30 October 2011.

Number of candidates

There were altogether a total of 83 candidates sitting for this year's examination, with 71 and 12 candidates of Category I and Category II respectively.

47 candidates sat for the Written Segments (37 Cat I and 10 Cat II candidates), while 45 candidates sat for the Clinical Examination (43 Cat I and 2 Cat II candidates).

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Group, consisting of Examiners, led by our Chief Examiner, to be responsible for all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to the minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).
5. Sharing cases with RACGP to widen our exam case bank.
6. Presentation of OSCE exam materials to examiners only on the day of exam.
7. Continual appeal to the professional integrity of all involved in running the exam.
8. Proper "quarantine" of candidates of the morning and afternoon sessions respectively on the days of exam.
9. Forbiddance of use of any electronic devices by candidate inside exam venue.
10. Prompt data entry of candidates' scores on the same day of exam.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experience examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiners in our two Cantonese speaking stations, instant translation (in writing) had been arranged this year.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

CHAIRMAN'S MESSAGE

The DFM course entered her ninth year in 2011. This was another fruitful year as seven candidates fulfilled all the requirements of DFM Course and passed all the assessments and the Final Examination in 2012. The Board praised the candidates for their effort and devotion in acquiring new knowledge and skill in Family Medicine and congratulated them on their wonderful achievement.

This year has been a very meaningful year to the DFM board. Our Board completed her first Family Medicine Training programme for the doctors of Health Department of Macao. The students and teachers found this learning experience enjoyable and valuable.

Our board also marked an important milestone of the College. The DFM Board launched her first DFM promotion programme in Macao with the support of Health Department of Macao. The response from Macao was impressive because more than two hundred Macao doctors attended in our promotion seminar. On behalf of the College and the Board, I would like to express our deepest appreciation to the Health Department of Macao and Dr Wun Yuk Tsan, without their advice and support, the Macao DFM programme would not be achievable and successful.

Lastly, I would like to take this opportunity to thank Professor Lam Tai Pong for being our External Examiner in keep our examination standard and his generous donation to the Board over the years. I wished to thank Professor Cindy Lam, Professor Donald Li, Dr. Stephen Foo and our President, Dr. Ruby Lee for their continuous advice and guidance, Dr. Chan Chi Wai for being our Chairman of assessment and examination subcommittee in organizing a very successful examination, and all the hardworking Board members, teachers, examiners, and mentors for their unfailing support and selfless contribution. I also wished to thank our secretarial staff Ms. Winnie Lee who resigned last year and Mr. John Lee for their diligent work.

Mentors List (2011 – 2012)

CHAIRLADY'S MESSAGE

During the year 2011-2012, the Board, similar to previous years, has organized the following educational activities for our College members. All the CME and CPD programmes have been running smoothly and accredited.

Video-Library and Video-Viewing Session

For the period of 2011-2012 we arranged 11 video sessions in our Wanchai College premises on a monthly basis. Video viewing session and Video Library have been practiced since July 2005. The viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon, Evening CME activities and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point, HKCFP or MCHK, is accredited to one who attends the viewing session. Up to a maximum of 2 CPD points may be accredited to one who submits a satisfactory report of Professional Development Log. It is encouraging that the number of attendance is increasing. The topics of the 11 sessions presented were:

- Fibromyalgia: Myths & Facts
- Managing BPH in Primary Care Practice
- Update on Management of GERD & H. P. Eradication
- A Tour on Current Glaucoma: Diagnosis & Management
- Common Diseases in Ophthalmology: Cataract
- Sports Medicine, Sport Science: Current Practice
- New Era in Managing Anxiety Disorder
- Genital Lesions: Sexually Transmitted or not?
- Understanding Fat: Good VS Bad
- Therapeutic Strategies to Prevent Diabetic Nephropathy: The ROADMAP Study
- Child Bearing Age Women with Mood Disorder
- Menopausal Transition Mood Issues
- Lung Cancer: Towards Earlier Diagnosis & Updates on Treatment
- Common Urological Symptoms & their Management in Substance Abuse

The Board would like to take the opportunity to thank Dr. Mo Kam Chuen and Dr. Cheung Ying Man in running the monthly video session very smoothly and especially Dr. Cheung's effort in producing the high quality video giving the participants the feeling of attending the luncheon meeting.

Small Discussion Group

It is good news that the number of Small Discussion Groups has increased to 141. Participant members will gain 1 CME point and the speaker will gain an extra 1 CPD point. Members who are actively participating in writing up local management protocols of common diseases can also earn extra CPD points. Well-written synopses will be published in our College Journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups. However, synopses not up to standard are requested to be re-written again.

The Board would like to take the opportunity to thank Dr. Tong Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

Cardiopulmonary Resuscitation (CPR) Training

The Board would like to thank the Hong Kong College of Cardiology, especially Dr. Cheng Chun Ho and Dr. Pun Chiu On for their continuous support. Our CPR training workshops and examinations were running successfully and the Instructor workshops for up-keeping standards and recruiting new instructors were well organized. We held two CPR training workshops in 2011-2012. We have 62 members who passed the CPR Examination and were awarded the Certificate of Competency CPR in Basic Life Support this year.

The Board would like to express our sincere thanks to Dr. David S. L. Chan and Dr. Wong Pak Hoi in co-ordinating and Dr. Au-yeung Shiu Hing, Dr. Patrick H. W. Chan, Dr. Cheung Ying Man, Dr. Chow Shun Wai, Dr. Hui Lai Chi, Dr. Winson W. Y. Hung, Dr. Kong Che Wan, Dr. Kwan Man Woo, Dr. Michael C. H. Kwok, Dr. Lau Tai Wai, Dr. Daniel C. Y. Leung, Dr. Danny P. K. Ma, Dr. So Siu Hei, Dr. David T. W. Sung, Dr. Dorothy K. Y. To, Dr. Keith K. K. Tse and Dr. Wong Ka Wah for being the examiners.

Clinical Attachment

Being the Chairlady, I am glad that we have two clinical attachments this year with the support from our hospital colleagues.

Diabetes - United Christian Hospital
ENT - Division of Otorhinolaryngology, Department of Surgery, CUHK

The Board would like to express our sincere thanks to Dr. Tsang Man Wo, Dr. Grace Kam, Professor C. A. van Hasselt, Professor Michael Tong, Dr. John Woo, and the staffs of their departments for organizing our clinical attachments. The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

Assessment Enhancement Course

Assessment Enhancement Course remained the most welcome course in her 12th year of establishment. I would like to thank all the tutors in donating their time and effort in this course. They help tremendously in upgrading the standard of participating doctors on family medicine in the consultation skills, physical examination and other various aspects. These are very useful to our members in preparing the Conjoint Fellowship Examination.

The Board would like to express our sincere thanks to Dr. Janet C. Y. Tam in co-ordinating and all tutors as follows: Dr. Angela S. Y. Chan, Dr. Che Ka Seng, Dr. Chu Lai Shan, Dr. Fok Peter Anthony, Dr. Ho Ka Ming, Dr. Susanna L. L. Hung, Dr. Ip Yan Yan, Dr. Lai Sheung Siu, Dr. Lee Chik Pui, Dr. Peter K. Y. Lee, Dr. Allen H. Y. Ngai, Dr. Pon Wai Pi, Dr. Sin Ka Ling, Dr. Tam Ho Shan, Dr. Tam Wah Kit, Dr. Yau Kin Chung and Dr. Yeung Wai Man.

Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 31 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 210 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in year 2012.

The Board videotaped the Updates and lectures, which are kept in our video library for video viewing sessions and for members' access through the secretariat at Wanchai. Those members, who cannot attend the lectures that they are interested in, can re-visit through seeing the videotape in our Wanchai premise. Our College plans to upload these lectures and Updates on to the website for Board of Education so that members could access at home.

The Board would like to thank all those members for giving us comments or returning evaluation forms after attending the lectures or Updates. Their valuable comments would enable the Board to arrange lectures to meet the learning needs of our members in the future. Again, members are encouraged to submit their CPD logs of these lectures and Updates to gain additional CPD points.

Professional Development Subcommittee

Since 2005, six Interest Groups have been formed under this Subcommittee: namely Clinical Family Medicine, Dermatology, Chronic Disease and Geriatrics, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, and Neuro-Musculoskeletal.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

Since 2008, Board of Education has been planning to arrange some structural training courses under Professional Development Subcommittee for our members, especially on the aspects that are important in our discipline and yet seldom touched in our training. Without doubt, Practice Management is an essential part of a good general practice. Training Course on Practice Management, arranged under the Interest Group of Medico-legal Alert is the first one to start off and is overwhelming welcomed. Research on Family Medicine is rather deficit in our discipline and the Training Course on Research & Biostatistics for Medical Professionals under the Interest Group of Clinical Family Medicine has been arranged and highly supported by the higher trainees.

Counseling is a professional relationship that empowers diverse individuals, families, and groups to accomplish mental health, wellness, education, and career goals. Counseling skills are important in daily management of our patients on the aspects of health education, such as life style modification. Counseling is one of the effective means for developing human potential. Training Course on Counseling under the Interest Group in Clinical Family Medicine is under arrangement also.

Interpractice Visit

Interpractice visit is a mean of continuous medical education through practice visits by peer group. Participants may share their experience and improve their skills on clinic and practice management, thereby achieving a high standard of service. The details were published in the College Journal since May 1998.

Community Education Programmes

I would like to thank the following hospitals, societies and associations in helping our Board in organizing the various Community Education Programmes:

- Hong Kong Medical Association
- Our Lady of Maryknoll Hospital, Kowloon West Cluster, Hospital Authority
- Professional Development & Quality Assurance, Department of Health
- United Christian Hospital, Kowloon East & Kowloon West Cluster, Hospital Authority

College members were welcomed to attend these programmes and CME points were accredited.

Structured Education Programme

The Structured Educational Programme (SEP) is the mandatory training programme in basic training. It's divided into 14 module and trainees should be attended at least 15 hrs for each module. It is opened to all College members and will be awarded CME credit points when attending the programme. I would like to thank the following hospitals in organizing the various Structured Education Programmes for our College members:

- Tuen Mun Hospital
- Pamela Youde Nethersole Eastern Hospital
- Tsan Yuk Hospital
- Prince of Wales Hospital
- United Christian Hospital
- Tseung Kwan O Hospital

Self-Assessment Correspondent Programme

MCQ papers

MCQ papers were sent out quarterly with our College Journal. Members will only be accredited if over 50% of the answers are correct and will be awarded maximum 12 CME credit points per year.

Acknowledgement

Stepping into the eighth year of chairperson of the Board of Education, I would like to take this opportunity to express my most sincere thanks to all members of the Board of Education for their unlimited support and contributions in serving the College. We have a capable and supportive team to back me up in organizing the various types of educational activities for our College members. I am indebted to them, and our secretarial staffs, Mr. John Lee and Ms. Yvonne Lam for their enormous support. I would also like to take this opportunity to thank all sister Colleges, Universities, Hospital Authority, Department of Health for their support in our various educational activities. We are also thankful to the various pharmaceutical companies who generously sponsored many of our functions.

CHAIRMAN'S MESSAGE

The year has passed smoothly in the running of the Board's regular activities. All Board members and subcommittee members have to share the responsibilities of BVTs such as checking new applications for enrollment and accreditation, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees, travelling to various training centers for accreditation, reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting etc. All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31st March 2012 are as follows :

New enrolled Basic trainees	:	37
New enrolled Higher trainees	:	27
Total Basic trainees	:	112
Total Higher trainees	:	76

This year we have sponsored 2 trainees to attend the WONCA APR in Jeju in May. They have participated together with our College delegates at the conference and submitted a written post-meeting report to the Board. One of them has been accepted to give an oral presentation at the conference. I would hope they have learnt and enjoyed the experience. It would also serve as good example and motivate the other trainees to involve in the similar activities.

Our basic training programme to be recredited by RACGP. It was done on 29th and 30th of October 2012. The representatives from RACGP, Dr. Jennie Kendrick and Dr. Chris Hughes, were invited to visit our training centers in Outpatient Clinic at Hong Kong Sanatorium Hospital, GOPC at Fanling, Tin Shiu Wai Community Health Center and Caritas Medical Center.

I welcome Dr. Chong Man Yuk to join BVTS as board member. His participation is definitely valuable to our Board. I also welcome all other new members to join the various subcommittees of the Board. On the other hand, I would like to express my gratitude to our past Secretary, Miss Kelly Leung, who left the college since February this year. Our secretaries Carmen and Brian are all committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster co-ordinators for their contributions in the training programme.

Output

Congratulations to our trainees for passing the **HKCFP/RACGP** Conjoint Examination in 2011 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

CHAIRMAN'S MESSAGE

This year, we continued our quarterly publications of the Hong Kong Practitioner with 26 manuscripts published over the year. Among the published manuscripts, 50% were original research articles and 6% were update article. The rest were editorials (25%) and case reports (19%).

For the Hong Kong Practitioner, we continued the effort to provide relevant clinical updates and case reports for busy family physicians and put together articles with more related topics in each issue.

We hope that our journal will continue to provide up-to-date knowledge that is relevant to the practice of family medicine and hope that our readers will continue to show their support.

Dr. Chung Kin Wing	Dr. Leung Wai Man	Dr. Young Suk Ching
Dr. Fung Pak Kei	Dr. Leung Wing Kit	

The Board had organized Pre-Exit Examination Training Workshops and Feedback Sessions after the Examination for candidates. Standardization Workshops for examiners were also held to maintain the standards of the assessment.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 45 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

This year is yet another prosperous year for the College. Besides arranging a variety of CME Lectures, we are in the progress of organizing a few different activities such as Counseling Training Course, Practice management Training Course, Biostatistics and statistics Training Course. The regular bi-monthly activities from Dermatology Interest Group and Mental Health Interest Group are most welcome by our members. Assessment Enhancement Course has been extended to include Written Enhancement Training Course and Post AEC Training Group. In addition to the current activities above, we are also preparing for many upcoming events such as, Neuro-musculoskeletal and Medico-legal Alert Interest Groups, The Hong Kong Primary Care Conference, Diabetes Clinical Attachment, ENT Clinical Attachment, Annual Refresher Course, Medical Updates, and other educational luncheon scientific meetings etc. These valuable activities, some are generously sponsored by the pharmaceutical companies, can effectively enhance and update a board range of medical knowledge for our members.

We are glad that our College is one of the founding members of the Resuscitation Council of Hong Kong, which was inaugurated on 26 May 2012. Besides holding CPR Training Workshop and Examination for our members, we will help to promote CPR and the image of Family Doctors to the community

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The Family Physicians Links is becoming more popular. The demand for the College's bulk e-mail mailing and circulating services from members and other institutions has likewise increased.

We had a memorable evening of 34th Anniversary Dinner held on 17th December, 2011 at Regal Hong Kong Hotel and shared our joy with all our members and invited guests together. We had the dinner lucky draw that night and I would like to take this opportunity to thank our College members, Holiday Inn Golden Mile Hong Kong, Eaton Smart Hong Kong, and Lundbeck Hong Kong for their generous donation of the lucky draw prizes.

On behalf of the College, I would also like to express my gratitude to all the following companies for their generous support for the College's functions in the past one year:

Bayer HealthCare Ltd
Boehringer Ingelheim Hong Kong Ltd
Galderma Hong Kong Limited
GlaxoSmithKline Limited
Lundbeck Hong Kong
Merck Sharp & Dohme (Asia) Ltd
Pfizer Corporation Hong Kong Ltd
Sanofi-aventis Hong Kong Limited
Servier Hong Kong Ltd
Stiefel, a GSK Company
Takeda Pharmaceuticals Taiwan, Ltd (Hong Kong Branch)
旅港順德綿遠堂

Being the Business Manager for the past six years, I have found that this is a challenging post involving facing the commercial environment in Hong Kong with ever growing competition. In upholding the principle of being ethical and keeping our standards high, a number of bulk emails, circulations and advertisements, and promotion of products or descriptions without confirmation by evidence based medicine, have been turned down. Nevertheless, I am pleased that we can still maintain a good relationship with various sponsors, pharmaceutical companies and the press. With their support and good reputation of HKCFP, we hope to secure more sponsorship for our College events in the coming years.

COUNCIL MEMBER-ON-DUTY (CMOD) SYSTEM

Coordinator : Dr. Tony C.K. Lee

Staff : Ms. Erica M. So (Executive Manager)
Ms. Teresa D. F. Liu (Senior Administrative Executive)

From April 2011 to March 2012, we have received 3 enquiries from our members concerning matter related to examination, training and other aspects. The enquiries were handled immediately and directed to the respective Boards for any necessary follow-up actions. The CMOD remained as an important and effective communication between the Council and the members.

I would like to express my sincere gratitude to all Council members who act as on-duty members in the roster in answering enquiries and giving their invaluable advice. I would also like to thank the secretarial staff for their hardwork.

Summary of CMOD Cases (April 2011 to March 2012)

Area of Enquiries	Case Number	Action Taken by CMOD	Board / Committee involved
Enquiry about the eligibility for sitting the Conjoint Examination.	01/2011	(Replied by email) CMOD clarified the eligibility for sitting the Conjoint Examination and advised the enquirer to contact the Board of Conjoint Examination (BCE) for further enquiry.	BCE
Enquiry about the eligibility to enroll into the vocational training programme.	02/2011	(Replied by email) The enquiry has been forwarded to the Board of Vocational Training and Standards (BVTS) for follow-up.	BVTS
Enquiry about the removal from the list of healthcare service providers by the Department of Health (DH).	01/2012	(Replied by phone) As the removal from the list is related to the decision of DH, CMOD advised the enquirer to contact DH directly for follow-up.	Nil

EDUCATION COMMITTEE (AM AFFAIRS)

Coordinator : Dr. Angus M. W. Chan

Staff : Ms. Erica M. So (Executive Manager)

CME/CPD Remedial Updates for Cycle 2008-10

The College had submitted the list of Fellows for CME/CPD Remedial Updates for Cycle 2008-10, all of them were fulfilled the remedial requirements.

CME/CPD for 2014-16

Section 6.7 (Undergraduate & Postgraduate Teaching)

In responded to the draft of CME/CPD for 2014-16, the College Council proposed to EC to accept "Undergraduate and Postgraduate Teaching" as a form of CME/CPD with capping of 5 points per year. EC agreed that teaching involved a lot of preparatory work which could be of educational value, and it could be an incentive to attract more non-teaching Fellows to participate in teaching. Fellows were advised to maintain a balanced CME/CPD profile with a mix of different activities; and capping teaching at 5 points per cycle would seem more appropriate.

List of Recognized Overseas Qualifications

These lists were approved by EC, and are being used by Membership Committee for vetting Fellowship nominations when a nominee holds other intermediate qualifications rather than sitting the Colleges' own intermediate examinations. Intermediate examinations of HKAM Colleges need not be included in the lists, as they are recognized by default. Colleges were requested to update their lists if necessary.

Legal Advice on Issues Relating to Termination of Fellowship Due to Professional Misconduct

Continued the discussion in last year, the second legal advice in this regard was sought. After discussion, it was agreed that the following approach could be adopted:

- i) Each College should set up a panel to consider reinstatement applications from ex-Fellows who have been removed due to professional misconduct;
- ii) Such applications would be considered case by case;
- iii) The mechanism and procedures for processing these applications should be spelt out clearly.

Procedures Requiring Skills Acquired by Post-Fellowship Training/Experience

EC agreed last year that colleges would come up with a list of high-risk procedures (ranked by importance) and submit it to EC. EC would discuss the submitted lists and consider if certain guidelines could be developed.

This year EC agreed that the term "Procedures requiring skills acquired by post-Fellowship training/experience" might be more appropriate. It would cover "high-risk procedures" which would be defined as "Procedures that have been reported to be at high risk of causing major complications such as death or permanent loss of vital bodily functions".

The External Affairs Committee has been involved with current local health issues in relation to our specialty and primary care. Requests from local media via telephone interviews, articles in newspaper, radio and TV broadcasting programmes were organized from time to time with the support of our members and fellows.

Official meetings with Health Ministries from provincial and central government in Mainland China were held with College President, Executives and WONCA APR Regional President Prof. Donald Li. This is very important for the exchange of experience in medical education, vocational training as well as the ongoing healthcare reform in both sides.

Our President has attended regional WONCA conference in Jeju with a group of College delegates. We have also attended the International Primary Care Reform Conference in Brisbane together with colleagues from the Primary Care Office Hong Kong SAR.

Once again I must thank all those who have contributed in the various activities under the External Affairs Committee and to the Secretariat for the liaison work.

Our financial situation in Year 2011 - 2012 remains as stable and healthy as before. We manage our assets with prudent, careful and conservative strategy. There is currently a positive balance of over HK\$13 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. Only about 14% of our portfolio is in equity shares which were mostly purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr. Ruby Lee, our President, Dr. Lau Ho Lim, our Vice President (General Affairs), Dr. Angus Chan, our Vice President (Education and Examinations), Dr. Billy C. F. Chiu, our Honorary Secretary, Ms. Erica So, our Executive Manager, and Ms. Angel Cheung, our Accounts Executive, for their continuous advice, support and service. I would also like to thank Mr. C. CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College.

The founding Editorial Board started off with three members under Dr. John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 20 members coming from different sectors: public and private; universities and different clusters of Hospital Authority. Sharing the passion for our discipline of Family Medicine, We work as a cohesive team to promote its development. Our contents are strongly diversified, from photo gallery of college events, to latest health care related news, and inspiring articles of life wisdom.

CHAIRLADY'S MESSAGE

The 2nd Hong Kong Primary Care Conference (HKPCC) was successfully held on June 2-3, 2012 with the theme "United We Care – Forging Partnerships in Health". The 2-day programme featured an exciting blend of 4 plenary sessions, 4 workshops, 2 seminars, 2 symposia, a free paper presentation and other newly added events. Several awards including "Best Research Paper", "Best Programme Book Cover Page Design", "Best Clinical Case Presentation" and team with "Largest Fans Club" were presented to the respective winners. The HKPCC 2012 has actualized its role as a fertile platform for health care providers including family physicians, nurses, physiotherapists, occupational therapists and optometrists, to share latest scientific updates, exchange views and promote networking opportunities among the primary care communities.

The current membership of HKCFP is as follows: - (as in June 2012)

Fellows*	627 (HKAM Fellows: 347)
Full Members	226
Associate Members	638
<u>Others **</u>	<u>41</u>
Total:	1532

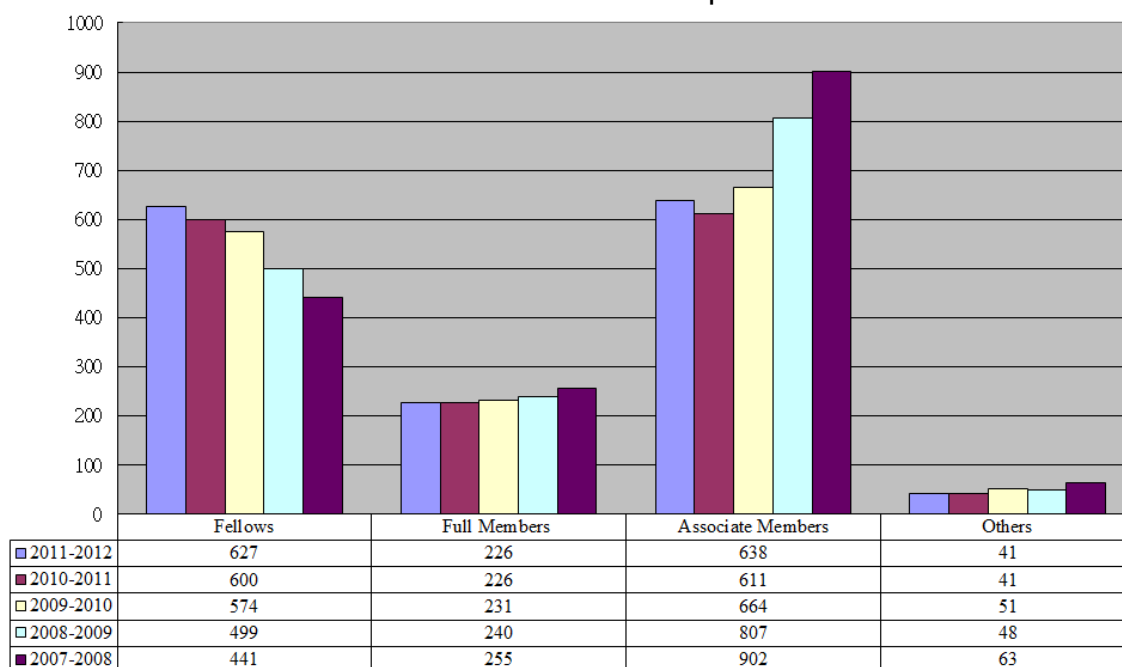

* Fellows include Fellows, Foundation Fellows, Hon. Fellows and Non-HKSAR Fellows.

** Others include Non-HKSAR Members, Student Members and Affiliate Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care.

We recommend and implement policies, procedures and initiatives to promote a healthy growth of membership at HKCFP. We expect to see a constant growth in membership with increase in proportion of fellowship.

The Professional Performance Committee is established to provide advice on professional performance to medical doctors who require peer review, supervision or audit.

Objectives:

1. To provide professional advice from the view point of family medicine.
2. To assist medical practitioners to meet the standard of professional performance.
3. To enhance the standard of the professional performance by peer supervision
4. To co-ordinate and appoint professional performance supervisors to provide professional advice upon application from individual medical doctor.
5. To co-ordinate clinic audit on professional performance upon request from individual medical doctor.
6. To maintain the accountability of professional advice by regular review of the current regulations and standards.

Individual doctor can approach our College to seek assistance to supervise and to audit his / her practice standard under the instruction of the Medical Council of Hong Kong. In 2011, there is no doctor seeking our advice on professional performance.

I would like to thank our College Secretariat for their constant support.

This year, the Public Education Committee continued to carry out public education activities through different channels. We had organized a Flu Vaccination Programme with the sponsorship from Sanofi Hong Kong. In the programme we had carried out a survey on influenza vaccination programme in Hong Kong (from September to December 2011), published 8 educational articles in newspapers and 1 media conference on 19th October 2011 to promoting the prevention of influenza. In 2012 PCO had invited our College to co-organize the Themed Competition on "Primary Care - Family Doctor as Your Health Partner". Our Committee had held a forum named 「那些年，我們一起看過的家庭醫生」 at Citywalk, Tsuen Wan after the Themed Competition Award Presentation Ceremony for promoting the family doctor concept on 19th May 2012 the World Family Doctor Day..

The Media Column Subgroup published articles regularly in Hong Kong Economic Journal (信報), Ming Pao / Ming Pao Weekly (明報週刊) and We Care Magazine (關心). The published articles amounted to 323 for Hong Kong Economic Journal, 70 for Ming Pao / Ming Pao Weekly and 35 for We Care Magazine till July 2012.

Public education events were listed at the end of this report. I would like to thank all those who had offered their assistance in the past year and our excellent administrative support from the secretaries, Ms.Carmen Cheng, Mr. Marco Cheng and Ms. Priscilla Li.

The Quality Assurance and Accreditation Committee aims to promote doctors' participation in effective and efficient quality assurance programmes and to demonstrate their accountability to the community by documenting their participation in our Quality Assurance (QA) programme. Our QA Programme is open to all registered doctors in Hong Kong and is reciprocally recognized by The Royal Australian College of General Practitioners (RACGP). Accreditation will be recorded throughout the years in the form of "credit points" according to our regulations for award of Certificate of Quality Assurance.

All Hong Kong Academy of Medicine (HKAM) fellows in Family Medicine are required, in addition, to observe criteria laid down by HKAM. The HKAM has revised their Principles and Guidelines on Continuing Medical Education (CME) and Continuous Professional Development (CPD). Starting from 1 January 2008, no more than 75 points of the minimum CME/CPD requirement of 90 points can be awarded for passive participation in a 3-year cycle.

For doctors taking the Medical Council Continuing Medical Education Programme for practising doctors who are not taking CME programme for specialists (MCHK CME) Programme, documentation of their participation in the MCHK CME Programme will be managed by HKAM, the administrator appointed by Medical Council of Hong Kong (MCHK) from 1 September 2008 while we will continue the documentation for their HKCFP QA Programme.

Starting from Year 2009, our CME / CPD credit point reports have gone paperless and members can check their updated reports in the College Website.

The list of the fellows, members who have obtained the CME certificate 2011 were listed below. I would like to take this opportunity to thank all the committee members for their contribution and unflinching support.

Seven submissions had been received for the Best Research Award 2011 and the selection panel consisted of two internal assessors and one external assessor. The winning paper was "Study on the Cancer Risk Perception and Prevention Behaviours Among Relatives of Advanced Cancer Patients and the Role of Family Physicians in Caring for Them" by Dr. Yau Lai Mo.

The 2012 HKCFP Research Fellowship have received nine applications this year, all of good quality. The selection panel which consisted of two internal and one external assessors has selected the winner to be Dr. Yu Yee Tak, Esther. Her research project was "Role of HbA1c for Diagnosing Diabetes Mellitus Among Chinese Patients with Impaired Fasting Glucose and Impaired Glucose Tolerance".

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

The year of 2011-2012 has been a year to consolidating service and improvement. The web page was well received and suggestions on membership payment, online checking of CME points were attended to. The expertise of our Committee members, notably Drs. Simon So and Alfred Tang, have been devoting exceptionally length of time and energy to optimize the Web services. The new section on obituary and the uploading of the 30th Anniversary files, would enable the important events of the College remained in record.

Looking forward, a new membership list for public access is undergoing lengthy process of obtaining the needed advices from Medical Council. Such is beyond our control. I am sure the proper steps have to be followed.

We would like to welcome members from the College with interest in web and computer to join us. We would also like to thank Ms. Erica So, Ms. Crystal Yung and the rest of the College staff, for delivering the high quality support as usual

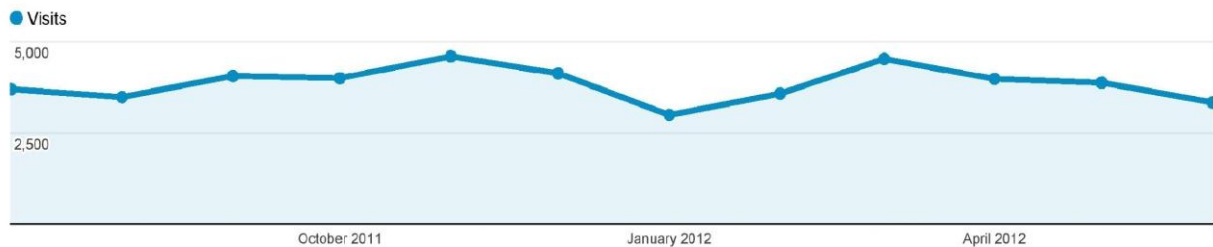

We look forward to another year of service.

The financial situation of our College remains stable for the financial year 2011-2012, with a current reserve valued in excess of HK\$13.1 million, thanks to the conservative investment strategy of the Finance Committee. Equity shares, bought when they were first issued, account for approximately 14% of our portfolio (as at 31 Mar 2012), and the great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's reports.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Conjoint Examination, Board of Vocational Training and Standards, and Specialty Board. Membership subscriptions generated an income of HK\$1.32 million (a 9.2% increase compared with 2011). From the Board of Conjoint Examination we obtained a surplus of HK\$635k (a 34.5% reduction). And from the Board of Vocational Training and Standards we recorded a surplus of HK\$533k (a 20% reduction). We have expected the income reduction from these two Boards as revealed from the dropping number of basic trainees in the past few years that implicated few numbers of candidates eligible to sit in the examination in this financial year. The Specialty Board welcomed a surplus of HK\$1,139k (a 411% increase), and this significant increment is expected when more trainees complete the Higher Training as compared to past few years and sit the Exit Examination.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$2.97 million (a 1.4% reduction). The Board of Education saw a deficit of HK\$578k (a 7.5% increase). The total cumulative expenses were carefully controlled and had reduced by 2.5%.

The consolidated net deficit before tax computation for the financial year was HK\$99,372 which saw a 73.5% reduction compared to the previous financial year (HK\$373,981).

On behalf of the board

Chairman

HONG KONG, 28 September 2012

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements Hong Kong College of Family Physicians set out on pages 4 to 11 which comprise the statement of financial position as at 31 March 2012 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Council's responsibility for the financial statements

The Council is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2012 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is 701, 7/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

3 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rates to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Entrance fees from members are recognised in the financial year of receipt.

Annual subscription fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets

and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

4 TAXATION

Dear Sir,

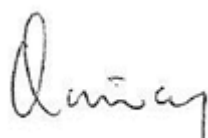

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2012.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

MANAGEMENT CONTRACTS

No substantial contracts concerning the management and administration of the company were entered into or existed during the year.

AUDITOR

The financial statements have been audited by Messrs C. F. Cheung who retires and, being eligible, offers himself for re-appointment.

On behalf of the Board

Chairman
HONG KONG, 28 September 2012

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP EDUCATION LIMITED
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the separate financial statements of HKCFP Education Limited set out on pages 4 to 10 which comprise the statement of financial position as at 31 March 2012 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' responsibility for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Basis for Qualified Opinion

As explained in note 4 to the financial statements, the company has not prepared consolidated financial statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the shareholders. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

Qualified opinion

Except for the failure to prepare consolidated financial statements, in my opinion, the separate financial statements give a true and fair view of the state of the company's affairs as at 31 March 2012 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Unit 701, 7/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Related companies

A related company is a company in which one or more of the directors has a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2011:Nil).

The company had no significant unprovided deferred taxation at 31 March 2012 and 2011 and for the years then ended.

At 31 March 2012, the company has unused tax losses of HK\$5,381,630 (2011:HK\$4,319,329) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

5. DIRECTORS' REMUNERATION

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements HKCFP Foundation Fund (Limited by guarantee) set out on pages 4 to 9 which comprise the statement of financial position as at 31 March 2012, the statement of comprehensive income and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Executive Board's responsibility for the financial statements

The Executive Board is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Board, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2012 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

2. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 701, 7/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the Foundation is to promote, encourage and assist, for the public benefit, research and education on family medicine.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

5. EXECUTIVE BOARD MEMBERS' REMUNERATION

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2011:Nil)

NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 701, 7/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activity of the Company is to act as an Educational Organization in respect of the development of Family Medicine.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives :

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Turnover

Turnover represents course fees received.

(c) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2012.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.
